Upon their return from a week's trip in Northern Michigan, Mr. and Mrs. [illegible] will be at home at Mobile Home Manor, 2756 E. Grand River, Lot A-21, E. Lansing, Mich. 48823.

The bridegroom's parents entertained at a rehearsal dinner Friday at the Holiday Inn.

Beginners Registration Continues

CLINTON — Parents of kindergarten children who did not register their children last spring are asked to do so as early as possible at the Elementary Principal's office.

At registration, a birth certificate must be presented and either an up-to-date immunization record or medical form. Have the immunization record completed before the starting of school.

All new pupils of the community, grades 1 through 12, are asked to enroll at either the elementary or secondary school Principal's offices as soon as possible. Principals will be in their offices from 8:30 a.m. to 4:30 p.m., Monday through Friday. It is important that newcomers enroll so that proper course selections and arrangements may be made.

Tracy Matthews Is Back in States from Vietnam Post

CLINTON — Sp/4 Tracy Matthews has arrived home from Chu Lai, Vietnam, where he was stationed with the army for a year.

He's spending 30 days with his parents, Mr. and Mrs. Walton Matthews, awaiting reassignment. His service will be completed in January.

While in Vietnam, Tracy frequently saw Gary Peters and Richard Buckmaster, Clinton men who are serving there in the Army.

Conferences Begin Year for Teachers

CLINTON — The 1967-'68 school year will get under way with pre-school teacher conferences Thursday and Friday with the first general session for all elementary and secondary teachers being held in the High School cafeteria at 9 a.m., Thursday.

School will begin for all grade levels, (1st grade through 12th grade) except kindergarten, Sept. 5 at 8:30 a.m. It will be an all day session.

Kindergarten students are not to report to school until Wednesday at 8:30 a.m. It is suggested that mothers of kindergarten children either put them on the bus Wednesday morning or bring them to the Elementary Building to the kindergarten rooms.

Buses will leave at approximately the same time and follow the same routes that were established last year. They will make the return trip in the afternoon leaving the school at approximately 3:35 p.m.

Hours for the school year will be from 8:30 a.m. to 3:30 p.m., with a 40 minute lunch period.

The school calendar has been established so there will be 181 days for student attendance for the entire year, with 190 work days for the teaching staff.

Lanny and John At Grandparents for Several Days

CLINTON — Lanny Robison of Torrence, Calif., and his brother, Marine Pfc. John Robison, of Quantico, Va., spent a few days last week with their grandparents, Mr. and Mrs. Sam Robison, of Clinton, and Mr. and Mrs. Otto Priest of Evans Lake.

The young men are the sons of Mr. and Mrs. Jack Robison, of Torrence, Calif.

Sunday Mr. and Mrs. Robert Robison and family of Flint were dinner guests at the home of his parents.

Mrs. Agnes Geiger To Review Book for Mary-Marthas

CLINTON — Mrs. Agnes Geiger will present a book review for the guest night meeting of the Mary-Martha Class of the United Church of Christ.

The meeting will be held at 8 p.m., Sept. 11, at the home of Mrs. Mervyn Witherell.

All former members of the class are especially invited to attend, as well as those who wish to become members.

Mrs. Wyman Rhoades will present the devotions.

The new president, Mrs. Howard Hintz, met recently with the officers to plan the year's activities and to prepare the program booklets.

$150

THIS WEEK

Here How It Works:

PICK UP FREE BINGO CARDS: Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY THE BETTER ARE YOUR CHANCES OF WINNING.

HOW TO PLAY: To play, check the ads in each week's issue of The Tecumseh Herald. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Check the classified ads for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS — YOU HAVE A "BINGO" — AND YOU ARE A WINNER!!

AT LEAST $50 WEEKLY!! Winners will share a weekly prize of $50 issued in "Bingo Bucks" that spends like cash at any of the sponsoring merchants. If there is only one winner, he wins all of the $50. If there is more than one winner, all winners will share the $50 in equal amounts. If there are no winners any week, the $50 weekly prize money will be added to the following week's prize fund.

CHECK EACH ISSUE OF THE TECUMSEH HERLAD: Each game is complete in each week's issue. A new game will start each Wednesday and be completed the following Monday. A new set of Bingo numbers will be published each week in the sponsoring merchants' ads and possibly elsewhere in the paper and these new numbers only must be used. A new color of Bingo cards each week will be available at the participating stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

IF YOU ARE A WINNER: If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE HERALD, write your name, address, phone number, and the name of the store where you got your winning card on the back of your card and mail to The Herald. The envelope containing your card must be received by 5 p.m. Monday of the following week; or bring your winning card to the office by 5 p.m. Monday of the following week.

PLAY BINGO NUMBERS APPEARING IN THIS ISSUE ON RED & GREEN CARDS

Rules of the Game

NO OBLIGATION OR PURCHASE NECESSARY: There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper — also at the public libraries. You may play as many cards as you wish — they are free. Get additional cards — one at a time — each day of the week — from the friendly merchants listed below (adults only, please).

DIFFERENT COLORED CARDS EACH WEEK: The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

CHANCE DETERMINES NUMBERS: Bingo numbers for each week's game are drawn at random from a revolving Bingo number dispensing cage at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will be some place in the sponsoring merchants' ads and possibly elsewhere in the paper. Employees of this newspaper and their families are not eligible to win any of the prizes.

Two of Tecumseh's finest amateurs practiced prior to their championship match Sunday at the Country Club. Jim Wilson, eventual winner, hits one here off the practice tee as his opponent Bill Holmes watches. Wilson threatened to make the match a runaway until Holmes rallied on second 18 holes to even the match on the 36th hole with a birdie. On the first sudden death hole, Wilson holed a birdie putt to win. Below, Grace Wilson, at the right, defeated Ruth Hanna for the top ladies' title.

Wilsons Win Country Club Golf Crown

Jim Wilson won the men's golf championship at the Tecumseh Country Club Sunday and his wife, Grace, won the ladies' title.

It was the first time since the club opened in 1949 that a husband-wife combination have copped the top two titles in the same year.

Jim, a 1952 titlist, defeated Bill Holmes on the 37th hole after Holmes had squared the match with a birdie on the 36th. On the first sudden death hole, Wilson birdied to win.

The men's club championship is played over 36 holes, and at the turn of 18 holes, Wilson led Holmes, winner in 1963, by four holes.

Grace, playing superb golf for the second straight day — having edged three-time champion Mary Bowers Saturday afternoon — defeated Ruth Hanna.

The Vern Manwarings almost made it a perfect, family day when Vern defeated John Stommen of Milan for the men's third flight title, and Joyce beat Nikki Snook in the ladies' second flight.

Their son, Guy, however, was defeated by Jim Gates for the boys' first flight title.

Jeff Schwartz whipped Dave Purdy of Milan for the boys' championship, and Mike Stommen defeated Shawn Dalton for the Pee Wee crown.

Other results were, for the ladies:

Juanita Boldt of Dundee over Nella Lehr, Manchester, in the first flight, and third flight, Annabelle Bock over Margaret Snyder of Milan.

Other men winners were:

Jim Lincoln over Ralph Dabe, first flight.

John Wanty of Milan over John Finley, Saline, second flight.

Bats Invade Smoke Stack

Bats in the belfry? No, not this time. They're in the smoke stack of the Junior High School.

Mrs. John Powell, 303 E. Logan St., along with her husband and neighbors, watched from 200 to 500 bats Monday evening hover over their homes and finally descend like a huge funnel in the stack — right down to the last bat.

The Powell cat, "Tinker," is staked out on the back lawn because he had the audacity to catch and eat one of the things.

FUN WITH THE NEWCOMERS

Are red-headed woodpeckers inclined to be a bit on the clownish side? This being our first really good visit with them, perhaps we are a trifle prejudiced. This one character who comes to the feeder is — well, you be the judge.

When the red-head zooms down to the feeder and lights on the flat tray, this is nothing too out of the ordinary. He has typical woodpecker feet, big and sprawling; his legs are set back on his body and so, when perching on a flat surface, his posture is rather peculiar.

He crouches down instead of sitting as a blue jay or a cardinal would. But this does not interfere with his free-loading — scratch food is bolted down at a great rate.

Nor does his funny in-the-middle-of-the-tray stance really warrant my use of the word clown. After all, this is a woodpecker and he is built like one.

It is when our new friend hangs on the side of the feeder that we laugh. Grasping the edge of the board with those long toes, he somehow scoots down so that just his red head is peeking over the tray.

Is he trying to be coy, funny or cautious?

Whatever the reason, it is quite a thrill to look out and see the bird's red head, white eyes and large light-colored bill. The laughs are even louder when a good supply of scratch feed is situated so that, without moving to another counter stool, the 'head' can gobble mouthful after mouthful.

★

ONE DAY his expedition to the covered feeding station caused quite a commotion, too.

First of all he tried to go in the back way and, since there are no doors in the glass sides, he had trouble.

There was no round perch to grasp, no way to get at the food which was so clearly seen — it was most confusing and upsetting.

In fact, the poor red-head was completely unnerved by the time he found the open front of the feeder. He went inside and promptly forgot how to get back out.

Instead of eating he tried to leave through the side. Again, no door.

He banged his head into the glass and beat it with his wings — whether he was badly frightened or just very mad really didn't matter. We feared he would hurt thimself.

Just as I was getting ready to ask someone to go to the rescue, the red-head quit doing battle, almost staggered to the front door and flew to his favorite elm tree.

This elm, the second one by M & D's driveway, must be a very special tree. At least, it is very special to this woodpecker and he spends a large portion of each day drilling into its bark and searching along its near-dead branches.

Actually, there are two red-headed woodpeckers attracted to this tree.

One of them, the one we see at the feeders just outside the window, is a full-fledged adult. And he is gorgeous! Truly, this is a handsome bird.

In bright sunlight, his head is a brilliant, almost iridescent rich red while his back and wings are a shiny navy blue and his front is white.

The same snowy white color forms two large patches on his wings. When standing on the side of a tree, it almost looks as though he has a white back and, of course, when in flight these wing patches are bright and flashing.

The elm tree's other woodpecker is a juvenile. From the neck down he is marked similarly to the older companion. Wonder whether it is his father or his mother?

His age is given away by his head — young red-headed woodpeckers aren't red headed. Their heads are a lark brown color.

Unfortunately, Junior has shown no inclination to investigate our feeders.

I wish he would come over for a snack. It would be fun to have a good close-up look and even better, it would be fun to have a picture of a brown headed red-headed woodpecker.

He will have to hurry, though. This juvenile plumage is only worn into the first fall and, whether we like it or not, fall is almost here.

So it is that there are two nice big red-headed woodpeckers in the neighborhood and we have just more than had fun with the newcomers.

History of Irish Hills Goes Back To 1730

(Editor's Note: John G. Ketteman, developer of Evans Lake Park, in 1926, wrote the following article which appeared in the Sept. 1 issue of Perry Hayden's Tecumseh Globe of that year. The Ketteman family has owned property in Lenawee County since 1923 and developed the three subdivisions on Evans Lake. Because of The Herald's interest in the Irish Hills, Mr. Ketteman sent his article to be reproduced for the benefit of area residents.)

In this age of hustle and bustle, one seldom finds a business man who takes sufficient time to read the news of the day, to say nothing of digging into history, what is why the GLOBE is particularly interested in John G. Ketteman, a Toledo Realtor, who, with his father, John Ketteman, Sr., is developing Evans Lake Park.

Through good luck we ran onto this live wire, and with a little urging we have persuaded him to contribute a series of articles on the IRISH HILLS DISTRICT.

Mr. Ketteman has spent a great deal of time and effort in gathering historical data about this particular section, and so it is with no little satisfaction that we pass on these most interesting articles to our thousands of readers.

If these articles interest you, jump in the bus and drive out to Evans Lake Park on M-23, and meet the author of these articles himself.

M-23 Longest Trail in America

When the first white men ventured into the interior of Michigan from the narrows of the 'detroit' river they found an Indian trail much different from any they had ever known. Instead of the usual narrow footpath thru overhanging brush, making it difficult for a man on horseback to negotiate, they found a broad trail which in the opinions of historians of Indian life was the longest continuous trail in America. It reached from present Detroit to the lower end of Lake Michigan in a direct line crossing the beautiful Irish Hills of Lenawee County.

Traveled by Canadian Indians

It was traveled for decades by Canadian Indians in their Buffalo hunting expeditions into the western plains and the book "Historic Illinois" states that the Sauk trail is the most interesting and clearly marked of all American Indian trails. It formed the pathway over which each recurring year the Sacs and Foxes, under the famed chief, Black Hawk, traveled from their far off villages on the banks of the Mississippi to Fort Malden (now Amhersburg) in Canada to receive annuities in the form of blankets, rifles, fire-water, ammunition and trinkets from the British Government. It must have been a sight worth seeing, these annual migrations as they were both large tribes and their confederation peculiarly strong and no doubt they straggled out for miles as they walked with their grave warriors stalking on ahead and the laden squaws trailing along behind with the hardy ponies dragging the tepees, their long poles scratching up the soft earth.

First Mentioned 1730

The first historical mention of the trails used by white men, other than the early exploring parties, was in August, 1730, when the French troops under DeNoyelles hurried from the little Detroit trading post over the great Sauk Trail to assist in the siege of the Fox warriors at the large Indian village of Maramech in Illinois.

Lewis Cass Preferred "M-23"

In later years the trail was traveled a number of times by Lewis Cass and he preferred the trip from Green Bay to Detroit on horseback over his trail rather than the perilous water journey thru the straits on his many official visits to that district. It was on the strength of his statements regarding the directions and value of this trail that Father Gabriel Richard was able to get favorable action from Congress in February, 1825, authorizing the Chicago Military Road 100 feet wide from Detroit to Chicago. The massacre of the Fort Dearborn garrison at Chicago several years earlier, was the direct result of a message carried over this historical path, way by a friendly Pottawatamie Indian named Winnemeg from Gen. Hull at Detroit ordering them to vacate the garrison. The massacre occurred as they attempted to carry out this order and within sight of the Fort.

Musgrove Evans Settled Tecumseh in 1824.

Musgrove Evans, a Quaker Surveyor, came from the East and established at what is now Tecumseh, the first settlement west of Monroe and Detroit in 1824. After finding a mill site with water power he investigated the source of his supply and traveled up the shore of the creek on horseback until he reached a beautiful lake on the border of the old Sauk trail. Well satisfied with his source of supply, he named the body of water Evans Lake and the connecting stream became known as Evans Creek. At the junction of Evans Creek with the Raisin he built his log cabin and mill. His ox team and cart was the first vehicle to enter the then wilderness of this beautiful district of Michigan. The settlement he named Tecumseh after the fierce chieftain whose council ground was nearby, although the home of the tribe was on the Scioto river in southern Ohio.

Evans Named Sand Lake

While going to the relief of the Carey Indian Mission west on the Sauk Trail with Gen. Brown, who led the Michigan settlers in the Toledo War, Evans saw a lake near Evans lake which they named Sand Lake.

Evans Built this Military Road.

In 1825 Evans was one of the Government surveyors who laid out the new Military road along the course of the old trail which had been beaten hard by the annual migrations to Malden and which passed the lake which bore Evan's name. The following year (1826) Musgrove Evans was superintendent of construction of this now great traffic artery, the main purpose of which then was to afford a means of carrying troops and supplies to the rebuilt stockade at Chicago. Even then it was the country's most important inland route and the only road across Michigan.

Isaac Powers Gets 800 Acres in 1827.

The following year, 1827, Isaac Powers obtained a land grant of 800 acres including property on the west shore of Evans Lake and along the Chicago trail in the highlands of Lenawee County among the pretty lakes. His was the first cabin west of the settlement founded by Evans. Mr. Powers' daughter, in a newspaper interview in 1916, at the age of 82 years, gave a first hand description of pioneer days in the Irish Hills district when the country was still virgin forest and redskins roamed the lake districts. Her earliest recollections are of the wooded country dotted by sparkling lakes and pierced by the wagon road over which the settlers were pouring into the great west. Many of the newcomers became so fascinated with the beautiful lakes and hills that they stayed, including a number of English and Irish families.

Why Named "Irish Hills"

The name "Irish Hills" is an adaption of colloquial humor of the early settlers not intended to be at all romantic but later made so by the hills themselves (which make everything romantic, even the people who live among them). Powers and other English families began calling the stretch of picturesque rolling ground, around Evans Lake and west to the old stone church, "Ireland;" while the English settlement from the stone church west to Cambridge Junction was dubbed "English" by the Irish settlers. The settlements grew up as neighbors and the younger generation began calling the Irish Section by its present name, while the name England was dropped entirely. And so the popular objective of motor tourists and summer resorters from the entire middle west received its picturesque and pretty title.

How Jonesville was Settled.

In June of 1828 Ebenezer Jones, with his family and covered wagon, which was the third to pass over the new trail, attempted to settle in the hill district at Wolf Lake, but was directed to move on by the Siam tribe of Indians who held forth in that locality. They continued west and founded the present town of Jonesville.

A Stage Coach or Wagon Every Five Minutes.

In 1830 the Great Western Stage Co. inaugurated service over the Chicago Road and four horse post stage coaches were a familiar sight along with the covered wagons of the pioneers, which, according to an old settler, who timed them, passed at the rate of one every five minutes from daylight to dark. At that time this was a remarkable volume, as the settlement of the Northwest which was carried on almost entirely over this trail and by water, was, and still is, considered one of the greatest migrations of people that the world has ever seen and is so stated in several histories.

Now 5760 Cars in a Day.

Compare the above travel of one every five minutes to the traffic which M-23, The Chicago Pike, now carries and you will see what strides transportation has taken. By actual count traffic on holidays and Sundays at Evans Lake Park is 8 cars per minute. Based on 12 hours of daylight there were 144 covered wagons passing a given point per day as compared with 5,760 motor vehicles per day on our new concrete highway, traveling the same 100 feet right of way as laid out by Evans in 1825. The great traffic along this road caused taverns to spring up on the route and the Evans Lake Hotel, now the Irish Hills Inn, adjoining Evans Lake Park, and the Walker Tavern at Cambridge are two of the old stopping places. They are still operating and are relics of the day when 12 miles was a good day's travel and the above inns were the fourth and fifth day out from Detroit. Dearborn, Ypsilanti, Saline and Clinton were the other stops. The value of a government road with a 100-ft. right of way in those days when the only roads were the trails of the Indians in going from lake to lake and around their borders can hardly be appreciated by us. They no doubt got a thrill out of 12 miles per hour such as we get above 50.

Only Houses Were Wigwams.

The only houses were the wigwams of the Indians built on the banks of the beautiful lakes in summer and in the thick woods in winter to escape the cold. The territory around the Irish Hills lakes was called Oak Openings as the scattered groups of tall beautiful oak trees were comparatively free from underbrush because of the annual fires passing over them, started by the Indians to provide tender sprouts to lure the deer into this picturesque hunting ground of the Red Man, a pioneer at a gathering on July 4, 1876, described the territory in northwestern Lenawee when first touched by the hand of civilization as "The whole like a beautiful park, the ground covered with a profusion of wild flowers and gemmed here and there with beautiful clear lakes. It is no wonder that the early settlers were enchanted with the scene and in letters to their friends spoke in glowing terms of its beauty and loveliness. A fairer and more beautiful region the sun never shown on."

Every Mile Has Its Stories.

It would indeed be a motley gathering could the ghosts of the Sauk trail walk again, and revisit these populous hills and resorts. Every mile has its story of daring endeavor and wild border life. The picturesque memories of the Indians and pioneers coupled with the same scenic glories of lake and hills make the Irish Hills paramount as a summer home area and the same instinctive love of natural beauty that brought the Indians to their famous hill-girdled lakes is bringing an endless line of motor cars over the old trail into the playground of today.

OFF the TOP

As August slips into September, the days are shortening; and the morning and evening hours are brisk, with a hint of the autumn to come.

Only at mid-day does the sun warm us as it did in summer.

In the fields, gardens and orchards across the land, the bountiful harvest stands ready. The orchards are heavy with fruit, the gardens seem to produce faster than one can pick, and the grain fields are already stripped of their golden harvest.

Roadside stands dot the countryside, making all the delicious fruits and vegetables readily available to all.

Baskets of smooth, red-ripe tomatoes; golden ears of late sweet corn; shining green peppers; beets; lima beans; squash; melons; and those delicious little new potatoes which are best scrubbed and cooked in their jackets; crisp, giant heads of pale green cabbage; these and many more fruits of the harvest abound for us to choose today.

And in nearby orchards, succulent peaches bend down the branches of the trees, waiting to be picked. Pears and apples await their turn, and the juicy, deep purple Concord grapes droop in the arbor.

It is a wonderful time of year for planning meals, with all this abundance so close at hand.

But we must think not only of today, but also tomorrow; and so, many a kitchen today is turned into a miniature canning factory or freezing plant.

Homemakers of today have an easy job putting up the fruits and vegetables for the winter, compared to the task which faced the housewife of yesteryear.

My mother used to put up peaches and tomatoes by the "open-kettle" method, which is frowned on by many home economists today, but she managed to raise five children to a high degree of good health!

On canning days, all other work was laid aside. The fruit was brought in and sorted. The ripest was put to one side for making jams and jellies, and the greenest put out in the sun.

Bushel baskets of quart Mason jars and the old-fashioned, glass-lined tops were brought up from basement storage to be re-washed in hot suds and then sterilized by boiling for 15 or 20 minutes. Then more boiling water was needed to scald the fruit.

My sister and I helped with the peeling, pitting and halving. Then the golden peaches were put on to simmer, well laced with sugar.

Oh, the smell that soon filled that kitchen of years ago! The steaming kettle of peaches, combining the sweet and acid aromas, mixed with the steaming jars and the pungent aroma soon filled the house.

When the peaches were done, Mother quickly filled the jars one by one, added the red rubber seal, then the heavy top. Housewives had to be good and strong in those days, as they struggled to turn the covers tightly on the hot jars to prevent spoilage.

There was no vacuum seal then.

The process was repeated until there were rows of gleaming jars of peaches lined up at the back of the kitchen table to cool.

On other days, there were tomatoes to do. We always liked to see Mother make tomato juice with the hot, red juice streaming out from the tiny holes in the "dunce cap" strainer.

Then pears, pickles, jams and jellies all found their way to the storage shelves in the basement, against the lean days of winter.

How wealthy we felt when we looked at the filled shelves in the dim light!

Nowadays, the modern homemaker freezes most of the produce she "puts up," but something of that old-time adventure is missing.

And many do not even bother at all, preferring to buy what is needed from the store.

But what will our daughters remember of the harvest season? Will they enjoy memories of kitchens filled with the sweet scent of fruit or pickles cooking on the stove, and the satisfaction of seeing row upon row of colorful fruits and vegetables lined up on shelves in the fruit cellar?

I hope that the day does not arrive too soon when, because of speedy modern methods of food preservation, the homemaker foregoes the work of putting up these delicacies herself.

The good things in life are worth a little extra effort!

Two Families Go To Expo '67 for Fun Vacation

BRITTON — Mr. and Mrs. Wayne Dunbar and children and Mr. and Mrs. Marvin Rayburn and sons visited Expo 67 in Montreal last week.

The two families started out together for Quebec. They visited Fort Henry at Kingston and the Upper Canada Village at Morrisburg on the way to Expo.

They enjoyed the huge exposition, but said it was very crowded.

The Dunbars returned home by way of the Thousand Islands and Niagara Falls.

The Rayburns journeyed to Rochester, N.Y., to visit a niece. While there, they toured the Hawkeye-Kodak Lens Co. From there, they went to Niagara Falls and then to Grand Blanc to visit relatives before returning to Britton.

Harry Downing, 70 Is Honored Guest at Birthday Party

BRITTON — Harry Downing was the guest of honor at a pot-luck dinner party in observance of his 70th birthday last Wednesday evening in the Britton Village Park.

The family gathering was arranged by Mrs. Downing.

Guests included Mr. and Mrs. Merlyn Downing and children, Cheryl Natterstad, Mrs. Jean Hall and Kathy, Mr. and Mrs. Orville Alcock and sons, Cora Murphy and Mr. and Mrs. Clarence Natterstad and Vicky, all of Tecumseh; and Mr. and Mrs. Robert Sturtevant, Mr. and Mrs. Fenton Barrett, Kathy Irwin and Mrs. Harry Downing, all of Britton.

Mr. Downing received many cards and gifts.

Senior Choir Conducts Services

BRITTON — Members of the Senior Choir presented the service at the Congregational Christian Church Sunday morning, in the absence of vacationing Pastor Hannevik.

The call to worship, pastoral prayer and leading in the Lord's Prayer were given by Carl Studnicka. Group singing was led by Mrs. Joseph Hall.

A boys' trio, including Carl Studnicka, Jim Brown and Larry Ash, sang "It Took a Miracle."

Readings were given by Dan Shepherd, Larry Ash and Mrs. Douglas Fairbanks. The choir selections were "Living For Jesus" and "Rise Up, O Men of God."

Shelly Saxton, Nancy Vreeland, Tammy Tucker and Mary Shepherd sang "More Like the Master."

Mrs. William Raeburn directed the music. Benediction was by Carl Studnicka.

Congregational Ladies Gather To Plan Supper

BRITTON — The Women's Fellowship of the Congregational Christian Church will meet Sept. 6 in the Fellowship Center. The time was changed at the last meeting to 7:30 p.m., instead of the usual noon meeting.

It is hoped a larger group of women may attend in the evening.

The Priscilla Circle, headed by Mrs. Martin Ivan, will be in charge of the program and refreshments.

Final plans will be made for the turkey supper to be served to the public Sept. 14.

The Sunshine and Priscilla Circles will be in charge of the kitchen and the Mary-Martha and Golden Rule Circles will supervise the dining room.

Correction

BRITTON — Sorry, we goofed on the school article last week about the schedule for kindergarten children to attend school.

The correct schedule according to Supt. Saxton, is as follows:

All children who live northwest of the Wabash railroad tracks will attend in the morning.

Children living south-east of the Wabash tracks will attend in the afternoon.

The areas are alternated each year.

Regular classes for kindergarten pupils begin Wednesday, Sept. 6.

Mrs. Clyde Brown Observes Birthday with Family Dinner

BRITTON — Sunday dinner guests of Mrs. Clyde Brown were her children and grandchildren, who came to help her celebrate her birthday.

Mr. and Mrs. Robert Goetz and sons and Mrs. Beverly O'Hara and children of Ann Arbor, as well as Mr. and Mrs. Clifford Brown and children of Ridge Hwy., enjoyed dinner and a decorated cake and ice cream.

Mrs. Brown opened several lovely gifts.

Christian Church Hours Are Set

BRITTON — Members of the Congregational Christian Church are reminded that the hours for Sunday services will continue as they have been throughout the summer, as was decided at the annual church meeting last January.

The morning worship hour is at 10 a.m., and Sunday School classes for all ages are from 11 a.m. to 12 noon.

√

There will be a Sunday School staff meeting at the Congregational Church Aug. 31 at 7:30 p.m., to plan for Rally Day and other coming events.

(Editor's Note: This review was written by Kent S. Woodbury, elementary teacher in Mack School, Ann Arbor, who is currently returning to the University of Michigan to obtain his masters degree in psychology. He and his wife, the former Camilla L. Grigg, and two children were vacationing in the area and attended the play Thursday evening.)

By KENT S. WOODBURY

The Clark Lake Players are bringing a fine season to a close with a delightful selection, "Camelot." It is a perfect play for any summer evening.

Much of the humor is created by King Arthur and his Lady Guenevere in attempting to build a medieval "Great Society" by compelling the knights to give up violence and sit with justice at the round table.

Things appear to be improving until Arthur himself is forced to impose his own laws on his lady.

The Players were quite successful in signifying our own "Great Society" in Camelot.

Howard Dudt's first appearance in a dramatic role was highly successful and says much for G. L. Blanchard's ability to bring out surprising results from his cast.

Dudt moved from singing to speaking without the least break in his portrayal of King Arthur's impish character.

William Bell, playing Arthur's childhood buddy, captured the hearts of the audience from his first appearance.

The theater filled with fun and anticipation each time these appeared.

The small audiences at The Clark Lake Theater deserved a more intimate portrayal than they received. The fully lit stage and excessive chorus movements prevented this needed intimacy from occurring.

Peter Gaylord and Peg Geiger made wonderful demons and conivers in their roles as Mordred and Morgan LeFey.

Excellent music came from the voices of Kathy Terry as Guenevere, Arthur and the combined voices of the Ensemble.

Despite a dragging beginning, "Camelot" is a fitting finish for the fine season of the Clark Lake Players.

The play can still be seen Aug. 31 and Sept. 1, 2, 7, 8 and 9. Reservations can be made by calling 529-9141 or 529-9512.

Construction Starts for Gas Station

Construction was scheduled to start this week for a new service station for Camburn-McCord Oil Co., Adrian, at the corner of Occidental and Russell Rds.

It will be located in a triangle-strip there and apparently will only offer fuel for vehicles, but no service such as changing oil, tires and other services usually offered by stations.

Gateway Construction of Tecumseh is general contractor and expects to have the station open within the next 60 to 90 days.

Richard Camburn and Robert McCord, Gulf distributors in Lenawee County, have tentatively planned a station at Occidental and Russell for a number of years.

Schools Employ Two Teachers

Two teachers, one part-time, were hired by the Tecumseh schools last week.

Mrs. Sally Whelan was employed as a fifth grade teacher at Tecumseh Acres. She was physical education instructor there last year.

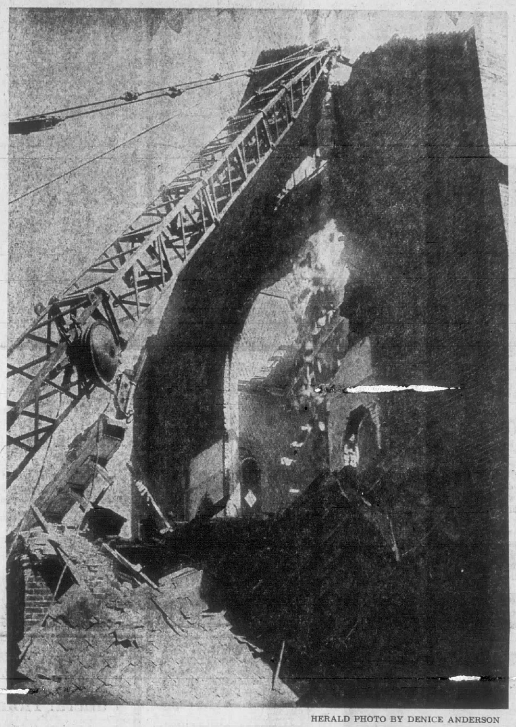
Mrs. Kathryn Sommers was hired to teach two English courses at the high school.

GM Promotes Two in Public Relations

Two General Motor officials, who handled much of the publicity and arrangements during the announcement of the Tecumseh Fisher Body Plant, have been promoted by the company.

Charles Hagler has been selected for manager of community affairs. He was public relations manager for the Detroit region.

Norman May, formerly staff assistant, has been appointed to succeed Mr. Hagler.



HERALD PHOTO BY DENICE ANDERSON

TUMBLING DOWN — The wrecker's ball plays no favoritism in its fateful swing as the walls of Tecumseh's Methodist Church reluctantly yield to its blows. The 102-year-old landmark has since been reduced to rubble.

Opening Day Enrollment Totals 3,365 Students

School enrollment in Tecumseh continues to climb with another record-breaking number of youngsters attending classes Tuesday.

Supt. James McDowell reports 3,365 started school here and more were being enrolled Wednesday at the Board of Education office. Official enrollment last year was 3,314.

Biggest surprise for the administration was the 293-registration for kindergarten, 42 more than expected.

Since present kindergarten classes are at maximum, another section will be added and will probably be located at the West Branch school. Next year officials hope that the new Union elementary school will be available for the overflow of youngsters.

Although the official enrollment for state aid purposes will not be taken until Sept. 22, Tecumseh definitely will not enter the Class A ranks for 1967-68.

High school enrollment Tuesday was 1,031. This figure could vary some with dropouts and new students, but is unlikely to hit the 1,100 figure for Class A.

The Junior High has 225 in the seventh grade and 248 in the eighth for a total enrollment of 503.

Elementary attendance for the opening day was 1,798, including the kindergarten, and there are 32 special education pupils.

Tecumseh should benefit slightly in additional state aid since the schools figured 3,350 students for the budget. This could be offset, however, with the additional kindergarten section.

Supt. McDowell says another kindergarten teacher will have to be hired, but has yet to find one.

Britton OK's New Contract

By CHRISTINE FAIRBANKS

BRITTON — The Board of Education met Friday evening at a special meeting regarding teacher contracts.

After hearing the report of the negotiating committee, the board voted to accept the master contract as presented.

The board action followed a bargaining session between the board negotiating committee and the teacher representatives which lasted until the wee hours of the morning.

State mediator Edward Connors was called in after a stalemate was reached between the board and teacher representatives. Concessions were given on [illegible] and the new contract was signed in time to permit the opening of school on schedule.

The base pay of beginning teachers with bachelor degrees will be $5,700. Annual increments will be $200, with a maximum of $7,500 to be reached in a nine step scale.

Teachers with master's degrees will begin at $6,200 and can reach a maximum of $8,000 in nine steps.

Another clause allows teachers 10 days sick leave per year, and they will be entitled to an accumulation of the unused portion of each year's alloted time to a maximum of sixty days.

J. McDowell Makes First Hole-In-One

Jim McDowell, Tecumseh school superintendent, aced the No. 15 hole at the Tecumseh Country Club Monday during the club's annual Hi-Li Tournament.

His five iron shot landed between the green and a trap, skipped onto the green, just missed a squirrel scampering across the green, and then plunked into the cup, some 160 yards from the tee.

The club's first hole-in-one of the year was witnessed by McDowell's partner, Ralph Comfort ,and George Schroder and Dick Goretti.

The ace helped the McDowell-Comfort team to a two under par round of 70 for the day. However, they finished two over for the two-day tournament.

Cite Drivers for Mishaps

Two motorists were cited by Tecumseh police for causing accidents here the past week.

Last Thursday, William H. Kerentoff, 62, of 713 Occidental Rd., was cited for failure to yield the right of way after an accident with Gordon R. Forrest, 37, Clinton, at the intersection of S. Maumee and E. Pottawatamie Sts.

Margaret E. Satterthwaite, 77, of 301 N. Union St., was charged Friday with failure to yield the right of way after making a left turn into the side of a car driven by Patricia Ann Graham, 41, of 406 W. Logan St.

$18,000 Damage at Wheeler Home

Fire extensively damaged the new James Wheeler home on Milwaukee Rd., early Friday morning while the family was vacationing near Chelsea.

Tecumseh firemen found the house ablaze when summoned shortly after seven o'clock and were fortunate to confine flames to the upstairs of the two-story, colonial home.

Damage to the house and contents could amount to $18,000 or more.

The fire was discovered by a Tecumseh Country Club employee, who was working around the golf course's No. 1 green.

Firemen believe it started in the master bedroom bath where an overhead shower light had been left on Wednesday when the family left on vacation.

Flames then spread to a second bath and to the master bedroom.

The Wheelers moved into their house last January, and it is the first in the Hawthorne Hills subdivision by Bob Goedert, Adrian realtor and builder.

LIBRARY PRESENTATION — Ronald Robson, left, director of special services of Cleary College, presents to Mrs. Murray Day, assistant librarian of the Tecumseh Public Library, eight management books to the library to establish a stock of reference books for the use of the growing number of enrollees in the CMI program in Tecumseh. Dean Moore, Master of the Tecumseh Grange, also presents Mrs. Day with a Centennial issue of The Grange. Book additions will be made in the future with the hope to encourage others in the area to make contributions of books relating to business subjects.

New Britton Minister To Be Installed Sunday

The Rev. Edwin A. Mueckler of Manistee will be installed as the pastor of the Emmanuel Lutheran Church of Britton Sept. 10, at 7:30 p.m.

In charge of the installation will be the Rev. Curt A. Bormann, pastor of St. Peter's Lutheran Church of Petersburg and counselor of the Monroe Circuit of the Michigan District of the Lutheran Church — Missouri Synod.

The Rev. Herbert J. Hafner of St. Paul's Lutheran Church, Milan, who has served as Emmanuel's vacancy pastor since June, will deliver the sermon.

The new pastor was born Oct. 1, 1932, in Manistee County, but his early school years were spent in Detroit and Royal Oak.

About two years after the family's return to Manistee, he enrolled in the high school department of Concordia College, Milwaukee, Wis., in order to begin preparation for the holy ministry.

In 1952 Pastor Mueckler graduated with honors from the college department of that school and then enrolled in Concordia Seminary, St. Louis, Mo., in order to continue his training.

He was graduated from there in 1957. He holds a Bachelor of Arts degree and a Bachelor of Divinity degree from that institution.

Upon graduation from the seminary, Pastor Mueckler was ordained to the ministry of the Lutheran Church — Missouri Synod and was installed as pastor of Our Savior's Lutheran Church of Lawrenceville, Ill.

In April of 1959, he accepted a call to serve as pastor of Trinoty Lutheran Church of Oneama, where he remained until September, 1966. Resigning his pastorate at Onekama, Pastor Mueckler again enrolled at Concordia Seminary in St. Louis for a year of graduate study.

The Rev. Mueckler married Carolyn M. Peterson of Manistee in 1957 and they have a daughter, Rebecca Ann, 3.

Mrs. Mueckler is a 1955 graduate of Michigan State University and has taught home economics and other subjects in the public high schools of Ludington and Manistee County.

Mrs. Wesley Gilmore of Britton will be the organist and Helen Bendes of Tecumseh, the choir director at the installation.

REV. EDWIN A. MUECKLER

Bingo Bugs on Way Out

Newspaper Bingo ends this week for thousands of Tecumseh Herald readers and participating merchants.

The 13-week promotion has seen 21 players win $600 in Bingo Bucks. Another $50 will be given away this week with players bringing in their winning cards to The Herald office by 5 p.m. Monday.

Participation in the game has soared with approximately 104,600 Bingo cards distributed to players by the merchants in the first 12 weeks.

Two Bands Competing

Two local bands will compete Saturday in Adrian's Battle of the Bands to be held from 8 p.m. till midnight in the YMCA gym.

Playing at the Sock Dance for the first prize of $75 will be The Radicals: Bill Bailey, bass guitar; Bill Humphries, lead guitar; Dale Beagle, organ; Mike Bates, rhythm; and Bernard Riordan, drums.

Also from Tecumseh are members of the Outbound Voyage: Dan Rodehaver, drums; Bill Weigle, lead guitar; Larry Kaechell, organ; Archie Miller, bass guitar; Jerry Gainey, lead singer; and Jack Pence, rhythm guitar.

"The dance, open to the public, will also feature bands from Adrian and Blissfield," noted Mike Shorkey, program advisor and staff member of the YMCA.

"The groups are to get in contact with the 'Y' to confirm their playing. They are then to report to the gym by 7:15 p.m., Saturday for the drawing of positions," he said.

"Each band will play for half an hour," noted Shorkey, "and prizes will include $75 for first place, $50 for second and $25 for third."

Dances are held every Saturday evening at the YMCA and any band interested in playing at future engagements should contact the 'Y' for confirmation of a non-paying audition which would be held Tuesday or Thursday evenings, said Shorkey.

Admission will be $1.

School Heads Meet, Plan at Country Club

Southeastern Michigan Association of School Administrators met last Wednesday at the Tecumseh Country Club.

Supt. James McDowell, local school head, is president of the association.

Principal speaker was Nicholas Ianni, Washtenaw Co. intermediate superintendent and also the Association's chairman for legislation, was the principal speaker.

Purpose of the session was coordinating ideas for more financial state aid for outstate schools. Last year, the state cut appropriations for bus transportation to outstate schools and increased its allocation to Detroit.

Counties represented at the meeting were Monroe, Washtenaw, Hillsdale and Lenawee.

Music Convention

The First Annual Country Music convention will be held Sept. 16 and 17 at Frontier City.

Bands from all over the nation will play with three stages going at once.

Show time is 10 a.m.

Janet J. Martin Weds James B. Springer

The Rev. Charles Pepet, Jr., joined Janet J. Martin and James B. Springer in marriage Saturday in a double ring ceremony at the Montview Presbyterian Church in Denver, Colo.

The bride is the daughter of Mr. and Mrs. Don R. Martin, 715 W. Pottawatamie. The bridegroom is the son of Mr. and Mrs. Howard Springer of Hudson, Ill.

Given in marriage by her father, the bride wore an original gown designed for her by Edythe Vincent of New York. The gown of ivory silk peau-de-soie and alencon lace featured Kubuki alencon lace sleeves. A full detachable chapel length coat completed the ensemble. The bride's veil, also designed for her, was of French illusion ivory, elbow length, attached to a cluster of roses. She chose to carry white roses.

Mrs. Dennis Fear of Midland, was the matron of honor. Mrs. Howard Bauer of Birmingham, and Jane Springer of Hudson, Ill., were the bridesmaids.

They were dressed alike in floor-length sheath olive green chiffon gowns. Olive green satin pill boxes held their bouffant veils and each carried an arrangement of Fuji chrysanthemums.

Kelly Martin, niece of the bride, was flower girl. She wore a floor-length dress of celery green chiffon over taffeta and carried a miniature arrangement of fuji mums.

Ring bearer Mark Springer, a nephew of the groom, carried the matching wedding bands on an ivory satin pillow made by the bride.

The best man was Richard Baker. Serving as groomsmen were Glen Hershberger and Jim Martin, roommates of the groom.

John Springer, brother of the groom, and D. J. Martin, brother of the bride, served as ushers.

Following the ceremony a dinner reception was held at the Tiffin Inn in Denver with 100 attending.

Sue Swisher and Mary Ellen Bleakley, roommates of the bride, and Mrs. Harvey Sellner of La Canada, Calif., helped with the gifts and the guest book.

The couple will live at 170 South Jackson, in Denver.

The bride will be teaching in the Cherry Creek School system and the groom will be working as a salesman for Reeder Realty in Denver.

MR. AND MRS. WAYNE A. DAVIS

Jacqueline Walker, Wayne Davis Wed in Historic St. Botolph's Church

Historic old St. Botolph's Church of England, Ipswich, Suffolk, England, was the setting for the marriage of Jacqueline Lorraine Walker and Wayne Allen Davis Aug. 5.

The bride, formerly of Kalamazoo, is the daughter of Mr. and Mrs. Robert Walker of Ipswich, Suffolk, England. The groom is the son of Mr. and Mrs. Glenn Davis, Jr., 605 Murray Dr.

The ceremony was performed by the Rev. S. Smith, Rector of St. Botolph's.

The bride's gown of white satin ripple was sleeveless with a round neckline and deep unpressed pleats accented the waist of the slightly full skirt. A Chantilly lace jacket was buttoned in the back and had elbow length sleeves.

Four tiers of scalloped illusion formed the bridal veil which was held by sheer petals. Her bouquet was fashioned of bridal pink roses and lily of the valley.

The matron of honor was Mrs. Sharon Drake and the bridesmaid was Candice Walker, both sisters of the bride of Ipswich.

Mrs. Drake wore a floor-length gown of turquoise satin, styled with a sleeveless bodice and scooped neckline. Miss Walker wore a similarly styled gown in pink.

Flower clusters matching their gowns formed their headdresses and they carried bouquets of pink carnations.

James Jones, a friend of the bridegroom, of Cottondale, Ala., was the best man.

The ushers were Gary Walker of Ipswich, a brother of the bride, and Allan Clarke, cousin of the bride, London, England.

The bride is a 1965 graduate of Lakeland High School, Lakeland, Fla., and attended the University of Maryland, Bentwaters, England.

The groom is a 1962 graduate of Tecumseh High School and has just finished his service in the Air Force after 3½ years in England.

Mr. and Mrs. Davis are visiting his parents in Tecumseh for a week, then will reside at 425 Phillips Hwy., Box 13, Jacksonville, Fla., where Mr. Davis plans to attend the University of Jacksonville.

Carolyn Vaughn, Robert Comfort Are Wed

Carolyn Vaughn and Robert A. Comfort were united in marriage Saturday at the Tecumseh Friends Church by the Rev. Paul Brantingham and the Rev. Dale Neff, cousin of the groom.

Parents of the couple are Mr. and Mrs. Eugene Vaughn, Raisin Center Hwy., and Mr. and Mrs. Ralph Comfort, 6408 Rogers Hwy.

Palms and candelabra flanked the altar while four three-branched lighted candelabra faced with floral arrangements outlined the kneeler and chancel entrance.

Pyramid arrangements of gladioli stood on either side of the kneeler.

The candles were lighted by James Vaughn, brother of the bride, and Dewey Baker.

Mrs. Loren Avery accompanied the soloists, Mrs. Lee Spohr and Gordon Comfort.

Approaching the altar on the arm of her father, the bride wore a floor length gown with A-line skirt, scooped neckline and long tapered sleeves, trimmed with seed pearls and lace.

The train of silk organza and lace was secured to her shoulders by small matching bows.

A forward headpiece of petal outlined with seed pearls held her shoulder length veil of illusion in place.

She carried Royal Bouquet orchids centered with snow song Supreme roses.

Mrs. Richard Vaughn, sister-in-law of the bride, was matron of honor in an empire styled gown of gold brocade and maize crepe. Her watteau train was attached with a matching bow of brocade and a bow in her hair also matched her gown.

Mrs. Gary Daniels and Vicki Duckett were the bridesmaids attired as the matron of honor.

Bethany Comfort, niece of the groom, was the flower girl in a floor length gown fashioned to match the bridesmaids' flowers of golden roses and green Fuji chrysanthemums tied with avocado velvet ribbon.

Miss Comfort carried a basket of the same blooms.

Phillip Neff, cousin of the groom, carried the rings.

John P. Hayden, cousin of the groom, was the best man and the 250 guests were seated by Richard Vaughn, brother of the bride, and Ralph Stone.

Mr. and Mrs. Floyd Avery and Mr. and Mrs. E. R. Vaughn, aunt and uncle of the bride, served as hosts.

A reception was held at the Tecumseh Products Union Hall where a four-tiered cake, baked and decorated in pastel yellow and white by Mrs. Donald Baker was served.

Mrs. Richard Bagent and Jane Nonnah, assisted by Mrs. James Yost and Mrs. Bill Hyde, served.

The bride is a graduate of Tecumseh High School and Ault-man Hospital, School of Nursing, Canton, O.

The groom is a graduate of Tecumseh High School and is currently a senior at Michigan State University.

The rehearsal dinner was given by the groom's parents at the Tecumseh Country Club.

Following a trip to northern Michigan, the couple will live at 1614 Lyons Ave., Lansing.

India Emphasized

India will be emphasized at the Sunday evening services at Tecumseh Friends Church. Waldo Johnson of Adrian will show pictures taken of the Friends Mission work in Bundelhand, Central India, at 6:30.

This service is sponsored by the Senior Friends youth group with President Gary Spohr and Advisor Rev. Lawrence Ehinger in charge.

The Tecumseh Friends Church will host the other area Friends Churches at 7:30 when the Rev. Stuti Pragash of Bundelhand, India, will speak.

Stuti Prakash was the child of orphaned parents and early felt the call of the Christian Ministry.

He served some time as Yearly Meeting Superintendent and has been used extensively in evangelistic work in Central and Southern India.

He has invested over 40 years in this area.

The pastor, Paul Brantingham, invites all interested to attend these services.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

A merry group gathered at the Mackinaw Camp Grounds at Mackinaw City over the weekend in the shadow of the Mighty Mac bridge, with an eye to climaxing the festivities Monday by walking across.

Those from Tecumseh were Mr. and Mrs. Russell Hyatt, Carrie, Jane and Mickey, David Hall, Mary Beth Deaner and Mr. and Mrs. James Barton.

From Lansing came Mr. and Mrs. John H. Hamilton, Carol, Mark and Kim — from Stockbridge, Mrs. Curtis White (Mrs. Barton's sister) and Sally and Barbara.

Also joining in the fun was C. W. Glenn (father of Mrs. Barton and Mrs. White) who stayed in a motel and joined the group for part of each day.

This was the fourth walk for several of the group and the first for eight of them. Four generations, Mr. Glenn, 76, two daughters and three grandchildren, though three-year-old Mickey preferred riding shoulders, were represented.

Mr. and Mrs. Ray Puffer invited all 18 to come to their house on the Straits to relax and have refreshments after the walk. The Puffers and daughter Miriam, had as their guest, Nancy Clute.

While on the "walk," the group saw the Aden Mead walkers ahead in the line. The perfect weather made it the most beautiful walk yet, the hikers stated.

The Hamilton Moores of Macon attended the services at the Church of the Straits Sunday morning along with the rest, and Saturday night they saw Mr. and Mrs. Dean Pilbeam and son viewing the lighted bridge.

Paul Burns, Jr., accompanied the Robert Vallaincourts. David and Paul "walked."

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, vulverts, small bridges and schools.

Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

Obituaries

● HENRY J. REGNIER

Service will be held Thursday at 9:30 a.m. at St. Alphonsus Church, Deerfield, for Henry J. Regnier, 83, of 11738 Holloway Rd., who died at 7:15 p.m. Monday at Herrick Memorial Hospital.

He had been a patient since being injured in an automobile accident Aug. 29 at the corner of M-50 and M-52.

Mr. Regnier was a passenger in a car driven by his wife, Kathryn, when it collided with another driven by George Anton, 22, of Tecumseh.

Born Nov. 30, 1883, at Irwin, Ill., he had lived in the Deerfield area for 22 years, employed at farming and as a factory worer.

Besides his wife, he is survived by a stepson, Andrew Mueller, of Deerfield, six step-grandchildren and 11 step-great-grandchildren.

The Rev. Fr. Ed O'Grady will officiate and burial will be in the parish cemetery.

● EARL FRICKEY

Earl Frickey, 67, father of Mrs. Ted Pihl, former Tecumseh resident, was dead on arrival at a Galesburg, Ill., hospital following a collision with a Santa Fe Railway switch engine on a spur track in that city.

The accident occurred about 11:41 p.m., Aug. 15. Trainmen said that the engine and two gondola cars were traveling across the street about seven miles an hour with signal lights flashing.

They were warned that a car was traveling toward the locomotive, but there was little they could do to avoid the accident.

No skid marks indicated that the brakes were not applied, and it is thought that perhaps Mr. Frickey was stricken before his car hit the train.

Survivors include his wife and daughter, Mrs. Pihl.

3 Catch Large Coho Salmon in Lake Michigan

MR. AND MRS. DAVID R. BORGESON

Barbara Jo Damon Weds David R. Borgeson

Barbara Jo Damon, daughter of Mr. and Mrs. Clarence Damon, 5383 Macon Rd., and David Richard Borgeson, son of Mr. and Mrs. A. A. Borgeson of Prospect Heights, Ill., were united in marriage in a double ring ceremony Aug. 5 in the Presbyterian Church, Palatine, Ill.

The Rev. George H. J. Ainger of St. Paul's Lutheran Church in Evanston, Ill., performed the ceremony before the altar enhanced with baskets of white gladioli and pompons.

The bride wore a floor length gown of white peau de soie styled with scoop neckline, empire waist and above elbow length sleeves [illegible] embroidered alencon lace enerusted with pearls.

They were also used to embellish the deep hem of the scalloped sheath skirt and the chapel train, attached at the waist.

Her three-tiered veil of silk illusion was held in place by an open lace pillbox hat. She carried white roses with trailing ivy.

Mrs. Cal Hoerneman of Bay City was matron of honor and the bridesmaids were Mrs. D. Terry Stephens, Charlotte; Mrs. Grant Ward, Pontiac and Mrs. Eugene Damon of Toledo, O.

They were attired in floor length yellow tulle and lace shifts with daisy appliques at the necklines and hems.

They carried cascade arrangements of yellow and white daisies tied with yellow streamers.

Thomas Anspach of Pittsburgh, Pa., served as best man and 100 guests were seated by Philip Hillberg of Toledo, O.; Ronald Holappa, of Southfield and Thomas Babb of Hamilton, Ontario, Canada.

Music for the wedding included a solo, "And This Is My Beloved," by the groom and other selections by his sister, Mrs. Holappa.

A reception was held at Lord's Restaurant in Wheeling, Ill., with Mrs. Holappa and the bride's brother, Eugene Damon, as hosts.

The bride is a graduate of Tecumseh High School and Michigan State University. She will teach English in Portland, Ore., public schools this term.

Her husband is a graduate of Evanston Township High School, Evanston, Ill., and Lake Forest College, Lake Forest, Ill. He will attend graduate school at Portland State College in Oregon.

The couple was employed as teachers of English at Traverse City High School.

They are presently living at 2020 S. W. Salmon St., in Portland.

The rehearsal dinner was given at the home of the groom's parents.

MRS. BART C. CALLOWAY

Linda L. Brown and Bart C. Calloway Wed

CLINTON — The St. James United Church of Christ, east of Clinton, was the setting for the wedding of Linda Louise Brown and Bart Conrad Calloway.

The bride is the daughter of Mr. and Mrs. Knowlton C. Brown of 9905 Fisk Rd., Clinton. The bridegroom is the son of Mr. and Mrs. W. L. Calloway of 16733 English Rd., Manchester.

The Rev. Armin Bizer, pastor of the Bethlehem United Church of Christ, performed the 8 p.m. ceremony.

Mrs. Robert Girbach was the organist and Mrs. Kirk Gordon was the soloist.

The bride's white satin gown was styled with a scooped neck, accented by lace appliques on the bodice and on the slightly full skirt. Lace petals held her elbow length veil.

She carried a bouquet of white roses.

Connie Sue Brown was her sister's maid of honor. The bridesmaids were Mrs. Sam Avery of Ypsilanti, Mrs. Thomas Kendell of Milan and Barbara Pengelly of Ann Arbor. They were gowned alike in gold satin and their bouquets were of roses and chrysanthemums.

Kimberly Kendell was the flower girl and Bobby Calloway of Tecumseh was the ring bearer.

The groom's brother, Jack Calloway of Tecumseh, was the best man.

The ushers were Knowlton Brown, Jr., brother of the bride, Tom Kendell of Milan, brother-in-law of the groom, and Max Williams of Clinton.

Assisting at the reception were Sandra Kirth, Mary Jane and Carolyn Girbach.

The bride is a 1965 graduate of Clinton High School and attended Cleary College. She is employed at the Michigan Union.

The bridegroom is a graduate of Clinton High School and is employed at the Ford Motor Company, Rawsonville.

The rehearsal dinner was given at the Huron Motor Inn, Ypsilanti, by the groom's parents.

September Solitude

By CHRISTINE FAIRBANKS

'Tis the day after school starts
And all through the house,
Not a creature is stirring
Not even a mouse.
The children have scampered off
Back to their school,
With bright, shining faces,
New crayons and rule.
The ordeal of shopping
For "school things" is done,
And proudly the new duds
Are shown to each one.
The lunches are packed and
The shoes freshly shined,
The children are eager —
The teachers, resigned.
The swings hang forlorn
In the backyard at home;
With no one to push them
They look so alone.
The dog and the cat search
The yard for their friend,
And lonesomely wait
For the afternoon's end.
The TV is silent —
No cartoons are seen;
No cowboys or Indians
Ride 'cross the screen.
And what about Mom
In this stillness so dread?
Shh! Don't make a sound now —
She's gone back to bed!

Dance Classes Set To Begin

Eleanor Brown of Eleanor's School of Dance in Onsted will again be the instructor for the 10-week session of dance lessons held under the Parks and Recreation Department, said Don Moffatt, superintendent of that organization.

Mrs. Brown, back for her third year, will teach the fundamentals of tap, ballet, ballroom dance, rhythm and coordination.

She is a 1960 graduate of Michigan State University where she majored in the communicative arts field. Mrs. Brown has had six years of practical experience and is also a certified member of the Cehetti Council of Dancing.

Tots of 4 to adults of 70 can enjoy the wonders of dancing when Mrs. Brown holds her Wednesday sessions in the main room of the Community Center.

The Kinder Class, for children of ages 4-8, will meet from 4-5 p.m. The cost will be $9 for the 10-week session.

Ballet, for those seven and over, will meet from 5-6 p.m., at a fee of $11.50.

Youths seven and over can also learn Tap from 6-7 p.m., for only $9.

From 7:30-8:30 p.m., the Women's Health and Rhymetic Class will meet. Open to ladies of 18 and over, the fee will be $12.50 for the 10-week session.

Adult Ballroom Dancing will be for couples only from 8:30-9:30 p.m. The cost will be $15 per couple.

The classes will start Sept. 20 and interested persons can preregister at the City Hall.

Scout Journeys To Jamboree

(Editor's Note — Richard Rayburn, son of Mr. and Mrs. Marvin Rayburn, recently returned from a dream trip to the World Scout Jamboree held this year in the United States for the first time. This is his report of the highlights of each day.)

By RICHARD RAYBURN

BRITTON — "I said it once and I'll say it again — it was worse than waiting for Christmas! Have you ever planned for a trip for eight months and wondered if the departure day would ever come? Well, I did, and I'm very glad I had this opportunity."

On the first day, July 24, we left for the 12th World Jamboree from the Tecumseh Police Station and headed for the Yorkville, Ill., Scout Camp. The next day we met the boys who would be in our patrol and had special training to prepare us for the Jamboree.

We called this "boot camp."

Then we left for Seattle, Wash. For several days we traveled by train, boat, bus and on foot. We toured Seattle, the Puget Sound Naval Yard, the Space Needle and Victoria, B.C.

Our average day was from 5 a.m. to 10 p.m.

Aug. 1 was the big day when the Jamboree opened with a spectacular arena show. The show was put on by each of the countries that had previously hosted the World Jamboree.

This was one of the best shows I have ever seen.

The next day was Friendship Day and really a lot of fun. This took in everyone, as we were all given letters to form the word 'Friendship.'

This brought 10 boys from 10 different areas together. We all got acquainted and exchanged names and addresses with each other.

The following day was Skill-O-Rama day, where different groups showed their specialty. After a few ups and downs our group finally got their monkey bridge up.

We saw some very good dancing performed by Scouts from other countries. We also traded small items with the other boys.

Aug. 4, we had a big rodeo and a buffalo bar-be-que to eat. I can't say that I'd like to live off buffalo the rest of my life!

The next day, the highlight was a falconry demonstration. We learned that a falcon can dive at 60 miles an hour and will always hit his prey on the left side.

Sunday, the boys attended church services. There were services planned for every boy of every faith from all the countries.

On the following day, I met Shawn, a boy from Canada, and we went hiking together.

Aug. 8, Vice-President Hubert Humphrey came to visit and to address the Jamboree. He is second in line — like the Life Scout. He said he was a Boy Scout and a Scout leader —that was how he met his wife, 'cause the Scouts needed a good cook!

The last day dawned. It was the end of a wonderful event and time to say 'goodby' to those we had lived with for the past nine days.

To close the Jamboree for the year 1967, we had a big arena show. A "Scouts of the World" talent show was given and then a real surprise when Astronaut Scott Carpenter came out and addressed the group. He demonstrated the "Wonder Belt," which enables a man to fly.

Boy, this was really great! Everyone received an autographed picture of Mr. Carpenter.

In the closing ceremony, each Scout lit a candle for Friendship and slowly they were blown out for the last farewell.

This concluded my wonderful trip to the World Jamboree.

School To Teach Study Highlights for Presbyterians

Teachers and parents will be attending school Sunday afternoon from 2:30 to 5 p.m., at the Presbterian Church. New methods and highlights of the fall study in the Presbyterian Church Schools will be presented by experts in their respective fields from all over Michigan.

Although everyone is invited, it is especially planned for the 15 churches in the eastern section of the Southern Michigan Presbytery. Representatives will be attending from Adrian, Bliesfield, Holloway, Palmyra, Cadmus, Monroe, Ann Arbor, Petersburg, Unadilla, Milan and Ypsilanti.

Curriculum preview leaders are as follows:

NURSERY — Mrs. Wayne Kopka and Mrs. Paul Buehrer from Palmyra.

KINDERGARTEN — Mrs. Robert Lennox from Dearborn.

PRIMARY — Mrs. Carson House Jr., Tecumseh.

JUNIOR — Mrs. John Shaw, Adrian.

JUNIOR HIGH — Mrs. Herbert Cornish, Ypsilanti.

Those who were at the Synod School in Alma this summer will remember Mrs. Lennox, Mrs. House and Mrs. Cornish for the marvelous job they did there training teachers and teaching students.

Hayden Mills Updates Feed

By DENICE ANDERSON

Hayden Mills is undergoing a complete updating of its feed program.

Upon the advice of C. W. (Cy) Sievert, independent feed consultant, Joe Hayden, manager of the mill, has started processing procedures to completely revise and update his feed program to maintain a more complete feed mill.

Hayden Mills, which serves approximately a 70-mile radius, issues feed to half a million chickens.

Sievert is an authority on the formulations of feed, having been in the business for 53 years.

He has been both a production and plant manager and knows well the problems feed mills face.

"I've had no formal education in feed," said Sievert. "I graduated in 1914 from the University of Illinois with a major in chemical engineering.

"After I started out as a control chemist, I got into the manufacturing part and from there I went into the feed business."

He is a member of the American Association of Animal Science, Nutrition Council, the American Feed Manufacturing Association, the Poultry Science Association and the American Association for the Advancement of Science.

Many of these organizations qualify him for membership in other national and world-wide associations.

Sievert is also a member of the World Poultry Science Association which meets with representatives from other countries, including Russia and England, to swap information on the latest developments in the business.

Having been in the business for so many years, this expert has seen the differences in feed efficiency from the nutritional standpoint.

"The farmer of 20 years ago wasn't interested in feeding problems, but today," Sievert continued, "farmers are more specialized. They know more about their business and are concerned about feed.

"Because the farmer concentrates most of his interest on a usually select animal, he now understands that feed is the key to bringing the animal to top production.

"What once took much feed to raise a top-producing animal is now being achieved with lesser feed. But it is producing better results."

Due to better genetics or breeding, plus finer management (housing, sanitation and temperature control) and greater efficiency in feed created by modern nutrition, the future is well in sight.

"The future is going to see [illegible], but not as rapid or drastic," Sievert said.

"The purpose of feeding animals is to make food for humans. But the cost saved by our improved feeding methods are lost when cost is eaten up by the middleman," he explained.

"People are demanding more in the way of preparation."

The change at Hayden Mills will be settled before the end of the year, announced Hayden. There are legal processes to be covered and some of the changes have to be approved by the National Drug Administration.

"There must be a proper balance between the vitamins and minerals to be found in the feed," stated Sievert. "If in proper balance, they will aid each other."

"We are always searching for new ingredients to do the same or better job," said Hayden. "Sometimes it is more economical to make good feed more expensive because you get better results.

"The cheapest food per ton is never the cheapest from the food production standpoint. At certain stages of the development of, say a chicken, you can use cheaper feed and get the same results.

"Nutrition needs differ in the different parts of the country because of climate, soil deficiencies and the grain crops grown in those sections," said Sievert.

"Hayden Mills' feed is created specifically for this local area," stated Hayden.

Larger manufacturers have to make feed for the general averages. There are also legal matters required in the various states that must be cleared.

"We are not concerned only with the quantity of the feed, but also with the make-up of that feed," said Sievert.

"Lenawee County is the largest beef-producing county in Michigan," said Hayden "and we have been serving for 132 years, being the oldest feed manufacturing concern in the county."

"The Grand Champion Steer and the Reserve Champion Steer at the Lenawee County Fair this year were fed with our feed," Hayden mentioned. "We do our best to offer the best for farmers in the area."

Sievert is a resident of Ohio who is on call to the Hayden Mills and who also serves independently with other companies in other states.

He has not only contributed his findings but he has also been exposed to the findings of other top men in his field.

Letters to the Editor

(Editor's Note: The following letter was sent to the Contempts after their performance at the Michigan State Fair. The group, which placed fifth in competition, includes Dick Fielder, Jamie McWilliams, Steve Maples and Mark Hinkleman. They went to the Fair as a result of winning first place in Tecumseh's Battle of the Bands. The group received a certificate of participation.

TO THE CONTEMPTS:

Our Teen Scene program at the 1967 Michigan State Fair was the most successful to date. We attribute much of its success to the participation of groups such as yours.

There was a tremendous increase in the musical caliber of all groups involved. We thank you for your participation and wish you and your group best wishes throughout the coming year.

Enclosed is a small token of our appreciation for your taking the time to take part in our Teen Scene program.

Cordially,

TO THE EDITOR:

As a summer resident of the Irish Hills, I want to thank you for the distribution of your newspaper at our door each Thursday morning.

We look forward to it each week and have appreciated all the news and ads.

We have several acquaintances in your fair city and have enjoyed reading about them from time to time. It's almost like our little hometown paper, The West Toledo Herald.

It won't be long until we will be closing our place at Wampler's Lake — but we'll be looking forward to another year next summer when we'll be reading all about your activities.

It truly is a good paper and we all enjoy it.

Sincerely,
Mildred A. Landin
(Mrs. C. F.)

TO THE EDITOR:

In Thursday's Aug. 31 Herald you had a picture of the Living Flag formed by more than 10,000 servicemen.

I think it would be nice if you could get the cooperation of people of this area who had sailors who helped make the flag and send their names to you so you could make a complete list of all who participated.

Our son, Seaman Recruit Lynn P. Gomez, was one.

We also thank you for sending our son the paper for just one dollar.

Thank you,
Mrs. Mike Gomez

Card of Thanks

We wish to express our sincere thanks to the family, friends and neighbors for the kindness shown us at the time of the death of our loved one, Grover Swarts. A special thanks to Dr. Helzerman and the Herrick Hospital staff for their kindness during the few hours of his illness. We also want to thank the Church, Pythian Sisters, Knights of Pythias and Grange for the food and taking care of the meal. The thoughtfulness of the Adrian and Tipton Postal Employees, Rural Carriers and Auxiliary and Postmasters associations was deeply appreciated. We also want to thank the Dunn Chapel for their help and consideration. Mrs. Every's selection of favorite hymns and the comforting message brought to us by Rev. Philip Rusten will always be cherished and remembered.

Work on Speedway Begins

Work on the newly-proposed $4½-million super speedway, the Michigan International Speedway, began this week with field engineering and test borings being made on the new speedway site, over 700 acres, located in Cambridge Township, in the heart of the Irish Hills.

Ground - breaking will take place within the next month, with construction getting underway shortly after that, it was stated by Lawrence H. LoPatin, Detroit developer, who heads up the Michigan International Speedway, Inc.

LoPatin stated that current plans now call for at least one USAC sanctioned race in 1968 with a full season of races in 1969. This includes two USAC sanctioned Indianapolis-type races, two stock car events and two sports car road races.

The new auto racing track, with seating capacity for 25,000, will be three race tracks in one.

The tracks center around the control tower and grandstand. They include a two-mile "D" shaped track; an infield road circuit of about 1¼ miles in length for the racing drivers' school; and the Grand Prix course.

Noted race track designer, Charles Moneypenny, of Daytona, Fla., in designing the infield road race course, used the design consultant services of former British driving ace, Stirling Moss, to insure the twisting circuit would provide the sort of challenge international Grand Prix drivers are used to, while combining the best viewing possible for the public.

LoPatin signed a multi-million dollar contract to open a racing drivers' school at the Speedway with the Motor Racing Stables Limited, the famous international racing school at Brands Hatch Circuit, Fawkham, Kent, England.

Moss, a director of the British racing school, will also be a director of the Speedway. He will be Director of road racing in connection of Grand Prix racing for the new Speedway.

British instructors and other staff personnel will man the Michigan school at first and train U. S. drivers to take over for them eventually.

In addition to LoPatin and Moss, the Board of Directors of the new Speedway include George E. Kawamoto, Detroit, one of the country's leading commercial photographers; Leslie Share, Birmingham, builder and developer; Scott Davis, Chicago, financier; Sid Barbas, Dearborn, President, Dandy Drugs; and Ford Mudgett, Adrian.

Moneypenny, speedway design consultant, has been retained to work with Smith & Smith, Royal Oak architects, on the Speedway. Smith & Smith have received over a dozen state and national honors for excellence of design and have pioneered in many architectural design advances.

Hi-Li Tournament at Country Club Smashes Record

Two teams shared first place in the Tecumseh Country Club's annual Hi-Li Tournament, Sunday and Monday, in what turned out to be the club's biggest tourney on record.

The two teams — Brick Dean and Dick Lowery, Bill Cassell and Jim Hughes — headed a field of 40 teams by coming in nine under par for 135's.

Dean and Lowery started fast Sunday, carding a 64 for a best ball of eight under. They gained only one stroke Monday, when Cassell and Hughes added a 68 to go with their Sunday round of 67.

Five teams finished one stroke behind the winners as scores soared for many teams who found pin placements extremely tricky on the hard, fast greens.

Eighteen teams, nearly half of the field, finished over par in the two-day tourney.

Jets Are Blamed for 'Explosions'

Tecumseh police report numerous calls during the past two weeks from residents who have been awakened in the early hours by apparent explosions.

The explosions are merely jets breaking the sound barrier. Tecumseh happens to be in the path of the jets which are making practice alert runs from the Detroit area.

Indians Have Good Scrimmage

Pieces are gradually falling into place after what Coach Tom Fagan termed a "good" scrimmage here Saturday morning.

At a first glance by the coaches, the Indians were thought to be on the small side but the scales have proved otherwise.

Excluding split ends, Steve Dalton and Rick Durkee, both 150 pounders, Tecumseh will average over the 180 mark on the line with Joe Conklin (178) and Doug Schwartz (205) at the tackle spots; Jim Upell (185) and Jim Parros (200), guards; Dan Anderson (160), center; and Carlo Mobley (170), at the tight end position.

The backfield could well end up with Jim Mobley (160) at quarterback; John Anderson (180), fullback; Jim Hunt (160), halfback; and Larry Cody (150), flanker back.

Tecumseh will get its first taste of scrimmage against another school this Saturday afternoon when the Indians work out with Romulus at Detroit.

Fagan has split the varsity and Jayvee squads and will start the season with six sophomores — Earl Ruttkofsky, Bob Hackett, Paul Burns, Jim Curtiss, Jack Greenfield and Ken Pieh — on the varsity squad.

Tecumseh opens the 1967 season next Friday, Sept. 15, at Hillsdale. The Hornets were just average last year and are expected to be about the same this fall.

They may be good enough, however, as the Indians will open with quite a few new faces and will be thin at many spots.

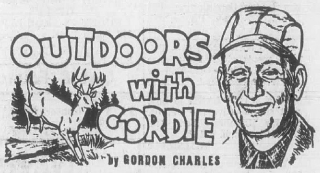
Tecumseh faces Detroit Lutheran West on Sept. 22 for its opener here before local fans.

Tennis Tourney Sign-Up Deadline Is Set for Sept. 7

Sept. 7 is the registration deadline for men interested in signing up for Tecumseh's fall tennis tournament, stated Don Moffatt, superintendent of the Parks and Recreation Department.

Registration will be at the City Hall. Entry fees are $1 for singles and $2 for doubles.

The event will begin the week of Sept. 11 at the Municipal tennis courts behind the library. Trophies will be awarded.



All ladies may not agree, but the gal with an outdoor husband is indeed fortunate. Her man is truly different!

Take those holidays and weekends, for instance. Hubby always hops out of bed long before dawn to make preparations for the day. (Whoever heard of going fishing or hunting at any other time of day?)

This thoughtful husband will insist his wife stay in bed — that getting his own breakfast is easily nothing.

Barely has she snuggled back under the covers, though, when in he comes and hoarsely whispers, "Where did you put the coffee pot?" Or "did you see my Thermos bottle?"

By the time she gets up and locates these elusive items, the wife usually decides it will be the lesser of two evils to stay up and fix breakfast and get him out of the house.

New brides, of course, sometimes have difficulty becoming adjusted to this brand of thoughtfulness, and it is strictly thoughtfulness for her which prompts him to sally forth in quest of fish or game.

For one thing, his absence with the family car assures her of plenty of time to do all her housework without any interruption. It is one time when there will be no cigar ashes on the rug or dirty socks in the middle of the living room floor.

His absence also gives her time to sit and meditate about his better qualities or perhaps to phone her mother and discuss his sunny disposition.

As family provider, the husband feels bound to bring something home from his trip afield, no matter how insignificant it might seem to an outsider.

It may be only a four-ounce bluegill or a slightly bedraggled duck but as he bears his trophy proudly home, he proclaims his favorite hobby is slicing the meat budget to the bone!

There were, of course, a few slight expenses, such as the 200-mile drive and the gas and oil expended; a new reel or the three boxes of shotgun shells; and the T-bone steak with the boys.

(How did he know he would get stuck for the whole check?)

Yes, the gal with a real outdoor husband probably doesn't realize what a lucky person she is!

Gold Found in River Raisin

By MAXINE CALHOUN

"There's gold in them thar hills!" Around Tecumseh, that is.

According to the "diamond hunter," Ora Williams, 317 W. 7th St., Flint, and his young nephew, Delbert Leroy Williams, Jr., 7, of Clarkston, they found ample evidence of gold along the River Raisin.

The two displayed one of several nuggets which they claim they found in the past few days in the River Raisin.

For the past five years, Mr. Williams has been searching for silver, gold and diamond mines in Michigan, with "considerable success," he reported.

Mr. Williams had learned of an article which appeared in the Buffalo Courier early in 1848 mentioning the discovery of gold in Tecumseh on the banks of the River Raisin.

The article said it was principally gold mixed with ore, a "very rich" find, and was 35% pure gold.

Some nuggets from one to one and a half ounce of pure gold were found.

The Hunts Merchants Magazine, January, 1948, Volume 7, page 107, also carried mention of the discovery of gold in Tecumseh on the River Raisin.

History shows that Tecumseh did not have a newspaper in 1848, but according to Clara Waldron, many of the early settlers had come from New York and it was quite likely some of them continued to take the Buffalo Courier from their home state.

It is thought that a mining company was formed in 1848 by promoters Stillman Blanchard, Henry L. Hewitt and Ezra F. Blood, to mine for gold in the area.

Mr. Williams tossed out the suggestion that Tecumseh youngsters could easily "put themselves through college by panning for gold along the River Raisin."

He suggested that the best time to look is by canoeing after dark and flashing a light along the banks.

Just to make the search a bit tantalizing, Mr. Williams gave a few clues to the source of his latest gold finds — it's on an east bank of the River Raisin.

To get at it, one must get up on top of the 20 to 25-ft. river bank. The gold can be seen about a foot above the water line.

"I wish they would quit putting up 'No Hunting' signs," was Mr. Williams' parting remark.

Now, has anyone else heard of Tecumseh's early gold mine?

Does anyone care to start a gold rush? We predict a rush on flashlights in local stores!

Cleary Story by Bud Guest This Friday

The story of Cleary College, Ypsilanti, will be the subject of Bud Guest's "Time Traveler" radio show on WJR at 6:40 p.m., Friday evening, according to Walter Greig, executive vice-president of the college.

He will trace the development of Cleary College from a September day in 1883 when a fledgling school, occupying only a single room on the second floor over a drygoods store, opened with just two students.

He will then bring it up to the present time with more than 1,000 students on 22 acres of land, and nearly 100 different courses.

Susan Sparrow, 16, Issued Summons for Fast Driving

Susan M. Sparrow, 16, of Onsted was given a summons for driving too fast when her auto struck a car which had slowed to make a right turn from Onsted Hwy. onto Slee Rd., Saturday at 5:15 p.m.

Lawrence Weaver, 25, of Grayling was the driver of the other vehicle.

Ironed With A Dryer

Shirts, slacks, sheets, pillow slips, blouses, skirts — if they're made of durable press, you can forget about ironing them—that is if you have a new clothes dryer!

The clothes dryer provides an exact temperature that prevents overheating or overdrying, and it has an automatic setting that's designed especially for these miracle fabrics. Your durable press garments dry with a professional "finishing touch" that completely eliminates the ironing board.

Why not see your automatic appliance dealer today? While you're there have him show you the automatic settings that do your ironing for you!

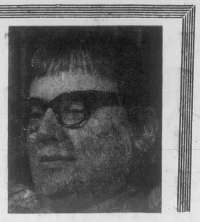
Marda Gene Duncan's

Through My Window



SEE YOU IN OCTOBER

These days I seem to be having more than a little trouble trying to concentrate. My mind jumps from here to there, mostly there. The "there" being places like Bellaire, the Upper Peninsula, the Black Hills, and Colorado. Yes, it is almost vacation time for the Duncans.

If all goes according to plan, we shall point the burgundy station wagon north Sunday. Going this time of year we will perhaps not see as many birds as usual but the scenery should be lovely and we hope to pick up some fall color in the mountains.

This was not scheduled to be a vacation article, though. Marda, a little self-discipline, please, you are still in Tecumseh. Well, if I must, I must — it was a peculiar summer wasn't it?

All of the cold wet weather, especially the Sundays, were discouraging. Many of us who are charter members in the Sun-loving Society simply did not have much chance to "bask and soak up". It was a peculiar summer bird-wise, too, there were disappointments but there were also thrills.

We missed some of the usual summertime visitors. The brown thrashers did not even begin to visit as much as usual. And past years these pretty cinnamon brown birds with the long tails and bills have found the creek bank a profitable hunting-for-bugs place.

They have also found happy-family-raising locations in the thick shrubbery hedges. This summer, however, the brown thrashers apparently thrashed around elsewhere — sorry about that, all I meant to say was that we have not seen many of these birds this summer.

★

THE TRIM AND sleek catbirds have not been to plentiful either. We heard them often, that unmistakable cat-like call came from the back yard. Since most of my watching was to the side or front, I missed seeing these all-gray favorites.

One afternoon, one rare afternoon, when it was warm enough to be on the porch, I heard this funny little sound. It was obviously a baby bird begging for food. The "cheep-cheep" was similar to a young cardinal's call but pitched a trifle higher.

Suddenly a cat-bird flew into the mulberry tree and wow, we had the fun of watching the parent cat-bird feed her youngster. And what a typical youngster it was, big mouth open all ready for food, wings fluttering and feathers rather loose and shaggy looking.

Other birds whom we heard more often than saw were the quails. Their bob-bob-White talk came, in fact it is still coming, from across the creek.

There is a beautiful weed patch over there and the quail should love it for both protection and food. My hopes are not at all well-founded but wouldn't it be nice if, on some of the upcoming snowy mornings, a covey of Bob Whites would find "peace and happiness" scratching for corn beneath our bird feeder. Nice day dreaming but those round, fat birds with the little striped heads are delightful.

★

AND SPEAKING of delightful birds, this was a good hummingbird summer. These tiny bejeweled helicopters discovered the shaggy bergamot blossoms as soon as they opened and, although the poor plants took a beating from the hail and heavy rain storms, the hummers are staying with them until the last flower shrivels and drops. In a way, having the plants bent over and broken down proved a blessing.

When the birds maneuvered into position to snack from a low-hanging blossom, we had marvelous looks at their almost metallic green backs. When leaving, of course, they showed us their light fronts and, with the males, if the light was just right, the ruby breast would blaze brilliantly.

Also on the bonus side for the summer were the two wren families which kept the little wren house busy; the large family of blue-jays, the young flicker who took an extra[illegible] rooms in the front yard and the cardinal gang.

All during August, Papa brought the kids to the feeder and what fun it was to watch them grow. The squirrel-watching was not up to normal standards; there were not as many young squirrels around and several weeks ago we started having trouble with Little Reds. Red squirrels are cute but they drive the larger squirrels away and for this they cannot be forgiven.

So it is that I now have completely[illegible] there are maps to look at, packing lists to be made and tour books to read. I'll see you in October.

Time Regulations Set for Students

CLINTON — Parents of Clinton High School students are to note the rules for reporting absenteeism or tardiness of students.

STUDENT REPORTING OF ABSENTEEISM

Students will be required to submit an excuse for absenteeism immediately upon their return to Clinton High School No student shall be permitted to re-enter classes after an absence without a parental excuse.

Temporary excuses will be granted only by the high school principal. Parents no longer need to call the school reporting their child's absence.

STUDENT TARDINESS

Under no circumstances shall tardiness to school or to class be excused. Any student who is tardy shall report immediately to the high school principal.

Teachers are not to accept any student late to class without signed excuse from the high school principal.

STUDENT REQUESTING PERMISSION TO BE ABSENT

The high school principal shall grant permission to be absent only after the parent has had a conference with the principal to obtain such permission.

Doctor's appointments will not require a parental conference. However, the student must submit an appointment card from the doctor or his nurse showing times of arrival and departure to the high school office before returning to class.

STUDENT MESSAGES

Only in case of extreme emergency shall a student be called from his classroom. Messages will be forwarded to those students who do not go home for the lunch period.

However, messages should be relative to an emergency situation.

Worship Service To Be Conducted for Herrick Patients

During the summer months the emphasis of meditations was put on the Lord's Prayer at the Gloria Dei Lutheran Church. Sept. 10, the conclusion of this prayer will be studied and preached.

The installation of the new LCW officers will take place at 10:30 a.m.

The Junior Choir of the church, under the leadership of Mrs. Earl Mason, will visit the Herrick Nursing Home at 2 p.m., when a worship service for all patients will be conducted by Pastor Laszlo Gero with the participation of the Junior Choir and Mrs. Mason.

The first meeting of the LCW will be held Sept. 11 at 7:30 p.m. All ladies of the congregation are eligible to attend the meetings.

Hall-Slater Group Will Travel North To Hear President

Denise Driscoll Is Wed To Alexander Stratton

CLINTON — Denise Driscoll and Alexander Stratton were united in marriage in the United Church of Christ Friday evening.

The bride is the daughter of Mr. and Mrs. Vance Driscoll, of 113 Gibson Rd., Clinton, and the bridegroom's parents are Mr. and Mrs. Alexander Stratton, of 9755 Nortley Hwy., Tipton.

The ceremony was performed by the Rev. Paul McKenna before an altar enhanced with an arrangement of white gladioli and pom pon chrysanthemums.

The bride wore a daytime-length dress of white lace which she had made in a simple A-line style. Her headpiece and her bouquet were fashioned of white pinocchio chrysanthemums.

Cathy Driscoll was bridesmaid-of-honor. She wore a powder blue dress with a matching headpiece of Pinocchio chrysanthemums.

The bridegroom's brother, Timothy Stratton, was best man.

A reception for the immediate families was held in the home of the bride's parents, who were also observing their own 20th wedding anniversary.

Following a weekend wedding trip to Northern Michigan, the couple are residing in Loveless Apartments, Tecumseh - Clinton Rd.

The bride is a June graduate of Clinton High School and the groom is a June graduate of Tecumseh High School.

He is employed at Pallox, Inc.

If you'd like all your insurance — the whole kit and caboodle — in one simple plan . . .
. . . the man from Nationwide is on your side.

HAROLD R. MEADE

How many different agents handle your life, health, home and car insurance?

If it's more than one, then it's more than necessary. More complicated. More troublesome. More confusing.

Nationwide believes that you ought to be able to get all your insurance in one plan, handled by one man.

So the man from Nationwide sells all kinds of insurance—life, health, homeowner, car, and more. He can set up a single plan for you that's make your insurance a lot simpler. He can make paying for it simpler, too: you need only one check.

And he can also arrange for you to pay with small monthly payments.

"Make things easy for our policyholders" — that's the whole idea. It's one of the ways we try to live up to our slogan: The man from Nationwide is on your side.

7 Sweet Clovers Go To State Show

Seven members of the Onsted Sweet Clovers were chosen to go to the State Show at Michigan State University.

The members and their projects were:

Deborah Rieve — first aid.
Sue Neeb — foods action exhibit.
Curtise, Diane Parsons — sheep.
Raymond Gentz — electronics.
Raymond Gentz, John Moravik, senior crops demonstration.
Roger Gentz — TV aide.

Joy Goetz was chosen as an alternate on foods action exhibit.

The members of the Model Business Meeting Contest went to take part in the state contest.

The group, which consisted of John Moravik, president; Curtis Parsons, vice-president; Deborah Rieve, secretary; Vicki Moravik, treasurer; Janet Luck, reporter; Sue Neeb, Loralee Thompson, Diana Parsons, Raymond Gentz, and Mrs. Richard Gentz, leader, won fourth place in the contest.

The next meeting of the Sweet Clovers will be Sept. 11 at 7 p.m., at the Onsted Community School.

There will be a baseball game with the Tipton Jets at that time.

Bill Ruesink will give a talk on the Peace Corps, Janet Luck will give a foods demonstration and the members are to enroll for the winter projects.

The parent hostesses will be Mrs. Richard Kock, chairman; Mrs. Amil Luck, Mrs. Charles Kippe, Mrs. Walter Maples, Mrs. Wesley Goetz, Mrs. Julius Moravik, Mrs. Hany Furgason and Mrs. Richard Spadafora.

Valentine, Todd Fastest on Track

There were over 75 cars racing for the victories at the Manchester Speedway last week, with Duane Valentine and Ed Todd claiming the fastest times in their own class.

Valentine claimed the first heat win, with Louie Stemen second, and Larry Gray third.

The second heat win went to Willie Frey, with Bill Heeney second, and Sam Henson third

Ed Todd won the first heat for the stocks, with Don Dunn second, and Chuck Hines third.

The fourth heat victory went to Eddie Green with Keith Koch placing second, and Bob Kash third. Paul Whitaker picked up the fifth heat win, with Jack Seegert second, and Paul McNamara third.

The second heat for the stock went to Ed LaRoe, with Jerry Hinton second, and Jim Spieckler third.

Duane Valentine eliminated all cars in five laps for the Pursuit win, with Dick Slade second, and Larry Gray third. The Pursuit for the stock went to Ed Todd with Ken Buckner second, and Don Dunn third.

Bob Kash was the victor in the Semi-Feature event with Keith Koch second, Doug Harvey third, and Fred Knofski fourth.

The Feature Race win went to Louie Stemen after a number of restarts. Dick Slade grabbed the early lead with Don Taylor right behind [illegible] had to drop back after restarts.

Stemen took over the lead with Valentine close on his tail. Valentine finished second, Don Macy took third, and Dick Slade placed fourth.

Ed Todd had no trouble in picking up the Stock Feature win with Don Dunn second, Chuck Hines third, and Bill Collins fourth.

Gene Cutchell and Cliff Lulham were the double winners in the action-packed Destruction Derby.

Touch of Past

1857

The fall term of Tecumseh Union School will commence Sept. 7 under the charge of Prof. Lawton as principal, assisted by a full and competent corps of assistants in both male and female departments. The new buildings are completed and students from abroad will be accommodated with private families.

Hail storm number four visited Macon Aug. 30, spoiling the remains of three previous storms.

1887

Repairs on the school building are now completed and include paper and paint, new floors, new single desks, additional black boards and two new furnaces.

Over 20,000 people attended the 15th annual Farmers Picnic at Devils Lake Aug. 25.

The 20th annual reunion of the 18th Regiment of Michigan Infantry was held here Aug. 26 with 150 comrades attending.

George Heesen has relinquished the agency of the American Express Company and Burt Conklin has taken the same. The office has been moved to Clark's Grocery.

1897

Tecumseh is being canvassed for a county directory.

Britton has the champion lazy man who rode horseback and drove the team while dragging his field.

1907

Tecumseh schools opened this week with 147 pupils enrolled in the high school and 302 in the grades.

1917

Tecumseh's municipal flag staff was erected today at the intersection of Chicago and Evans Sts. The pole is 72 feet in length and will carry a new flag, 7 x 14 feet, a gift of the village council.

H. S. Waring is the new owner of the Royal Theater, purchasing it from F. S. Anderson on Monday.

School opened Monday, the high school occupying the Vendoma Hotel and the seventh and eighth grades in the Anderson store.

1927

Joseph C. Satterthwaite as vice consul, is occupying the place of the American Consul in Mexico during the absence of that consul in the midst of the excitement in that turbulent country.

1937

Riding bicycles on the sidewalks within the village is forbidden by ordinance.

Oren Feight was kicked by a cow Tuesday evening and suffered a broken right leg above the ankle.

1947

The village council has adopted an ordinance to become effective early in October, making the parallel parking of vehicles mandatory in the business district. The installation of traffic meters is also gaining in favor and will probably be adopted soon.

Ground will be broken soon by the Tecumseh Products Workers Union for a new building on S. Maumee St., near Patterson, the construction to be finished by the end of the year.

1957

A "gentlemen's agreement" was reached at the City Council meeting when 75 River Acres residents petitioned to have the drag races stopped at Meyers Airport runway. Three more races will be permitted to allow the racing association to complete its commitments.

Work began to replace the M-52 bridge at the north side of Tecumseh.

PARACHUTING CHAMPIONSHIP — The third annual Michigan Sport Parachuting Championship will be held Sept. 9 and 10 at the Tecumseh Airport with jumping beginning each morning at 10 and continuing until dusk. An expected 200-300 jumps will be made. A mass jump will conclude the event late Sunday afternoon. Colleen Archibald, above, is shown with a judge preparing for a jump. She, along with her husband, Jay, can be found every weekend at the Tecumseh Airport [illegible] new students.

Marshall Home Tour Set Sept. 16

Marshall's Historic Home Tour will be presented Sept. 16 from 11 a.m. to 5 p.m., by the Trinity Episcopal Church in Marshall.

The tour will include a visit to the Creighton Sherman 1840 farmhouse; the Vernon Thomas 1859 dwelling; the Garth Thick 1869 bracketed Italian villa; and the Craig Brooks 1842 Greek revival home.

The tour tickets are $1 and enables the visitor to view all four homes. More than 2,000 persons attended the tour last year.

Other activities include an antique sale by Marshall residents and area dealers, a home baked food sale and the Honolulu House Museum will be open.

A smorgasbord luncheon will be served at the First Presbyterian Church from 11:30 a.m. to 1:30 p.m., at a charge of $2.

Tour visitors are requested not to wear spike heels.

Tickets may be requested by mailing check to:

Camp Kanesatake Has Family Fun for Season's End

The Mix and Fix weekend family camp-out will be held at Camp Kanesatake Sept. 8, 9 and 10.

Bring tools for painting, plumbing, electrical work, carpentry or your specialty. This weekend will close the camp for the winter.

Anyone who comes alone may make reservations with David Avis, R. 4, Adrian, for meals with the Order of the Arrow.

New 200-Acre Lake Opening Is Sunday

Lake Somerset, a 200-acre manmade lake about eight miles west of Cambridge Junction, at the village of Somerset, will be opened to the public Sunday.

When completed, developers anticipate a $12,000,000 investment in land development, cottages, vacation and retirement homes.

The new lake will have a depth of about 26 feet by early next year, with many coves and inlets. Shoreline work and road building surrounding the lake is well underway.

Developers also have been granted a permit by the Michigan Conservation Department for building a dam to back up waters of Goose Creek.

Lake Somerset will submerge an abandoned railroad bed. To build the lake, it was also necessary to relocate a section of Somerset Rd., a main power line and a local power line of Consumers Power.

It is located less than two miles from Lake LeAnn, another man-made lake, developed by American Central Corporation of Lansing.

Although not nearly as large as Lake LeAnn, it will provide nearly 1,200 building sites around a shoreline of approximately five miles.

The lake was named after the village of Somerset, a small community of 720, just west of Lenawee Co. on US-12.

JANE PARKER WHITE BREAD ISN'T THE BEST SELLING IN THE U.S.A.

KNOW WHY?

Because it's not for sale in most stores.
Only A&P.

And so, it's only
one of the ten best-selling breads in the U.S.A.

But what a "ten-bester" Jane Parker White Bread is!
It's the one that's dated on the wrapper
so you can *see* it's fresh.

It's the one with quality that
equals or surpasses the others in the top ten.

It's the one with flavor so good
it's guaranteed to please your family
—unconditionally guaranteed.

It's the one that, chances are, sells for a lot less
than all the others in the top ten.

And remember, it's the one that's sold only at A&P.

When you think about it, shouldn't A&P be your store?

THIRTEENTH WEEK

Any Color CARDS

SEPT. 4 to SEPT. 11

Here How It Works:

PICK UP FREE BINGO CARDS: Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY THE BETTER ARE YOUR CHANCES OF WINNING.

HOW TO PLAY: To play, check the ads in each week's issue of The Tecumseh Herald. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Check the classified ads for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS — YOU HAVE A "BINGO" — AND YOU ARE A WINNER!!

AT LEAST $50 WEEKLY!! Winners will share a weekly prize of $50 issued in "Bingo Bucks" that spends like cash at any of the sponsoring merchants. If there is only one winner, he wins all of the $50. If there is more than one winner, all winners will share the $50 in equal amounts. If there are no winners any week, the $50 weekly prize money will be added to the following week's prize fund.

CHECK EACH ISSUE OF THE TECUMSEH HERLAD: Each game is complete in each week's issue. A new game will start each Wednesday and be completed the following Monday. A new set of Bingo numbers will be published each week in the sponsoring merchants' ads and possibly elsewhere in the paper and these new numbers only must be used. A new color of Bingo cards each week will be available at the participating stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

IF YOU ARE A WINNER: If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE HERALD, write your name, address, phone number, and the name of the store where you got your winning card on the back of your card and mail to The Herald. The envelope containing your card must be received by 5 p.m. Monday of the following week; or bring your winning card to the office by 5 p.m. Monday of the following week.

PLAY BINGO NUMBERS APPEARING IN THIS ISSUE ANY COLOR CARDS

WIN as much as $50 THIS WEEK

Rules of the Game

NO OBLIGATION OR PURCHASE NECESSARY: There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper — also at the public libraries. You may play as many cards as you wish — they are free. Get additional cards — one at a time — each day of the week — from the friendly merchants listed below (adults only, please).

DIFFERENT COLORED CARDS EACH WEEK: The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

CHANCE DETERMINES NUMBERS: Bingo numbers for each week's game are drawn at random from a revolving Bingo number dispensing cage at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will be some place in the sponsoring merchants' ads and possibly elsewhere in the paper. Employees of this newspapoc and their families are not eligible to win any of the prizes.

Milliken Is Speaker at Safety Conference

Lt. Governor William G. Milliken will be the featured speaker Friday at the Governor's Regional Traffic Safety Conference, at the Tecumseh Country Club.

The event will be hosted by the Tecumseh Junior Chamber of Commerce for the Michigan Traffic Safety Commission.

Reservations for the conference and luncheon may be made with the Tecumseh Police Department and the public is welcome.

Registration will commence at 8:30 a.m., conducted by Mrs. Gary McCain, chairman of the Tecumseh Jaycee Auxiliary.

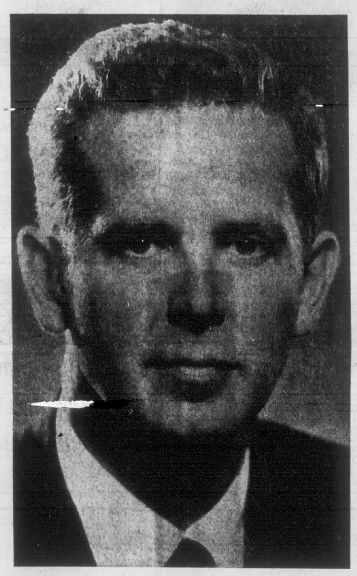
The luncheon will be marked by the presentation of the National Award, for the second consecutive year, to the Tecumseh Rotary Club, for its Safety Check Program.

Presenting the award will be F. Stanley Johnson, representing the Auto Industries' Highway Safety Committee, Washington, D. C.

The program will consist of panel discussions on "Laws and Programs of 1967," and "Looking Ahead to 1968."

Participating in the discussions will be Malcolm Whale of the Michigan Department of Education; Captain Don Downer, of the Michigan Department of State Police Max Hoffman of the Department of State Highways; and Leonard Miller, Michigan Department of State.

The morning summary will be given by Ben Duguid, assistant to the president of Siena College, and former traffic safety coordinator of Allstate Insurance.



LT. GOV. WILLIAM G. MILLIKEN

Corporal Ted Niewiada, Michigan State Police, will present a demonstration of Testing the Drinking Driver — including the use of the Breathoizer device, used in determining levels of alcohol content in blood — relative to Michigan's Implied Consent Statute.

Mayor Harold Easton will extend the welcome to the visitors.

Speaker Lt. Gov. Milliken was elected to his office in 1964, and re-elected in 1966, after having served four years in the State Senate. The last two years of which he was majority floor leader.

The afternoon sessions will be devoted to workshops:

Getting the best out of what we have, our top priorities for 1968, and women's organizations.

Chairing the afternoon workshops will be Charles Butler, of the Tecumseh Rotary Club; Murell W. Clark, Tecumseh Chief of Police, and Mrs. Laura Jo Wetzel, Safety Chairman of the Business and Professional Women of Michigan.

Local pastors who will participate include the Rev. B. O. Bashore of the First Baptist Church' the Rev. Fr. Thomas J. Collins of St. Elizabeth Church, and the Rev. Julian Gresham of the Presbyterian Church.

Dave Schoonover, traffic safety chairman for the Jaycees, is coordinating the event.

Harold Schill Is Now Able To Use Voice

Harold Schill spoke Saturday for the first time since he was seriously injured in Memorial Day races at Manchester Speedway.

His car overturned in the Australian pursuit race and head injuries resulted in his being in a coma for some time.

Veryl Schill, the injured man's father, said Monday that he was much encouraged by an emotional break-through Saturday at McPherson Hospital, Howell, where his son is a patient.

Able to walk with a cane and assistance, the race driver used his vocal chords for the first time since the accident when his sons, Dennis and Clifford, visited him.

Physicians told the elder Schill, owner of the speedway, that his son should make marked progress now that he has shown this latest improvement.

Kindergarten Enrollment Nearing 300

Kindergarten enrollment continued to increase during the first week of school with officials expecting upwards of 300 before the enrolling ends.

Two new sections have been established at the West Branch School with Mrs. David Faling and Mrs. James Colson as teachers.

Total enrollment is more than 40 expected by the schools, and the two sessions at West Branch were not planned prior to school opening.

Norman Bixby, 90, Shot in Right Leg While in Garden

Norman Bixby, 90, of 4567 Macon Rd., was accidentally shot in his right leg Sunday afternoon while walking in his garden. He was taken to Herrick Memorial Hospital. The bullet was removed and he is resting comfortably.

Mr. Bixby is the father of Mrs. Kenneth Kanous.

Gary Naugle, 20, was target shooting in the area when Mr. Bixby was hurt. He was cited for discharging a firearm within the city limits.

Lady Striker Hurt in Truck Accident

Mrs. William Walker, 36, of 746 S. Union St., was treated at Herrick Memorial Hospital for bruises on the right leg and back last Wednesday after she was struck by a truck while performing picket duty at the Peerless Gear Division of the Tecumseh Products Co., in Clinton.

Orville Younker, 34, of LaPorte, Ind., was driving a semi-tractor into the plant driveway to pick up a loaded trailer when the accident happened.

Pickets said that the truck ran into Mrs. Walker, but witnesses in the building said that the truck stopped before striking the woman.

According to sheriff's officers, the law states that pickets do not have the right to obstruct traffic. They may interrogate drivers, if they wish, but drivers are not required to talk.

Mr. Younkers was held at the scene until a report was submitted to the prosecutor who refused to issue a warrant.

Sheriff deputies and the State Police have been called by the plant management when trucks are expected.

State Police arrested Allen Rupert, president of the Local 429, Allied Industrial Workers CIO, for throwing a rock at the Younker truck after the accident.

He was free on $50 bond after being booked at the Lenawee County jail. A jury trial is set for Sept. 22.

The Peerless plant has been down since Aug. 17, when the union walked out after working without a contract since June 19.

Pit, Pool Closed for Season

Summer is over for Tecumseh swimmers as official word has come that both the Joyce Andrews Memorial Pool and The Tecumseh Park (The Pit) swimming area have been closed for the season.

Don Moffatt, superintendent of the Parks and Recreation Department, estimated around 16,000 persons used the facilities at the Tecumseh Park and approximately that same number enjoyed the use of the pool.

"The heated pool will be open only for the use of the physical education classes from Tecumseh High School," Moffatt noted.

Construction continues at Tecumseh Park on the added facilities planned for the modernization of that area.

Instructions Begin for Square Dancers

The Shawnee Squares Square Dance Club is again sponsoring a beginners group with Glenn LeFevre as the instructor.

Members invite anyone interested in learning to square dance western style to come to the Community Center Sept. 17, at 7:30 p.m., for a free lesson.

GUIDING INDIANS — Tecumseh opens its 1967 season Friday at Hillsdale under Assistant Coach Pat Connors, Head Coach Tom Fagan, and Assistant Jim Curth. Fagan is in his sixth season here, while Connors, former Boysville mentor, and Curth, past Tecumseh star and former coach at Clinton and Milan, are newcomers. A big Hillsdale team could give the coaches some problems before the evening is over. Game time is 7:30.

Two Bands Place High at Battle

Two Tecumseh bands won prizes in the Battle of the Bands in Adrian Saturday.

"The Adolescence" won the second prize of $50 and "The Outbound Voyage" won a third prize of $25.

Members of the second place winning band are: Corky Vince, drums; Terry Clumer, lead singer; Bill Ingle, bass guitar; Bob Brooks, lead guitar; and Doug Brown, rhythm guitar.

Those in "The Outbound Voyage" are: Dan Rodehaver, drums; Bill Weigle, lead guitar; Larry Kaecheli, organ; Archie Miller, bass guitar; Jerry Gainey, lead singer; and Jack Pence, rhythm guitar.

2 Escape Injury as Plane Belly-Lands at Airport

A matter-of-fact airplane landing at Meyers Airport Sunday afternoon for Jim Wolf, 27, Tecumseh-Clinton Rd., turned out to be a hair-raising experience for the young pilot.

He had to land without wheels, bringing a plane in on its underside.

Just prior to the mishap and while waiting for his wife and in-laws to show up for a ride in the plane — a single engine Navion purchased earlier Sunday at Springfield, Ill. — he had decided to take Larry McLain, 23, Tipton for a short ride.

Shortly afterwards, he and McLain returned and touched down on the runway. At this moment, the right wheel and shaft dropped completely off the plane, forcing him to resume flying.

After regaining altitude, he retracted the left wing and nose wheels into the fuselage and wing.

Tecumseh Fire Department was called for stand-by emergency as Wolf had a full tank of gasoline. As hundreds of spectators watched, Wolf then brought in the plane on a grassy strip, next to the runway.

Fortunately, the plane slid well on its belly, and did not break up or catch fire. Neither Wolf or McLain were injured.

Wolf, an employee at Stauffer Chemical, says damages will run between $500 and $1,500, depending on the extent of damages after a complete check.

The plane's underside was damaged along with a bent propellor.

Fire Trucks, Too!

Should Tecumseh's fire trucks take the shortest route to a fire, or should they abide by the city's one-way traffic streets?

Council ruled Monday night that the fire trucks should abide with the one-way street system and travel with the flow of traffic, instead of against.

The problem arose recently with a fire in the north section of Tecumseh. The fire trucks left the station and traveled north on N. Evans St., which is one-way south.

SAFE LANDING, ANYWAY — Pilot Jim Wolf drew praise from spectators Sunday afternoon when he was forced to belly-land his plane at Meyers Airport. He had just purchased it earlier in the day.

7 Arrested for Alcohol Possession

Five minors and two juveniles were picked up by the Tecumseh police during the past four days for possession of alcoholic beverages.

Edwin A. Gilmore, 19, and Charles E. Creech, 17, both of Manchester, were arrested early Wednesday morning after they tossed a beer bottle out of their car at the corner of W. Chicago Blvd. and Union St.

A Tecumseh resident happened to see the toss and took the boys to the police station.

Saturday, police arrested Frank Harris, 20, and Richard L. Baker, 17, both of Tipton, and Richard M. Elliott, 18, Clinton, for possessing alcoholic beverages.

Two juveniles were with them and were turned over to the court.

Some Areas Now Using Cable TV

While not totally activated in Tecumseh some areas of the city now have cable television reception.

Gene Baril, who directs the operation, said that the southeastern section of the city has been connected and the chance for an early completion of total service in Tecumseh is sure.

BEHIND PAGE ONE

The Tecumseh **Service Club** is in need of a **rug**, approximately 9' x 12' or any size thereof. Anyone having such a rug to donate for a needy cause can either leave it at the fire hall or call **Mrs. Fred F. Dickinson**, 423-2707, for more information.

Flanders Open Show Room and Service Center

Flanders Music Company has opened the new show room and complete service center at 144 E. Chicago Blvd.

The shop will be open Monday through Friday from 9 a.m. to 9 p.m., and Saturdays from 9 a.m. to 5:30 p.m.

The new sales and service manager is Roy Wayeaster.

Mr. Wayeaster has completed 42 weeks with the US Navy Electronics School in Great Lakes, Ill.; six months training at Fleet Anti-Air Warfare School at Dam Neck, Va.; six weeks at Sperry Gyroscope Co., Inertia Navigation Systems; and eight weeks at the US Naval Applied Science Lab in Brooklyn, N.Y.

Kenneth McGuire Seriously Injured in Cycle Accident

Kenneth McGuire, 22, of Palmyra, remains in serious condition with internal injuries at University Medical Center, Ann Arbor, following a motorcycle mishap Sunday.

The accident occurred at 1:30 a.m. in a farm field north of Pocklington Rd., and east of Rogers Hwy., in Raisin Twp. His motorcycle struck a rut and he lost control and struck a tree.

He was treated at Herrick Memorial Hospital and transferred immediately to Ann Arbor.

Kenneth is the son of Mr. and Mrs. Ralph McGuire of Rogers Hwy., Palmyra.

STEP RIGHT UP — Doing a good deed isn't always all work. Just ask the Knisely and Bugbee kids. Pearl Knisely, shown here manning the refreshment stand, her brother and sisters, Mike, Pat, and Pam, and their neighbors, Sherry and Bruce Bugbee, organized a neighborhood carnival last week featuring such goodies as "Hit the Knisely Boy," door prizes and popcorn at "our own price — 2c." They fared pretty well, as they donated all $14.11 of their earnings to the foreign missions.

80 Members Attend Session

St. Elizabeth Rosary Altar Society's new season was launched Wednesday evening with one of the largest attendance of members on record. There were 80 members and 14 guests present.

Guests included Mrs. Wilbur Klught, Mrs. Richard Neidermeyer, Mrs. L. H. Mooney, Mrs. Norman Stein, Mrs. J. J. Walper, Mrs. James Halasz, Mrs. W. R. Sturgeon, Mrs. Charles Rebotaro, Mrs. Raymond Van Kirk, Mrs. William Elwartowski, Mrs. Thomas Morgan, Mrs. Ronald Albert, Mrs. Mark Bauer and Mrs. Charles Escott.

The meeting was held in the auditorium.

Mrs. Jack Osburn gave an explanation of the Parish Participation Plan in the 1968 Synod of the Archdiocese of Detroit. She described its goals of seeking progress together.

Mrs. Osburn suggested that members express their ideas now, during the time of the synod meeting, so the voice of the people may be heard.

Special events for the year were outlined by Mrs. Paul eVlandra. They include a Halloween costume party, pantry shower for the Sisters, father and son brunch, hat sale and fashion show, spaghetti dinner, and a mother and daughter breakfast.

Refreshments were served by Mrs. Harry Weakly and her committee, including Mrs. Harry Hoffman, Mrs. David Schrader, Mrs. Carl Gruber, Mrs. Thomas Neill and Mrs. James Vanzo.

Flower Arranging

Mrs. Earl Baldwin and Mrs. Charles Gross of the Little Garden Club gave a demonstration and talk on arranging Sept. 13 to the senior girls in the home economics class at Tecumseh High School.

The girls are studying flower arranging.

The meeting place for the Sept. 19 meeting for that club has been changed to the home of Mrs. Donald Smith, 900 Red Mill Dr.

There will be a silent auction that evening.

Missions Institute

The Church Women United, whose theme for this year is "Living Our Faith in Today's World," will meet at the First Baptist Church Sept. 15, from 1:30 to 3:30 p.m., for their Missions Institute.

Study books will be distributed and available for examination.

Mrs. Rex Martin is the director and will conduct a brief business session preceding the program.

Nursery care will be provided for small children.

Collection date deadline is Oct. 1 at local churches for sorting and repacking of clean lightweight clothing, with at least six months' wearability.

Garden and carpentry tools, new, used and clean, are sorely needed also. $3 will provide excellent new blankets through a source known only to CWS, or a good used blanket with 25c is desired.

The pick-up at our depot is dated for Oct. 11. They should leave area churches by Oct. 7.

An area Day meeting, 9:30 a.m. to 3 p.m., Sept. 20, will be held in the First Baptist Church, Tecumseh. Reservations for the buffet luncheon at $1.25 must be made by Sept. 18 with Mrs. Dorothy Updike, 1 Evans Creek Dr., Tecumseh, phone 423-4604.

Mrs. DeWitt Baldwin of Ann Arbor, the chairman of the Area Church Women United, has planned the Sept. 20 meeting so that the highlights may be given of the National Assembly held at Purdue.

Women's groups of each church in Lenawee County are asked to send representatives to each of these meetings.

Mrs. Bartenslager Is Honored Guest at Stork Shower

Thirty ladies and friends of the Britton Baptist Church met Saturday evening in the Fellowship Center for a stork shower honoring Mrs. William Bartenslager (nee Valerie Carney) of 311 N. Evans.

Hostesses were Mary Alice Stutesman and Mrs. Louise Barnard. Games were enjoyed and prizes awarded to Pat Bartenslager, Mrs. Lauren Gall and Karen Bird.

Lullaby recordings were played throughout the evening and one of the games was based on these.

Mrs. Bartenslager received many lovely gifts displayed on a decorated table. A basket arrangement of gorgeous fall flowers was furnished by Mrs. Iva Caswell from her garden.

Mrs. Milburn Preston served coffee and refreshments.

Guests were present from Kingman, Ind.; Chicago, Ill.; Dundee, Ida, Belleville, Britton and Tecumseh.

Residents Raise Objections To One-Way Street

Two residents living on Shawnee St. objected to Council Monday night, regarding one-way traffic and limited parking on the street.

Gene Williams, a resident, suggested to city officials that Shawnee, between Ottawa and N. Maumee Sts., be closed during school hours.

Mayor Harold Easton explained that a study of the area was made and that the city was following recommendations for the area, which adjoins the high and junior high schools.

Nancy Marsh Weds Kenneth Carswell

CLINTON — Nancy Rae Marsh and Kenneth Carswell were united in marriage Saturday evening in the First Baptist Church, Tecumseh.

The 7:30 p.m. ceremony was performed by the Rev. Blair Bashore.

The bride is the daughter of Mrs. Dorothy Noragon of Tecumseh Rd., Clinton, and C. R. Marsh of Wolf Lake park.

The bridegroom is the son of Mr. and Mrs. Roy Carswell of 6200 Shepard Rd., Onsted.

Given in marriage by her father, the bride wore a floor-length gown of white organza with a lace yoke and long sleeves. Her fingertip veil was held by a floral headband and she carried a bouquet of white carnations and Fuji chrysanthemums.

Linda Marsh was her sister's maid-of-honor. She wore a floor-length gown of blue taffeta, with a headband of small white chrysanthemums and blue cornflowers. She carried a bouquet of pastel green Fuji chrysanthemums and blue cornflowers.

Steven Craft was the best man and the ushers were Dale Berkpile and Albert Mendoza.

A reception in the Baptist Youth House was attended by 75 guests from Detroit, Ann Arbor, Adrian, Onsted, Tecumseh and Clinton.

A lace skirt over blue taffeta trimmed the bride's table where a tiered wedding cake was flanked by bouquets of blue and white flowers.

Elizabeth Messinger and Carol Carswell served the cake; Gail and Christine Johnson served the punch and coffee and Shirley Davis had charge of the guest book.

Following a wedding trip to Northern Michigan, Pvt. Carswell leaves Friday for Otis Air Force Base in Massachusetts.

The bride graduated from Onsted High School in 1966 and the bridegroom is a June graduate from Onsted High School. He recently enlisted in the Air Force.

Mrs. Carswell will remain at the home of her mother for the present.

Teen Life Crusade Has Rally

Teen Life Crusade opens its seventh season with an outstanding rally Sept. 16, at 7:30 in Dawson Auditorium, Adrian College, with nationally famous Tom Skinner of Harlem as speaker.

Tom Skinner was born and raised in the Harlem community of New York City, surrounded by all the problems of a ghetto. On every side there was drug addiction, alcoholism, broken homes, illegitimacy and racketeering.

He says: "I, myself, felt trapped by my environment, but through a personal encounter with Jesus Christ, my life was completely revolutionized."

The Rev. Skinner has held crusades in the major cities of America and is in great demand to tell his story at youth rallies across the nation.

The Rev. William Lancaster, pastor of the First Baptist Church of Morenci, is the new program chairman. The Teen Life Chorale, under the direction of Mrs. Ronald Bleecker, will be presenting the music for the rally.

Joseph Hayden of Tecumseh will be directing the singing. High School competition will continue with the top five high school's in attendance on the big Teen Life Board.

Help Is Available

Woodrow H. Barclay, U. S. Soil Conservation Services and chairman of the Lenawee County technical action panel, said today the Department of Agriculture had instructed its rural development specialists to "end the migration of rural people to large cities by helping small communities revitalize themselves."

He said instructions had been sent to all the field staffs of USDA agencies, urging them to expand efforts to:

- Provide assistance to multi-planning and development groups.
- Extend services and benefits of all Federal agencies into rural areas.
- Help rural communities make economic development plans and secure services needed to carry out the plans.

The Department is realigning and fortifying its field offices to insure that rural communities do not miss out on help available from any source in their development programs.

Modern communications and transportation have made possible a new kind of functional rural community that has a population base adequate to support a large number of basic public services.

Generally this new type of community includes two or more rural counties and at least one small city which is the focal point of local economic, educational and social activity.

Some of the contributions to be made in rural areas development by USDA agencies that do not have nation-wide, county-level field staffs, include technical assistance in the area of marketing services and food assistance programs, advisory and educational assistance to rural cooperatives, and credit-finding aid for commercial and industrial projects.

Support efforts of the Agricultural Research Service, the Cooperative State Research Service, the Economic Research Service, the Federal Crop Insurance Corporation, and the Statistical Reporting Service are also included.

Herald Women's Editor

Mr. and Mrs. Yale Kerby have returned from a whirlwind trip to New York where they enjoyed Christine Fairbank's favorite sport of "People Watching" on Times Square, lunched at Rockefeller Center with their nephew, Mark Pennington, a Navy orderly from Long Island Hospital and then zoomed up to the top of the Empire State Building.

Dinner in the Latin Quarter, a show and Greenwich Village concluded that day but the next was even more exciting as they visited a cousin, Card Saunders, at his estate at Mendhom, N. J. Eltha said this visit had been due for 30 years and they really enjoyed it and they also attended a horse show.

Whee, what a time they did have. More of our friends should get away from strain and stress of the ever day. It counteracts paying doctor and drug bills.

√

Mrs. Janet Robison left Sept. 1 from Metro Airport in Detroit for Germany where she will join her husband, Airman 2/c Michael Robison, who is stationed at Frankfort. They expect to remain in Germany for at least two years. Mrs. Robison had been staying with her parents, Mr. and Mrs. Allen Cutler of Rogers Hwy.

BRITTON STRATEGY — Coach Paul Palka and veteran quarterback Norm Auten will lead the Tories this year, and they're hopeful that Britto n's football fortunes will change. Patsies for the past several years, things could be looking up as nine lettermen are back for the '67 season.

Tories Face Waldron At Home

BRITTON — Twenty-nine boys are vying for starting positions on the Tory football team, as the River Raisin race is nearing its start.

Kick-off time for this season will be Friday night at 7:30 against Waldron on the Britton field.

This is a change from the schedule, which shows an away game. Waldron does not have their field lights ready.

Coach Paul Palka returns for his second year of leading the Tories. Last season Britton did not gain a win, but broke its long losing streak with a 19-19 tie with Deerfield in the last game.

Palka is cautious about predictions for this year, but hopeful for a good year.

"The boys have lots of spirit," he states, "and we're ready to give it a try."

Nine returning lettermen will form the basis for the team, and Palka expects a lot of help from several new boys, including 230-lb. Doug Steinman, a junior tackle. Doug broke his leg in his first game as a freshman, but is ready to go again.

"John Rowe at middle guard and Earl Tubberville as linebacker, will strengthen our line, and Tom Schroeder will give help at the half-back position," reports Palka.

Palka is assisted by Jim Landfair, assistant football coach and head basketball coach.

In further action, Ruhl's Citgo defeated the Tecumseh Merchants, 10-5.

Kemp Murphy downed the Wagon Wheels, 27-8, and Ruhl's Citgo smeared the Tecumseh Jaycees, 15-0.

Parking Lot Site Given Appraiser

A small lot, 100x170 feet, sought by doctors for additional parking at their clinic, just east of Herrick Hospital, was referred to an appraiser by Council Monday night.

Councilmen discussed at a previous session of asking $5,000 for the area, about one-third of an acre, which is city property.

Redskins Favored Over CC

Clinton opens the 1967 grid season at home Friday night against Adrian CC and stands an excellent chance of revenging an 18-6 loss from last year.

The Irish scrimmaged Whiteford last week and rolled up four touchdowns — but the opposition will be "slightly" different with the Redskins.

If Coach Mike Snyder's club is to start the season successfully, it will have to stop a fine CC backfield headed by quarterback Butch Swartz.

Swartz is regarded as one of the top passers and field generals playing ball in Lenawee County this fall.

Adrian's problem could well be in its line where graduation thinned out the ranks.

We doubt that the CC newcomers are ready for Clinton and look for the Redskins to win, especially if returning lettermen want revenge.

Next week, Snyder's team opens its drive for a fourth straight crown in the Lakeland C Conference against Ypsilanti Roosevelt.

This is the Redskin's last season in the Lakeland C and will join the local LCAA loop next year.

Tough CHS Redskin Team Gets Set for 1967 Season

With 18 lettermen returning from last year's fine team, a good guess would be that the Clinton Redskins will again be tough this fall.

You're probably right, but you might have a difficult time convincing Coach Mike Snyder, now in his second year as head coach.

Snyder points out that all other teams in the Lakeland C Conference have many lettermen returning. The Redskins posted a 6-0 mark in the league against Ypsilanti Roosevelt, Manchester, Grass Lake and Brooklyn.

If Clinton is to head the loop again, Snyder must find replacements for six regulars who graduated, plus another five players who also lettered and picked up their diplomas.

A vital spot to be filled is at quarterback, where letterman Bill Driscoll is battling for the spot with Terry Schuler, a junior up from the Jayvees.

Regardless of this problem, Snyder will be able to start letterwinners at every spot, including kicking specialist Roger Walden.

With backs lige Butch Hoelzer, Mel Pardee, Jake Schwab and Tom Hathaway returning, the Redskins should fare pretty well offensively.

Up front, Snyder has 11 lettermen returning: Bob Feldkamp, Jim Welch, Kelvin Bennett, Paul Papsdorf, John O'Connor, Bob Ehnis, Dennis Kime, Mike Jurasek, Larry Santure, Tom Horton, and Harold Hunt.

It could be a pretty good year for the Redskins!

Sunshine Express Held in Greece

U. S. Air Force Technical Sergeant Millard O. Snyder, son of Mr. and Mrs. Oscar E. Snyder of 503 Nokomis St., participated in "Sunshine Express," a NATO training exercise being conducted in Northwestern Greece.

Sergeant Snyder, an aircraft maintenance technician, is supporting airlift activities as part of the maneuver that includes deployment of an Allied Central Europe ground force under simulated combat conditions.

The sergeant is permanently assigned to Athenai Airport in Athens, as a member of the Military Airlift Command (MAC).

Elements of MAC and the Tactical Air Command will fly 406 round-trip transport sorties under the operational control of the U. S. Air Forces in Europe during the allied exercise.

Sgt. Snyder is a graduate of Tecumseh High School and he served during the Korean War.

The sergeant's wife, Juanita, is the daughter of Mr. and Mrs. William Fielder of 217 N. Pearl St.

The Snyders arrived in the states Aug. 31 to spend leave time with their parents.

America the Beautiful... Is Everybody's Job

It's the job of every family that spreads a picnic on a roadside table.

It's the job of every boatman who cruises the lakes and waterways.

Every driver, every walker, every flier.

That's why our Association throws its wholehearted support each year into the *Keep America Beautiful* campaign.

Lovely country we have here. Let's keep it that way.

Peace Corps Placement

Area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m., Sept. 16, at the U. S. Post Office conference room in Adrian.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement.

The test, which takes about one and one-half hours, requires no preparation and is non-competitive — an applicant can neither pass nor fail.

A Peace Corps Application, available from local post office or from the Peace Corps in Washington, D. C., 20525, should be filled out and presented to the tester before taking the test.

32 Ladies Gather at Church

BRITTON — Thirty-two ladies of the Women's Fellowship of the Congregational Christian Church met at the church last Wednesday evening to begin the fall and winter season.

President Mrs. Gerald Benedict welcomed the group. She reported the progress of the plans for the turkey supper, which is to be held Sept. 14.

Mrs. Lawrence Hoagland gave the devotions on the theme of missions and how the strong must help the weak, both materially and spiritually.

Mrs. Elmer Eberhardt introduced Mrs. Lillian Buttolph, who showed first an extensive collection of dolls she had gathered on her many travels in the United States and abroad. Mrs. Buttolph then gave a narrative slide showing of a trip to Disneyland and other points of interest in California.

It was announced that all of the circles will meet Oct. 3.

The Priscilla Circle served refreshments to close the program.

Lois Auten, daughter of Mr. and Mrs. Raymond Auten, graduated from the Ann Arbor Practical Nurse Education Center Aug. 31. Miss Auten is a 1966 graduate of Britton-Macon High School. She expects to be on the staff at Bixby Hospital following a short vacation.

Fairbanks Reunion Gathers Together Clan from Afar

BRITTON — Ten brothers and sisters, all children of Grace and Eli Fairbanks, were together for the first time in several years at the annual Fairbanks reunion held Sunday afternoon in the Britton Park.

There were 70 family members on hand for the potluck dinner served at 1 p.m. The afternoon was spent socially.

Guests were present from Florida, Indiana, Ohio and New York, as well as Detroit, Tecumseh, Lambertville, Onsted and the Britton area.

Volunteer Service Council To Meet at State Hospital

The Volunteer Service Council, Inc., of the Ypsilanti State Hospital will meet Sept. 18 at 8 p.m., in the Public Relations Conference Room at the hospital.

Refreshments will be served at the close of the meeting.

Tractor Field Day To Be Held in Park

BRITTON — The Britton Chapter of the Future Farmers of America will hold their sixth annual Tractor Field Day Sept. 16. The event will begin at 9 a.m., in the village park behind the school.

The speed pulling contest will be divided into three classes: 2,000-5,000 lbs.; 5,001-8,000 lbs.; and 8,001-13,000 lbs.

The contest is open to anyone with a farmer owned and operated tractor. There is a $2 entry fee.

The lightweight and middleweight class contests will be held in the morning, and the heavyweights will lock horns after dinner.

A special highlight of the annual field day will be the chicken barbecue, prepared by the FFA group, and served to the public at noon.

Prizes will be based on the percent of the tractor's own weight pulled. Each class will be awarded money prizes for the first four places at the following rate: first, $16; second, $12; third, $8; and fourth, $4.

Driver of the tractor pulling the highest percentage for the day will also receive a trophy.

BRITTON BRIEFS

Mrs. Michael Robison left last week to join her husband, Pfc. Michael Robison, who is stationed in Frankfort, Germany. She has been staying with her parents, Mr. and Mrs. Allen Cutler in Britton for two months.

Sunday afternoon guests of Mr. and Mrs. Robert Billau were her sister and family, Mr. and Mrs. Ed Johnson of Detroit.

Gerald Jhnson of Detroit.

Spec. Johnson recently returned from a year's tour of duty in Soc Trang, South Vietnam. He will report this week to Fort Riley, Kan., to complete his service.

Born Sept. 4 to Mr. and Mrs. Alan Heezen of Ann Arbor, a daughter, Little Rebecca Mary weighed in at 5 lb. and 12 oz. Mr. and Mrs. Anthony Ivan of Britton are the happy grandparents.

Forrest Bumpus is a patient in St. Joseph's Hospital in Ann Arbor where he underwent surgery last Friday. He is recovering satisfactorily.

Mrs. Kathryn Wittkop of Cleveland spent the Labor Day weekend with Mr. and Mrs. Harry Downing. Sunday her mother, Mrs. Hester Gunder of Adrian, was a dinner guest.

Former Britton residents Mr. and Mrs. Vernon Rhorer of Ormond Bach, Fla., are visiting friends in the area this week. Mrs. Rhorer was formerly a teacher in the Britton schools.

Kathleen O'Hara of Ann Arbor returned home Monday morning after spending ten days with her grandmother, Mrs. Clyde Brown.

Homecoming at Britton-Macon High School will be held Sept. 22 this year.

Mrs. Bill Judkins Has Fall Meeting of WSCS Group

BRITTON — The Woman's Society of Christian Service of Grace Methodist Church met Sept. 7 in the home of Mrs. William Judkins. Mrs. Howard Haas Sr., was her co-hostess.

Devotions were presented by Mrs. Edward Bailey. For the program, Mrs. Clay Croll gave a report of her week at the Adrian College School of Missions held in July.

She stated that the two ideas most stressed through study and discusion at the school were Ecumenicity and the need for better communications to bring this about.

At the business meeting, it was announced that Grace Methodist is to have the district officer's training session for program committees Sept. 18 from 9:30 a.m. to 3 p.m.

The annual Fall Festival date was set for Nov. 9 at the church.

The next WSCS meeting will begin at 7:30 p.m., instead of the summer meeting time of 8 p.m. The executive meeting will be at 7 p.m.

KENNETH L. PLANK

Sgt. Ken. L. Plank Is Home To Stay from Vietnam Post

BRITTON — Staff Sgt. Kenneth L. Plank received his discharge from the Arm at Fort Dix, N. J., last week and has arrived home.

Sgt. Plank entered the Army in December of 1961. His basic training was at Fort Leonard Wood, Mo., and advanced training was at Aberdeen Proving Grounds in Maryland.

He served two years in Germany, from November 1962 until November 1964, after which he attended Army schools again.

In October of 1966 he went to De-on, South Vietnam with the 1st Infantry Division, from which he just returned.

He reported that the last few days in the Army were pretty hectic. Due to the elections being held in Vietnam, the Saigon airfield was being bombed just when he was scheduled to take-off and the take-off was postponed.

Afaer a harrowing trip via Japan and Aiaska, he finally landed on Continental United States soil again.

Sgt. Plank is the son of Mr. and Mrs. Donald Ries of rural Britton. His wife Sylvia and children Kenneth, Daphne and Donna live at 6245 Ridge Highway.

Sunday Sermon

"Little children, keep yourselves from idols." This Golden Text from I John sets the theme for this week's Bible lesson on "Matter" to be read in all Christian Science Churches this Sunday.

Marine Epitaph

(Editor's Note: Thoughts on Vietnam were expressed by Lance Corporal Wayne Sisty, who expects to return to the United States in mid-October after serving for a year in Vietnam with the Marines. He received shrapnel wounds to the head last January and was hospitalized two weeks. A 1964 graduate of Clinton High School, the 21-year-old soldier is the son of Mr. and Mrs. Raymond Sisty of 3841 Kaiser Rd.)

By WAYNE F. SISTY

You're sitting at home, watching TV
A news flash comes on of the men in Vietnam.
You say to yourself, "It doesn't concern me."
You're sick of hearing of that place.
You say, "I don't care,"
Never stopping to think of why they are there.
It's 15,000 miles away
So you think
"Why should I care?"
I'd rather hear some music play
I didn't send them there
Now just grow up
Start to think for just a minute or two.
If you do, you'll realize
It does concern you.

I know it's a great feeling
To live in a country that's free.
But what about the men across the sea?
Men are over there
Fighting—
So you can sleep at night.
Just remember
If you will
It's not only his fight.
Make fun of him
Call him names
But he is fighting for a cause
And when it's time
To get up and fight
He does!

You know you're really a lucky guy.
But have you ever known fear?
That man over there—
He does!
Death everyone fears.
He tries to be gay
No matter how rough the trail.
Then he hears—"No mail today."
Depression!

The morale is high
Yet have you ever seen a man
Just break down and cry?
It's not a very pleasant sight.
He doesn't want to be seen
But when it's time to fight
He's a Marine!
Longing for home,
Can't wait to see his loved ones.
If he could, he'd go home
But deep in his heart
He knows he can't
Not until the battle's won.
He won't even be rewarded
When it's over and done.

Working all day
Watching all night
Tired
Run down
But ready to fight.
These college kids!
Laughing
Protesting
When will they become men?
When will they face danger
So you can be free?
The Marine isn't fighting for glory
Or to be brave
Or to be bold.
But he's there!
Facing death constantly
Why should he do it?
Why aren't you there?

So when you hear of Vietnam
And say it doesn't concern you
Remember
You're safe at home
He's over there — not you!

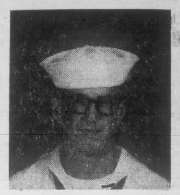
Chapter Observing 50th Anniversary

Lenawee County's chapter of the American Red Cross will celebrate its 50th anniversary next Monday evening at the First Methodist Church in Adrian.

Program, open to the public, will start at 7:30.



Seaman Recruit Richard T. Grinnell, USN, 19, son of Mrs. Margaret Jean Grinnell of Clinton, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill. In the first weeks of his naval service, he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Sharlette Wegner Weds Paul DuFresne

CLINTON — Sharlette Sue Wegner and Paul Louis DuFresne exchanged nuptial vows in the First Methodist Church in Adrian, Sept. 2.

The 7 p.m. ceremony was performed by the Rev. Robert Ward.

The bride is the daughter of Mr. and Mrs. Richard Wegner of 13595 Clinton - Manchester Rd. The bridegroom is the son of Mr. and Mrs. Robert DuFresne of Walled Lake.

The bride's gown of rosepoint lace was fashioned with a scalloned Sabrina neckline and long fitted sleeves. A detachable lace train was attached at the natural waistline.

A chapel length mantilla of matching lace was worn by the bride.

Maid-of-honor, Vicki Brees, wore a floor length gown styled with a fitted bodice of gold velvet brocade and a skirt of gold crene.

The bridesmaids were Mrs. Nancy Wegner and Patricia Wegner. Their gowns were of green brocade velvet and crepe.

The junior bridesmaid, Carla Wegner, sister of the bride, wore a similarly fashioned gown of green brocade velvet with a gold brocade skirt.

Bronze chrysanthemums and yellow roses formed the attendants' bouquets.

Charles Wise was the soloist and he was accompanied by the organist, Wayne Shaw.

David Matthews was the best man and the groomsmen were Joseph Kile, Mark Wegner and David DuFresne.

The ushers were Bradley Brees and Larry Scott.

A reception in the Tecumseh Products Union Hall was attended by 350 guests.

The bride is a graduate of Tecumseh High School and attended Michigan State University. She is employed at Ford Motor Company, Saline.

The bridegroom is a junior at Michigan State University.

Mr. and Mrs. DuFresne will reside in Saline.

MRS. PAUL DuFRESNE

SUGGESTION PLAN AWARD — Three Fisher Body sewing machine repairmen are today sharing a wealth of money — $2,400 to be exact — as their award for the ingenuity they showed for the Plant's Suggestion Plan. The three, centered above from the left, Robert Davilia, Griff Adams and Joseph Baker. They are congratulated by F. W. vanWestrenen, left, plant manager, and Russ McMichael, right, their foreman. The trio consolidated their efforts to solve a problem and made an inexpensive, but fool-proof, modification to a sewing machine gauge. Their device made the operation easier for the sewing machine operators, reduced repair needs and improved the quality of the product. The shares, the largest thus awarded at the plant, were presented in Savings bonds and checks.

New Addition Opens

The Lenawee County Farm Bureau Women hosted the fall family night potluck supper meeting in the new dining room addition of the organization's office building at Madison Center, last Tuesday night.

There were 69 persons present for the dinner which marked the completion of the enlarged facilities.

In addition to the large wood-paneled dining room, increased office space was provided for the Farm Bureau Insurance agents.

The kitchen area was improved by the installation of a 10-ft. double-sink island cupboard and a pass-through window to the dining room.

The Gospel Lanterns vocal quartet from Fairfield entertained with several gospel songs.

Kathleen Hepner of Hudson, the county bureau's delegate to the Citizenship Seminar at Camp Kett this summer, gave a resume of the sessions she attended.

The 139 high school students compared the economic systems of Russia, England and the U. S. They also learned about their state and county government by participating in political rallies.

Don Rulig, Farm Bureau Regional Director, introduced the speaker of the evening, Dale Sherwin, Legislative Council for the Michigan Farm Bureau, Public Affairs Division.

Mr. Sherwin described the democratic process which develops the Farm Bureau's local, state and national policies from the resolutions submitted in local group meetings.

The retiring president of the Farm Bureau Women, Mrs. Wilson Sawyer, announced and introduced the newly-elected officers:

President — Mrs. Garner Williams of Jasper.

Vice-president — Mrs. Elwyn Marks of Clayton.

Secretary — Mrs. Leonard Krueger of Blissfield.

Treasurer — Mrs. Arthur Carnahan of Addison.

The District Meeting of the women's group will be held Oct. 10 at the Coldwater Grange Hall, beginning at 9:45 a.m.

The County F. B. Annual Meeting will be held Oct. 5 in the new dining room following a family cooperative supper.

Arthur Schneider To Head Reunion

The family of the late David and Mary Schneider of Riga held the seventh annual reunion Sept. 10 at the Palmyra Grange Hall with 44 members and one guest attending.

They came from Kalamazoo, Caro, Aberdeen, Md., and Swanton, O.

Mr. and Mrs. Richard Feller of Onsted were hosts for the event. Mr. and Mrs. David Griewahn and Mr. and Mrs. Arnold Griewahn of Adrian will serve as hosts next year.

Following the dinner, Wayne Swift, president, called the meeting to order and officers were elected. They are:

President — Arthur Schneider.

Vice-president — Richard Feller.

Secretary-treasurer — Mrs. Wayne Swift.

Historian — Mrs. R. Feller.

Three births and one wedding were revealed in the historian's report.

Awards were presented to those that attended from the farthest distance, to those with the most children and grandchildren present, the one with the oldest pictures and to the mothers of babies born this past year.

Children spent the afternoon playing games while their parents visited and looked at old family photos.

Ever go on a snipe hunt?

No, we don't mean the kind of snipe that pranksters like to use in tricking novices into hunting with a bag on a dark night. What we do mean is Wilson's snipe or jacksnipe, as they are commonly called.

This year Michigan will have two snipe seasons, with the first to be an early, experimental model staged during the Sept. 15-23 special teal season.

This particular hunt will be for teal permit holders only and in eight special areas of the state.

If you don't have one of the 8,200 teal permits, you can't go snipe hunting till the regular duck season opens Oct. 9. At that time, though, you can hunt them all over the state and, if you are lucky, you can shoot eight every day you hunt.

Wilson's snipe are members of the shorebird family and may be found most frequently in pasture land with puddles of standing water or along the muddy edges of marshes.

Equipped with stilt-like legs that enable it to wade in shallow water, the snipe has an exceptionally long, slender bill with which it probes in the mud for food particles.

These trademarks, along with its rather somber brown color and a startled "scaip, scaip" call whey flying, makes its identification rather easy.

To look at a group of snipe wading and probing for food, it might look like a simple project to hunt them. You might even think it would be too easy to be any fun.

Don't kid yourself!

True, on a perfectly calm day, a snipe will fly fast but can be expected to hold on a normally straight course. Add a stiff wind to the scene, though, and all of your calculations immediately go wrong.

Hitting a snipe with a load of No. 8 shot when he goes twisting away on the wind is a feat for the expert — or lucky — scattergunner.

Nobody — least of all the snipe — can calculate where his next wingbeat will carry him on a windy day.

The shotgunner who can collect a daily limit of eight snipe at the expenditure of not more than one box of shells, under these windy conditions, certainly deserves a tip of anybody's hunting cap!

Jacksnipe are migratory by nature and come under federal regulations. To hunt them, it is necessary to have a small game hunting license.

No migratory waterfowl license or "duck stamp" is necessary for this game species, although, obviously, if hunting with a teal permit in the special season, you better have a duck stamp.

If you fancy yourself as a fancy wing-shot, why not give snipe a try? The results might just astonish you!

Pfc. Don Nichols of 1st Air Cavalry Is in Vietnam

Army Pfc. Donald C. Nichols, 20, grandson of Mrs. Mabel Nichols, 414 Adrian St., is participating in "Operation Pershing" in Vietnam.

He and other members of the 1st Air Cavalry Division have evacuated more than 19,000 refugee centers in secured areas as well as inflicting heavy damage on the Viet Cong.

During the search and clear operation, the men have been engaged in dragging the VC from their vast network of tunnels and bunkers. They had been driven underground by constant U. S. artillery and air strikes.

Nichols joined the army in January of this year and went overseas in June. This item was printed in the GI News in Vietnam.

"It's easy to save pennies today. What else can you do with them?"

Frank Gray Feted by Fellow Workers

Frank Gray, 607 N. Evans St., was feted at a retirement party Aug. 31, given by fellow workers of the Consumers Power Co., at the R. and B. Catering Service in Adrian.

Mr. Gray has been employed for 40 years as a trouble-shooter for the Power Co.

About 30 attended from Adrian, Jackson and Temperance.

BORDERLINE CASE — A team demonstration by (left) Susan Ries, 16, and Martha Osburn, 15, both of Tipton, showing the merits of various cake decorating borders, earn them first place ribbons at the Lenawee County Fair and certificates at the State 4-H Show. Both are members of the Tipton Jets 4-H Club. Susan is the daughter of Mr. and Mrs. Norman Ries and Martha is the daughter of Mr. and Mrs. Robert Osburn.

Bus Drivers School Held in Adrian

A class for all school bus drivers in Lenawee County is being held at the Madison Elementary School gymnasium, 3498 Treat Hwy., Adrian, Sept. 11, at 7 p.m.

This class is for both new and experienced school bus drivers.

The new laws pertaining to school buses that were passed by the 1966 State Legislature will be discussed by the Michigan State Police, as well as the accident record of this past year.

A new film and discussion dealing with seat belts on school buses will also be a part of the program.

This class is held under the direction of Eastern Michigan University at Ypsilanti and sponsored by the Michigan Department of Education at Lansing.

All school bus drivers should plan to attend. School Administrators and School Board Members are urged to send their drivers.

Rick Buckmaster in Aircraft Wing To Aid in Vietnam

Marine Cpl. Richard A. Buckmaster, son of Mrs. Loretta Armstrong, 9103 N. Union, is in Da Nang, Vietnam serving with the First Marine Aircraft Wing.

The First Marine Aircraft Wing helps form the air element of the Marine Corps air-ground team and provides close support for Marines on the ground conducting search and destroy missions against the enemy in South Vietnam.

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools.

Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

Cpl. Richard A. Buckmaster is a graduate of Clinton High School.

Raymond Puffer Earns Certificate for Presentation

Lt. Raymond L. Puffer, USN, son of Mr. and Mrs. C. Ray Puffer of 513 E. Logan St., received a certificate of achievement from the Defense Atomic Support Agency at the headquarters field command at Sandia Base, New Mexico.

Lt. Puffer earned the certificate for outstanding performance of duty while assigned as Nuclear Weapons instructor.

He distinguished himself by his creditable presentation of technical material in the Nuclear Emergency Team Operations Course, meticulous research in the use of a radiation survey test set as a training aid for teaching proper monitoring techniques and by his beneficial assistance to instructor and student personnel which contributed significantly to the Nuclear Training Directorate mission.

John T. Honeycutt, Major General, USA, is the commander at Lt. Puffer's post.

A Reverend Tells of Poor People

The Rev. Louis Redmond spoke to the Woman's Society of Christian Service of the Methodist Church at their opening meeting Sept. 6.

In his address, "Being with People Who Hurt," the Rev. Redmond described working with under-privileged people and the efforts of Cass Community Center in Detroit, which he leads.

He stated that one of the problems in the inner-city is that people expect something for nothing.

At Cass he and his assistants emphasized that everything costs somebody something. People who come to the Center for food or clothing are expected to "show appreciation" by paying a nominal amount of money or by scrubbing walls or floors or doing some other task.

The primary aim in working with inner-city people is to forget the institution and concentrate on the individual, he said.

Motivating the indigent person to do and be better is perhaps the single most important contribution social workers can make, according to the Rev. Redmond.

Marvel Steinhoff introduced the speaker and Mrs. Gerald Rendel presented devotions.

President Mrs. William Steele, Jr., conducted the business meeting and reminded the group of the fall festival Nov. 8.

Mrs. Carroll Sprague greeted members and guests and Mrs. Robert Cheers and Mrs. Andrew Woodward served refreshments.

Indians in Grid Opener

Last year, hopes ran high here on the Tecumseh Indians, and then they flaundered to a 4-5 season. A flock of injuries didn't help matters.

This fall it's a wait-and-see situation with Tecumseh's opening game at Hillsdale Friday night offering a glimpse of what to expect.

Tecmseh is supposed to have a down-year with many inexperienced players dotting the lineups. If the Indians have a down-year, Coach Tom Fagan would probably like to enjoy more of them.

Barring injuries — and the Indians are thin — several teams, including Huron League favorites Blissfield, Grosse Ile and Flat Rock, could be surprised.

Saturday afternoon's scrimmage was a pleasant one for Indian coaches as the Indians outclassed Detroit's St. David, Gabriel Richard of Wyandotte and Romulus.

Either the opposition was woefully weak, or the Indians are better than expected.

Hillsdale will test Tecumseh in its opener and the Hornets are expected to be on the rebound after a mediocre season in 1966.

They have a big, talented fullback which should give Tecumseh's defense — termed aggressive by Fagan after Saturday's scrimmage — a real test.

Hillsdale placed fifth in the Twin Valley loop last year and have hopes of improving that position this fall.

Unless the Indians falter badly from last week's workout, the Hornets could be in for a rough opening game.

Fagan said Tecumseh's "execution of plays Saturday was very much improved and the boys were really hitting on defense."

The offense should be much better than a year ago with John Anderson, 180 - pound senior, ready to go at fullback, quarterback Jim Mobley is again set and Larry Cote and Jim Hunt set at halfback posts.

If the Indians have depth, it will be in the backfield where Fagan can substitute without seriously hurting the offense.

Chuck Gillies, Randy Robinson and Buddy Work also are returning lettermen.

Up front and one of the outstanding linemen in the area is Doug Schwartz, 205-pound tri-captain. He'll play right tackle.

Fagan is also strong with his other offensive starters: Joe Conklin, Rick Durkee, Mike Jackson, Jim Upell, Dan Anderson, Jim Parros and Carlo Mobley.

Jackson, injuring his ankle Saturday, is a doubtful starter. Sophomore Bob Hackett is slated to open at tackle on defense.

Other Indians boast potential and many will be seeing action against the Hornets, either on defense or on offense. Most of them need varsity experience and undoubtedly will be worked in with the lettermen.

Game time for the opener is 7:30.

Washington Report
by Congressman
MARVIN L. ESCH

Congressman Marvin L. Esch identified 13 dangerous railroad crossings in the Second Congressional District and called on government officials "to make immediate plans for improvement."

"Dangerous crossings" Esch said, "represent one of the worst type of highway hazards. Poor road visibility and gradings, combined with inadequate markings each year lead thousands of otherwise safe drivers into serious accidents throughout the nation."

"Something must be done to eliminate these man-made hazards and I am urging all levels of government to begin identifying them and to develop a priority program for their improvement," the Congressman said.

Crossings in Lenawee County include the Raisin Center Highway crossing with New York Central and N&W Railroads in Raisin Township and the Packard and Morse Hwys. crossing with New York Central in Fairfield Township.

The Congressman's information came from various local officials, many of whom, he said, called these only the most dangerous and that there are many others in the area that are in need of attention.

Lenawee County Sheriff Richard L. Germond said in a letter to Esch, "I have talked extensively with William Birchfield, our County Road Engineer, and we have some 70 bad crossings, but he feels these two are the worst."

Esch emphasized that his listing was a preliminary one and urged residents to bring others to his attention.

Previous attempts by officials to commit state and federal funds for crossing improvements "were not too successful because most of the road funds were earmarked for new construction and full section replacement," Esch said.

"I have been encouraged, however, by a recent announcement from the US Department of Transportation about the beginning of an 'immediate action program' to reduce crossing accidents," Esch said, adding that he would bring the Second District Crossings to the attention of both the Department of Transportation and the State Highway Department.

According to Esch, funds for crossing improvements are available from at least two sources. 10% of moneys received by states under Federal aid-highway program may be used for these purposes.

Also funds given to the states under the Highway Safety Act of 1966 are available to analyze grade crossing problems.

"Hopefully the administrators involved will realize the need for eliminating dangerous crossings by diverting some of the available funds to such projects. There may be a need for additional legislation and I am currently investigating that alternative," he said.

"In any event, it's clear that a top priority must be given to this concern," Esch concluded.

DR. MARILYN MASON, FAMED ORGANIST, PREPARES FOR UP-COMING CONCERT

Lady Organist To Perform

By KAYE STEELE

Marilyn Mason, recognized as one of the foremost American organists, will present an organ recital Sunday at 4 p.m., in the Tecumseh Methodist Church.

Her appearance will highlight the dedication of the three manual pipe organ recently installed in the sanctuary as a gift of friends of the church.

Dr. Mason is a professor of music and chairman of the department of organ of the University of Michigan. She has been a guest professor at Columbia University and at the Union Theological Seminary where she received the doctor of sacred music degree in 1954.

Having been heard in recitals throughout North and South America and in Europe, she was the first American woman to play in Westminster Abbey when she represented the United States at the International Congress of Organists in 1957.

Dr. Mason has appeared in Vienna, Berlin, Edinburgh and in the summer of 1960 played four concerts at the Auditorio Nacional in Mexico City, the first woman organist to play in Latin America.

She has a special interest in contemporary music and has commissioned many composers to write for the organ.

The organ on which Dr. Mason will perform was built by the Reuter Organ Company of Lawrence, Kas., and was installed by George Price, district representative from Ferndale.

It includes 1,364 pipes varying from the size of a lead pencil to large ones 16 feet in length. There also is a 21 note set of Deagan chimes.

An addition, planned for the organ within a year, will complete the 28 rank instrument bringing the number of pipes to 1,669.

Following the program, which will include compositions by Walther, Martini, Bach, Alain and Searle Wright, a reception will be held in the Fellowship Hall so that concert-goers will have an opportunity to meet the guest artist.

Dedication of the pipe organ will take place during the morning worship service when Dr. Joseph Edwards, Ann Arbor district superintendent, assisted by the Rev. Donald Porteous, pastor, will preside, following the sermon, "A Church with Yesterday and Tomorrow On Its Mind," by the Rev. Porteous.

An invitation to attend this recital is being extended to the entire community by the minister and the commission on worship.

Night School To Begin in Adrian

Night school will begin for adults wishing to continue with education and earn a high school diploma.

Enrollment must be completed by Sept. 18, 19, 20 and 21 at Adrian Senior High School, 785 Riverside, Room D-110 from 7-9 p.m. For added information, call the Adult Education Office at 263-2181.

A total of 42 subjects will be available, ranging from auto mechanics and electricity to knitting and shorthand.

Costs are based on the number of times a class meets per week and adults needing financial aid can receive it from the State.

WORD FROM HOME — Sen Gilbert E. Bursley views thousands of legislative questionnaires returned to him by constituents from Washtenaw and Lenawee Counties. The returns showed 74 percent approved the recently-adopted fiscal reform program; 50 percent approved legalized lotteries; 50 percent favor operating schools 12 months of the year; 55 percent think teacher salaries are "about right" and 40 percent say "not enough"; only 45 percent approve Sunday liquor and only 43 percent favor daylight savings time.

Hobo Party Fun for Girl Pioneers

The Grace English Lutheran Girl Pioneers opened their 10th year Monday night, meeting with their mothers in the church basement.

The annual tea was switched to a "Hobo" party. The junior leaders, Susan Bishop and Debbie Bausman, greeted the members at the door and proceeded to make them hobo's by attaching small patches to their clothing.

Pastor K. F. Koeplin opened the session and Mrs. Richard Whelan, caravan counselor, gave instructions for upcoming events.

Games were played and Mrs. Betty Faust showed pictures of last years activities to the people present.

Cookies were served from garbage can lids to guests seated at tables with newspaper table cloths and tin can centerpieces.

Alpha Chi Gals Have Barbecue for New Members

Three new members, Eulaine Murphy, Dorothy Lackhorn and Janette Deem, were guests of honor at the meeting of the Alpha Chi Chapter of Delta Kappa Gamma Society Thursday evening.

Mrs. Gerald Brink of Woerner Hwy., was the hostess for the meeting which began with a chicken barbecue.

A memorial service was held for Mildred Klinger, a member from Adrian who died this past summer. Mrs. Rex Crist and Mrs. Helen Ramba conducted the service.

Plans for the year were made including the State Convention, when Alpha Chi will host one of the dinners.

Assisting the hostess were Mildred Armstrong, Mrs. Robert Blanks, Mrs. J. S. J. Jones, Eleo Loyd, Mrs. Theodore Van Orden and Mrs. Russell Schultz.

New members will be initiated at the Oct. 5 meeting at the Onsted Masonic Hall.

Book Mark

New books ready for you to borrow from your Public Library:

AN EXPENSIVE PLACE TO DIE by Len Deighton. As the author's anonymous agent in this world of espionage becomes involved in the intricacies of a bone-chilling international crisis, as he is made personally responsible for heading off an impending catastrophe, he finds that his only succor lies in the rejects of the world — sadists, perverts and other social misfits. An intricate and absorbing thriller.

SIEGE IN THE SUN by Mary Paradise. A beautiful and lonely woman trying to forget a loveless marriage in a new life on the frontier of the wild South African plainsland, and 10,000 Boers resolved to drive the British out forever — these are but a few of the ingredients in this compelling novel.

MORE LIVES THAN ONE by Charles Flood. Henry Purdick was one of thousands of young Americans called into service and thrown into battle at the outbreak of the Korean War. Harry's story enters a new dimension when he is captured by the Chinese.

THE HEIR OF STARVELINGS by Evelyn Berckman. A hauntingly poignant and often terrifying gothic novel, set in Victorian England and based on fact.

THE BUCKSTONES by Paul Wellman. A novel that is colorful, even flamboyant — yet beneath its outer shell of high comic adventure there is a serious and highly successful attempt to show the utter degradation brought about by the archaic debtor's laws of the frontier period; and the almost unbelievable corruption on the early frontier, where what law there was, was administered by thieves, rascals and conniving politicians.

IMPERIAL COURTESAN by F. W. Kenyon. A lively and moving portrait of one of history's loveliest women, whose slim hands could bring her lover, Napoleon III, an imperial crown, but whose heart was to suffer both the extremes of joy and the sorrow of broken hopes.

Eastern Star Meets

The Tecumseh Chapter No. 51, Order of Eastern Star, resumed its fall meetings Thursday evening with Mr. and Mrs. Stanley Miller presiding. Mrs. Miller welcomed all present with a fall poem.

Mrs. Lillian Kraus, worthy matron of the Saline Chapter; Mrs. Leona Rodgers, Saline; Mrs. Dora Warren, Brooklyn Chapter; and Mrs. Mary McDonald, Star of Germany Chapter No. 1 of Weisbaden, Germany, were introduced and welcomed.

The Lenawee-Monroe County Association "Happiness Session" will be held at the Sand Creek High School Sept. 30, with the afternoon session at 2 p.m., and the evening session at 7:30 p.m.

Reservations for dinner should be made with the secretary, Mrs. Donald LaBounty, by Sept. 23.

Mrs. Cecil Viele, Mrs. Lawrence Hoagland, Mrs. Glenn Driscoll and Mrs. Henry Kes[illegible] were escorted east, honored and presented with a floral gift by the worthy matron, Mrs. Miller, for being pro-tem officers for the year.

Proficiency classes will start at the home of Mr. and Mrs. Miller Sept. 11, at 8 p.m. Installation at Saline will be Oct. 19.

There were 13 celebrating birthday anniversaries for June, July, August and September and each was presented a cupcake.

Mrs. Mary McDonald was escorted east and spoke of the differences between Eastern Star work in the United States and Germany. There are now 16 Chapters in Germany and three in France.

The Chapters were instituted by the Most Worthy Grand Matron and Patron of the United States. One member from Germany has been selected to attend the Triennial Session of Eastern Star of the World to be in Washington, D. C., in early November.

She will visit Mrs. McDonald.

Mrs. McDonald and her husband are keeping their memberships in Germany.

Refreshments were served in the dining room from tables decorated in the fall theme by Mr. and Mrs. Chester Beach, Mr. and Mrs. Albert Musch, Mrs. George McCombs and Warren Benham.

The next meeting will be Oct. 5 and will include the election of officers.

'Faith' Is Theme for Ladies

Mrs. David Champanois led the devotions with the theme, "Faith," at the first fall meeting of the Women's Society of the First Baptist Church Sept. 11 in the Youth House.

She made a comparison of young couples that meet and marry with a person or persons attending church and finally joining.

Mrs. Robert Gillespie received the 26 members and friends as hospitality chairman. The officers of the Society were the hostesses.

Mrs. Bertram Updike, new president, reminded the members that the Bible book-of-the-month is Ephesians and suggested that each member prepare a commentary or give a favorite verse from it at the next meeting.

The members voted to purchase two tables to be used in the Youth House.

Mrs. C. O. Baily gave a comprehensive report on the women's conference held at Michigan Baptist Assembly at Grass Lake in June.

She told of activities at the conference in general while Mrs. Henry Howard and Mrs. Blair Bashore spoke about a missionary in Hong Kong, Betty Armstrong, and others and their work there.

Mrs. Champanois made the pumpkin dessert served by the hostesses.

Ray Sluyter was discharged from Camp Mugu Naval Base at Oxnard, Calif., Monday after spending four years in the Navy.

Mrs. Jerry Colson Is New LCW Prexy

The newly-elected officers of the LCW at the Gloria Dei Lutheran Church were sworn into their offices Sunday for the two years term of service.

They included: Mrs. James Colson, president; Mrs. Arthur Baaske and Mrs. Ted Todd, vice-presidents; Mrs. Dean Hamilton, secretary; and Mrs. Dean Sheldon, treasurer.

Twelve members of the Junior Choir brought sunshine into the Herrick Nursing Home Sunday afternoon when they sang two anthems.

Mrs. Earl Mason, choir director, sang a solo, accompanied by Candice Christman.

Dr. Laslo Gero, pastor, gave the prayers and the meditation about God's love and care.

Thursday will be a day of singing at the church. The Junior Choir and the Chancel Choir will have practices at 4 p.m. and 7:30 p.m. Mrs. Gabe French is the Chancel Choir director.

Sept. 17 a Youth Sunday will be observed. The Junior Choir will sing and after the 10:30 a.m. worship service, a coffee hour will be held for all members and visitors present.

HERALD PHOTO BY BILL WHITING

GROUNDED — The bell from the old Methodist Church was silenced for good Aug. 29 as workmen lowered it from its commanding perch in the century-old structure. Demolition of the familiar city landmark is rapidly nearing its completion.

Old Church Bell Finds New Home

By KAYE STEELE

The bronze bell from the tower of the Methodist Church building located on W. Chicago Blvd., has been relocated.

With the aid of a wrecker from Don Purkey's service station, the bell was carefully deposited on the north side of the church on Bishop Reed Drive.

Plans are being formulated to construct a small bell tower to display the 98-year-old pealer, forged in Cincinnati, O.

Undoubtedly some history surrounds the purchase of the bell since it was added to the former structure some five years after the completion of the building itself.

However, the resources of The Herald, the library, the church minutes and the recollections of such church members as Wilfred Waldron, Lavie Snedecor, Leon Williamson and Art Eaton, have failed to uncover any information regarding the purchase, delivery or installation of the bell.

Carolyn Denz Weds John Carter

Carolyn Marie Denz and John Michael Carter spoke their nuptial vows Saturday morning at St. Elizabeth Catholic Church with the Rev. Fr. Marvin A. Young, cousin of the bride, of St. John's Church, Ypsilanti, officiating.

Parents of the couple are Mr. and Mrs. Frank Denz, 6303 Green Hwy., and Mr. and Mrs. Leroy Carter, 1797 Valley Rd., Adrian.

The bride selected a floor length A-line gown of white silk taffeta with Sabrina neckline, long tapered sleeves and a natural waistline trimmed with lace and seed pearls.

Her veil was elbow length and she carried miniature carnations in a long cascade arrangement centered with glamellias.

Mrs. Jerry Carter, sister-in-law of the groom, was matron of honor in a floor length sheath gown of gold brocade and maize, styled with empire waist and detachable train.

Her brief veil was secured to her head by a poppy-like flower to match her gown and she carried a cascade of gold bronze pompons centered with Fuji chrysanthemums and clusters of grapes.

Mrs. Webb Slusher, Jr., and Mary Tilton were the bridesmaids in dark and light blue floor length dresses styled like that of the matron of honor.

They carried cascade arrangements of chrysanthemums to match their gowns.

Wendy Kay Carter was the flower girl in a dress with white lace bodice and green linen skirt with lace panel down the front.

She carried a basket of gold, bronze and yellow chrysanthemums.

Jerry Carter, brother of the groom, served as best man and the guests were seated by Jeffrey Carter, also a brother of the groom, and Michael Tidswell.

Michael Slusher carried the rings.

A memory candle centered the bride's table at the reception at the Adrian Elks Club where Mrs. Jeffery Carter, Mrs. Earl Harris, Mrs. Hubert Young and Linda Dies assisted with the serving.

Mr. and Mrs. Carl Gruber were the hosts and Mrs. James Young registered the 200 guests.

The bride, a graduate of Tecumseh High School and Cleary College, is employed at the Gray Manufacturing Co.

The groom attended Adrian High School and is employed at the Tecumseh Products Co.

The rehearsal dinner was held at the home of Mr. and Mrs. Jerry Carter, given by the Leroy Carter family.

After a short trip to northern Michigan, the couple are living at 6233 Green Hwy.

John Thompsons Will Celebrate 50th Anniversary

Mr. and Mrs. John R. Thompson of 316 W. Logan St., will be guests of honor at an open house at the Tecumseh Community Center Sept. 17, to mark their 50th wedding anniversary.

Their children are planning the event from 2:30 to 5 p.m. Friends and relatives are invited.

John R. Thompson and Ruth VanArman were married Sept. 5, 1917, at Garrett, Ind., by the Rev. A. F. McCloe. Mr. Thompson was associated with the United Savings Bank for 30 years.

Mr. and Mrs. Thompson are the parents of two children, Dr. John R. Thompson, Jr., of Wautoma, Wis., and Anne Thompson of Tecumseh.

There are six grandchildren and one great-grandchild.

The family asks that gifts be omitted.

Caroline Grill Set To Marry Donald LaLonde

Mr. and Mrs. Raymond L. Grill of McComb Rd., Ann Arbor, announce the engagement of their daughter, Caroline, to P. O. 3/c Donald J. LaLonde, son of Mr. and Mrs. Louis J. LaLonde of Holmes Rd., Ypsilanti.

Miss Grill, a graduate of Ann Arbor High School, will attend Eastern Michigan University this fall.

Her fiance, a graduate of Willow Run High School, is stationed with the U. S. Navy at Virginia Beach, Va.

Miss Grill is the granddaughter of Mrs. Caroline Schanz of Macon.

Fellowship Fun Set To Feature Pizza, Pool Party

The Presbyterian Senior High Fellowship's first meeting of the fall will be a pizza and pool party at the home of Dr. and Mrs. Carlton Cook, 140 W. Brown St., Sept. 17, from 6:30 p.m. to 8 p.m.

Senior High youth may don sweat shirts and jeans and bring a friend.

Please call Mrs. John Hopson, 423-3617, and let her know who's coming.

Christine Reeves and Ronald Lemerand Wed

Christine R. Reeves and Ronald D. Lemerand were united in marriage Friday evening at the Grace English Lutheran Church by the Rev. K. F. Koeplin.

Parents of the couple are Mr. and Mrs. Robert E. Reeves, 502 Blanchard and Mr. and Mrs. Dale Lemerand, 413 W. Pottawatamie.

White gladioli and chrysanthemums filled the altar vases, and greens and white ribbons fronted lighted tapers in glass candelabra at both the altar and aisles.

Joyce Morris, sorority sister and former roommate of the bride, was the soloist accompanied by Mrs. Koeplin at the organ.

Attired in princess style gown with chapel train, the bride approached the altar on the arm of her father.

Her gown, appliqued with lace, also had re-embroidered lace on the bell sleeves. Her veil was designed and made for the bride by her mother.

The bridal bouquet was white roses, centered with a white orchid.

Peggy Ann Miller, cousin of the bride, was matron of honor in a floor length gown of avocado green of peau de soie fashioned with A-line skirt and bell sleeves.

Rosalind, Donna and Wendy Reeves, sisters of the bride, were the bridesmaids and junior bridesmaid.

They were in gowns of apricot peau de soie fashioned like that of the matron of honor.

Each wore a small circlet of matching flower petals and jewels to hold her veil of illusion in place. They each carried a single perfect white rose.

William Fielder served as best man and the guests were seated by brothers of the groom, David and Lee Lemerand.

Orange and white gladioli and chrysanthemums were used to enhance the Tecumseh Products Workers Union Hall for the reception for 200 guests.

Donna Lemerand and Judy and Lynn Harrison assisted with the serving.

Mr. and Mrs. Alex Silogy, aunt and uncle of the bride, and Mr. and Mrs. Don Covell, aunt and uncle of the groom, were the hosts.

The bride attended Eastern Michigan University for three years and is affiliated with Alphi Xi Delta sorority. Her husband is employed by the General Telephone Co., in Alma.

Following a trip to New York, the couple are living at 310 N. Main St., Ithaca.

The groom's parents hosted the rehearsal dinner at the country House Thursday evening.

Local Pallox Company Building Clinton Plant

Pallox, Inc., formed earlier this year and now parent company of Tecumseh Sash and Door, has broken ground in Clinton for a 13,700-square-foot stran-steel building.

Robert D. Moore, Pallox president, expects the plant to be in operation in about three months with an initial employment of 18.

Tecumseh Sash and Door, founded here in 1840, has an employment range from 12 to 30 and will continue in operation, handling select lines of contract builders supplies for commercial and industrial uses.

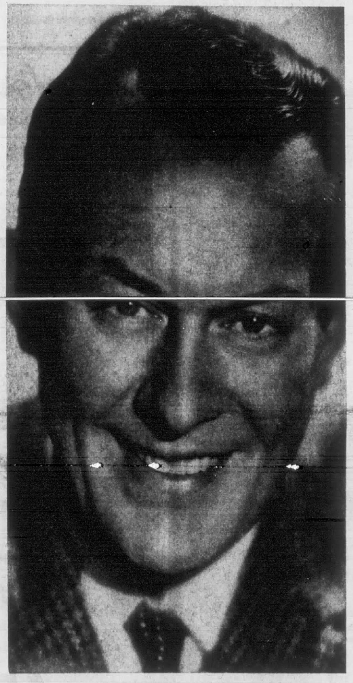
The new facility for Pallox includes the latest wood processing equipment, and production is expected to triple due to technological upgrading of equipment and methods. A stock pile of three to four million board feet of lumber is expected to be maintained.

Pallox, a name derived from pallets and boxes on a much larger scale than in the past at Sash and Door.

The Tecumseh plant has been when it was purchased by R. H. Moore, father of the Pallox president.

Jim Howard, former Tecumseh executive, has joined Pallox as sales manager and assistant to the president.

The new plant, under construction, is west of the old Clinton Engines plant, adjacent to the New York Central Railroad, and at one time, was a portion of the Frank Gilman farm.



COMING SATURDAY — Vaughn Monroe, singing and recording artist, will visit the Wolf Appliances in Tecumseh from 1:00 to 5:00 this Saturday afternoon. According to Bob Wolf, owner, this is part of a national promotion for the Radio Corporation of America. RCA sponsors Mr. Monroe throughout these engagements.

4 Accidents Investigated

Four accidents were investigated by Tecumseh police during the past week, but none involved personal injury.

A resume is:

Sept. 14 — Kathy Jewell, 6135 Bellmyer Rd., backed into Clair Winkler, rural Adrian, at the high school parking lot.

Sept. 14 — Clara M. Hicks, 714 N. Union, was cited for no operator's license after she turned on to S. Evans St. and struck motorcyclist, Joseph Pospisil, 315 W. Cummins.

Sept. 15 — Danny J. Thomas, 23, Onsted, was charged with driving the wrong way on N. Evans St., after he struck Olin E. Crosby, 53, Onsted, who was making a left turn off Shawnee.

Sept. 16 — Three deer crossing E. Chicago Blvd., near Rogers Hwy., caused a minor accident when Janie C. Griffin, 17, Britton, stopped to let the deer cross. Guadalupe Castorena, 16, Britton, also saw the deer but ran into the rear of Miss Griffin's auto.

Zip-A-List Kits Distributed to Householders

Jack Metcalf, postmaster, announced that the distribution of Zip-a-list kits to every householder will begin Sept. 19 in celebration of Postal Services Day.

Letter carriers will leave a kit of eight postal cards which can be mailed back to the post office to obtain the ZIP codes for "zip-less addresses."

No postage is needed on the cards.

Last year approximately 1200 addresses were ZIP coded by the Tecumseh office as a part of a similar program.

Extra kits are available at the post office.

Council To Limit Adrian St. Parking

Council acted Monday evening to prohibit parking for 100 feet south of Chicago Blvd. on the east side of Adrian Street.

Congestion has been created for right and left turning motorists from Adrian Street into the Boulevard.

No parking will be enforced in the very near future, according to Cal Zorn, city manager.

Registration Is Monday Evening

Registration for Cleary College management courses will be held in the high school library, next Monday evening from seven to nine o'clock.

Seven courses are being offered. Classes will commence next week.

Board Announces Fund Allocations

Directors of the Tecumseh Community Fund Foundation have approved allocations for participating organizations.

Officers of the Foundation are Robert French, president; Hugh Walter, vice-president; Pauline Galazzi, treasurer; and Mrs. Truman Rentschler, secretary.

Directors are Merlyn Downing, Mills Swick, Doug Dunn, Vern Manwaring and Jim Merritt.

Drive will start in October with Carl Lamb and Stu Costigan as co-chairmen.

Center Plans Store Move Next Week

Tecumseh's Decorating Center will make a short move next week, moving from its present location in the Adrian Federal building to the Watkins building, corner of E. Chicago Blvd. and Ottawa St.

Harvey Frankhouse, manager, says the store will be closed all next week, re-opening at its new location on Oct. 2. Future site is where Marv Watkins operated a grocery for 40 years.

Main purpose in moving, according to the manager, is the store's requirement for more floor space. New location is over twice as large and will provide storage in a back room and basement.

Since opening here in November, 1965, the Decorating Center has been mostly a paint and wallpaper retailer. With the move, a complete floor covering department will be installed and the present paint and wallpaper departments expanded.

At the present, Clyde Spivey and his painting crew are redecorating the exterior. Although a new floor was installed inside, little remodeling was necessary.

Safety Honor Is Presented to Council

For the second year in a row Tecumseh has received the achievement of Pedestrian Safety award.

The presentation took place at the regularly scheduled council meeting Monday evening.

Mr. John Trellay, Director of Traffic Safety Division of AAA, made the official presentation to David Schoonover, president of the Tecumseh Jaycees. In turn, Mr. Schoonover presented the award to council.

Additional discussion concerning pedestrian safety was introduced when William E. Davis, 320 West Brown, requested that consideration be made for sidewalk extension on the north side of West Brown, between the railroad tracks and North Evans. Without sidewalks, the pedestrian traffic uses the street.

MIS Plans Ceremonies

Michigan International Speedway will hold its ground-breaking ceremonies next Wednesday and has extended invitations to many local officials.

Festivities will take place at the site, just west of Cambridge Junction on US-12.

Included in the program will be th introduction of Stirling Moss, MIS director, famous British racing driver.

Dillenbeck To Call

Chuck Dillenbeck of Livonia, will be the caller Saturday, Sept. 23, for the Shawnee Squares Dance Club at the Community Center.

Members invite all western style square dancers to attend the intermediate - level dance, which begins at 8 p.m.

DON BAIRD

Baird Playing Guard Spot for Spartans

Don Baird — and Tecumseh — will make their debut into major college football this Saturday when the Spartans of Michigan State play host to Houston.

Baird, second string offensive right guard, is the first player from Tecumseh ever to play for a Big Ten team. Others have had opportunities, but none made it into the country's toughest football league.

For Big Ten linemen, Baird is small at 5'10" and 210 pounds. According to MSU, hard work and his agility brought him from the reserve ranks of last year to contention for a starting position.

Don was an outstanding Tecumseh player his junior and senior years, winning league honors as a lineman in his junior year, and as a halfback his senior year.

Coach Tom Fagan moved him into his backfield to bolster the Indians' attack, and he was outstanding, especially as a blocker.

At THS, he was president of his class and salutatorian. Don's enrolled in pre-med at MSU.

Four THS Football Players Injured in Car Accident

Four Tecumseh football players, injured in a car accident Saturday night, may miss the Indians' home opener here Friday night against Lutheran West.

Definitely out is Steve Dalton, junior split end and starting defensive halfback. He suffered a badly cut knee and hand, plus facial lacerations.

Mike Kane, also an end, has missed practices this week due to a bruised back. Gary Fairbanks, probably Tecumseh's fastest halfback, also sustained a lacerated knee.

Terral Ives, driver of the car, and a guard on the team, suffered a sprained ankle.

According to the State Police, Ives lost control of his car on Munger Rd. at Carson, shortly after seven o'clock. They had been with the football squad to a steak roast at the Wayne Jackson home.

Ives apparently saw tail lights through the dust on the gravel road, and swerved to miss the car. He lost control, upsetting in a ditch, facing the opposite direction.

Dalton and Fairbanks were taken to Herrick Hospital for treatment, but were not held over night.

Ives, age 16, as were the other teenagers, was cited for violation of the basic speed law, or driving too fast for conditions.

150 Attend Conference

Over 150 attended the Governor's Regional Traffic Safety Conference here last Friday at the Tecumseh Country Club.

Highlighting the conference was presentation of a national safety check award to Charles O. Butler, safety chairman here for the Rotary Club. It was the second straight year that Rotary as been nationally recognized.

Also featured were panel discussions and demonstrations by state and police officials. One included a demonstration of the "breathalyzer," a new instrument used to check alcohol content in blood.

Tecumseh's Junior Chamber of Commerce hosted the conference for the Michigan Traffic Safety Commission.

Bloodmobile Here Oct. 4

The Lenawee County Bloodmobile will be at the Tecumseh Community Center Oct. 4, from noon until 6 p.m.

Residents of Clinton, Britton and Tecumseh are urgently requested to donate blood.

Dr. Robert Murray and Lester Proctor are co-chairmen. The Jaycee Auxiliary committee, directed by Mrs. Dwight Helms, will assist.

Mrs. Merton Boss is chairman of the volunteer workers.

Police Arrest 3 from Girls' School

Five girls from the Girls' Training School, Adrian, were picked up here by Tecumseh police early Wednesday morning.

Sheriff's department alerted police that several were approaching Tecumseh on Occidental Rd. Three were arrested.

Three hours later at 6:20, two more were caught near Greenwald Cleaners on W. Chicago Blvd. One attempted to run.

All had escaped Tuesday night.

NOW UNDER CONSTRUCTION

Opening in '68

The first golf driving range in the Tecumseh area is now under construction and has an opening scheduled for April of next year.

Clayton and Chris Greenwald, owners and operators of Greenwald Cleaners and Laundry here, are developing the golfing center about four miles west of Tecumseh on M-50.

They are planning 30 tee spots with semi-automatic ball setters. The range, built on a 12-acre site, will be lighted and will include a green, 250 yards from the tees.

The owners also are planning a turf area for golfers who want to practice hitting balls off the grass.

Another feature is an 18-hole miniature golf course. It's also expected to be ready for play next spring.

Fences Are in Violation, . . . but!

Two twenty-one-inch fences were the subject of council debate Monday evening when John Seay and Norman Feller, both residents living on S. Adrian Street, complained that they had received letters of violation of the fence ordinance.

Both Mr. Seay and Mr. Feller erected fences twenty-one inches high to control students walking through their yards, across the street from Tecumseh Acres School.

Mr. Seay reported that at the end of one school day, he counted 189 young people using his front yard.

A section of the ordinance states that no fence shall go beyond the front of an existing house and shall be no higher than six feet.

While the violation will continue to exist, the residents will be allowed to keep their fences until further study is made and the possibility of modification of the ordinance is concluded.

Enrollment Now 3,378

Enrollment in the Tecumseh schools has continued to creep upwards with the total figure now hitting 3,378.

In figuring the 1967-68 budget this last summer, officials estimated 3,350. State aid is figured on enrollment, which will become official on Sept. 29.

Attendance reported to the School Board Monday night was:

Elementary — 1,621
Junior High — 512
High School — 1,045

Biggest surprise for the administration came in the kindergarten where officials had anticipated less than 250. As of Monday this week, kindergarten rounded off to an even 300.

Although somewhat crowded now, the new Sutton school is expected to relieve classrooms next year. It's hoped that construction will be completed for the opening of the 1968-69 term.

BEHIND PAGE ONE

Contributions to the Herrick Memorial Hospital Heart Fund were made recently in memory of Paul Ammer by Mr. and Mrs. Frank Purcell and Dr. and Mrs. M. R. Blanden.

A five-dollar bill, plus 10c an acre, may mean the difference between getting and not getting hundreds of dollars to farmers participating in the Agricultural Stabilization and Conservation program. This is the charge made for measurement services. Frank Light, chairman of the ASC committee, reminded local ranchers. And there are several types of the service available to assure being eligible for price support and other program payments.

"The Contempts" are still being contemptuous. They played Friday evening in Manistee, Saturday at Cadillac and Sunday afternoon at the Wamplers Lake Pavilion before hurrying back to school Monday at Tecumseh High School and Adrian College.

So youve been elected publicity chairman. Five points to be included in a good news release are: WHO, WHAT, WHEN, WHERE and WHY, sometimes HOW. Type double space on one side of the paper only, indent each paragraph and leave large margins top, bottom and sides for editing. Interesting copy presented in this manner will assure you of the coverage you seek for your group. Good luck. P. S. Deadline for calendar items is 3:30 p.m., Tuesday.

The **Outbound Voyagers Dance band** will audition Wednesday evening at Wamplers Lake Pavilion. Members are **Dan Rodehaver, Bill Weigle, Larry Kaecheli, Archie Miller, Jerry Gainey** and **Jack Pence.** Good luck, Voyagers.

Think you're overworked? **Walt Zarnoch** arrived home Sunday from Ukiah, Ore., where he has been working in Forestry this summer. Called to assist with fire fighting in that region, the first time he worked a steady **31 hours,** then **18** the next day and it slowed to **15** for a regular shift. No wonder his parents received little mail from their son. Wednesday he left for MSU to start classes.

Fog Causes 2 Bus Accidents

Fog caused two school bus accidents last Thursday morning, one involving a Manchester school bus and the other, a Clinton School bus.

The Manchester school bus was eastbound on M-52 when it was struck at the intersection of Allen Rd. by a southbound car driven by Kenneth C. Bucholz, 31, of Chelsea.

The bus was filled with school children, but only four were treated for bruises at Herrick Memorial Hospital. They were Allen Hanewald 14, David E. Walter 13, Linda Walter 11, and Leslie Kopka 15, all of Manchester.

Bucholz was given a summons for violating the speed law, by Clinton State Police.

The other accident occurred on US-12, a mile west of Matthews Hwy.

The Clinton bus, driven by Dearle Brugger, 50, of 316 W. Cummins, was waiting behind another Clinton bus, driven by Paul McKenna, and which was loading.

A pickup driven by Donald Gantzer, 53, of Coldwater struck the rear of the bus driven by Mr. Brugger. No children were injured but Gantzer was treated at Herrick Memorial Hospital for bruises to the leg and chest pains.

He was given a summons for violating the speed law.

Lady Dems Sponsoring Dinner Party

Mrs. Joseph Conklin, 16391 Staib Rd., entertained members and friends of the Lenawee County Democratic Women's Club, Sept. 13, at her home.

Announcement was made of the annual family dinner to which friends are welcome. It will be held Oct. 14 at Don's Beef Buffet.

Marilyn Jean Kelly, vice president of Michigan's State Board of Education, will be the speaker. She teaches French at Eastern Michigan University.

Those on the hostess committee will be Mary Morton of Adrian, Mrs. Gerald Hendricks and Mrs. Peter Kalom. Mrs. William Righter will be an honorary hostess.

Mrs. Conklin, Mrs. Marian Sitterly and Mrs. Glenn H. Peck are on the decorating committee.

Tickets will be handled by Mrs. Isabell Psuate and Mrs. Peck.

Raders Entertain 39 at Reunion

Mr. and Mrs. William Rader entertained 39 members of the Hicks reunion at their home recently. Marigolds centered the long tables placed in the new garage.

Guests were from Adrian, Owosso, Tecumseh and Tipton and Alvordton and Toledo.

Jim Hicks Jr. of Toledo brought a beautifully decorated sheet cake with the initials, "Hicks Reunion" on it.

Following the cooperative dinner, ice cream was made for refreshments and croquet and horseback riding were provided by the Raders.

Sherrie Johnston grins gleefully as Otto R. Shuman, supreme vice chancellor of the Grand Lodge Knights of Pythias, presents her with three $100 savings bonds for her winning safety poster in the national contest. The presentation was made Friday evening in Detroit where she was accompanied by her parents, Mr. and Mrs. Elroy Johnston, her grandmother, Mrs. Robert Diaz, and Chancellor Commander Robert Wood of Tecumseh Lodge 190 and his wife. Miss Johnston, 18, is a graduate of Tecumseh High School and left Saturday to enter classes at Michigan State University, majoring in art.

Methodists Plan Bake Sale for Sound Projector

A bake sale, sponsored by the entire membership of the Tecumseh Methodist Church, will be held this Saturday morning from 9 to 12 at the Adrian Federal building.

With the backing of the Methodist Youth Fellowship, which is contributing 50 loaves of homemade bread, and the Woman's Society of Christian Service, the project is being conducted to finance the recent purchase of a 16-mm sound projector for use in church activities.

By DOROTHY GRIGG

Glen Slick, who has been stationed with the Navy at Portsmouth, N. H., has been transferred to Portsmouth, Va., where he is attending pharmacy school. He is the son of Mr. and Mrs. John Slick of Ridgeway.

Mrs. Carl Burch returned home last Thursday after two weeks at Bixby Hospital where she underwent eye surgery.

Mr. and Mrs. Ward Person spent last week touring the Upper Peninsula and taking a train trip to Agawa Canyon in Canada from Sault Ste. Marie. They spent considerable time in the Copper Harbor area.

The Rev. and Mrs. James Brantingham and two children left for Salem, O., recently where he has accepted a position as assistant pastor of the Salem First Friends Church.

Mr. and Mrs. Henry J. Howard are the parents of a son, Michael Jay, born Tuesday at Morenci Hospital. The little tyke got started on the right foot with his dad since he was born on his birthday anniversary. Grandma Emma Howard remarked, "He's stubby, only 18 inches long and weighed 6 lbs., 1 oz., when born." She and her husband, Henry, have one other grandchild and are expecting "more" in three weeks.

Roger Hoag enrolled at Ferris State College at Big Rapids Sunday. He is the son of Mr. and Mrs. Herbert Hoag.

The Rev. and Mrs. Blair Bashore spent Sunday afternoon, Monday and Tuesday at their cabin on Rainbow Lake, near Baldwin.

2 Boards Meeting for Librarians

A joint meeting of the Tecumseh School Board and Library Board will be held next Monday night for completing negotiations with the library staff.

The Library Board's negotiations with the staff have not been successful. Differences are expected to be worked out at the joint meeting.

Ed Hunt Is Fan Prexy

Ed Hunt was elected president of the Indian Fan Club last week, with Wayne Jackson, treasurer; Mrs. Doug Fairbanks, secretary; and Glenn Work as a member of the board of trustees for one year.

The incumbent trustee is Fred Ward.

The group is currently working on a combination football-basketball program with cooperation of the student council of the high school.

Fan Club is preparing a lunch for those coming from Lutheran West Friday evening for a non-league game with Tecumseh.

Mrs. Wagenschutz Is New Member of Mothers' Club

Mrs. Allen Wagenshutz was welcomed as a new member of the Young Mothers' Club at a meeting last Wednesday at the home of Mrs. Harry Keller.

The group made plans to meet each month on the first Wednesday, instead of the second Wednesday.

Mrs. Hayford Young was the co-hostess.

Mrs. Larry Snyder, Aebersold Rd., will be the hostess for the Oct. 4 meeting.

Dorothy Boynton, daughter of Mr. and Mrs. Erwin R. Boynton, 4171 Allen Rd., has recently been assigned as a Peace Corps Volunteer to Ethiopia. She completed 12 weeks of training at the University of Utah in Salt Lake City, Utah, and is one of 90 new Volunteers who will teach English.

Bolivian Speaker at Church Sunday

Doris I. Warren of Bolivia will speak Sunday, Sept. 24, at the Lower Light Church.

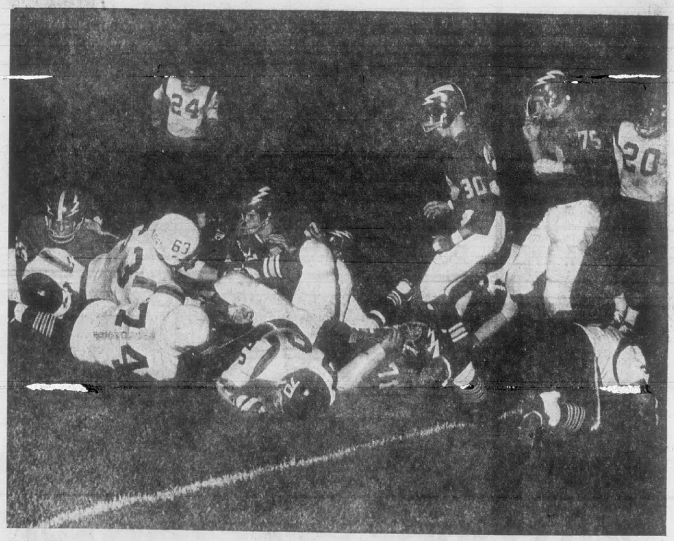
END OF LINE — Jim Upell (82) and Carlo Mobley (81) are coming up here to help Rick Steele (61), *but it wasn't necessary.* This action typified Tecumseh's defense most of the evening against the Hornets. Gang tackling was common as the scrappy Indians outfought their bigger opponents. Both Mobley and Upell were praised by the coaches for their play. Mobley caught three passes on offense during the game, and Upell, moved up to the line, turned in one of his better games.



HERALD PHOTO BY BILL WHITING

BIG HORNETS — Hillsdale may not have fielded the biggest team in its history against the Indians Friday night, but it was probably one of the biggest a Tecumseh team ever faced. The Hornets — as one can see here — have several boys on the line, averaging between 220 to 245 pounds, and they weren't fat. The Indians stopped a Hillsdale thrust here for a short gain, as the Hornets found the Tecumseh tough to run against. Indians in the picture are Joe Conklin (74), Jim Parros (63), Tri-captain Doug Schwartz (70), Jim Mobley (24) and Jim Hunt 20). The Hornets play a tough Jackson St. John eleven this Friday night while Tecumseh is at home against Lutheran West.

Vietnam GI Is Promoted

Daniel E. Raines, son of Mr. and Mrs. Norman Raines, 5562 Green Hwy., has been promoted to Army Specialist four in Vietnam, where he is serving with the 588th Transportation Company.

Spec. Raines, a parts specialist, entered the Army in February, 1966, completed his basic training at Ft. Knox, Ky., and was last stationed in Atlanta, Ga. He arrived overseas in October of last year.

Music Film Shows at Church Sunday

Is the big beat merely a passing trend in music tastes or does it have deep sociological and spiritual implications?

Probing for an answer to that question, the Ken Anderson films organization of Winona Lake, Ind., has produced a motion picture entitled, "I Hear A New Song" which will be shown at Grace Bible Church of Tecumseh this Sunday at 7:30 p.m.

The church is located on M-50 at Carson Hwy. The Rev. David M. Holly is pastor.

Schraders Boast First Edition.

CLINTON — Weighing in at 8 lbs., 2 oz., a daughter, Dawn Marie, was born Sept. 7, to Mr. and Mrs. Howard Schrader, 12450 Clinton Rd., at St. Joseph Hospital, Ann Arbor. This is a first edition for the Schraders, owners of Dunham Press.

Mrs. Robinson Host for Study Group

Mrs. Ellsworth Robison will be the hostess for the meeting of the Northeast Tecumseh Extension Study Group Sept. 26 at 7:30 p.m.

Members will make yearbooks, following the business meeting.

Holloway News

Mrs. Ronald Wisner held a champagne party, followed by a luncheon at her home Sept. 8, to celebrate the starting to school of her youngest child.

Guests were former neighbors from Westland, Mrs. Abby Martin, Mrs. Lisel Grueneschild, Mrs. Sally Fields, Mrs. Lucille Battle, Mrs. Margaret Lovely and Mrs. Robert Murray, a late-comer.

Bob Bowers Finally Hits Hole-In-One

Dr. Robert Bowers, local optometrist who has been golfing for the past 30 years, scored his first ace Saturday when his five-iron tee shot bounded into the cup on Tecumseh Country Club's sixth green.

It was not only Bowers' first hole-in-one, but it was also the first at this 160-yard hole.

His wife, Mary, and Bob French and Vern Manwaring were in the foursome.

Two weeks ago, Jim McDowell, school superintendent, made an ace at the club's 15th hole. Only two have been made this year at the local course.

Jayvees Rout Monroe, 19-6

Scoring TDs in the first three quarters, Tecumseh Jayvees thumped Monroe CC here Saturday morning, 19-6.

The visitors failed to tally until the final period and trailed honelessly in the game.

Quarterback Mike Kennedy opened the scoring in the first quarter, sneaking over from the one.

In the second quarter, a Kennedy pass to Bob Reed covered 75 yards to paydirt. Bob Dickson wrapped up the Tecumseh scoring in the third period.

Fine defensive play by Jack Baker, Steve Tilton, Mar Maynard, Bill Gibson and John Burchfield held CC most of the game.

4-H Jets, Clovers Meet at Onsted

A softball game between the Tipton Jets and the Onsted Swet Clovers 4-H Clubs preceded the meeting of the Clovers Sept. 11 at the Onsted School.

Members enrolled in winter projects and Bill Ruesink spoke on the Peace Corps.

Jan Tuck gave a demonstration in Starches and Sue Neeb gave one on Food Poisoning.

Refreshments were served by Mrs. Richard Koch, Mrs. Amil Tuck, Mrs. Charles Kipke, Mrs. Walter Mapes, Mrs. Wesley Goetz, Mrs. Julius Moravik, Mrs. Harry Furgason and Mrs. Richard Spadafora.

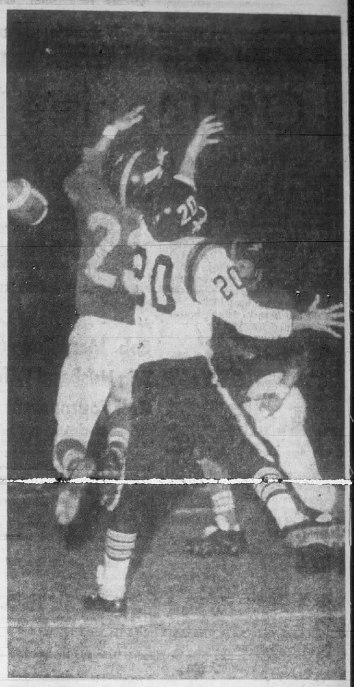
Another meeting will be held Oct. 9 at the school at 7:30 p.m.

Presbyterian's Youth Rally Day Scheduled Sunday

Youth Rally Day will be celebrated Sunday at the Presbyterian Church with Senior and Junior Fellowships and the Junior Department participating.

A joint worship service will be held at 9:45 a.m. in Fellowship Center.

The youths will make posters following the service for the all-church fall bazaar on Oct. 26.



JUST MISSES — A Jim Mobley pass to Jim Hunt (20) just missed here as the Indians drove for a touchdown early in the game against Hillsdale.

● **JOHN MAYNARD MULVANY**

Services will be held Thursday at 7 p.m. at the Proctor Funeral Home for John Maynard Mulvany, 79, who died Sept. 19 at Herrick Memorial Hospital, where he was admitted July 14.

He worked with his father and operated a lumber and coal yard in Tecumseh at one time. Years later Mr. Mulvany was co-owner and manager of the Chieftain Hotel, retiring about 1956.

He had been in failing health for the past five years.

His home was at 303 W. Chicago Blvd.

Born April 21, 1888, in Pennsfield, near Battle Creek, he was the son of Fred M. and Sarah Badger Mulvany.

He graduated from high school at Bellevue and later attended business college in Battle Creek.

His marriage to Ivah H. Caswell was Jan 2, 1914, in Ypsilanti.

Mr. Mulvany attended the Assembly of God Church.

Besides his wife, he is survived by one sister, Mrs. Charles R. Bryan, of Detroit, several nieces, nephews and cousins.

Te Rev. Harold Speer will officiate Thursday evening. Further services will be held Friday at 1:30 p.m. at the Carl Lehman Funeral Home in Bellevue with the Rev. Clayton Mulvany, a cousin of the deceased, officiating.

Interment will be at Riverside Cemetery, Bellevue.

● **KEITH CARPENTER**

Services will be held Friday at the Dunn Funeral Home at 1:30 p.m., for Keith Carpenter, 49, of 1000 River Acres Dr., who died at 9:30 a.m., Wednesday morning at Herrick Memorial Hospital, where he was admitted Monday.

He had been ill with a heart condition for many years.

Born in Adrian Jan. 31, 1918, he married Alma Moore Aug. 8, 1953. She preceded him in death June 15, 1965.

He married Mary Morse March 4, 1967, who survives.

Mr. Carpenter had been employed for the past 16 years at the Tecumseh Products Co. He was a veteran of World War I and a member of the Hall-Slater Post VFW and the Underwood-Orr American Legion.

Besides his wife, he was preceded in death by a brother, Dale, in 1966 and a daughter in infancy.

Other survivors include two daughters, Debra Kay and April Dawn at home, a son, Kevin Lamerin, of North Branch, a sister, Mrs. Wendell Frear, 515½ N. Evans St., a stepmother, Hazel Carpenter, a half brother, Door Carpenter, both of Petoskey, and a step sister, Mrs. Mayme Foos, of Orville, Calif.

The Rev. Blair Bashore will officiate and burial will be in Brookside Cemetery, where the American Legion will conduct military services.

—o—

● **LOU F. GERMAN**

Services were held in Florida for Lou F. German, 79, former Clinton resident, who died Sunday evening.

Survivors include his wife, Gladys, of Airpela, Fla., five sons and two daughters, including Mrs. John Conklin, 1207 Murray Drive.

● **GEORGE LEACH, JR.**

Services were held Tuesday at St. Joseph's Church, Adrian, for George Leach, Jr., 58, of Adrian, who died of an apparent heart attack Saturday.

He was employed at the Tecumseh Products Co.

Survivors include his wife, two daughters and four grandchildren.

Burial was in St. Joseph's Cemetery.

Bob, Mary Bowers Win Husband Wife Golf Tournament

Tecumseh Country Club held its annual Husband-Wife Tournament Sunday with 35 couples participating in the final competition of the season.

The end of the 18-hole "best ball" contest found [illegible] in a tie for first place.

The sudden death play-off resulted in a win for Dr. and Mrs. Robert Bowers.

Mr. and Mrs. Charles Butler and Mr. and Mrs. William Keith finished second and third.

Other winners were fourth place — Mr. and Mrs. Austin Miller and a fifth, sixth and seventh place tie went to Mr. and Mrs. Warren Boldt, Mr. and Mrs. Ralph Dabe and Mr. and Mrs. W. W. Lewis.

Committee chairmen, Mr. and Mrs. B. B. Hannibal, presented trophy and prizes at the picnic following the tournament.

County Ag. Agent To Attend Session

Norman Bless, Lenawee County Extension Agricultural Agent will be in the Michigan delegation at the 52nd annual meeting of the National Association of County Agricultural Agents in Omaha, Nebr., Sept. 17-21.

He will be among 1,800 agents from around the United States attending the meeting.

Addresses by Secretary of Agriculture Orville L. Freeman and Dr. Lloyd Davis, administrator of the Federal Extension Service of the U. S. Department of Agriculture, are featured.

Friends Donate to Church Home

"Make It and Take It" was the theme last Thursday for members of the Friendly Class of the Friends Church when they met at the home of Mabel Lockwood.

Articles such as bedroom slippers from wash cloths, tote bags, handmade towels, colorful containers and others were donated to the Rescue Home in Columbus, Ohio.

Members voted to purchase a blanket to add to the other gifts for the church sponsored home.

Mrs. Jessie Brown presented the devotions preceding the meeting.

SECOND HALF STRATEGY — From the look on Coach Tom Fagan's face, you'd think the Indians were in trouble. However, it's halftime at the Hillsdale game and the Indians are leading by two touchdowns. Assistant Coach Pat Connors (back to camera) is merely mapping strategy with Fagan. Players in the picture are Rick Steele (61), Bob Hackett (72), Randy Robinson (12), Steve Dalton (25), Larry Cote (22), Mark Travis (76, and Joe Conklin (74). The Hornets rallied briefly in the second half for a couple of scores, but the Indians tallied twice, too, and went on to win, 26 to 13. Tecumseh plays its home opener here Friday night against Detroit's Lutheran West. Dalton, in the picture, is out of the game with a badly cut knee.

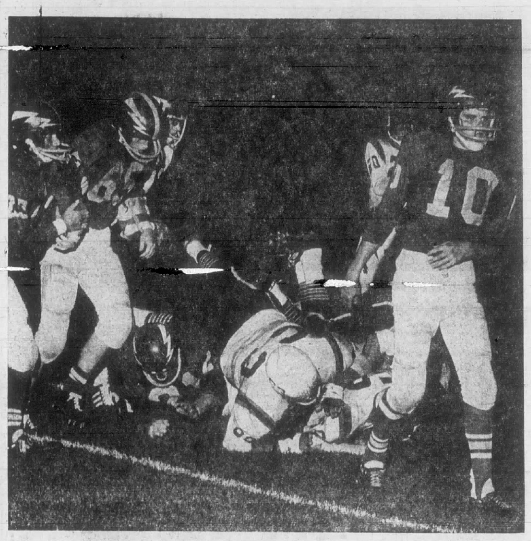
LENAWEE FUELS — Dave Faling, left, of Lenawee Fuels, presents Mahlon Sebring of 708 Inner Dr., his Bingo Bucks. $650 bucks were given to local Bingo players during the course of the newspaper contest.



PILED UP — A dejected Hillsdale player walks away as two Indians pile up his teammate, beneath Jim Parros and Dan Anderson. The Hornets managed only two first downs the first half, including one on a 15-yard penalty against Tecumseh.

Five Degrees Are Earned

Two Tecumsehites and three from Clinton were among summer graduates at Michigan State University.

Paul F. Burns, the agriculture teacher at Tecumseh High School, received his educational specialist degree in his field, and Joseph Prochaska, 10124 Pennington Rd., earned a bachelor of science in forestry.

Joseph Carlisi, Richard B. Content and John E. Jansen, all of Clinton, earned degrees, too.

Mr. Carlisi received a doctor's degree of philosophy in chemistry; Mr. Content, a master of arts in educational administration; and Jansen, an educational specialist degree in agriculture education.

Entertains Music Club

Dan Bush, teenage cornet player from Britton, entertained 12 members of the Tecumseh Music Club last week at the Friends Church.

Helen Bendes, music teacher in Tecumseh schools, was his accompanist for the program, which followed a potluck supper.

Dan attended a two-week music workshop in Ann Arbor last summer on a scholarship from the club.

Mrs. Owen Merrill, president, anhounced that future programs included the "Four Dads," attending Clinton High School's production of the "Music Man," and a program of children's music by the "Half-Notes," a music club for young school children.

Mrs. Norman Bailey will host the next meeting, Oct. 10.

Mrs. Clyde Brown Hosts Schoolmates at Co-op Luncheon

BRITTON — A group of former schoolmates from the Holloway school and their husbands met in the home of Mrs. Clyde Brown Sunday. A cooperative luncheon was served and the afternoon was spent socially.

Guests included Mr. and Mrs. Charles Howe of Tecumseh; Mr. and Mrs. Walter German and Mr. and Mrs. Carl Gritzmaker of Holloway; Mrs. Melville Bowen of Palmyra; and Mrs. Harvey Lewis of Adrian. Mr. Lewis was unable to attend because of a sudden illness.

PLASTIC SNOW—Deborah J. Miller, 16, left and above, along with her brother Ralph, 14, of 5550 Milwaukee Rd., are enjoying the thrill of snow skiing — during the summer. Shown on the slopes at Traverse City with Tom Joynt, left, executive director of Central Division — USSA, and Danforth Holley, inventor of plastic snow, the two have been attending the first Junior Alpine Training School, possible only through the invention of plastic snow. Special spray on the bottom of the skies makes it possible for smoother, faster speeds. The classes are held for one week sessions and youths are training for divisional, regional and national skiing events to be held throughout the country. There are approximately a dozen such ski camps throughout the nation.

Greg, Bruce King Meet in Poolencia

Robert and Mary King recently visited with son, Greg, at the Oceana Naval Air Station, Virginia Beach, Va.

He had just completed a maintenance course on the F4B "Phantom" electric 1 system and was ready to start a nine months' cruise.

Sunday evening the Kings received a phone call via a New York ham operator, from their other son, Bruce, returning to the States aboard the ship "America," 1,500 miles out in the Atlantic.

They learned that their sons spent four hours together at Poolencia, Spain.

During Bruce's travels, he visited Istanbul, Athens, Naples, Genoa and Malta.

Jim Mobley had his ups and downs last year, but his quarterbacking against Hillsdale left little to be desired. He ran for one TD and passed for two others. Named Tecumseh's top offensive back — winning the "Tomahawk" award — Mobley completed eight passes in 17 attempts.

Tecumseh coaches' "Head Hunter" award for the Hillsdale game goes to Chuck Gillies, 190-pound linebacker, who is rated one of the best in the Huron League. A regular two years, Gillies recovered one fumble against the Hornets and blocked an extra point attempt.

Junior Jim Parros, 210-pound guard, has been selected by the Tecumseh coaches for the "Savage" award — top offensive lineman against the Hornets. Parros is credited with opening gaping holes in the Hillsdale line for Tecumseh backs to roam. His hustle was outstanding.

Tri-captain John Anderson drew praise from Tecumseh coaches for his blocking in the Hillsdale game and won the honor, "Sticker of the Week." Senior fullback is more noted for his running, but coaches say his blocking was largely responsible for Tecumseh's fine offense.

Buddy Work, tri-captain who plays mostly on defense, was selected as Tecumseh's top defensive back with the "Rib Picker" honor going with it. The 145-pound junior was credited with nine tackles and assists against Hillsdale. He nearly intercepted one pass in the flat for a touchdown.

Bob Hackett distinguished himself against Hillsdale — and he's only a sophomore — by being picked for the "Bloody Buddy" award for best defensive lineman of the week. Although playing against much bigger opponents, Hackett managed three tackles and six assists while on defense.

Three pass receptions good for 41 yards, earned Carlo Mobley the "Cookie" award as Tecumseh's outstanding receiver against Hillsdale. The 5'9', 170-pound junior also was praised by the coaches for his all-around play, especially his blocking against the big Hillsdale line.

Indians Win Opener, 26-13

One game doesn't make a season, but Tecumseh started right Friday night when the Indians thumped Hillsdale in the opener, 26-13.

Some 700 or 800 Indians fans — including seven bus loads of students — were impressed by the scrappiest Tecumseh team in several years.

There's a question how good Hillsdale is, but they're certainly the biggest team the Indians will have to face all year — and probably for several years to come.

The Hornets had a starting front line with weights running like 245 - 225 - 220 - 190 and 180. Somewhere, Hillsdale found a 145-pound guard who seemed lost among his giant teammates.

Size mattered little, however, as the Indians went in between and around, and except for a couple occasions, stopped the Hornets' offense cold.

Tecumseh failed to tally in the initial stanza, but the handwriting was on the wall. The Indians took the opening kickoff on its 36 and rolled to three first downs before relinquishing to Hillsdale at the Hornets' 27.

Hillsdale picked up two first downs, moving to Tecumseh's 40, but it was clear the Hornets were in trouble.

A 15-yard Tecumseh penalty provided one first down, and a messed-up Hillsdale play — poor snap from center forcing the punter to run — gave Hillsdale the only first downs of the half.

When forced to give up the ball, another center-to-punter mix-up gave the Indians the ball on Hillsdale's 40.

Early in the second quarter, Jim Hunt took a handoff from quarterback Mobley for 18 yards and a TD — only to have it nullified by the second of five major penalties called against the Indians.

At the 5:49 mark Tecumseh put one on the scoreboard for keeps.

Mobley flipped to Hunt for 26 yards to put Tecumseh ahead. Mobley then ran for the extra point, but it was cancelled when another infraction was called.

With just 32 seconds left in the half, Mobley climaxed a 50-yard drive, sneaking over to put Tecumseh in front, 12-0. John Anderson plunged for the extra point.

The drive was featured by three complete passes with Hunt, Carlo Mobley and Larry Cote on the receiving end. Cote just missed scoring on his reception, being bumped out on the one.

If the Indians thought they had the game wrapped up, it took only 39 seconds of the second half to prove Hillsdale could come back.

On the first play from the Hornets' 39, fullback Jim Bennett, speedy 190-pounder, broke through his right tackle and completely outraced the Indian defenders for a 61-yard jaunt.

In 10 plays, and despite another 15-yard penalty, Tecumseh came back with Sophomore Ken Pieh cutting around left end for 22 yards and paydirt.

After Cote picked off a Hillsdale pass moments later on the 50, the Indians were again knocking with a first down at the 21. This time the Indians' offense faltered with a couple of incomplete passes and a fumble.

A double-reverse with Larry Fairbanks failed to fool the Hornets and they took over on their 35.

In their best offensive series of the evening, Hillsdale tallied in 11 plays, covering all 65 yards on the ground. Bennett again scored, skirting right end for 13 yards.

Tri-captain Buddy Work just missed upsetting Hillsdale's plans in the drive, when he nearly picked off a short pass with nothing but air between him and the goal line.

However, it took Coach Tom Fagan's team about two minutes to restore a comfortable lead, going 67 yards in just four plays. Mobley hit Pieh with a short pass and with blockers galore, the 145-pounder put his second TD on the board.

Statistically, the game was not nearly as close as the score would indicate. The Indians racked up 17 first downs, despite five 15-yard penalties, and with a couple exceptions, bottled up Hillsdale's offense.

Tecumseh could have had another couple touchdowns except for the penalties.

MOBLEY, TOP OFFENSIVE STAR FOR TECUMSEH

20th Horse Show at Lambertville Sunday Morning

Lambertville Civic Club will hold its 20th annual horse show at Lambertville Sunday, starting in the morning at 10 o'clock.

Classes are for western and English riders.

Proceeds from the show are for the club's building fund.

Tecumseh Takes on Lutheran West Friday

A full house is expected here Friday night when Tecumseh takes on Lutheran West, one of the many Detroit schools which had to pass up a scheduled opening game due to a teachers' strike.

This fact does not alter Coach Tom Fagan's plans for the game. A scouting report is not necessary.

Last year, LW lost to the Indians, 27-13, with eight sophomores and 12 juniors in the offensive and defensive lineups. They're back and with a year's experience.

Fagan anticipates the visitors to throw a lot, and well they might.

Russ Gartha was only a sophomore last fall, and fans should remember he was probably the best passer they saw all last season.

The Indians came out of the Hillsdale game in excellent shape. An auto accident Saturday night, however, is expected to keep split end Steve Dalton out of the lineup.

Dalton's knee was badly cut. Halfback Gary Fairbanks also suffered a cut knee in the mishap, but is expected to play. Two other victims, Terral Ives and Mike Kane, were not injured.

Fagan was particularly pleased with Tecumseh's performance against Hillsdale, pointing out that the offensive plays were well executed for the first game of the season, and the defense sparkled.

Both offense and defense, particularly the defensive backfield, may have to be up for LW if the Indians expect to win.

We think they will and expect Tecumseh's mark to be 2-0 when the game's over.

Mrs. Glen Pennington returned from Detroit after 10 days with her daughter, Mrs. Joseph Castiglione, and family.

WHAT'S BEST FOR DURABLE PRESS?

Home economists agree that durable press garments look best when dried in a clothes dryer. Housewives who already have an automatic clothes dryer and durable press garments say they were made for each other!

The secret is in the even heat, gentle tumbling action and special cycles of the new automatic dryers. Dried in an automatic dryer, durable press fabrics bounce back to their original shape without wrinkles — creases are where they belong.

Why not see your automatic appliance dealer today? Have him show you the automatic settings that eliminate ironing of the new durable press fabrics!

Bureau Says Less Wheat Is In Order

Michigan wheat growers, unhappy over the lowest prices in years, should plant less wheat this fall if they are to expect a reasonable return for their efforts next year.

That's the advice of the Michigan Farm Bureau, whose board of directors has issued a statement cautioning wheat growers to practice self-restraint this fall, lest they plant themselves into another gloomy low-price corner next harvest time.

The 16-member board, all farmers and a number of whom grow wheat, suggested a "voluntary reduction in wheat plantings of a minimum 20 per cent" under last year's acreage, which in Michigan resulted in a 1967 harvest of 40 million bushels, 31 per cent greater than the 1966 crop.

Last year farmers were encouraged by an attractive harvest-time price and widespread talk by government officials and others about need to feed the world through American production.

It is thought that a 20% acreage cut in the midwest soft wheat crop could mean a price improvement of up to 25c per bushel.

Book Mark

NICHOLAS AND ALEXANDRIA by Robert Massie. History offers few eras richer in drama than the last years of Imperial Russia. Tsar Nicholas II, ruler of one sixth of the earth and more than 120 million Russians, presided over a glittering world of huge palaces, lavish balls and incomparable luxury. This is his story and that of Alexandra, told with historical accuracy and stunning narrative power.

AN OPERATIONAL NECESSITY by Gwyn Griffin. A powerful and superbly written story of wartime murder in the South Atlantic in World War II, followed by guilt and retribution, and climaxed by one of the most electrifying courtroom scenes in modern fiction.

NIGHT FALLS ON THE CITY by Sarah Gainham. Set in Vienna during the tumultuous years from the German Anschluss of 1938 down to the Russian invasion of Austria in 1945. The cast of characters is large and brilliant.

MODERN PRIEST LOOKS AT HIS OUTDATED CHURCH by Father James Kavanaugh. A burning, eloquent appeal for a new personalism and humanism in the American Catholic Church, instead of the old legalism. Strong medicine from a brave and honest priest.

THE NEW INDUSTRIAL STATE by John K. Galbraith. Is it possible to offer a single comprehensive view of modern economic life and of the changes that are shaping its future? Mr. Galbraith in this volume proves that it is. This book is the work of some eight years. It knits the great changes of the past 50 years into a complete and consistent view of modern industrial society.

MY LORD OF CANTERBURY by Godfrey Turton. This is the story of a life that shook the Christian World; a novel fused with the color, pomp and pageantry of England's glorious and bloody 16th century; and of Henry VIII's indestructible Archbishop, Thomas Cranmer.

Police Checking Speedway Theft

A breaking and entering at Manchester Speedway, Saturday night, is being investigated by Clinton State Police.

Taken from a concession stand were 20 cartons of cigarettes, 10 pounds of hot dogs, and five boxes of candy bars.

"Behold, now is the accepted time; behold, now is the day of salvation."

This verse from II Corinthians is the Golden Text of this week's Lesson Sermon on "Reality" to be read in all Christian Science Churches on Sunday.

Junior Class Starts Drive

Junior Class at THS kicks off its annual magazine drive this Saturday with a goal of $2,000 for the class treasury.

Frank Graham, teacher advisor for the drive, says proceeds will be used for the annual Junior-Senior Prom, senior picnic, school gift, and other class projects.

In the past, part of the proceeds have been used for the annual senior trip. Senior trips, after this year, have been cancelled.

Class organizational plans for the magazine subscription drive list Ruth Warner, manager; and Sandee Steadly, assistant manager.

Captains are John Bryan, Margaret Barritt, Ron Gerten, Nancy Ford, Gail Greene, Sam Brooks, Lisa Pence, Bill Weigle, Brenda Watson and Bill Whiting.

Checkers are Sue Barnell, Tom Rohrer, Frances Carpenter, Robert Osburn, Mary Stuart, Lorrie Brown, Bill Holmes, Marie Geisenhaver, Helen Schooley and Gail Hohenstein.

Mark Osburn is in charge of publicity.

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. *A sound car is a silent car.* The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new 250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual master cylinder brake system with warning light, plus many more *new* features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

CHEVROLET

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Most of us, at one time or another, have tried to take the family clock apart to see if we could fix it. Few of us, however, ever succeeded in getting the blamed thing back together again and in good working order.

Usually we ended up with some extra wheels or screws and a timepiece that was useless. We had completely upset the balance of the instrument.

This same thing happens when man interferes with the clock-like precision that dictates the balance of nature. Too many times man has been quick to condemn and exterminate some of the so-called predator species without considering the full consequences.

Take the fox, for example. A farmer has a thriving orchard of young fruit trees. Into this pretty picture comes a fairly heavy mouse population which, in turn, attracts Br'er Fox.

Figuring that the fox is just a nuisance, the farmer takes steps to kill him off. With this natural enemy removed, the mice have a field day and soon heavy damage to fruit trees occurs. Under cover of snow, tree trunks are girdled or roots are damaged so badly the tree dies.

Had the farmer allowed the fox to remain, his mouse-damaged trees would have been harmed little or not at all. Orchardists are coming to learn this the hard way and many now welcome a few foxes on their lands as natural mouse traps.

Each animal plays an important part on the land and when one species is eliminated the balance is upset and the wheel of nature fails to turn properly.

In the past, man has attempted to repair the spoke in the wheel he destroyed by restocking his lands with game and birds. But this has not always been successful. If there is not enough cover and food for birds they will, in time, leave or die. If too many animals are in a given area, disease or some other means will remove the surplus down to the carrying capacity of the land.

Most ground-nesting birds, including ruffed grouse and pheasants, have a horde of predators working against them. For the time eggs are laid to the time they hatch, skunks, crows, raccoons, foxes, turtles, hawks, ants, dogs and cats are all working against them. However, given adequate cover and food they survive and reproduce naturally.

With poor food and cover they can fall easy victim to predators as well as to adverse weather. Still, man too often decides that only one of the predatory species is doing all the damage and tries to eradicate that species.

When you see a hawk or owl or fox, try to remember that he is there as part of nature's balance wheel. Man himself is a predator and often takes some of the surplus animals. But, in his ignorance of the ways of the wild he can kill off too many of the wrong ones.

Let's be sure that we aren't the ones to lose that little thing-amajig that makes the great wheel of nature turn.

Lutherans Plan Six-Week Study

For the 450th Anniversary of the Reformation, the Lutheran Church in America has published a document, called: "The Manifesto," and urges all congregations to study this document, putting its challenging methods into the lives of every congregation.

For this study, a six weeks course is being offered by the Rev. Lazlo Gero of the Gloria Dei Lutheran Church.

It starts next Wednesday, Sept. 20 at 7:30 p.m. and will continue each Wednesday till the celebration of the Reformation, Oct. 29.

It was also announced Sunday that the hours of the choir practices were changed. The Junior Choir meets every Thursday at 4:10 p.m., and the Chancel Choir the same day at 7:30 p.m.

During the worship service next Sunday, Sept. 24, Brian Keith, infant son of Mr. and Mrs. Ken Rathke will be baptized, and new families will be installed into the congregation.

Mr. and Mrs. Earnie Topps entertained Mr. and Mrs. Floyd Rhoades of Saline Sunday. The Topps, with Mrs. Guy Nixon and Mrs. Margaret Cadwell, Adrian, accompanying them, were in Leslie Friday night where Mrs. Topps was guest warder of Amaranth, a branch of the OES.

The Annual Meeting
of the Macon Zoning Committee
will be held September 26

The Country Look Moves

Outdoors with This GARDEN PLAY BARN

A LITTLE RED BARN for your back yard, where it can be a delightful playhouse for children or a handy storage building for garden tools and supplies, can be built by the amateur craftsman.

A door at each end adds to its usefulness. The double door in back (shown) is wide enough to admit a riding mower or garden tractor; in front is a charming Dutch door and another window.

Good appearance and durability are assured by use of hardboard panel siding, which is dent resistant and easy to paint. Interior is lined with heavy duty peg-board for hanging equipment.

Rough sawn cedar shakes cover this roof, although asphalt shingles may be used instead. The lower roof is hinged to give access to the loft, a storage area out of the reach of children.

Sturdily constructed, the barn will give years of service and, in its playhouse role, be a center of happy activity for your children.

FREE PLANS FOR BUILDING AND DECORATING THIS HANDSOME ADDITION TO YOUR YARD MAY BE OBTAINED BY SENDING A POSTCARD TO THE MASONITE HOME SERVICE BUREAU, BOX B, DEPT. HI, CHICAGO, ILLINOIS 60690. PLEASE REQUEST PLAN AE-109.

Garden Club Has Session at Cottage

Mrs. Archie Dunsmore entertained 15 members of the Tecumseh Garden Club Friday at her Round Lake cottage when a pot-luck dinner was served at noon.

During the brief business meeting, it was announced that the District Two meeting of Garden Clubs will be held in Ann Arbor Sept. 20.

Several members plan to attend.

Ann Carson conducted an auction of "Make and Take" articles with her usual wit and humor, adding personal comment as each piece was sold.

A sum of $17, realized from the sale, was given to Mrs. Arch Wray for her use as sunshine chairman.

The Edge of Angry

(Editor's Note: Some kind contributor to The Herald sent a thought provoking article to the office Tuesday, apparently lifted from the Paul Harvey column in The Farmers Advance, read widely in this area by agriculturalists. It appealed to Herald personnel, too. Perhaps readers would like to share it.)

By PAUL HARVEY

There is a time to be calm and there is a time to get angry.

There was a time when even Christ, His patience exhausted, found it necessary to storm into the temple with a short length of rope in one hand and start smashing up the furniture.

I am saddened when anybody walking down the road in Mississippi is shot from ambush.

But I'm on the edge of angry when Mississippi is castigated nationwide for the conduct of a Memphis, Tennessean.

And when Time, Life, Newsweek, The New York Times and TV hurl their editorial epithets at Mississippi for one shooting.

And look the other way from a murder a day in New York, Los Angeles, Chicago.

I'm on the edge of angry when one man wounded in Mississippi crowds from the front pages and the nation's conscience 2,000 dead Americans in Vietnam.

I'm on the edge of angry when kookie college kids can demonstrate for peace at any price, but can't find time to shave and take a bath.

And when my government protects those who break the law and intimidate those who try to enforce it.

I am on the edge of angry when a college professor can limelight himself by proclaiming "God is dead."

While a free press ignores the greatest demonstrations of all, when 126 million Americans march every week to church!

And when Government tells me that I must sacrifice the fruits of my labor to support those who do not labor.

I'm on the edge of angry when the tax man says I get an allowance of only $600 a year to rear my legitimate son.

Yet the ADC welfare people would pay me $900 a year if he were an illegitimate one.

I am on the edge of angry, realizing that every baby is born into this one-time land of the free, $1,700 in debt.

I am on the edge of angry when we make a big domestic to-do about saving on electricity and groceries in our White House while we dump millions into thankless foreign ports.

When we regulate and regiment and overtax and tyrannize our own countrymen while defending "freedom" for foreigners.

I'm real close to the edge of angry when I hear our hypocritical breast-beating over the urgent rights of one minority while we ignore the Amish and the Indians.

When we Judas-kiss our sons goodbye because we own weapons adequate to end the war, yet lack the guts to use them . . .

When we have everything going for us to create a Golden Age of arts, culture, sciences — and let unfriendly friends and friendly enemies siphon away this glorious opportunity.

Between now and next election, I may move "over the edge" . . . if the best either party can offer is a perpetuation of this sad circus, this pusillanimous political game of crisis — after crisis — after crisis — after crisis . . . end quote.

Touch of Past

1887

The proposed new village on the west shore of Devils Lake has been christened CheeseKau, after a brother of the celebrated Chief Tecumseh.

The Ridgeway Hardware firm of Carvell and Grigton has sold their interest to H. J. Williams.

The Lenawee County Pomological Society met at the Town Hall, Clinton, Sept. 14, and exhibited a fine display of fruit.

This year's peach crop within seven miles of Clinton is estimated at 7,000 bushels.

There are 103 enrolled at the high school in the first week, the largest enrollment ever in one year.

1897

Coal in uncertain quantities was discovered Friday on the Weston farm near Manitou Beach.

A tented adventist at Tipton is thundering forth predictions of destruction and death.

1907

Dr. G. V. Randall of Clinton will move to Tecumseh and will be located in the office of Dr. Jenkins.

St. Anthony's statue was erected on St. Dominic's Cemetery in Clinton Sept. 11 with appropriate ceremonies.

1917

Recognition services will be held at the Presbyterian Church Sunday honoring the young men who have or are to enter the army.

September 18th storm was the most severe here in years, with 5¼ inches of rain.

Dr. Hammel is on the firing line somewhere in Belgium.

Anna Furgason has gone to France as a Red Cross Nurse.

For a change we had an old fashioned Uncle Tom's Cabin show at Chautauqua Park Wednesday with Topsy, Little Eva [illegible]

1927

The barn on the Herbert Munger farm northwest of town was destroyed by fire during the electrical storm Sept. 12, with a loss of $3,000.

Dr. H. H. Hammel will leave today for a five weeks' hunting trip in Alberta and British Columbia.

The school board has authorized slides at the East and West Branch Schools.

1937

The Lenawee County Schools will be closed all day Friday next week to give pupils an opportunity to attend the Lenawee County Fair.

$70,000 has been appropriated by the Federal Government for a new Post Office building in Tecumseh.

R. W. Herrick explained plans for the new hospital building at the B. and P. W. Club meeting.

1947

The Sister Kenny Fund has asked Tecumseh for $500 to fight polio. The local dairies will cooperate by leaving collars on all the bottles of milk delivered in the village and then picking up the contributions the next morning.

Macon is to have its own Boys Town patterned after Father Flannagan's. Operation of the new school will not begin until 1948 because it will take many months to prepare the site and the project.

The Mary and Martha Chapel in Macon has been sold to the Trenton Episcopal Parish and will be moved to that site in the near future.

Henry's Diner, located directly behind the Strand Theatre and operated by Henry Hamilton, will open for business on Saturday.

1957

The first and only triplets born in Herrick Memorial Hospital nearly a year ago, while the parents lived in Adrian, are now residing at 205 W. Logan St., Tecumseh, with their parents, Mr. and Mrs. Russell Gunderson.

The City Council turned down a request by 143 home owners in Herrick Park to change the name of E. Brown St., and its continuation into the subdivision of S. Outer Dr. to Herrick Park Rd.

Tecumseh physicians are receiving small amounts of the new vaccine to combat the expected epidemic of Asiatic influenza.

A pictorial feature reports the Hayden Mills, founded in 1835, produced and sold 4,600 tons of flour in 1956. The mill produces 100 percent wheat flour used in cakes and pastry.

Commission Designates New Farm

The 100-acre farm operated by Mr. and Mrs. Herbert Gilmore at 12982 Welch Rd., and owned by his parents, Mr. and Mrs. Ray Gilmore, has been designated as a centennial farm by the Michigan Historical Commission.

The farm has been in possession of the family since 1867, when it was originally purchased by James F. Gilmore, father of Ray Gilmore, from William J. Craig.

The Ray Gilmores lived on the newly-named centennial farm until 1938, when they moved to a farm owned by her parents, Mr. and Mrs. Wesley Pennington, and another centennial farm.

The Herbert Gilmores moved into his parents' residence.

An employee of the Tecumseh Products Co., Mr. Gilmore raises sheep and does grain farming in his spare time.

They have two children and six grandchildren.

Will Train Dairy Cattle Technicians

A special program to train dairy cattle technicians is to begin Oct. 1 according to Norman Bless, Lenawee County extension agricultural agent.

Persons between 17½ and 55 years of age, who qualify under the Manpower Training Act, can get the cost-free course plus some living expenses and learn a vocation which is in high demand, says the county agent.

The school will be operated for a 32-week period at Andrews University, Berrien Springs. A new dairy cattle operation has been built at this southern Michigan institution. Michigan State University dairy staff members will assist with the training.

About three-fifths of the program will be practical and will train men to serve as DHIA testers, inseminators for artificial breeder organizations or as milkers or dairy cattle herdsmen.

Subsistence allowances from $20 to $47 a week, based on Michigan Employment Security records, with additional funds for dependents will be given participants during training period.

The county extension office can give persons interested complete information. Applications, however, must be made at once, and forms are available from the local MESC office.

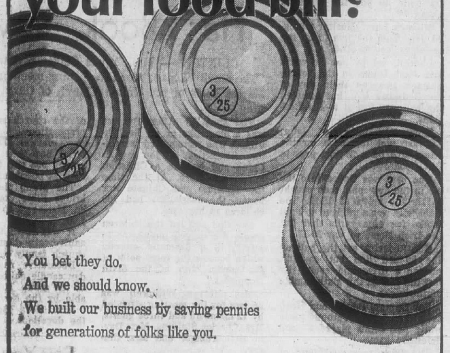
AT WOOLWORTH'S YOUR MONEY'S WORTH MORE

we care

do pennies make a difference in your food bill?



You bet they do.
And we should know.
We built our business by saving pennies
for generations of folks like you.

For instance, take our policy on multiple-priced items

If an item is priced 3 for 25¢, the price for one is obviously 9¢.
But what happens if you want two?
Do you pay 2 times 9¢ or 18¢?
Not at A&P.
We sell it at 2 for 17¢.
That's the fair way—the A&P way.

Yes, in the food business..
in food budgeting, pennies make a difference.
We watch them for you and for us.

Is this a good reason for shopping A&P? It's one of many.

Firm Gets Bonds

CLINTON — Clinton has become one of the first municipalities in the State of Michigan to provide revenue bond financing for an industrial firm.

In ceremonies Sept. 12 at the Budd Company in Clinton, F. Walter Norcross, treasurer of the company, turned over deeds to land and bills of sale covering the recently - constructed plant and equipment to John C. Truesdale, Village president.

The two then signed an agreement for Budd to lease the 152,000-square-foot plant for 20 years.

There to witness the signing of the $9,800,000 agreement, were both state and local dignitaries.

The company, one of the nation's largest independent suppliers to the automotive industry, manufactures disc brake components.

The new Industrial Revenue Bond Act, which made this transaction possible, was signed into law in 1963. The Michigan Supreme Court approved the measure.

The plant, which was completed several months ago, is now in limited production and additional equipment will be installed over the next few months to complete the first phase by early next spring.

The new Clinton plant is a major unit in Budd's automotive division which also owns plants in Detroit, Pennsylvania, Indiana and Ontario.

Present at the ceremonies were Clinton Councilmen Floyd Tate, Lester Pierce, George Underwood, Richard Dixon, Frank Englehart and Melvin R. Smith, village attorney.

Robert Stites, State Representative from Lenawee County, spoke at the occasion.

Top Budd officials attended the event and the guests were given a tour of the plant.

Board Adopts $582,000 Budget

CLINTON — The Board of Education adopted a budget of $582,000 for the 1967-68 school year, at a meeting last Wednesday.

Mrs. Wesley Haney was hired as a crossing guard at the intersection of Tecumseh Rd. and Franklin St. She'll be on duty from 7:45 to 8:30 a.m., 11 to 12:30 p.m., and 3 to 3:45 p.m., each school day.

Coach Mike Snyder gave a resume of the athletic program and staff.

The cost of operating and maintenance of the Van Tuyle Pool this season exceeded the revenue from the pool by $790.41. This amount does not include the costs of heating and maintenance time.

The board will make a study to determine some way to remedy the cost of pool operation.

Responding to the recommendation of the school architects, Jahr-Anderson, Associates, a new roof will be put on the girls' gymnasium. Bids are being advertised this week.

Necessary repairs will be made to the boiler in the old building to comply with state inspection.

The board scheduled a meeting for Sept. 18, to discuss the new school and remodeling plans with the architects.

Regular board meetings are to commence at 8 p.m. in the future, instead of 8:30 p.m., on the second Wednesday of each month.

Clinton Bows, 20-13

Editor's Note — A pair of Clinton High School seniors, Kelvin Bennett and Michael Jurasek, will team-up to write the reports on Redskins' sports events this year.

CLINTON — Adrian Catholic Central beat the Clinton Redskins for the second year in a row, winning by a 20-13 score at Clinton Friday.

Dave Clauda put Central ahead first with a 14-yard run around right end that made the score 6-0 at the half.

In the second half, Mel Pardee ran off tackle for the Redskins and knotted the score 6-6. Butch Hoelzer then ran the extra point to put the Redskins ahead 7-6.

Minutes later, Hoelzer plunged over from the five to up the Redskins lead to 13-6.

Central, led by Joe Schwartz and Paul Drake in the fourth quarter, powered their way to the Redskin's five, but fumbled the ball and lost it to the Redskins.

However, moments later, Schwartz got the Irish on the scoreboard on a 25-yard pass to Bill Goodrow.

The pass was tipped into the air in the end zone, then caught to tie the score at 13-13. The final tally was a pitchout to Paul Drake for nine yards that put the Irish ahead to stay 20-13.

The Redskins got the ball on the 50-yard line but couldn't muster a drive and eventually lost the ball on thir sixth fumble of the night.

For Clinton, Pardee and Hoelzer played a fine all-around game while Bob Ehnis played a good defensive game.

The Irish recovered four of six Clinton fumbles and intercepted three passes. Clauda led the Irish attack with 78 yards rushing while Schwartz passed for 80 yards on eight of 20 passes.

Ypsi-Roosevelt will journey to Clinton for Friday's game.

Church Women Vote to Start Clothing Project

CLINTON — The Episcopal Church Women voted to begin a used clothing project to replace the foster child project of the previous year.

The group will bring used clothing to the November meeting to be sent to the Cherokee Indian Mission in Oklahoma.

Mrs. Thomas Carlton was named chairman of the clothing collection.

The meeting held Wednesday at Lyster Hall and was attended by 11 members.

Mrs. Charles Sturm was named to the Sunshine Committee, and Mrs. Roy Richards was named to the Hospitality Committee.

Plans were discussed for the annual bazaar to be held Nov. 18, with Mrs. Roy Richards, Mrs. Clyde Miller and Mrs. Sturm to have charge of advertising.

The group voted $5 to the Clinton Community Chest and made the usual donation to the Missionary Supply Fund.

A silent auction of baked goods and work on bazaar articles is scheduled for the Oct. 11 meeting at Lyster Hall.

At a special work meeting, planned for 8 p.m., Sept. 27, the group will decorate Christmas boxes. Boxes to decorate and materials are to be brought by members.

Mrs. Robert Winder and Mrs. David VanTuyle served refreshments.

CHATTER CLINTON

Mr. and Mrs. Max Steffens and son, Donald, entertained at a family picnic Sunday. Their guests were Mr. and Mrs. Malcolm Waring, Mr. and Mrs. Archie Waring and family of Detroit, and Mr. and Mrs. David Waring of Clawson, and Mr. and Mrs. Charles Steffens and son, Mike.

✓

Mr. and Mrs. Delbert Tallman, Sr., and Mr. and Mrs. Delbert R. Tallman and children were at Charlotte to attend the Michigan Trailer Clubs' campout in the Eaton County Fairgrounds, Friday, Saturday and Sunday.

Mary-Martha Class Has Book Review

CLINTON — Mrs. Agnes Geiger reviewed the book, "The Small Woman," for the opening meeting of the Mary-Martha Class of the United Church of Christ Monday evening.

The story by Allen Burgess was a biography of an Englishwoman who surmounted incredible difficulties to journey to China and become a Christian missionary there. At the time the Japanese and Chinese war began, the missionary had 100 children in her care.

She fled and led the children across the rugged mountains to safety, in a dramatic episode which became the focal point of the movie, "Inn of the Sixth Happiness."

Mrs. Mervyn Withérell was hostess for the meeting attended by 12 members and three guests, Mrs. Charles Steffens, Mrs. David Heimerdinger and Mrs. Geiger.

At the meeting conducted by the new president, Mrs. Howard Hintz, it was voted to clean each of the church school rooms in preparation for the placing of new curtains. The curtain material has been ordered and a sewing bee will be scheduled as soon as possible.

The group chose "The Cambridge Bible Commentary book on Matthew" to study for the year.

It was voted to serve a 50th anniversary dinner party for a church family Nov. 18.

Decorative napkins and holiday candle snifters will be sold by the group. They will be available by the Nov. meeting.

Mrs. Nora Beach presented the devotions.

Poppy Poster Places 2nd

CLINTON — A poppy poster, made by Diane Penterics, has won second district prize of $5, and the department second prize of $20 in state competition. The announcement was made by the contest chairman, Mrs. Charles Noragon, at the meeting of the sponsoring organization, the American Legion Auxiliary, last Tuesday.

Diane's entry, an artistic arrangement of three poppies on a blue background, earned her the first prize and $3 in the local elementary school competition of 34 entries.

A fifth grader, Diane, is the daughter of Mr. and Mrs. John Penterics, of Clinton-Macon Rd.

Mrs. Carl Garrison was the hostess for the meeting, attended by 13 members.

Mrs. Edwin Witherell installed the new officers and was assisted by Mrs. Joseph Smith, sergeant at arms.

The new officers are:

President — Mrs. Junior J. Feldkamp.

First vice-president — Mrs. Carl Garrison.

Second vice-president — Mrs. Hattie Feldkamp.

Secretary — Mrs. Jean Stauffer.

Treasurer — Mrs. Dorothy Frolich.

Chaplain — Mrs. Roscoe Parker.

Historian — Mrs. Charles Voll.

Sergeant at arms — Mrs. Charles Noragon.

It was decided to hold most meetings, beginning in November, at the Smith-Kimball Community Center.

Mrs. Walter Pieper will be the hostess for the October 10 meeting at her home in Tecumseh.

Mrs. Mahrle Is New President

CLINTON — Mrs. Agnes Geiger resigned as president of the Philathea Class of the United Church of Christ, at a meeting Thursday afternoon at the home of Mrs. Thomas Pence.

Mrs. Ben Mahrle, Sr., was named to fill the vacancy.

The devotions were presented by Mrs. Nina Stewart and Mrs. Clyde Greenfield.

The year's programs were planned and it was decided to have most of the meetings at the Smith-Kimball Community Center.

Tea and cookies were served by the hostess, assisted by Mrs. Mahrle.

Band Participating at U of M Show

CLINTON—The Clinton High School marching band, composed of 64 members, will participate in the University of Michigan's 19th Annual Band Day.

The massed band will play during the half-time of the football game between the University of Michigan and Duke University.

The Michigan Band Day annually attracts some 13,000 high school students from 170 Michigan high school bands.

Jaycees Providing Game Supervision

CLINTON—The Junior Chamber of Commerce has volunteered to provide game supervision for the Clinton High School Athletic program. Their responsibilities will be to sell game tickets, supervise grounds, and, in general, handle game crowd control for the school.

As well as being a much-appreciated service to the school, this organization has performed many services to the community since its beginning last year.

Richard Peterson, Jaycee president, has been an instrumental figure in the direction of this organization's service commitments.

Berniece Amy Harris, Nelson Sweet Wed

Berniece Amy Harris and Nelson Sweet were married August 19 in the Raisin Valley Friends Church by the Rev. Lawrence Cox.

Mr. and Mrs. Harley G. Harris of Britton are the parents of the bride, and Mr. and Mrs. Raynor Sweet of Ives Rd. are parents of the groom.

Topiary trees and flowers and ferns fronting the lighted candelabra were used to enhance the altar for the candlelight ceremony.

Mrs. Lee Spohr was the soloist, accompanied by Wanda Cramer.

Leslie Harris escorted his sister to the altar. She wore a street length dress of white taffeta and lace with full skirt and taffeta bow at the waistline. Her three tiered veil of silk illusion was held in place by a forward headpiece of lace with a crystal teardrop in the center of her forehead.

She carried a crescent arrangement of white carnations and giamellias edged with ivy on a white lace Bible.

Gloria Sweet, sister of the groom, was maid of honor in a street length sleeveless cage dress of pink taffeta and lace.

Her brief veil was secured in place by a rhinestone pin, and she carried pink glamellias and carnations tied with mint green ribbon.

Mrs. Jackie Harris, sister-in-law of the bride, was the bridesmaid and was attired in a mint green taffeta cage dress with accessories to match.

Richard Sweet, brother of the groom, was best man, and Robert Hagemann of Britton was groomsman.

The 150 guests were seated by Ray Harris and Ray Sweet, brothers of the couple.

Two heart shaped bride and groom cakes flanked the four tiered wedding cake, served at the reception at the Tecumseh Products Workers Union Hall.

They were made by Mrs. Rose Service, and were cut and served by Lorie Hagemann of Britton.

Yvonne Sweet had charge of serving punch and coffee.

The rehearsal dinner was given by the groom's parents at their home.

The newly married couple are living at 111½ Tecumseh St., Adrian.

Bonnie Jean Rogers and Lynn A. Schuler Speak Vows

CLINTON—Nuptial vows were exchanged by Bonnie Jean Rogers and Lynn Arthur Schuler, Saturday evening in St. John's Episcopal Church.

The 7 p.m. ceremony was performed by the Rev. Charles Sturm before the immediate families.

The bride is the daughter of Mrs. Bartlette Aiuto of Allen Rd. and the late William P. Rogers. The bridegroom's parents are Mr. and Mrs. Arthur Schuler of 203 Coman St.

The bride wore a floor length gown of pastel brocade styled with a sleeveless bodice, V-necked in back. The full skirt was accented by a triple-tiered peplum which cascaded to the hem. Her matching blue veil was held by a rhinestone tiara. She carried a nosegay of white and pink carnations, and pink roses.

The maid of honor, Bernadine Baisch, wore a floor length gown of pastel pink brocade in a sheath style with an inset of lace at the hemline. Her nosegay bouquet was of pink and white carnations and pink roses.

John Doyle of Ann Arbor was best man.

Guests were seated by Terry Schuler, brother of the bridegroom.

A reception at the home of the bridegroom's parents, was attended by 60 guests.

An heirloom lace cloth covered the bride's table.

Candelabra flanked the beautifully decorated wedding cake, which was made and served by Mrs. Glenn Harrison as a wedding gift.

Mrs. Alvin Geiger, aunt of the bride, poured punch, and Mrs. Marvin Breitenwischer, aunt of the groom, poured coffee.

The guest book was passed by Penny Rogers, sister of the bride.

The newlyweds are both 1965 graduates of Clinton High School and both attended Michigan State University.

The bridegroom is employed at Universal Die, Saline.

Following a short wedding trip to Northern Michigan, Mr. and Mrs. Schuler will be at home at an apartment north of Clinton on Clinton-Manchester Rd.

MRS. THOMAS E. HOERR

Lois Ann Neidlinger Marries Thomas E. Hoerr

Lois Ann Neidlinger became the bride of Thomas E. Hoerr Sept. 16 in ceremonies performed by the Rev. Fr. Thomas Collins at St. Elizabeth Catholic Church.

Parents of the couple are Mr. and Mrs. Vern Neidlinger of rural Brooklyn and Mr. and Mrs. Edgar Hoerr of St. Louis, Mo.

Wallace Whiting was the soloist.

Mr. Neidlinger escorted his daughter to the altar. She was wearing a floor length gown of ivory satin fashioned with empire waist, long tapered sleeves, scooped neckline and A-line skirt featuring a chapel train.

Appliques of lace and pearls were used on the bodice, hem and train.

A pearl crown held her shoulder length veil in place and she carried stephanotis.

Mrs. Ronald Edington of Grand Rapids, was matron of honor and the bridesmaids were Mrs. Barry Steele of Los Angeles, Calif., Janice Schulier of St. Louis, Mo., and Mrs. Jerry Jollay of Marine City.

The bride's attendants wore floor length gowns of brocade and crepe with empire waists.

Mrs. Edington's was olive green and maize and the bridesmaids' were gold and maize.

They wore matching nose veils and bows in their hair and carried chrysanthemums in fall colors.

Pamela McCowan, cousin of the bride, was flower girl attired in a floor length yellow dress.

James Durney of St. Louis, Mo., was best man and the guests were seated by Thomas Neidlinger, brother of the bride, and Donald Neidlinger, cousin of the bride.

Groomsmen were Steve Tazzinari, Alton, Ill., Robert Cleary and Paul Pruess of St. Louis.

A reception was held at the Holiday Inn, Adrian, where the rehearsal dinner was given by the groom's parents.

The bride is a graduate of Borgess School of Nursing, Kalamazoo, and is currently employed in supervision at St. Mary's Hospital, Clayton, Mo.

The groom is attending the University of Missouri at St. Louis and is employed as men's wear manager in a department store there.

Following a trip to Montreal, Canada, the couple are living at 1023 Teson Rd., St. Louis, Mo.

The Macon Woman's Club held the September meeting at the home of Mrs. Clare Gillespie. Mrs. Paul Kollar assisted her in serving a salad luncheon to 16 members. Mrs. Robert Badley joined as a new member. Mrs. Ralph Halladay of Clinton, gave a fascinating talk on "the First Woman's Household Conveniences," the stove, washing machine and vacuum cleaner.

Mr. and Mrs. Hamilton F. Moore, Mr. and Mrs. Dean Moore and family, Mr. and Mrs. Donald Moore, Mr. and Mrs. Richard Moore attended the wedding and reception of Yulanda Bruder, daughter of Mr. and Mrs. Clifford Bruder, and Rick Ballenger, of Lansing. The wedding was held in the Potter Park Methodist Church, Saturday, in Lansing.

The Commission on Missions and Christian Social Concerns was held Monday evening. Mrs. Ray Williams opened by reading "Alternative To War." World Order Sunday will be October 22. School drop-outs are a social concern and ideas were given on what could be done to help. It was decided to continue The Piper Memorial Hospital and Cass Community Center as projects for the coming year. Those having material, clothes, etc., for Cass Community Center, are asked to bring them to the church by Oct. 1. Mrs. Herman Mehler will take charge of the UNICEF Halloween party. The Study Class on "That The World May Believe," will be held Wednesday, Nov. 1, 8 and 15, for two hours each session, from 7 p.m. to 9 p.m.

Worthy Sell Is New President

Fifty attended the meeting of the Senior Citizens group Thursday when Worthy Sell was elected president, Mrs. Purnell Osburn, secretary and Mrs. Orin Feight, treasurer.

Mrs. Floyd Bryan is publicity chairman for the organization.

Games with prizes awarded were arranged by the retiring president, Mrs. Earnie Topps.

Richards Observe 58th Anniversary

Twenty-six members of their family surprised Mr. and Mrs. Chet Richard Sept. 10, honoring their 58th wedding anniversary.

Two sons, Calvin of Escanaba, and Roy, who happened to be in Buffalo, N. Y., flew home for the event at the Odd Fellows Hall on Green Hwy., thus making the circle of children complete for the festivity.

Others attending included Mrs. Myrtle Hall, Flat Rock; Mrs. Rose Squires, Trenton; and a granddaughter and her husband, Mr. and Mrs. Peter Bosanic and baby, of Holt.

Flowers, cards and candy were the order of the day, as the couple enjoyed visiting and reliving that day, Sept. 8, 1909, when they were married in Lima, O.

'68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't you really rather have a Buick?

The '68 Buicks are at your Buick-Opel dealer's now. He's ready to talk your language.

Methodists Giving Special Bibles to 13 Sunday

Personalied Bibles will be given to 13 young people Sunday morning during the worship service at the Tecumseh Methodist Church.

The presentation will be made by Harry Stanifer, Sunday School superintendent, assisted by Mrs. Tracy Lord, third grade teacher, under whose guidance the boys and girls completed a required period of Bible study.

Youth receiving Bibles are Carolyn Duckworth, Timothy Eggleston, Susan Frazier, Jeffery Hale, Kimberly Hill, Randy Iffland, Karen Kronberg, Beth Leathers, Keith Milliman, Vickie Morley, Suzanne Norris, Terry Tomecek, and Connie Youngiove.

Parents of the recipients will be asked to join their children at the altar.

As a part of this service the consecration of church school teachers and officers will take place with the Rev. Donald Porteous officiating.

If you'd like all your insurance — the whole kit and caboodle — in one simple plan . . .

. . . the man from Nationwide is on your side.

HAROLD R. MEADE

How many different agents handle your life, health, home and car insurance?

If it's more than one, then it's more than necessary. More complicated. More troublesome. More confusing.

Nationwide believes that you ought to be able to get **all** your insurance in **one** plan, handled by **one** man.

So the man from Nationwide sells all kinds of insurance—life, health, homeowner, car, and more. He can set up a single plan for you that's make your insurance a lot simpler. He can make paying for it simpler, too: you need only one check.

And he can also arrange for you to pay with small monthly payments.

"Make things easy for our policyholders" — that's the whole idea. It's one of the ways we try to live up to our slogan: **The man from Nationwide is on your side.**

Board Approves $60,000 Loan

BRITTON — The Board of Education made the move to borrow $60,000 for operating expenses until tax time.

This is a fairly common procedure, as boards everywhere are forced to borrow before they receive their State Aid payments.

Formerly, the school boards could borrow from the state in advance of the State Aid payments, but now must borrow from banks, and, of course, pay interest as well.

In other business at the regular meeting last week, it was brought to the attention of the board that there has been some misuse of band instruments owned by the school.

The board went on record with the following record:

Band instruments owned by **the school must be used for school purposes only, and must be turned in on the last day of the school year to be kept at the school during the summer months.**

Teacher contracts were signed. Supt. Saxton reported that all teaching positions are filled, with the exception of a librarian and a girls' physical education teacher.

Routine business was conducted and the meeting adjourned.

22 WSCS Groups Hold Workshop

BRITTON—Twenty-two WSCS groups from the Ann Arbor District of Methodist Churches were represented at the district Program Planning Workshop held Monday in Grace Methodist Church.

During the workshop sessions, which included morning and afternoon meetings, the four study books were outlined and highlighted, and also the program books. This was to enable the various WSCS groups to decide what area of study they wish to pursue, and aid them in their presentation of programs in their home churches.

During the opening session, the Rev. John Lover gave an inspiring address on "Ecumenicity."

The workshop was conducted by Ann Arbor District President Mrs. Hamilton Moore and other district officers.

Britton Baptists Elect New Officers

BRITTON — The annual meeting of the members of the Britton Baptist Church was held recently. Those elected were:

Deacons — Alva Clark, James Squires, Paul Bishop, Arthur Mann and Howard Bishop.

Ushers — Raymond Hayford, John Mann, Ronald Goodacre and Blaine Bryant.

Treasurer — Arthur Mann.

Clerk and Sunday School Secretary — Mrs. M. P. Van Vorst.

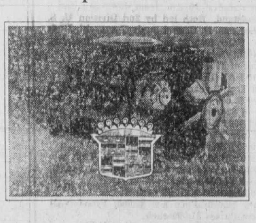
Cadillac presents elegance in action!

Shown above is the Fleetwood Eldorado, the world's finest personal car; below, the popular Hardtop Sedan deVille. Cadillac Motor Car Division

And the "inside story" for 1968 starts with the biggest, smoothest V-8 engine ever put into a production motor car.



Brilliant new styling · Dramatic new interiors · Totally new instrument panel · Concealed windshield wipers · Improved variable ratio power steering · New disc brakes available · Wide choice of eleven exciting new body styles.

Now, enter a new era of luxury car performance. Cadillac's new 472 V-8 has the greatest torque, or usable power, of any passenger car engine and the newest combination of engine components since Cadillac pioneered the V-8 fifty-three years ago. You will notice a brilliant improvement in passing performance that in no way compromises the reserve of strength for Cadillac's usual power conveniences.

You will also be impressed with its amazing quiet—so remarkable that only its responsiveness reminds you that a great new engine lies under the hood.

Cadillac for 1968 provides, in addition, its well-proved triple braking system with finned drums to deliver smooth, straight stopping power. Front disc brakes are available for those who prefer the further refinement of an advanced disc-and-drum combination, and this year they're standard on Eldorado. You may also choose a greatly improved air conditioning system that moves more air more quietly.

Whether your preference is for one of the more traditional models—or the classic beauty of the Eldorado—come in soon and discover new elegance and excitement in luxury motoring!

OFF the TOP

Now that the kiddies are back in school all day, it is time for the housewife to indulge in the sport known as "shopping." Now, the shopping I mean is not the routine round of grocery store, drug store and dry-cleaners and other every-day errands.

The shopping I mean is a real undertaking — a safari into the unknown. Plans are laid well in advance of the great day, and at the appointed hour, the intrepid shoppers meet for the take-off, usually in groups of two or three.

Soon they arrive at their destination, bubbling in the early morning enthusiasm, and each one clutching their lists of items to be searched for among the tempting arrays offered in the stores. (Besides these written lists, of course, every woman has a mental list as long as your arm of things she intends to purchase — sometime.)

Now, separately or together, the shoppers begin their search, taking their time to study anything along the way that interests them.

Men would go crazy on these trips, for they have no interest in browsing; to them, shopping is just something to be completed as quickly as possible, and then head for home. They just don't understand the peculiar needs of women to look at many things which they have no intention of buying, at least, at that particular moment.

To many women, shopping for a new dress is a fun thing, but if you are above average height, finding something is a problem. Many a time I have started out full of zest for the chore ahead, only to sink into despair as dress after dress proves to be embarrassingly short.

It was bad enough a year or so ago with these new styles, it's almost impossible. Can you imagine a tall, maturing mother-of-three in a mini-dress? It is really discouraging.

If ever I do find a dress that is a decent length, I snap it up no matter what the color, and figure I've got a find.

Sometimes I'm forced to admit defeat for the day, and go and buy a blouse, or shop for daughter instead. It is much easier to find clothing for the children, with the exception of my 6'5" son.

He has his problems, too. The only things I can safely buy for him any more is a new tie or a pair of socks.

One friend, a cohort on many a shopping trip, has just as much trouble in the junior petite sizes. "All the small size dresses are mod or mini," she wails, "and they're just not me!"

Sometimes we both wonder who the lucky people are who can just walk into a dress department and wear any dress without any problems. It must be nice to be average, at least when it comes to dress size.

At the lunch break, the lady shoppers enjoy a leisurely, relaxing meal. Individual shopping successes or defeats are compared in the quiet atmosphere, far removed from the confusion of one's own kitchen.

Then back to the trade marts for the final rounds. Decisions must be made now on items previously tabled for consideration. The departure time approaches, and the weary shoppers are by now glad to get in the car for the trip home.

Arriving home, each one departs, happily clutching the shopping bags containing the purchases, but perhaps disappointed, too, in not getting that new dress after all. Oh well, one can always go to the pattern and yard goods department next time! That is one last resort for a discouraged dress shopper.

Besides, not getting everything this trip gives the gals an excuse to go shopping again!

EDWARD J. BECKER

Ed Becker Rates Early Promotion After Training

BRITTON — Edward J. Becker, 21, son of Mr. and Mrs. Ezra Becker, 151 Tenth St., was promoted to Army private pay grade E-2, upon completion of basic combat training earlier than is customary under an Army policy providing incentive for outstanding trainees.

As many as half the trainees in each training cycle are eligible for the early promotion, which is based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

During advanced individual training, also of eight weeks' duration, those who received early advancement to E-2 may be eligible for another accelerated promotion, to E-3 (private first class).

Pvt. Becker is currently taking his A.I.T. at Fort Bliss, Tex. He entered the Army on June 14, 1967.

Fun Night Is Oct. 14

BRITTON — The annual PTA Fun Nite date has been set for Oct. 14, it was reported at the first PTA meeting of the season Monday night.

Committees have been named and plans are well underway for the carnival evening, the one money-making project of the year for the PTA.

Mrs. Paul Rowlands will be in charge of the thrift shop, and asks that articles be left in her garage for the sale.

President Marvin Rayburn conducted the business meeting. There was a good attendance of both parents and teachers. Mr. Rayburn introduced the PTA officers.

Supt. William Saxton introduced the new faculty members and the new principal, Robert Christ. Mr. Christ gave the enrollment figures, which show a total of 634 students currently enrolled. This compares with 632 a year ago.

The treasurer reported a balance of $442.66 in the treasury.

A thank-you was read from Lynn Palmer, last year's delegate to Boy's State.

It was decided to hold the UNICEF Halloween party for the youngsters as in the past. Mrs. Richard Bruce will be chairman for the event.

A discussion was held on the new pop machine in the school. Mr. Saxton explained why it is there. The Coca-Cola Company installed the new football scoreboard at no cost to the school, and they are to be re-paid out of profits from the vending machine.

Miss Creger and Mrs. Niblack tied for the attendance award.

Mr. and Mrs. Don Dickerson and Mr. and Mrs. Carl Kimerer arranged a "get - acquainted" game, after which the group adjourned to the cafeteria for refreshments.

3 Get Rings for Selling School Books

BRITTON — Prizes were awarded to Mrs. LaVern Weyher, Mrs. Harold Kopka and Mrs. Carl Kimerer for selling the most school record books, when 16 members of the Maconettes Extension Study Group met at the home of Mrs. Wesley Gilmore Sept. 14.

The business meeting was conducted by the president, Mrs. Charles Hagans.

Various plans and programs for the coming year were discussed by the group. Among the projects under discussion were the preparation of Vietnam Christmas bags and aiding in a Goodwill Christmas doll project. Final plans will be made at a later date.

The motion was made that each lady must attend a minimum of three meetings per extension year to remain on the enrollment.

Games formed the entertainment for the meeting. Refreshments were served by the hostess and her co-hostess, Mrs. Charles Hagans.

The next meeting will be at the home of Mrs. Carl Kimerer Oct. 12. The lesson on "The New-Fashioned Washday" will be given, and yearbooks filled out.

Miss Kathy Roast Is Honored at Bridal Shower

BRITTON — Mrs. Robert Wallace was hostess for a bridal shower in her home Wednesday evening, honoring her nephew's fiancee, Miss Kathy Roast of Blissfield.

Miss Roast will become the bride of Gary Brown, son of Mr. and Mrs. Carl Brown of Blissfield on Friday.

Mrs. Wallace was assisted by the aunts of the bridegroom-to-be.

Twenty-three guests were present for the event. The door prize was won by Mrs. Don Demlow and robber bingo was played by th group.

Miss Roast opened many lovely gifts. Decorations were in the bridal colors of blue and white.

Refreshments were served by the hostesses and Mrs. Douglas Dunn made the decorated cake.

Homecoming Plans

BRITTON — Homecoming plans are well under way at the high school as arrangements are being made for the traditional events for this coming Friday.

The parade at 4:30 p.m. will start things off for the big day.

All week class members have been busily at work on their floats. The theme this year is TV programs.

A top prize of $15 will be awarded the winning float, with $10 and $5 prizes for the second and third. Floats will be judged during the parade, and winners announced at halftime of the game.

The Homecoming Queen candidates will beautify the parade.

Competing for the student votes will be Kathy Conrad, Janie Griffin and Bonnie Lister. The lucky winner will be revealed at the half-time ceremonies at the evening game. The other two girls will serve on the queen's court.

The various classes have already selected their kings and queens.

For the junior class, the honored couple will be Vicki Reitz and Bob Rohn; sophomores, Barb Mastie and Bill Tuberville; freshmen, Michelle Vershum and Gary Check; and eighth grade, Debbie Henning and Greg Hamilton.

The FFA club selected Eileen Perry to reign as FFA Princess, and Les Rowe is FFA Prince.

Other parade entries include the senior marching band, the Cub Scouts and Boy Scouts, Campfire Girls and Bluebirds, and others.

Arrangements are made by Student Council members.

Kickoff time for the football contest is 7:30 p.m., and pits Britton against Maumee Country Day School of Ohio. The Tories hope to break the ice on the new scoreboard, and rack up points for the homecoming game.

BRITTON BRIEFS

Steven LaVern Linn, son of Richard and Linda Linn, was baptized at the morning worship service in Grace Methodist Church Sunday, the Rev. John Lover officiating.

Mrs. Maud Schmid is a patient at Herrick Memorial Hospital after suffering a broken hip in a fall at her home.

Frank James Vallie, infant son of Mr. and Mrs. Frank Vallie, received the sacrament of baptism at the morning worship service in the Congregational Christian Church Sunday morning. The Rev. Gustav Hannevik officiated.

The High School Band will take part in the annual Band Day half-time program at the University of Michigan football game in Ann Arbor Saturday.

Mrs. Kenneth Perry returned home Monday from Parkview Hospital in Toledo where she underwent surgery last Tuesday.

Gail Austin of North Britton Highway is a patient at St. Joseph's Hospital in Ann Arbor.

The Britton Tories were soundly beaten by Waldron Friday in the season opener for both schools, 33-0. The next game will be the Homecoming contest against Maumee Country Day School Sept. 22.

Mr. and Mrs. William Higgenbotham and family have moved to Ida, where they will be building a new home. Mr. and Mrs. Donald Benham and sons of Dundee purchased the Higgenbotham home on Hoagland Highway, and will be moving in soon.

Mrs. Lester Ruhl and Mrs. Joseph Hall of Britton, and Mrs. Arvilla Hutton of Tecumseh attended the Ceramics Show at the Sports Arena in Toledo Sunday.

Top-Notchers To Elect Officers

Enrollment will be collected and new officers elected at the Tecumseh Top-Notchers Club meeting next Tuesday evening at 7:30 at the Community Center.

LUDMILA KOSTIHOVA

Ludmila Kostihova Ends Visit Here, Returns to Europe

BRITTON — Ludmila Kostihova, who came to the United States from Sobulky, Czechoslovakia for a ten-week stay with relatives, left Tuesday from Metropolitan Airport to return home.

Liduna, as she was called here, enjoyed her stay very much and hated to think of returning. Her college year, however, starts a week after she arrives home. She will major in languages at Brno, Czechoslovakia.

She enjoyed the large shopping centers here more than anything else. (Isn't that just like a woman!) The town she comes from is about the size of Britton with only a few small stores. She was also fascinated by our system of expressways and the many cars we have in the United States. In her town there are only about ten cars.

Miss Kostihova is a cousin of Mrs. Anthony Ivan. At her home, she lives with her parents and two brothers, aged 8 and 15, and her grandparents.

Mr. and Mrs. Anthony Ivan visited Liduna and her family when they were in Europe two years ago.

While here, Liduna stayed with relatives in Monroe and Britton.

Bilby Family Has Share of Problems

Mr. and Mrs. Carl Wilt and daughter, Carla, have moved from Lansing to Point Place in Toledo, where he has accepted a position with IBM.

At present he is in White Plains, N. Y., for a three-week training course.

Mrs. Wilt was called to the home of her parents, Mr. and Mrs. Dow Bilby, N. Adrian Hwy., Friday.

Mrs. Bilby stepped on a thorn from a thorn apple Tuesday and was on crutches, and daughter, Janet Underwood, suffered severe injury to her left hand Friday when bolts on a press broke at Hoover Ball & Bearing Co.

She had 22 stitches taken in one finger but no bones were broken. It was thought that no tendons were severed.

Mrs. Wilt and Carla left for Lansing Wednesday where the little girl will have her adenoids removed.

Dr. Bachman To Address Area Nurses

Dr. Joseph Bachman will be the guest speaker at the Lenawee District Nurses Association meeting Thursday, Sept. 21, in the auditorium of the Emma L. Bixby Hospital at 7:30 p.m.

His topic will be "The Nurse's Role in Cardiac Arrest."

Ruth Ditch, of Dearborn, member of the executive board of the Michigan Nurses Association, will also be present at the meeting.

Tecumseh nurses will be hostesses.

The Lenawee group has changed the time of future meetings to 7:30 p.m., third Thursdays of each month.

TECUMSEH TEACHERS HELP — Three local teachers attended the Lenawee County Chapter of the International Reading Association meeting recently to make plans for the first annual Reading Conference to be held at Siena Heights College Sept. 30. They are, from left, Mrs. Stephan Illeck, fourth grade teacher at Herrick Park School; Mrs. Raymond Griffin, first grade teacher at Tipton; and Mrs. John Becker, director of remedial reading program for Tecumseh Schools.

You Told Us

By DOROTHY GRIGG

Herald Women's Editor

The freedom to "believe it or not" is taken for granted by most Americans and its frequent use does not often bring to mind the fact that there are those who do not have this right — that there are countries where the mandate is "believe it—or else."

The right to try to convince non-believers is another "common" freedom, and the initiative that grows from this freedom was used effectively by members of the Peach Ridge Fruit Growers Association when they sponsored their 17th annual Apple Smorgasbord recently near Sparta.

Their aim was to convince skeptics that there are literally hundreds of delicious ways to use apples. The smell of deep-fried apple fritters accompanied the guests as they admired and sampled attractively - displayed products.

Pointing to the heavily-bearing orchards and the abundance of its products that they had enjoyed, W. H. DeHart reminded the guests, "You don't know what America is — until you've been where it isn't."

The well-known Michigan educator warned that complacency, apathy, dependence, and decay of individual responsibility, can endanger such taken-for-granted freedoms as the right to believe it or not . . ."

VOICE of THE HERALD

With or Against?

Is it best to have emergency vehicles, such as the Tecumseh fire trucks, traveling with the flow of traffic or against it?

This question came before Council last week and officials ruled that the fire department abide by the city's one-way street systems.

The ruling now makes it necessary for fire trucks to negotiate right and left turns onto Pottawatamie St. — and sometimes this is a problem, even in an automobile.

Difficulty lies with parked cars on both sides of the street. After making the turn, other parked cars do not give firemen much room to maneuver their trucks.

It's conceivable that an oncoming car could block the congested street for a fire truck going to a fire.

We believe that it would be safer and better to have our fire trucks going against traffic — lights flashing and with siren — than being forced to travel with traffic on Pottawatamie and Ottawa Sts.

Folks can see an oncoming fire truck much better and get out of its way far easier than having it come up from behind.

Meeting Is Excellent

A University of Michigan bureau report to the Tecumseh School Board Monday night indicated that the local schools will show a drop in enrollment of about 100 during the next five years.

Don't believe it!

One member scoffed at the report, citing it as being ridiculous. Others joined him in questioning the report.

Board members and administrative officials feel just the opposite is going to happen here — and we think they're right.

Tecumseh may not have a population explosion, but it certainly is not going to decrease. With gradual growth, our city should grow several thousand in the next four or five years, and the school district accordingly.

In view of the UM report, officials have decided on a general meeting of civic and industrial leaders to help them project growth — which eventually decides school needs.

Such a meeting should be worthwhile and should be an influencing factor in determining school sites, school buildings and other relative facilities.

Our School Board is moving in the right direction and planning the growth of our school needs here in an organized manner.

Attend District Session

A delegation of Jehovah's Witnesses from Tecumseh has returned from the group's annual district convention in Jackson.

Titled the "Disciple-Making" District Assembly, it was held Aug. 24-27 at the Jackson County Fairgrounds.

Richard Krebs Jr., of 3400 Wells Rd., Petersburg, presiding minister for the witnesses in this area, said the gathering was held "to strengthen the faith of all who attend."

"As always, the convention sessions featured talks and discussions built around important Bible principles," he said. "Though thousands of years old, the Bible's rules of conduct apply today more than ever before, helping Christians to cope with the problems of daily living."

According to Krebs, the program featured two Bible dramas, each 75 minutes in length, which were presented by more than fifty actors, all of whom were unpaid witnesses.

Both the dramas were set in ancient Israel and therefore were presented in full costume, he said.

The climax of the gathering came on Sunday, the convention's final day, when a public Bible discourse was delivered by Marvin L. Holien, who is a special representative of the Watchtower Society. His subject was, "Rescuing a Great Crowd of Mankind Out of Armageddon."

According to Krebs, Holien identified the term "Armageddon" as being "the war of the great day of God the Almighty," as shown in the Bible Book of Revelation, Chapter 16.

Holien told his audience that the war is an unavoidable event in the near future and is a far greater threat to mankind than the problems of air, land and water pollution or the threat of nuclear war.

"We were especially impressed when the speaker used the Bible to show Armageddon to be God's means of destroying those who are destroying the earth," said Krebs.

"Yet the Bible assures that God will indeed rescue a great crowd of present mankind for His war and ultimately usher them into a paradise earth with a heavenly government to rule over it.

"Thus Armageddon is really the forerunner of the happiest time for mankind in all of human history."

Another highlight of the assembly was a mass baptism held on Friday morning.

Krebs said the local congregation will resume its regular schedule of meetings and ministerial activity.

Dog Show Is Featured

Mrs. James Mull exhibited her trained Shetland sheep dog and gave a talk on the training of dogs at the Grang. meeting Thursday.

The next meeting, Sept. 28, will be Booster Night opening with a chicken potluck dinner at 7 p.m.

Several members will receive a 25 year membership pin. A good program is being planned by Mrs. Dewey Sturdevant. The supper committee is Mr. and Mrs. Thomas Swanston and Mr. and Mrs. Noble Gregg.

The committee reminds members that guests may be invited.

Dave Damon in Halftime Band Show

David Damon, son of Mr. and Mrs. Cal Damon, 506 Seminole Drive, will be among 105 members of the Northern Michigan University marching band to provide pre-game and half time entertainment at the Detroit Lions-Cleveland Browns football game in Detroit Sunday.

Square dance, minstrel and jazz will be featured during the halftime under the direction of Dr. Larin Richtmeyer and Jack Seidler.

It is the second time that NMU's band has performed at a National Football League game.

H. Kuder Hosts at Family Dinner

Mr. and Mrs. Harold Kuder and son, Harold Kuder Jr., of Saline, entertained at a family dinner at their home, honoring Gary Figy of Lansing, Teresa Welch, Clinton and Mrs. Albert Tonneberger.

Members of their families attended from Lansing, Saline, Monroe, Ypsilanti, Toledo and Clinton.

Jack Tonneberger showed pictures of the European trip he and his parents took this summer.

A cooperative dinner was served featuring a decorated cake baked by Mrs. Tonneberger's niece, Mrs. Jerry Fugate of Ypsilanti, daughter of Mrs. Kuder. It was in observance of the birthday anniversaries of the three honored guests and the wedding anniversary of Mr. and Mrs. Kuder.

Gary and Teresa were both born on the birthday anniversary of their great aunt, Mrs. Tonneberger.

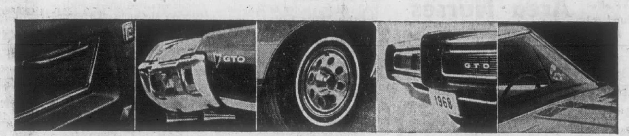
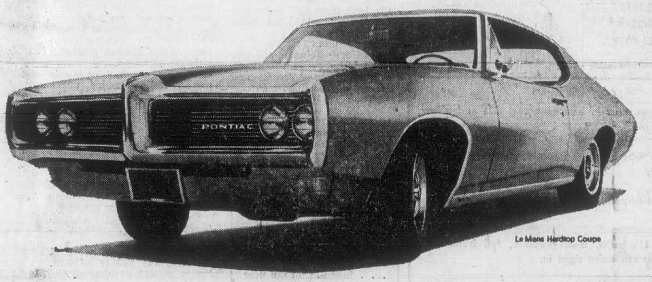
Pontiac announces the great American sport for '68



Bonneville's plush paneled and padded door. That raffish V-crest is a side marker light. One of the sweet decisions you'll have to make. You'll have to kick it to believe it. You can order disappearing wipers on Tempests, too.



Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you!

Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!

Our fabulous GTO boasts the neatest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade or corrode. And you won't believe what this bumper does until you see it with your own eyes!

Naturally, our new Bonnevilles, Grand Prixs, Catalinas, Executives and Venturas won't take a back seat to anyone! Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.

Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

$55,000 Is Foundation 1968 Goal

A goal of $55,000, about $10,000 higher than last year, is the aim of the Tecumseh Community Fund Foundation drive, scheduled to start here next month.

Stu Costigan, personnel manager at the Tecumseh Products, and Carl Lamb, local pharmacy owner, are co-chairmen for the campaign.

The industrial drive begins the week of Oct. 9 with Mr. Costigan in charge.

Plants participating are Ayling-Cunningham Asphalt & Paving Co., Comfort Brick and Tile, Gray-Faraday, Fisher Body, G & J Wood Products, H. W. Tuttle Co., Jones Sealing, Kuhlman Concrete, Meyers Industries, Ottawa Machine.

Central Tube Products, Stauffer Chemical, Tecumseh Corrugated Box, Tecumseh Products, Tecumseh Sash & Door, and Tecumseh Woodworking.

Employees working outside the Tecumseh area may designate their donations for the Tecumseh Fund.

The residential, business and professional solicitations will start the week of Oct. 16.

David Schoonover is in charge of business and professional, and Mrs. William Steele, residential.

Residential zone chairmen are Mrs. Joseph Weigle, Mrs. Lawrence Bilkie, Mrs. Robert Cheers, Mrs. Richard Wiggins, Mrs. Richard Witt, Mrs. John Birchfield, Mrs. Purnell Osburn, Mrs. Leo Perrin, Mrs. Robert Karle, Mrs. Fred Feight, Mrs. Austin Miller and the Jaycee Auxiliary.

School Meeting To Include Area Representatives

Thirty-one Tecumseh and area officials, representing business, industry and government, have been invited to a meeting at Tecumseh High School by the local School Board and Bureau of School Services, University of Michigan.

Purpose of the session is to project population growth in the school district, identifying areas for future residential growth, and areas for industrial growth.

Cars Collide, 4 Are Injured

Four persons were treated for minor bruises at Herrick Memorial Hospital after a collision of two cars at the intersection of M-52 and M-50, Sunday afternoon.

Joseph J. Chic, 52, of Ypsilanti, told Clinton State Police he was driving east on M-50 when the driver of the other car, Shirley A. Creque, 18, of Monroe, drove from M-50 into his path.

Witnesses said Miss Creque stopped for the stop light then pulled into the intersection.

Injured were both drivers and two passengers in the Creque car, Lonnie Creque, 15, and Carla Creque, 10.

The accident is still under investigation.

NEW RECREATION CENTER — Recreation Director Don Moffatt views a nearly-completed wall of the city's Recreation Center building, now under construction at the Pit. The door-way section here will actually be walled-in and contain the building's cornerstone. If there's future expansion, the door-way section will be knocked out. The cornerstone will contain a 1967 penny, list of city officials and copies of The Herald about the building. The 2,700-sq.-ft. Recreation Center is scheduled for completion in November.

2 Librarians Work, But No Contract

Tecumseh librarians, Mrs. Julie Fosbender and Mrs. Murray Day, are now working without an agreement or new contract with the School Board.

Their situation, as to contracts and salaries, are similar to the problems which caused teachers to strike recently in many Michigan communities.

Monday night, the School Board and Library Board met jointly in hopes of working out better communications between the two boards.

The schools, which manage and control Tecumseh Public Library, have given the Library Board authorization to negotiate with Mrs. Fosbender and Mrs. Day.

At this week's session, Mrs. Donald Cobb, School Board member, was appointed by her colleagues to observe, and if necessary, to advise at future negotiation sessions.

Both librarians are working under old contracts and are on local teachers' salary scales.

The Library Board recently attempted to change the setup, offering the librarians a package which would have increased their working hours and salaries. The pay, however, was not increased in proportion to the number of hours.

Mrs. Fosbender and Mrs. Day now work 30 hours a week, 12 months a year with two weeks vacation. Library Board proposed 40-hour weeks, and then lowered it to 37, when the librarians objected.

Negotiations and settlements are expected to be made and reached within the next 10 days.

Local Pilot Racing in Airplane Meet

Mrs. Richard Jacobs will compete in the 12th annual Michigan Small Race Oct. 6-7-8 at Kent County Airport, Grand Rapids.

She will pilot a new 140 Piper Cherokee plane.

Mrs. Jacobs' co-pilot will be Mrs. Roy Banks, of Morenci, who also accompanied her in last year's race when she placed 18 in a field of 54. Mrs. Banks is a nurse at Morenci Hospital.

The race for lady pilots only is sanctioned by the National Aeronautics Association and sponsored and conducted by the Michigan Small Race Board, the Michigan Chapter of 99's, and officiated by the Michigan Aeronautics Commission.

The round-robin race will be flown on a closed triangle course of some 200 miles. The exact distance is not made known until the race. Each pylon is at an airport, where the planes must fly full length of the runway at 200 feet altitude so the plane's number can be read from the checking stands. Sixty planes from all over the United States will be represented.

Hazel Jacobs and her husband, Richard, are co-owners of Jacobs Flying Service out of Adrian Airport. The couple resided in Tecumseh until last Saturday when they moved to 443 State St., Adrian.

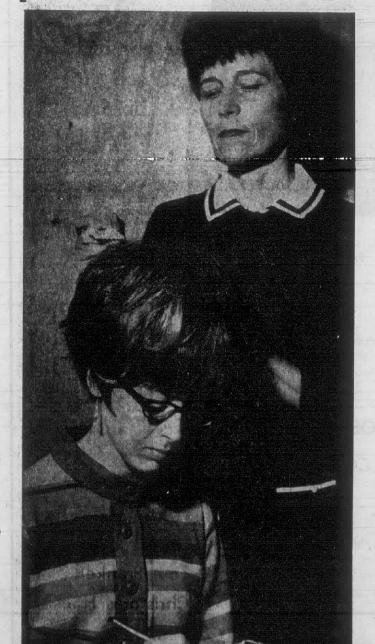
Mrs. Jacobs, 35, has clocked 1300 hours flying time since she began flying in 1959. Most of her hours have been in the past four years. She is licensed as a commercial pilot on multi- and single-engines and two years ago received her flight instructor's license.

The couple has seven children, last spring, son, Michael soloed on his 16th birthday. He has 24 hours flying time to his credit.

"We'll make flyers out of all of them," Mrs. Jacobs said.

Last October, Mrs. Jacobs placed fifth in the Fair Lady's Indiana International Race at Evansville, Ind.

Mr. Jacobs, who goes along to "sweat it out from down on the ground," according to his wife, will be accompanied by Mr. Banks and a "cheering section" composed of Adrian Chamber of Commerce president, Richard Hennegyer, secretary Charles Wise, and friends, Mr. and Mrs. Robert Gradolph of Petersburg, and Mr. and Mrs. Donald Dunmore of Adrian.



MOTHER AND DAUGHTER GRADUATE — Mrs. Orville Bishop, 113 Maple St., arranges the coiffure of her daughter, Betty, who completed work on her associate degree in business administration at Cleary College, Ypsilanti, Sept. 15. Mrs. Bishop completed a course at the Elite Academy of Beauty in Adrian about the same time and took the state board test Sept. 25. She will be employed part-time in a shop in Tecumseh. Miss Bishop is employed in the office of an attorney in Ann Arbor.

5 Escape Lake Storm

Four Tecumseh men and a fishing companion from Monroe escaped Lake Michigan's storm Saturday when at least seven fishermen drowned and hundreds of boats were smashed.

Local Fishermen—Dale Reitz, Gene Sisty, Bill Spreeman and Leo Hoffman — did not escape unscathed, however.

According to Reitz, he, Sisty and Spreeman were fishing about four miles off shore when the squall hit about noon. Nearby were Hoffman and Earl Krepps of Monroe.

On their way to shore, waves rose to about 10 feet and driving rain felt like "sleet."

Hoffman hit a chalk line and sheared a pin in his outboard. He had to be towed in by Reitz.

Twice the tow line broke, and during the struggle to get ashore, Hoffman's boat would rise and fall, just missing crashing into the lead boat.

Reitz says the boats were maneuverable in the deep water, but once they hit the lake's shelf, the waves turned into surf breakers, making it impossible to control the boats.

Both boats were swamped just off the beach in the Platte River bay area, and the men lost all their fishing tackle, extra clothing and lunch they had taken along.

The four-mile run to shore took about two hours. The beach in their area already was littered with swamped boats. Fifteen other men were also stranded there.

About four o'clock, the weather cleared and Hoffman and Krepps started for Frankfort where their car, trailer and other belongings were.

On rounding Betsy Point, they ran into the Coast Guard — the first time it had been seen — and the full force of the storm.

Around the Point, Hoffman lost control of his 15-foot plywood boat and was forced ashore where a rock punched a hole in the side of the boat.

Reitz, Spreeman and Sisty made it back to Platte River, where they discovered many boats swamped, but not damaged like those in the Betsy Point and Frankfort areas.

Large and small craft were literally torn apart at the Point with the beach there looking like trash piles.

Once the men saw a cabin cruiser close by, only to lose sight of it seconds later. Whether it capsized or became lost in the huge waves, the men don't know.

The group returned to Tecumseh Sunday.

School Bus Loading Faces Restrictions

Where to load and unload students at the Junior and Senior High is presenting the School Board with a problem, and one discussed at an informal meeting Monday night.

Since the city prohibited the schools from loading or unloading on N. Ottawa St., the schools moved around the corner to E. Shawnee St.

For safety reasons, buses are normally parked bumper to bumper, but due to driveways and the intersection of Oneida on Shawnee, the schools have found this impossible.

Now, Council has asked the schools to load and unload students off the street. Officials have given the School Board until the beginning of the 1968-69 term to find another site.

Monday night, the Board discussed a long driveway in front of the high school, just off N. Maumee St. Cost of such construction would be comparable to a brand new street, one block long.

Another possibility is purchasing property from the city, between Oneida and Maumee, on Shawnee. The city owns a strip there, 66 feet deep and one block long.

City officials have suggested the schools load and unload at their garage and parking site, just north of the high school.

Supt. James McDowell would like to use N. Ottawa where the buses can park bumper-to-bumper. He says the buses would be there only about 10 minutes in the morning and about the same time in the afternoon.

He added that other cities, such as Adrian, allow the schools to load and unload on public streets.

Sketches, relating to the bus loading problem, were shown to Board members.

3 Injured in Accident

Three young folks suffered injuries when their car skidded in the rain on Rogers Hwy., Wednesday of last week, and then struck a tree and culvert.

Injured and taken to Herrick Hospital for treatment were:

Judy Ann Barnell, 19, of 3814 N. Rogers, driver of the car, lacerations and bruises.

Julie Ann Kaknick, 3, 6375 Packington Rd., bruises.

Sue Barnell, 16, of 3814 Rogers, bruises.

All were wearing seat belts.

According to the Tecumseh police, the driver lost control after she met an oncoming car on a curve near Blood Rd. The auto was extensively damaged.

Miss Barnell was cited for violation of the basic speed law.

A resume of other accidents is:

Sept. 23 — Alfred T. Heflin, 19, 114 Division St., and Gary E. Fisher, 19, of 508 Parkway Ct., bumped while backing in the Airport Bowl parking lot.

Sept. 25 — Medford V. Palmer, 51, of 307 S. Maiden Lane, was charged with driving left of center after he collided with Jeffery W. Westgate, 16, of 3232 Gady Rd. The mishap occurred on W. Kilbuck St.

Dancing Starts

Don Moffatt, superintendent of Parks and Recreation, announced Monday that dance lessons have started at the Community Center.

There are a few openings in the tap classes on Monday at 4 p.m., and also in the adult ballroom classes Wednesday evenings.

Jury Verdict Is Guilty

James W. Wright of 1000 Shady Lane was found guilty of speeding at a jury trial last Thursday morning at city hall.

Wright was arrested last April by the State Police on the Tecumseh-Clinton Rd., but pled not guilty.

Justice Ernest Oliver fined him $20 and $12.25 costs.

Jurors were Clarence Arft, Robert MacLean, Lonal Bishop, Mrs. Seymour Barritt, Mrs. John Graham and Mrs. Mae Dickinson.

Two Chairing Bloodmobile Visit Oct. 4

Dr. Robert Murray and Lester Proctor are co-chairing the visit of the Bloodmobile at the Community Center Oct. 4, from noon to 6 p.m.

A goal of 200 pints has been set for this second visit of the year.

Mrs. M. D. Boss is chairman of the volunteer aides. Mrs. M. R. Blanden of the volunteer nurses, and Mrs. Dyke Helms, of the Jaycee Auxiliary, will register donors and make phone calls.

A total of 3,117 pints were collected in Lenawee County last year with 3,618 distributed, a shortage of 501 to satisfy the need.

Band Boosters To Elect, Plan for Festival

Selection of officers and preparation for the year's activities, including the annual Lenawee County Band Festival in October, will be on the agenda for the first meeting of the Band Boosters this Thursday evening.

Officers invite all parents of band students, from grade school up through the Senior High Band to attend at 7 p.m. and become active in the group.

"Your support is needed," one of the officers urged Monday.

New Prexy

Mrs. Owen Merrill was elected president of the Little Garden Club Sept. 19 at the home of Mrs. Donald Smith.

Others elected were:

Vice President — Mrs. Wilbur Andrews

Secretary — Mrs. William Adams

Treasurer — Mrs. Carson House

Membership Secretary — Mrs. Gordon Comfort

Mrs. Charles Gross won first place and blue ribbon for her floral arrangement at the Lenawee County Fair.

Members voted to set up a committee for further study on improving an area in the city for rest and beautification. They also voted to host the 12th annual meeting of the District 2A Garden Clubs next year along with the Tecumseh Garden Club.

Club members and 4-H members only may enter arrangements in the Christmas Show in December.

Advance tickets may be obtained from members for $1.25 after Oct. 17. They will be $1.50 at the door.

Members will bring dried materials, vases and mechanics not to be returned to the Oct. 17 meeting for the program on "Dried Flower Arranging."

The arrangements made will be used by the Horticulture Therapy Committee for a therapy session at the Herrick Nursing Home. Mrs. William Adams will be the hostess.

Mrs. Carlton Cook will be the hostess for a workshop Oct. 25 on arranging. Two displays will be made, one for members own use and one to be taken to the Presbyterian Fair.

Members were reminded that cookies for the freezer will be collected at the next meeting.

Mrs. Smith was assisted by Mrs. Owen Merrill and Mrs. Richard Gobba. Mrs. Morgan Ford furnished dessert.

Tour Frankenmuth Christmas House

Forty-six Senior Citizens boarded a chartered bus Friday morning for Frankenmuth where they spent the day touring Bohner's Christmas Decoration House and other points of interest.

The group had chicken dinner at the Bavarian Inn.

Thursday will be drop-in day for the citizens at the Community Center.

Officers of the group welcome any community "youngsters" to come visit and play games.

Landscaping Is Underway

Sunny Saturdays and willing workers have combined to launch the landscaping project at the Tecumseh Methodist Church.

For the past two weekends men from the church have been planting shrubbery at the several entrances to the new Methodist building and around the bulletin in the front lawn.

Funds for this project have been raised partially through the efforts of the choir, which began the fund with a successful bake sale last fall. The fund has grown rapidly through memorials and gifts to enable the building counsel to give the go ahead for the planting.

It is hoped that at least half of the projected plantings can be completed with available funds this fall.

Members and friends of the congregation have received information about the needs and the opportunity for anyone to contribute to this project.

Work on the project will continue Sept. 30 and Oct. 7. Anyone desiring to help with this effort may join the others at 9 a.m.

'Awards' Given to 3 Indians

Three Tecumseh players were selected for honorary awards after their performances against Lutheran West Friday.

John Anderson picked up the "Tomahawk" honor for the outstanding offensive back. He toted the ball 28 times for 150 yards.

Doug Schwartz, 6'1", 205-pound tackle, was selected for the "Savage" award as top offensive lineman. Coach Tom Fagan says he was particularly effective in blocking for end sweeps, where Anderson gained most of his yardage.

Rick Durkee won the "Cookie" honor as the top pass receiver. He caught two for 56 yards, and nearly grabbed another at the end of the game. The last pass was just short, allowing a LW defender to flick it away and preventing the Indians from scoring the winning TD.

MRS. GARY BLATCHFORD

Linda Kay MacGeorge and Gary Blake Blatchford Wed

Linda Kay MacGeorge and Gary Blake Blatchford were united in marriage Saturday evening at the Methodist Church by the Rev. Donald Porteous.

Tall ferns stood on either side of the altar and flanked the chancel entrance while pyramid arrangements of gladioli and pompons outlined the kneeling bench.

White gladioli and pompons along with lighted seven-branch candelabra were used on the altar, and bouquets of the same pompons and foliage marked the family pews.

Parents of the couple are Mr. and Mrs. Robert MacGeorge, 5487 Centennial Rd., and Mr. and Mrs. Donald Blatchford, 9954 Matthews Hwy.

Mrs. Donald Bush played nuptial music as 250 guests were seated by Thomas Simonds and Jerry MacGeorge, brother of the bride.

Escorted to the altar by her father, the bride wore a floor length gown of Chantilly lace and nylon net over appliqued taffeta.

The tapered lace sleeves came to a point over her hands, and the necklace featured seed pearls and French sequins.

Pearls outlined the lace and satin petals, embossed with crystals that held her elbow length veil in place, and she wore a single strand of pearls, gift of the groom.

White butterfly roses centered the cascade arrangement of iceberg pompons outlined with pearl leaves which the bride carried.

Mrs. Charles MacGeorge was matron of honor, and the bridesmaids were Mrs. Thomas Simonds, Jacqueline Rentschler and Mary Kruger. Sandra MacGeorge was the flower girl.

All wore floor length empire-style gowns of turquoise brocade and crepe with brocade trains, except the flower girl's dress, which was yellow.

Mark D. Blatchford, brother of the groom, served as best man and Randall Scott MacGeorge, another brother, was the ring bearer.

A reception was held at the Odd Fellow Hall with Mrs. Raymond Hatch and Mrs. Richard Dieterle assisting with the serving of cake and punch.

The bride, a 1966 graduate of Tecumseh High School, is attending Stautzenberger Business College in Toledo. She is employed at the D&C Store.

Her husband, a 1963 graduate of Britton High School, is employed at L and I Leasing in Britton.

Following a week's trip to Niagara Falls, the couple will live at 306 N. Main St., Britton.

Anna Marie Bennett, Donald H. Wolff Wed

Anna Marie Bennett became the bride of Donald H. Wolff in a ceremony performed Sunday afternoon at the Grace English Evangelical Lutheran Church by the pastor, the Rev. Kurt F. Koeplin.

Parents of the couple are Mr. and Mrs. Vernon J. Bennett, Gady Rd., and Mrs. Howard Wolff of Carlton and the late Mr. Wolff.

Mrs. Koeplin played the organ and accompanied the church choir.

The bride chose a floor length gown of Chantilly lace with chapel train, Sabrina neckline and long, tapered sleeves. Seed pearls and sequins outlined the neckline and tiers of the full gathered skirt while aurora crystals and pearls formed the crown securing her bouffant elbow length veil of illusion.

She carried a Lazy "T"-shaped bouquet of yellow roses and ivy.

Sharon K. Bennett was her sister's maid of honor and Mrs. James Gooding, aunt of the bride, Mrs. Gerald Williams and Mrs. Dale Spohr were the bridesmaids.

All wore sleeveless floor length gowns of yellow bridal satin with empire waistlines and matching chiffon head pieces. They carried daisies and yellow roses with ivy.

William Xerri, of Carlton, was best man, and the 225 guests were seated by Ronald Rees, Gary Bodenmiller and Thomas Petit.

A reception for 400 guests was held at the Tecumseh Products Workers Union Hall, with Mr. and Mrs. Donald Bickham as hosts.

Mrs. George Elliott, Mrs. David Smith, Alice Elliott, Mrs. Richard Jackson and Mrs. Lucille Covell assisted with the serving.

The photographer, William Bickham, is the uncle of the bride. He was accompanied by his wife and family.

The bride is employed as a dental assistant at the office of Dr. William J. Adams and her husband is employed at the Eaton, Yale and Towne Research Center in Southfield.

The rehearsal dinner was given by the groom's mother at the Country House.

WHAT PURPOSE DOES A FUNERAL SERVE?
A funeral is held for the benefit of the living as well as for the purpose of honoring the dead. One of its primary functions is to create a lovely memory that will be cherished forever by those who remain.
We are known for having the most important requirement necessary for aiding a family in their hour of need, a true feeling of warmth, sympathy and understanding.

Joyce Ann Dunbar Weds David A. Wegner

The Gloria Dei Lutheran Church was the setting for a small, impressive wedding Friday, uniting Joyce Ann Dunbar, daughter of the Delbert J. Dunbars of Airport Rd., Adrian and David A. Wegner, son of the Melvin L. Wegners, 710 W. Chicago Blvd.

Pastor Laszlo Gero officiated.

The bride, who was given in marriage by her father and mother, wore a street-length, white, textured knit dress, fashioned with a high round neckline and long sleeves. With it she wore a small pink satin bow with an attached veil, pink peau de soi shoes and purse and a single pink cymbidium orchid.

She was attended by Kathy Daup of Adrian, who was in a pastel ellow chiffon street length dress, trimmed with avocado. Her corsage was of pale yellow mums, tied with avocado.

Charles Marine of rural Blissfield attended Mr. Wegner as best man.

After a short wedding trip to northern Michigan, the couple will be at home at 710 West Chicago Boulevard.

A reception to honor the couple will be held at the Tecumseh Products Workers Union Hall Oct. 20.

55 Attend Busy B&PW Club Session

Fifty members and five guests of the Business and Professional Women's Club heard Mrs. Edgar Buttolph Monday when she explained and showed slides of a recent trip to Ireland, England and Scotland.

Bertha LaPointe, who accompanied Mrs. Buttolph on the trip, was also present to help with the narration.

Mrs. Purnell Osburn, program chairman, introduced Mrs. Buttolph.

A ham dinner was served by the ladies of the Methodist Church, where the meeting was held.

Mrs. Cecile Smith conducted the session when members voted to give $10 to the Lenawee Health and Welfare Fund.

An invitation was extended by the Women's Club of Adrian to local members to attend the Autumn luncheon at the Adrian Methodist Church, Oct. 3. Reservations are to be made by Saturday.

Other guests besides Miss LaPointe were Mrs. Terrance Beland, Mrs. Cecil Viele, Mrs. Helen Smith and Mrs. Charles Henson.

Youth Invited By Presbyterians

Senior High Fellowship of the Presbyterian Church is getting ecumenical and extends an invitation to all young people in the community interested in a challenging Christian Fellowship program.

Following this theme they will meet Sunday, Oct. 1, with the Rev. Frank Hawthorne and his folk mass group at the home of Mr. and Mrs. Ray Puffer.

Anyone wishing to participate in this new media and new happenings to follow, should call a member of the committee and let them know you are coming.

The committee for the Oct. 1 meeting, which begins at 6:30 p.m. and closes at 8 p.m., is Linda Oberlin, Natalie Hopson, Debbie Vollmer and Miriam Puffer.

Mr. and Mrs. John Hopson and Mr. and Mrs. Russell Hyatt are advisors.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

Want to hear a real wild, but tried and true, recipe for putting up apples for pies. Just use one aspirin to a quart of sliced apples in sterilized jars and seal 'em up. Be sure to cover the apples with cold water first.

Mrs. Arthur Eaton first heard this recipe over the "Ask Your Neighbor" radio program on WWJ two years ago. Because she furnishes so many pies for church, Farm Bureau and Grange functions, she tried it on apples from their tree. She put up 23 quarts last year and has a start of 16 on this year's crop.

Now, that really is a good way to cure a headache.

Marda Gene Duncan writes The Herald from Lusk, Wyo., saying that she and her parents, Mr. and Mrs. Harry Duncan, are having a "marvelous trip, fine weather, not many birds, but lots of prong horn antelope, some buffalo and a few deer — fall colors lovely." Our bird lady will, no doubt, have lots of interesting copy for her readers when the family returns.

Born Sept. 21 to Pvt. and Mrs. Albert Boyce of Fort Eustis, Va., a daughter. Pvt. Boyce is the son of Mr. and Mrs. Charles M. Boyce, of Tipton, and Mrs. Boyce is the daughter of Mrs. Ray White.

Mr. and Mrs. Harley Kimerer of Britton will be honored Oct. 7 with an open house for friends and neighbors at the Britton-Macon School.

The Friendship Class of the Ridgeway Church of the Nazarene is sponsoring the event from 7 to 9 p.m., for the Kimerers' 40th wedding anniversary.

T/Sgt. Alfred Jewell called his mother, Mrs. Alfred Jewel, Monday night to tell her that he is spending a leave with his wife, Joyce, in Wood Cross, Utah, after a year in Vietnam and the Philippine Islands. Mrs. Jewell flew to San Francisco to accompany her husband to her parents' home. The couple expect to come to Michigan soon.

Mr. and Mrs. Harley H. McConnell were in Ann Arbor Saturday night to attend the wedding of her niece, Judy Ann Wilson to John Swanson.

Airman Glenn Barton has arrived home from Long Beach, Calif., where he is stationed aboard the USS Valley Forge, a helicopter carrier. "I don't care how cold it is, I'm going water skiing," was about his first remark. After three weeks with his parents, Mr. and Mrs. James Barton, he will return to Long Beach to go on a western Pacific cruise.

Mrs. James A. Waldron of Burlingame, Calif., is spending the week with Mrs. John Keever. Clara Waldron and other relatives.

Mrs. William Grigg entertained her brother and wife, Mr. and Mrs. Ellis Gray, and their son and wife, Mr. and Mrs. Elmer Gray of Detroit, for dinner Sunday. Later in the afternoon, the group visited the Lyle M. Grigg residence in the Irish Hills.

Mr. and Mrs. Morris Cornell were in Boyne City over the weekend, visiting friends they met on their European trip this summer.

Mr. and Mrs. Ward Perso entertained for the pleasure of her son, Dick, Sunday in observance of his 21st birthday anniversary. Guests at the surprise party at the Perso Evans Lake cottage included members of "The Contempts", the band of which Dick is a member, and friends and relatives from Tecumseh, Lansing and Blissfield.

Mr. and Mrs. Earl Baldwin attended the convention of the Retail Hardware Association at Boyne Mountain, Sept. 17 to 19. Mrs. Baldwin won the gay nineties bathing beauty contest, and Earl won the prize for the longest drive in the shotgun golf tournament.

Mrs. Lulu Hill of Pontiac visited the Snedecor sisters Sept. 17.

Pfc. D. Gary McKenzie arrived recently in Korea with the truck maintenance motor pool. The son of Mrs. William S. Davenport, 111 N. Pearl St., McKenzie is located about ½ mile north of Friendship Bridge. Mrs. McKenzie is living with her parents, Mr. and Mrs. F. M. Murphy, in Adrian.

Church Observes Communion Week

World-wide communion will be observed this Sunday morning during the worship service at the Tecumseh Methodist Church.

The Rev. Donald Porteous has selected "The Lord's World Wide Table" as the meditation.

Following this service Rev. Porteous will meet with those persons wishing to become members of the church by confession of faith or by transfer in an adult membership class.

A continuing session will be held the following Sunday also.

Assembly of God Plans to Observe 25th Anniversary

The Musical Van's will be in Tecumseh for the annual homecoming and 25th anniversary of the Assembly of God Church Oct. 1.

The Rev. A. R. Vanderploeg will be the speaker at the 11 a.m. worship service following Sunday School at 10 a.m.

A fellowship dinner will be held at 1 p.m. at the Products Workers Union Hall.

The fellowship sing, looked forward to by the congregation, will be held at 3 p.m.

The youth service is held at 6:30 p.m., followed by an evening service at 7:30 p.m., when there will be special music.

JERRY KORICAN WON THE HEAVYWEIGHT CLASS.

Field Day

BRITTON — The annual Tractor Field Day, sponsored by the local FFA chapter, in the village park recently, was a great success, stated FFA advisor, Paul Marks.

Lee Miller won the grand trophy with his tractor, also first prize winner in the middleweight class, pulling 163.64 per cent of its own weight for the highest percentage in any class.

Other winners of first place and $16 were Larry Bush in the lightweight division, and Jerry Korican in the heavyweight class.

Winners of second places and $12 were John Rowe in the lightweight class, and Larry Dwork in the middleweight and heavyweight divisions.

Third place honors and $8 went to Tom Korican in the lightweight, Larry Walters in the middleweight, and Ken Arting in the heavyweight classes.

Receiving fourth place and $4 prizes were Marvin Diver, lightweight; Louis Wagner, middleweight; and Russ Lutton, heavyweight.

Soldier's Arrival Surprises Mother on Her Birthday

BRITTON — Pvt. Clark Griffin, son of Mr. and Mrs. Clare Griffin of Oak Street, flew home Sunday for a 12-hour visit with his family.

It was his mother's birthday, and she was thrilled over his arrival.

"It was the best birthday present I could have had," she stated.

Pvt. Griffin is currently in basic training at Fort Leonard Wood before he begins training for the Army Security Agency.

Reunion Sunday

The annual Hebb and White Reunion will be held Oct. 1 at 1:30 p.m. in Island Park, Adrian.

Belgian Evangelist Features Music at Britton Church

BRITTON — A train through the church? This is one of the many sounds Oscar Van Impe can produce on his "chromatic" accordion.

Mr. Van Impe, Belgian-born evangelist, is presenting special music and inspiring messages at the Britton Baptist Church each evening at 7:30 except Saturday.

He will conclude his week of ministry Sunday at the 11 a.m. and 7:30 p.m. worship service.

"Everyone is welcome to come and hear Mr. Van Impe and enjoy a real time of fellowship and blessing," says the pastor, Duane McNeil.

Boutique Shops Featured

Boutique shops, featuring unusual and distinctive gifts plus delicious food and a good time, is the goal of Mrs. Chester Beach and Mrs. James Barton, co-chairmen of the fall bazaar to be held in the Presbyterian Church, Oct. 26.

The fair, opening at 10 a.m. and closing at 8 p.m., will include lunch and dinner.

Sparkling treasure chests heralding the event will soon be popping out all over the community. Posters were made Sunday by the junior department, assisted by junior high and senior high students in church school.

The workshop was led by the fair decorating committee, Mrs. William Adams, Mrs. Orrie Gilbert, Mrs. Hugh DesErmia and Mrs. Earl Baldwin.

The committee, with the cooperation of the Little Garden Club, will be doing dining room decorations for the bazaar, following the theme "Fall Treasure Hunt."

Country shop chairmen Mrs. Dale Bowen urges women to be putting up a store of preserves, jams, pickles and other garden treasures for sale. Anyone wishing to contribute may call Mrs. Bowen or her committee, Mrs. Fred Feight and Mrs. Wilbur Boyce.

"Ladies, if your fall cleaning should turn up some good children's clothing, please call," said Mrs. Lester Fogelsong, chairman of the used treasure shop.

"Kids, collect all your used comic magazines and bring them to the church to be sold at the fair," remarked another of the committee members.

Gloria Dei Installs 8 New Members

Seven adults by installation and one baby boy by baptism were received into the Gloria Dei Lutheran Church Sunday.

Roland Boyers, evangelism chairman, greeted the new members, Mr. and Mrs. Richard Beazley, Mr. and Mrs. Ken Rathke, Mrs. Gladys Rohweder, Mrs. Wallcee MacGeorge and Wendy Ehlert, who were installed by the pastor, the Rev. Laszlo Gero.

The well-known organization of the Lutheran Laymen's Movement was represented Monday and Tuesday by Glen Holmquist of Minneapolis. His addresses to the Stewardship Committee and the congregation was a success. He talked about the new voice of the church and the changing attitude of the people toward Christianity.

Mrs. Gabe French, who recently resigned as director of the chancel choir, will be honored with a fellowship hour after the choir practice next Thursday.

Mrs. Earl Mason is the new choir director.

Mr. and Mrs. Tom Kampmueller and Mr. and Mrs. Gene Williams will reorganize the youth of the church.

The Luther League will have its first meeting Sunday, Oct. 1, at 6:30 p.m. The pastor announced that Oct. 1 will be Luther League Sunday. The Chancel Choir will sing.

The month of October is the month of the 450th Anniversary of the Reformation. Every Wednesday at 7:30 p.m., an adult group will study the Bible and the pastor will lead the discussion about the Manifesto, the new document of the Lutheran Church in America.

He asks members to bring guests to these weekly meetings.

Miss Swaney Is Studying in England

Nancy L. Swaney, daughter of Mr. and Mrs. O. Swaney, 02 N. Wyandotte St., is one of 14 Eastern Michigan University students spending this semester in England as a part of the Student-Faculty International Exchange Program.

She is one of eight students at Bulmershe College of Education, Reading, where emphasis is on English literature and teacher training.

The students flew to London Sept. 5, attended some performances at the Edinburgh International Arts Festival, then began classes Sept. 20. They will have a Christmas holiday of nearly a month, when they will be able to visit some European countries.

Their return to the Eastern campus is scheduled for Feb. 3.

Four Join Wagon Club

Mrs. Gregg Forsthoefel, new president, opened the meeting of the Welcome Wagon Club, Sept. 19, with 24 members present and four guests, all newcomers.

Newcomers are Mrs. George Stewart, Mrs. Shirley Pinney, Mrs. Larry Kimble and Mrs. William K. Adams.

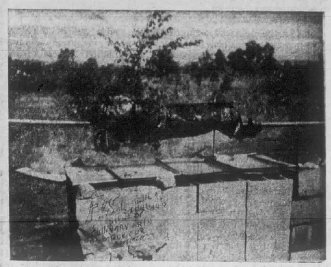
"Getting to Know You" was the theme for the evening's program featuring "Name Bingo" and "Interviews."

Mrs. Stewart won the centerpiece. Mrs. Bavard Herndon, Mrs. Edward Koscho and Mrs. Dale Haught were the hostesses for the evening.

Mrs. Joseph Schneider was appointed publicity chairman.

The next meeting will be Oct. 17 at St. Peter's Church. The program will be presented by Sharon Crane from Colonial House of Beauty.

Mrs. Harold Anderson, Mrs. William Brandstadt and Mrs. William Kaiser will be the hostesses.



A pig roast served as the main event Saturday for families and friends of the Church of Christ, 302 E. Chicago Blvd. Picnicking and fellowship were enjoyed by 102 persons at the Hickory Hills Christian Camp on Newburg Hwy., land donated for church activities by Mr. and Mrs. Robert Rupert, Sr., members of the church. Mr. and Mrs. W. H. Driskell of South Hill, Va., were also in attendance. Brother Driskell was the visiting minister for a weekend of gospel lessons.

Clinton Game Is Changed

CLINTON—*A change in scheduling* for the Clinton High School, Whitmore Lake football game has been made.

The game will be played Friday night, Sept. 29, at 7:30 p.m., at Hartman Field with Clinton as hosts.

The game was originally scheduled to be played at Whitmore Lake at 4:30 p.m.

Whitmore Lake, having no field lights, accepted Clinton's proposal to change the playing location of the game in order to facilitate the fans' time availability.

It is hoped by the Clinton High School Athletic Department *that the schedule change will enable* the many Clinton fans to attend this league contest.

Masons Postpone Conferring Degree

Brothers of the Tecumseh Lodge No. 69, F. & A.M. are alerted by the secretary, Fred C. Dickinson, that:

Due to unforseen circumstances the Master Mason Degree to have been conferred Saturday, Sept. 30 has been canceled and re-scheduled for Tuesday, Oct. 3.

Birthday Party Honors Christine

CLINTON — Christine Kershner was guest of honor on her seventh birthday at a party Saturday afternoon.

The event, arranged by Christine's mother, Mrs. James Kershner, was attended by seven classmates of Clinton Elementary School.

An afternoon of games was enjoyed, and each guest received a gift.

A candlelighted birthday cake was served and Christine opened a variety of pretty gifts.

Leona Jacobs Explains Clinic

Leona Jacobs was presented by Mrs. W. E. Haselwood, program chairman, to members of the Herrick Memorial Hospital Auxiliary at the September meeting at the Community Center.

Miss Jacobs is a Clinical Social Work Supervisor with the Huron Valley Child Guidance Clinic at Ypsilanti. Her qualifications for this work include degrees from Calvin College, Blodgett School of Nursing and the U of M School of Social Work.

She explained the clinic's purpose, the type of help they can give parents and children with some brief case studies of clients. She especially stressed people having a problem with a child should bring them early, while they are still young enough to really work with and help.

Members voted and approved sending at least four delegates to the Michigan Association of Hospital Auxiliaries at Lansing Oct. 9-10.

The members accepted four ladies, Mrs. George Stewart, Mrs. Joseph Bachman, Mrs. Graham Foster and Mrs. Lester Dallas into membership.

All new members will be introduced and welcomed into the Auxiliary at a special tea, Oct. 4, at the Tecumseh Country Club. All members, new and old, are urged by the officers to be there from 2 to 5 p.m., for a friendly afternoon of euchre, bridge and conversation.

Two nurses, Mrs. Lavern Moll and Mrs. Donald Moffatt attended the June session of a special training course which has been set up for instruction in using the new cardiac resuscitation cart, which the Auxiliary is purchasing for the hospital.

Special training is necessary for using this unit and the Auxiliary will be providing training for more nurses in the future.

Fruit cakes have arrived for the annual fall sales campaign and Mrs. A. H. Caesar will take orders for gifts and special occasions.

Coffee and cookies were served by Mrs. Harold Ocamb, Mrs. Fred Hartwig, Jr., and Mrs. Milton Meyer.

The next Auxiliary meeting will be Nov. 14, at 8 p.m., at the Community Center.

Mr. and Mrs. James Danforth have been entertaining Mr. and Mrs. Charles Hallenbeck of Glendale, Calif., and Mrs. Vern Brown of Monroe during the past week. Mrs. Brown left Friday.

Our Readers Write

TO THE EDITOR:

For the first time in 10 seasons of following Tecumseh Indian football teams, I sat high in the grandstand for the action last Friday.

Sorry about that score.

Otherwise, the evening was extremely enjoyable — a comfortable seat (thanks to addition of more than 800 spaces in the grandstand), no light posts to obstruct a full view of the gridiron.

But one item needs attention. And school officials should probably get after the job.

It has to do with the wonderful new lights. They provide candlepower like never before, but the beaming of the individual units is pretty sad.

In photography, when there is too much illumination on one point, it's known as a "hot spot." This might be OK if a lensman is attempting to focus attention on a specific area of his picture.

But lighting hot spots at various places on a football field are real bad news.

When the lights were hurriedly installed late last fall, the workers attempted to figure the correct angle for the units — while the poles were still on the ground!

At the time, I think a lot of folks felt that final corrections would be made once the poles were in place.

Unfortunately, this never happened.

Up went the giant timbers, the switches pulled and presto — new illumination.

From my old viewpoint, trodding up and down the sidelines, I was suspicious that all was not right with the lights, particularly around the goal lines where players would, from time to time, be engulfed in heavy shadows.

Then, along about mid-field, the gridders would seem to be dashing from one hot spot to another.

Seeing the entire gridiron from up high confirmed the feeling that there should be some corrections made.

To do the job, a trained lighting man would have to climb each pole and re-angle every unit. This technique is common and there are experts doing it all over the country.

One more suggestion might be that each year, another bar of units be added to the poles at the end of the field. This would gradually build up the level of illumination there.

Closing on a personal note, I'm enjoying my retirement and my two-day-a-week teaching assignment at Hillsdale College.

TO THE EDITOR:

Folks should avoid becoming a member of the Rolling Stop Club. You've seen them often, especially in neighborhoods. They never believe the stop sign at the intersection is meant for them. So, they give it a quick glance, slow down to 20 and whiz on through.

And — WHERE'D THE OTHER GUY COME FROM?????

Mrs. Erwin Marsh.

TO THE EDITOR:

I neglected to stop in with our $5 before we left Tecumseh. Please keep the paper coming.

We had an especially good trip down this year. The roads were very good and the weather cooperated. No rain and it was cool enough to be comfortable until we reached Sarasota, then we were near home.

The temperature has only been a couple of degrees warmer than Tecumseh, and it rains at least every other day.

It's good to be home. Although our Florida friends are new, it is nice to be back with them.

We will be looking for the paper every Saturday but sometimes it doesn't come until Wednesday.

Sincerely,
Ayesha R. Laidlaw

Memoriam

In loving memory of Ricky Frank Horton who left us so suddenly four years ago September 29, 1963.
Four years have come and gone, I say,
Four years ago this very day,
From this earth went one so dear,
So far away and yet so near.
We speak of "Rick," tears fill our eyes,
For one so dear our heart still cries.
The years may come, the years may go,
But there is one thing we all know,
'Til the day when we meet in Heaven above,
We'll miss you, "Rick," and send our love.
Forever in our hearts,
Mother, Dad and Brother.

In loving memory of our sister, Mrs. Gladys Kurtz, who passed away two years ago Sept. 30, 1965.
West of the sunset she went alone
Into the depths of the great unknown
But when we reach the end of the day,
She will toss a star to light our way,
Her life a beautiful memory.
She sleeps in God's beautiful garden.
In the sunshine of perfect peace.
Sadly missed by her sisters.
Mrs. Rose Service and
Mrs. Marjorie Richards.

Redskins Blast Ypsi-R., 40-7

By MIKE JURASEK and KEL BENNETT

► **CLINTON 40 YPSI-ROOSEVELT 7**

CLINTON — Clinton started off on a winning note in the Lakeland C here Friday night by trouncing Ypsi-Roosevelt 40-7.

The Redskins have an 18-game winning streak, while tying one, in its fourth year in the league.

Clinton struck early in the first quarter on a 25-yard pass from Bill Driscoll to end Paul Papsdorf.

Butch Hoelzer then tallied three touchdowns for Clinton. Two came on one-yarders in the first half, and the other on a 30-yard run in the third period. He also had two called back, one on the opening kickoff that went 75 yards, and another on a 35-yard run.

Mel Pardee, Clinton's fullback, went over from the one for his score. Tom Moore scored the final tally on a seven-yard run.

Roosevelt's Dan Denny scored on a 70-yard pass interception with one minute showing on the clock. This gave the Roughriders their only score of the game.

Hoelzer carried the ball 15 times for 165 yards. Mel Pardee carried 13 times for 100 yards. The Redskins had two pass interceptions and one fumble recovery.

Clinton is now 1-1 on the season and 1-0 in the league. The Redskins host Whitmore Lake next Friday at Hartman Field.

OFFENSIVE STAR — This Herald photo exemplifies the power running of John Anderson against Lutheran West Friday. He gained 150 yards in 28 carries, and scored 15 points.

Gartha Passes LW to Victory, 26-21

Russ Gartha may not be the best high school passing quarterback in Michigan, but it would be hard to convince Tecumseh fans — and coaches — that he has a peer.

Gartha almost single-handed defeated the Indians here Friday night, 26-21, in a barrage of passes that resulted in Lutheran West's total 26 points in the first half.

Whether Tecumseh's half time adjustments accounted for LW's decision to stay mostly on the ground, or whether LW was contented to rest on a two-touchdown lead, mattered little.

The six-foot, 180-pound quarterback riddled the Tecumseh defense early, hitting on nine of 14 passes in the first quarter — and this does not count three completions nullified by off-side penalties.

LW's decision to stay mostly on and the aerial bombardment started. Gartha tossed 11 passes (including three nullified), and hit on eight, although the record book will show just five.

A pass to halfback Tom Baetz covered 15 yards and put LW ahead, 6-0. A placekick for the extra point was blocked.

It took Tecumseh less than two minutes to go ahead, however, as quarterback Jim Hunt — subbing for the injured Jim Mobley—connected with speedy Gary Fairbanks for the final 40 yards.

John Anderson, who joined with Kenny Peih in the second half for a Tecumseh rally, ran for the extra point to give Tecumseh its only lead of the game.

After the Indians kicked off, a Tecumseh blitz caught Gartha for one of the few times during the game and forced LW to punt.

The kick was fumbled and set LW in fine field position on the Tecumseh 32. In four plays, Gartha hit end John Schiller for the score. The extra point kick was wide.

After the following kickoff, Hunt was hit while attempting to pass and dropped the ball on the Indians' 27 where LW recovered.

With less than a minute in the first quarter, Gartha hit Schiller on a beautiful pass over the middle in the end zone. Mike Fishback gave the visitors their 19th point of the quarter by running for the extra point.

Just over two minutes remained on the clock in the second quarter when Tecumseh fought back with Peih and Anderson alternating on pitchouts and counter plays. Anderson finally went in for the score from the one.

In the plunge for the extra point, the 180-pound Tecumseh fullback bulled his way in, carrying LW players with him.

Tecumseh would have settled for a 19-14 deficit at the half, but not LW.

After the kickoff, LW ran from its 37 to the 45, where Gartha pitched to Baetz for 41 yards to Tecumseh's 17. A desperation tackle by Rick Durkee prevented the speedy Baetz from going all the way.

After Gartha passed to the nine, three running plays netted eight yards, giving LW fourth and one yard for the TD. Whether LW could have scored through the Indian line is questionable, but Gartha didn't bother — he passed to Baetz for the final yard.

LW completely dominated the first half with its passing game, but was on the ropes in the second half as Tecumseh rallied early in the fourth quarter with Anderson banging over from the 10. He then ran for his 15th point of the evening.

LW failed to move after the next kickoff and punted to Tecumseh on the Indians' 35. The Indians reeled off one first down and then gained momentum when a Hunt pass connected to the LW 30 — only to be nullified by a clipping penalty.

The Indians never seriously threatened again, except for one desperation pass from Hunt to Durkee. The long aerial was about a yard short and just allowed an LW defender to flick it away.

Any chance for the Indians to win was wiped out with just over a minute to go, when, of all people, Gartha intercepted to give LW control.

The second half surge gave Tecumseh a wide edge in first downs, 20 to 14. The Indians outdid the visitors in just about everything except passing.

Title Drive Starts

Tecumseh opens its drive for the Huron League title at Flat Rock Friday night, and scouting reports indicate the Indians again will be showered with passes.

The Rams, 1-1 for the season, passed on nearly 70% of its plays in an easy romp over Monroe Jefferson last week.

FR teams in the past have usually boasted exceptional size, but not this year. Except for a couple 200-pounders, the Rams are not particularly big.

Coach Tom Fagan's team may or may not be up to par. Quarterback Jim Mobley is still hobbled after being on crutches over the weekend.

In practice last Wednesday, Mobley suffered a badly-twisted ankle after stepping into a hole. He missed the Lutheran West game, turning the quarterbacking over to Jim Hunt.

Hunt had been used sparingly at quarterback in practice sessions, although he backed up Mobley last year. In Tecumseh's opener against Hillsdale, he played entirely at a halfback post.

If the Indians are to be title contenders, a Flat Rock win would be a long step toward their goal.

Harley McConnell, and Jane, accompanied Susie Hoch to Ferris Institute last Tuesday to enroll.

Why it's a bore to own an Accutron® timepiece.

1. You have just two chances a year to fiddle with it. One, when you turn it ahead an hour for daylight saving time. And
2. When you turn it back again for standard time. Because the springs and things that make a watch run fast or slow have been taken out of the Accutron movement.
3. And that's why it's a bore for us, too. We can't show off by repairing sprung springs, stopped wheels and worn watchworks. Accutron has replaced them with a precise tuning fork that may never need replacing.
4. You can't bet on Accutron time. At least not without feeling guilty. Because we guarantee you'll be right. Within one minute a month.**(And that averages out to two seconds a day.)
5. You'll yawn when the boss presents you with a gold watch 25 years from now. Because your Accutron timepiece will still be accurate.

Isn't that exciting?

Number of Secondary Pupils	1,521
Number of Secondary Pupils, Non-Resident	7
Ratio of Pupils to Teachers	24.3

SUPERINTENDENT'S REPORT

The general condition of the Tecumseh Public Schools both financially and educationally is the best that it has been in many years. The slashes that were made in 1960 and 1961 in the curriculum have all been recovered and improvements have been made. Textbooks are up-to-date and a combined curriculum coordinator and teacher consultant is working full time. Enrollments have been larger in some areas and smaller in others but the total number of pupils in the schools continues to grow. Curriculum Committees in all grades kindergarten through 12 have worked diligently to improve the offerings to the pupils and the North Central Association of Schools and Colleges upon visitation this year again approved our accreditation. To remain on this approved list is indeed an accomplishment today for standards are being pushed higher and higher each year.

Financially we are in excellent condition with a balance of $93,414.00 in the General Fund at the end of the year. We are one of the few schools in the state who will be debt free with the levy of the 1966-67 taxes and we have thus been able to reduce the levy of taxes for our buildings and sites by over a mill this year. All negotiating units of the system except that of the public librarians have met with the Board representatives, differences resolved, and contracts for 1967-68 approved by all parties. This is an enviable record for our school.

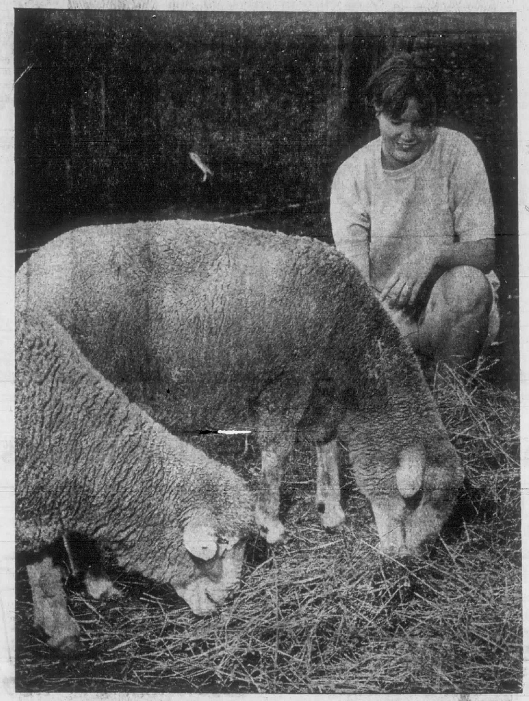
Ag Student for the Month

The agriculture student for the month of September is Kathy Kopke, daughter of Lawrence Kopke, 4647 Kopke Rd.

She has been active in both 4-H and FFA, and as a junior, she has taken horticulture and landscaping in the agriculture program.

For her first project she had 12 sheep from the FFA sheep chain, and she plans to continue for at least another year with sheep. Her flock has increased to 18 this year. Kathy received the livestock award and is this year's secretary of the FFA.

She is president of the Raisin Cane 4-H Club and is the junior leader during the summer months, teaching cooking. Kathy is also a candy striper at Herrick Memorial Hospital and she attends the Presbyterian Church.



HERALD PHOTO BY BILL WHITING

SHE LOVES FARMING — Kathy Kopke of the Raisin Cane 4-H Club and one of the few girls to join the Future Farmers of America at the Tecumseh High School, feels that girls should know what goes on in the barnyard as well as the house. "It will help you in future life," she remarked Friday.

3 Counties Combine for Workshops

Lenawee, Monroe and Washtenaw Counties will combine for a three-day clothing workshop under the auspices of the Michigan State University Cooperative Extension Service.

The first meeting Sept. 26 from 10 a.m. until 3 p.m. will be held at the Michigan Producers Dairy in Adrian with Bernetta Kahabka, clothing specialist from the University, discussing the topic, "Lines and Shapes."

Extension Home Economist Mrs. Helen Fairman will consider "Fabrics, Patterns and You" at the meeting Oct. 11 at the Monroe County 4-H building on the fairgrounds, just west of Monroe on M-50 at the same times.

"Pressing, Hems and Other Nuts and Bolts" will be the topic of discussion and demonstration Oct. 19 at the Ann Arbor Community Center, 624 N. Main St.

Those attending will take sack lunches. Coffee and tea will be available.

Exchange Seeking Merchandise for Rummage Sale

Dwight Hodges and Ray Dollison have offered to pick up items for the Tecumseh Exchange Club rummage sale to be held Oct. 6 and 7.

The club needs good, clean merchandise to sell at the event in the present location of the Decorating Center, next to Adrian Federal Savings and Loan offices.

Money from the sale will be used in the Exchange Club's local youth program.

Mr. Hodges may be reached at 423-2155, and Mr. Dollison at 423-2624.

RARE PAIR — Left, Lisa, and Julie Gignac think their snow white German Shepherd pups, Melody and Major, are something special. The girls' father, Frank Gignac, says it is quite rare to have all-white pups, not albino, born to pedigreed silver and black German Shepherd parents. Sire of the five-months-old litter of 11 is Shepar Von Rou Kort, and the dam is Destry's Alert Cookie. This sire and dam have produced 23 champions, but, nary a white one in several previous litters. Mr. and Mrs. Frank Gignac reside at 11535 Tecumseh Rd., Clinton.

Observes 4-H Week

CLINTON — National 4-H Week will be observed by the N. Franklin Hustlers 4-H Club with a display in the window of Holmes Pharmacy, Tecumseh, Sept. 30 to Oct. 7.

Patty Aebersold is chairman of the project.

Jim and Jane Woodward hosted the meeting last Monday.

Barbara Vincent gave a report of her attendance at the State 4-H Show at MSU, and her participation in the Michigan State Fair, where she showed a grand champion pen of Berkshire barrows.

Fred Davenport demonstrated how good planting gives the best yields of corn.

Livestock members penned notes of appreciation to all buyers who supported the Junior Livestock Sale at the county fair in August.

A hayride was planned for Sept. 30, to begin at 8 p.m., at the home of Charles and Kathy Munger. Each member may bring a guest. A bonfire and weiner roast will cap the event, and each is to bring hot dogs and buns.

Corn and soybean project members are to exhibit at the Crop Show, Oct. 28 at the 4-H project building.

The Junior Livestock Association banquet was announced for Oct. 12, with the place to be determined soon.

The Franklin Hustlers Club Achievement program will be held Oct. 14 in the Tipton Grange. Hosts will be Mr. and Mrs. Roger Williams, Mr. and Mrs. James Winzeler, and Mr. and Mrs. Willis Davenport.

Since the membership of this club is near capacity, it was suggested that a new club in the Clinton area would provide an opportunity for more boys and girls to join the organization.

Any adults who would like to start a new club near Clinton may arrange with Mrs. Claude Creger, for a m... with leaders, junior leaders and the Lenawee County 4-H agent for help with the organizing of such a club.

Now is enrollment time for new members, and a good time to get a new club underway, Mrs. Creger said.

Car Jacknifed

CLINTON — A car being towed by W. J. English, 40, of Marshall, Ky., for Watkins Used Cars, jacknifed on US-12 at Bartlett Rd. Sunday morning and overturned in front of the Driftwood Restaurant.

The driver told Clinton State Police he hit some ruts as he attempted to pull off the highway to stop.

FFA Purchase Corn Popper

CLINTON — A new and much larger gas-model corn popper machine has been purchased by the Clinton FFA Chapter.

They traded in the small popper which they had used since they began a popcorn project several years ago.

The chapter used about half of the $600 prize money they earned with an artistic fruit display at the Michigan State Fair.

The machine has a capacity large enough to supply all of the customers at the Redskins football games, and as fast as they want it. With the old machine, the boys had to start making popcorn about noon on the day of a game in order to have enough ahead.

Chapter members and their advisor, John Jansen, man the popper at every home game and at the summer tennis court dances.

It's not unusual for the football fans to gobble up about $100 worth of popcorn during a game, and it makes a good money-making project for the FFA Chapter.

For many years, the group has used popcorn which the chapter raised as a local project.

To replenish that supply, the boys have raised about eight acres of popcorn this summer, and it will soon be harvested.

Members To Attend Explore '67 Program

CLINTON — Several members of the Clinton FFA Chapter and their advisor, John Jansen, will attend the Explore '67 program at Michigan State University, Saturday.

The program is designed to let Michigan High School students take a look at career opportunities in agriculture and natural resources.

Students, parents, and counselors are invited to attend the program, including a series of tours to points of interest on the campus.

Visiting students attending will also have an opportunity to purchase tickets to the MSU - Southern California football game that afternoon.

Several people from the Lenawee Area have been selected to receive special complimentary tickets and have been asked to participate in the half-time show at the MSU Stadium.

Those selected are Beth Frownfelder, Tecumseh; Linda Beebe, Adrian; Steve Daniels, Tipton; Mike Jackson, Tecumseh; Robert Platt, Tipton; Patti Aebersold, Tecumseh.

The 4-H Youth Program of the Cooperative Extension Service and staff of MSU College of Agriculture and Natural Resources will provide guides and discussion leaders for the day.

Royal Neighbors To Entertain at District Meeting

CLINTON — Clara Camp Royal Neighbors has been invited to provide entertainment for its district meeting on Oct. 18 in the Odd Fellows Hall, Tecumseh.

Mrs. Glenn Hindes and Mrs. Leo Smith were named to work out the entertainment.

Six husbands were guests for the meeting, attended by 11 members, Wednesday in the Smith-Kimball Community Center.

Mrs. Leon Van Deusen was received as a new member.

The group voted $10 to the Clinton Community Chest Fund, and will present a gift to someone who is ill in the community.

Mr. and Mrs. Bruce Oliver and daughter of Lake Jackson, Tex., are visiting for two weeks with their parents, Mr. and Mrs. Roscoe Parker, and Mr. and Mrs. Woodburn Oliver of Ypsilanti.

Host Club

CLINTON — A beautifully decorated anniversary cake, which is a traditional gift from Mrs. Gertrude Dannells, was a feature of the seventh anniversary party of the Golden Age Club.

Mr. and Mrs. Al Wheaton hosted the event Sept. 17 at their cottage on Silver Lake.

The picnic dinner was attended by 28 members, who enjoyed rides on the Wheaton's pontoon raft and card games during the afternoon.

New officers were elected at the regular meeting of the club, Tuesday night at the Community Center.

The officers are:

President — Mrs. Alfred Schwellinger

Vice-president — Mrs. Clarence Tirb

Treasurer — Mrs. Hattie Feldkamp

Secretary — Mrs. Clyde Greenfield Sr.

Clinton Chest Goal - $5,000

CLINTON — A goal of $5,000 was announced for the 1967 Clinton Community Chest Fund Drive by the board chairman, Mrs. Richard Sharpe.

The board met at the Community Center to make up work kits for the volunteers who will make solicitations throughout the entire Clinton Community School District, Oct. 2 to 9.

Mrs. Walter LaSovage, general chairman of the drive named the following committee chairmen:

Rural solicitations, Gary Miller; business establishments, Herbert Schott and Leslie Pierce; churches, the Rev. Paul McKenna; industry, Mrs. Richard Sharpe; organizations, Mrs. Robert Winder; Village, Mrs. Mary Hull, and school and faculty, Mrs. Guy Hoover.

Many persons have already volunteered to work, but more are needed. Anone who can help with the drive may call Mrs. LaSovage.

The Clinton Community Chest contributes to the Michigan Fund but is not a part of the United Fund.

New members named to the board are the Rev. Paul McKenna and Mrs. Elvin Witherell, filling vacancies created by the resignations of Mrs. John Mabry and Arthur Schuler.

Truck Damaged

CLINTON — Paul Kennedy, of 104 W. Michigan Ave., parked his semi-trailer truck on Jackson St., north of the fire barn, Saturday night and returned to find someone had torn a small door off the side of the refrigerated truck.

The couple has a married daughter living in Morenci, and another daughter who resides in Bellview. Son, Patrick, 16, is a junior at Tecumseh High School. The family is Baptist.

Mr. and Mrs. Gale Skinner moved here from Evans Lake, when they purchased a home at 312 S. Union. Mr. Skinner is employed at General Telephone Company in Adrian. He was born and grew up in Tecumseh, then joined the Army 21 years ago and served in many states and countries. The couple adopted a Korean girl in 1958, Amy Jo, 11, who is now in sixth grade at Tecumseh Acres. The family is Baptist.

Mr. and Mrs. Robert LeBaron moved from Wisner Hwy., Tipton, when they purchased a home at 314 N. Maumee. Mr. LeBaron is employed at the Ford Motor Co., Rawsonville. Their children are a son, Robert, Jr., 4½, and a daughter, Tammy, 2½. They attend the Assembly of God Church. He likes motorcycling and hunting, and his wife, Judy, is adept at embroidery with paint.

Mr. and Mrs. Richard Beazley decided to move to Tecumseh when he completed his service in the Army. They bought a home at 3863 Loveless Dr., and moved here from Killeen, Tex. For Mrs. Beazley it was like a homecoming, since she was born in Adrian and had lived in that area until seven years ago. The couple has one daughter, Lis Diane, seven months old. They attend the Gloria Dei Lutheran Church. Mr. Beazley is employed at the Ford Motor Co., Saline. All his spare time is spent on the restoration of his first antique auto, a 1926 Model T, which he has had for a year.

Crandalls Plan Evangelist Service

The Rev. and Mrs. Vernon E. Crandall of Vicksburg will be in Tecumseh to conduct evangelistic services in the Church of the Nazarene, 807 Sunset Dr., Sept. 29 - Oct. 8.

Also singers and scene-o-felt artists, the Crandalls will begin the services each evening at 7:30 p.m.

The Rev. Crandall is an elder in the Church of the Nazarene, devoting full time to evangelism. He formerly served as pastor in Red Oak, Ia., and West Lebanon, Ind.

The couple are both soloists and lead congregational singing. They use scene-o-felt to depict the life of Christ along with stereo recordings.

The Rev. Herbert Nation, pastor of the local church, and the people of the congregation extend a cordial invitation to the public.

Handicapped Club To Be Formed At Institute

Mrs. Howard Haas, 10543 Centennial Rd., and Mrs. Mable Duncan, 301 E. Chicago Blvd., have arranged with the Lenawee Institute to use the school for one or two evenings each month for a club for the handicapped.

They invite parents, guardians of interested handicapped persons to contact them to help organize such a group.

The two ladies are especially interested in hearing from the handicapped, including those no longer eligible to attend The Institute. Age is no barrier.

They want to assist the group in planning activities, such as handicraft, and anything else that members would like to do so that each may have an "evening out" working together.

Mrs. Haas may be called at 451-5193, and Mrs. Duncan at 423-4056.

Nurses Play Vital Roll

Dr. Joseph Bachman, of Tecumseh, discussed the role that the registered nurse plays in the immediate and long-term care of the patient who suffers a heart stoppage or cardiac arrest, at the first meeting of the Lenawee District Nurses Association, Thursday, in the Bixby Hospital Auditorium.

He noted that this is a dramatic area calling for knowledge and training to make a quick, sure decision, and then act on it correctly.

He said that at present, both Herrick and Bixby Hospitals have cardiac arrest equipment and have trained the personnel to make those decisions.

Both hospitals are also presently at work to establish coronary care units for the intensive care of patients who have suffered cardiac arrest.

Heart stoppage, even in the absence of other disease processes, is a major cause of death; it is a cause that doctors and nurses are now able to treat. Many people in the Lenawee County area are leading useful lives today because of the training and skill of medical personnel.

Officers for this year are: president, Mrs. Robert Guss, Hudson; vice-president, Miss Donna Vogel, Adrian; recording secretary, Mrs. Raymond Van Kirk, Tecumseh; corresponding secretary, Mrs. Nancy Beaubien, Adrian; treasurer, Mrs. Fred Barden, Adrian.

The Michigan Nurses Association annual convention will be Oct. 10-13 in Lansing. Mrs. Robert Guss and Mrs. Journey Stoner are the official delegates.

After the business meeting, the nurses were addressed by Millia Billingsley of the MNA Board of Directors which has done much of the work on the proposed legislation and programs to be presented at the October convention.

The meeting adjourned for refreshments served by the Tecumseh nurses.

Girl Scout Uniform Exchange Slated at Cabin, Oct. 7

Plans for a uniform exchange were made at the first fall meeting of the Tecumseh Neighborhood of the Girl Scout Council Sept. 20.

Mrs. William Norris, neighborhood chairman, conducted the session and will be in charge of the exchange, Oct. 7, from 9 a.m. until noon, at the cabin.

She requests that the name and amount wanted be attached to each uniform when it is brought to the cabin that morning.

European Trip Ends

Arthur J. Collingsworth, son of Mr. and Mrs. Neri Collingsworth, of Tecumseh, returned to the United States last week from a six-week visit to Denmark, Finland, Norway, Sweden, the Soviet Union and West Germany.

He sailed to Europe in late July aboard the M/S Aurelia and returned to Washington last week by air.

Collingsworth spent about a week in Finland meeting with political and governmental leaders, visiting industries and sightseeing.

Among the leaders with whom he conferred were: Matti Virkkunen, the Conservative candidate for the Finnish presidency and chairman of the largest bank; Ele Alenius, Minister of Finance and chairman of the People's Democratic Union of Finland (Communist Party) and Kalevva Silkala, theoretician of the Center Party and director of the Department of International Affairs of the Ministry of Education.

He was also honored at a luncheon hosted by the Finnish Foreign Ministry.

While in Sweden, Mr. Collingsworth met with several prominent political leaders in Stockholm. They included Mrs. Alva Myrdal, the Minister for Peace who has been closely associated with the Geneva Conference on Nuclear Non - Proliferation and wife of Gunnar Myrdal, author of "The American Dilemma," several officials of the Foreign Ministry and Parliamentary representatives of the Social Democratic, Communist, Center, Conservative and Liberal Parties.

He also visited Malmo, Sweden's third largest city, and Uppsala, the famous old Swedish university center where he made a special visit to the grave of the late Secretary General of the United Nations, Dag Hammarskjold.

In Norway, Mr. Collingsworth continued to meet with various political and governmental leaders. He conferred at length with Arne G. Lund, Secretary of State for Defense, several representatives of the Foreign Ministry and Parliamentary spokesmen for the Conservatives, Democratic Socialist and Liberal Parties.

Most of Mr. Collingsworth's visit to Denmark was confined to meeting with officials in Copenhagen. He met with Major General Erik Kragh, former Chief of Staff of the Danish Army and current National Security Affairs spokesman for the Conservative Party; Niels Matthiasen, chairman of the Foreign Affairs Committee of the Danish Paliament and Secretary General of the Social Democratic Party; Paul Damm, Parliamentary spokesman for the Socialist Peoples Party; and Per Federspiel, former president of the European Council and Parliamentary spokesman for the Liberal Party.

He also viewed the International Starboat Competition as a guest of the Royal Danish Yacht Club.

Collingsworth accompanied the Youth for Understanding Chorale — which is made up of high school age students from Michigan — during their visit to the Soviet Union. He spent four days in Lenningrad, Russia's former capital and second largest city.

He visited the Hermitage — former Winter Palace which houses one of the world's greatest art collections — and Peterhof, a famous palace built by Peter the Great.

Collingsworth, who is chairman of the Board of Directors of the Niels Hansen Memorial Foundation, spent four days in Braunschweig, Germany, the home city of the late Niels Hansen.

He met with friends and members of the Hansen family as well as city officials in order to discuss the role of the German committee in the activities of the Niels Hansen Memorial Foundation.

He also spent two days in Heidelberg, where the late Niels Hansen was a law student at the time of his death. He met with several members of Niels' fraternity.

He also visited the German Naval Academy at Flensburg, and friends in Gottingen, Hamburg and Frankfurt.

Mr. Collingsworth has started graduate work in International Relations at Georgetown University, Washington, D. C. He is the recipient of an Earhard Fellowship. He was employed in June and July as a research assistant at the Center for Strategic Studies in Washington.

He is the Issues Chairman of the National Federation of College Republicans, the college representative on the Foreign Affairs Committee of the National Federation of Young Republicans and an honorary member of the Michigan Republican State Central Committee.

He graduated from the University of Michigan last April, and has made trips around-the-world during the past two summers.

Douglas R. Huber Now Serving at Naval Air Station

Seaman Apprentice Douglas R. Huber, USN, son of Mrs. Marilyn Huber, 515 S. Pearl, is at the Naval Air Station in Patuxent River, Md., serving as a member of Fleet Tactical Support Squadron One.

The mission of the squadron is to provide immediate airlift of necessary supplies and personnel in support of Atlantic Fleet units. In carrying out its mission, the squadron operates three types of transport aircraft: the C-131 "Convair," the C-118 "Liftmaster" and the C-130 "Hercules."

The air station is also the site of the U. S. Naval Test Pilot School and the Naval Air Test Center.

Ecclesiastes Verse Is Christian Science Subject Sunday

"In the multitude of dreams and many words there are also divers vanities: but fear thou God."

This verse from Ecclesiastes is the Golden Text of this week's Bible Lesson on "Unreality" will be read in Tecumseh's Christian Science Church this Sunday.

Macon Notes

By MRS. HAMILTON MOORE, JR.

Sunday, Oct. 1, World Wide Communion will be observed. Rev. Harry Coleman, retired minister from London and Oakville Methodist Churches, will serve communion and baptize anyone who wishes.

√

The Faith Circle will meet on Thursday, Oct. 5, with Mrs. Truman Jordan at 1:30 p.m. Mrs. Clare Camburn has the program and Mrs. Clarence Hall the devotions.

√

Members of the Macon Community Club surprised Mr. and Mrs. Ray Gilmore and son, Millard, last Tuesday evening. The Gilmores are Charter members of the club, but have been unable to attend recently, because of their health. The evening was spent in visiting. Cookies, coffee and tea was served to the group. Mr. and Mrs. Ray Hendershot invited the group to meet with them in October. The dates of the meetings are to be put on the church calendar.

√

Donald Smith of Milan and Mrs. Carol Williams of Ypsilanti were Friday evening guests of Mr. and Mrs. Robert Rowe. All attended the homecoming game at Britton.

√

Mrs. Floyd Spence, Sr., of Wyandotte spent the weekend with Mr. and Mrs. Clarence Hall.

√

Mr. and Mrs. Thomas Conrad and son, Jeff, of Ann Arbor, called Sunday on his parents, Mr. and Mrs. Ellsworth Conrad and family, and her sister and husband, Mr. and Mrs. Richard Moore.

Mr. and Mrs. Eugene Hill returned home on Monday from a three-weeks' trip to Phoenix, Ariz., and California. Her brother and wife of Detroit, accompanied them.

Mrs. Truman Jordan entertained 12 ladies last Wednesday for a new circle of the Woman's Society of Christian Service. Mrs. Paul Hover had the devotions and presented a program on Christian concern in minding our business. Mrs. Dean Moore, president of Macon Society, told of the responsibilities of the circle. The group decided to meet the third Wednesday of each month. Mrs. Paul Hover told about the TV survey that is to be held during October and part of November. Mrs. Hover invited the circle to meet with her in October. Mrs. Donald Young will have the program.

√

The Rev. and Mrs. Thomas Badley and daughter entertained his parents from Port Huron, Sunday.

√

Mrs. Judd (Zoann) Phillips of Shreveport, La., and Mrs. Marjorie Hylan of Haynesville, La., spent a few days last week with Mr. and Mrs. Russell Van Valkenburg. Friday evening callers at the Van Valkenburg home were Mr. and Mrs. Harold Van Valkenburg and family of Ypsilanti, Mr. and Mrs. Kenneth Van Valkenburg and sons of Tecumseh, Mr. and Mrs. Robert McTaggert and family of Saline, and Mr. and Mrs. Floyd Lindsley and sons of Adrian.

√

Mrs. Hester Gunder, of the Stephenson Home in Adrian, spent a few days with her sister and son, Mrs. Clare Camburn, and Robert.

√

Mr. and Mrs. Ma. Camburn of Flint were weekend guests of his mother, Mrs. Mary Camburn.

√

Mr. and Mrs. Charles Gorton, Sr., left Monday to spend a few days with her brother, Mr. and Mrs. E. A. Hancock, at Mullett Lake.

Mr. and Mrs. Terry Ross and family were hostess for a chicken barbecue Saturday evening. The 47 guests were the Youth Fellowship and their parents. The evening was spent visiting.

√

Mr. and Mrs. Hamilton F. Moore were Sunday supper guests of her brother and family, Mr. and Mrs. Delmar Bruder, of Ypsilanti.

√

The senior choir will hold its practice Thursday evening at 8 o'clock, at the home of their director, Miss Hallie Jane Mehler.

Either we're charging too little, or everyone else is charging too much.

Rambler American. The only U.S. car that could stop you from buying an import.

At a price very close to the leading import, the American seats six people instead of four.

It gives you nearly twice as much room in the trunk and more than twice as much engine under the hood.

Like the imports, the American doesn't change its style every year, gets about 20 miles on a gallon of regular gas.

Unlike some imports, it never gives you the feeling that you're driving a toy.

Rebel. America's most underrated car.

The Rebel 550 Hardtop is the lowest priced intermediate sized hardtop in America.[1]

It looks sporty, drives sporty and still gives you all the things that most people buy a car for.

The Rebel—Hardtop, Wagon, Sedan or Convertible, V8 or 6—is everything we think a car should be.

Before you pay more for an intermediate, make sure you get as much.

Ambassador. The car with air conditioning as standard equipment.

Air conditioning has been around for a long time, but so far only a few companies—the people who make Rolls Royce for one—have had the good sense to include it in their cars at no extra cost.

We're another.

We just don't understand why someone should be asked to pay a lot of money for a luxury car and then be asked to pay over $300 more for the luxury of air conditioning.

Introducing the Javelin.

Although we've always had the reputation for making sensibly priced, well-built cars, we've never had the reputation for making hot, sporty cars.

We'll soon have the reputation for making hot, sporty cars.

The front and rear bumpers on the Javelin are massive. Unlike thin blade bumpers, these give the car a rich, racy look.

The side windows on the Javelin are solid sheets of curved glass, without vents to break up its fast lines.

The Javelin SST comes with wheel discs, special exterior trim, reclining bucket seats and a woodgrain steering wheel, all standard.

And all for a lower price than the other sporty hardtops.[1]

American Motors

1. Price claims based upon a comparison of manufacturers' suggested retail prices. Prices shown are for Rambler American 2 door Sedan, Rebel 550 2 door hardtop, Ambassador 2 door hardtop, Javelin 2 door hardtop. Federal taxes included. State and local taxes, if any, destination charges, options excluded.

News from the Tecumseh Library

The library has been the recipient, through the years, of many interesting and worthwhile books. These have been gifts for the patrons of the library to enjoy, along with the books purchased with the regular budget monies.

Just recently the library has been given a copy of the Centennial edition of THE GRANGE, which deals with the Grange today, and its past achievements. This little volume is nicely illustrated and well indexed.

Cleary College has just given to the library a set of eight books which will be especially useful to those enrolling in the management courses which will be soon convening here in Tecumseh. They should be of interest also to anyone in the business world. They are as follows:

MANAGEMENT DECISION MAKING by Max Richards.

BUSINESS POLICY IN GROWING FIRMS by Robert Buchele.

BUSINESS IN A DYNAMIC SOCIETY by Donald Hart.

PRINCIPLES OF MANAGEMENT AND ORGANIZATIONAL BEHAVIOR by Justin Longenecker.

MANAGEMENT THEORY AND PRACTICE by Ernest Dale.

THE MANAGEMENT OF PERSONNEL RELATIONS by Cyril Ling.

PRODUCTION CONCEPTS, ANALYSIS AND CONTROL by Richard Hopeman.

THE ECONOMICS OF LABOR AND COLLECTIVE BARGAINING by William Miernyk.

√

New books ready for you to borrow at your Public Library:

INCREDIBLE VICTORY by Walter Lord. The author of several classic histories of trial and heroism here tells the thrilling saga of a true turning point in history, the June, 1942, Battle of Midway, which has come to be recognized as the "most decisive and significant naval action since Trafalgar."

√

BABBITTS AND BOHEMIANS, the American 1920's, by Elizabeth Stevenson. There has seldom been so fresh and so informed an account of the 1920's, a decade that seems almost mythical to younger readers, and a more or less blurred remembrance to those who lived through it.

√

NORTH TO YESTERDAY by Robert Flynn. A comic, and sometimes tragic novel, about some wonderful misfits and dreamers who made a belated drive of longhorn cattle from Texas to the railhead in Kansas.

√

A WILDERNESS BILL OF RIGHTS by William O. Douglas. In this well-known Supreme Court Justice, conservation has found the advocate and defender it so desperately and passionately requires. Justice Douglas enlists the reader in his fight, our fight, to defend our national heritage against disfigurement of natural beauty, the pollution of rivers and streams, and the decimation of wildlife.

√

A GUIDE TO BETTER HANDWRITING by Tom Gourdie. This little book includes principles of handwriting, the various styles now found in the schools, and the new methods of teaching handwriting.

√

PLASTIC FOAM FOR ARTS AND CRAFTS by Brock Yates. Whereas wood and clay require specialized tools, Styrofoam is cut with a kitchen knife and sticks together with anything from paste to toothpicks. Elaborate foam objects can come from the hands of a 10-year-old working on the kitchen table. The purpose of this book is to show you it's many uses for fun and profit.

BRITTON BRIEFS

Forrest Bumpus returned home Sunday after undergoing surgery at St. Joseph's Hospital, Ann Arbor.

√

Mrs. Paul Rowlands held a surprise birthday dinner Sunday for her husband. Guests were their children and grandchildren, Mr. and Mrs. C. Paul Rowlands and daughters, of Clinton, and Mr. and Mrs. Landon Rosasco and daughter of Ann Arbor.

√

Mrs. Beverly O'Hara and children were Saturday supper guests of Mrs. Clyde Brown. Kathy O'Hara remained for an overnight visit.

Dinner guests Sunday evening were Mr. and Mrs. Robert Goetz and sons of Ann Arbor. Additional callers Sunday evening were Mr. and Mrs. Lillard Brown, Sr., of Wolf Lake, Onsted.

√

Mr. and Mrs. Lawrence Hoagland, together with their guests, Mr. and Mrs. A. R. Musson, Mr. and Mrs. Robert Cook and Mr. and Mrs. Lawrence Kirkton, all of Rochester, enjoyed a tour of Richland's in Blissfield Saturday and dinner at the Hathaway House. They all returned to the Hoagland home for a social evening.

√

Britton residents attending the Cathy Rost-Gary Brown wedding in Blissfield Friday were Mrs. Viva Brown, Mr. and Mrs. Ned Brown, Mr. and Mrs. Henry Brown and Jeff, and Mr. and Mrs. Robert Wallace.

Pooch Upsets Motorcycle

CLINTON — Alan Gorte 17, of Manchester, was treated at Herrick Memorial Hospital for cuts and bruises on the arms and hands Saturday.

Gorte was driving a motorcycle, when he came over a hillcrest a dog began to chase him and ran in front of the motorcycle.

When the dog was struck, the motorcycle overturned.

Mail Yule Cards and Gifts Early Is PM's Advice

Suggested mailing deadlines for Christmas mail have been announced by Postmaster Jack Metcalf.

If people mail early, the expected record-breaking volume of well over nine billion pieces of mail to be delivered during the holiday season will arrive at its destination on time.

Special attention will again be placed on the delivery of mail to servicemen in Vietnam and the surrounding area.

Deadlines for mail to all members of the armed forces abroad are:

- Gifts weighing more than five pounds sent by surface postage rates, Nov. 11.
- Gifts five pounds or less, plus letters and greeting cards sent at surface rates (these go by air on a space available basis), Dec. 1.
- Air mail gifts and greetings, Dec. 11.

Deadlines for domestic military and civilian mail are:

- Domestic surface mail: gifts to distant states, Dec. 4. Greeting cards to distant states, Dec. 10. Gifts and greeting cards to near-by areas, Dec. 13.
- Domestic air mail: Gifts and greeting cards, Dec. 19.

Deadlines for overseas civilian mail are:

- Far East, Oct. 15. Other areas, Nov. 1.
- Overseas air mail: Remote areas off main air routes, Dec. 1. Areas on heavily traveled air routes, Dec. 10.

Auxiliary Holds Party for Veterans

The Hall-Slater Auxiliary to Post No. 4187 gave their annual hospital party at the Veterans' Hospital in Ann Arbor, last Wednesday in cooperation with the local post.

Those attending from Tecumseh were Mrs. Walter Mueller; Mr. and Mrs. Lloyd Stites and son, Allen, and daughter, Diana; Mr. and Mrs. Richard Eisenmenger and son, Kenneth; Mr. and Mrs. Norman Sisty, Mrs. Marilyn Betz, Mrs. Naomi Martin, Mrs. Betty Strand, Mrs. Madonna Groves, Mrs. Blanche Miller, Mr. and Mrs. Richard Perry and Mr. and Mrs. Harold Warren.

Bingo was part of the entertainment and also the Shamrockettes Quartet of the Sweet Adelines of the Irish Hills.

Refreshments were served to over 75 veterans at the hospital.

Siena Offering Special Series

A special discussion series to be offered this fall by Siena Heights College, Money Management Institute, will concern the immediate and long-range financial decisions confronting individuals throughout their adult life.

Sister Petronilla, president of Siena Heights, said that originally the series was designed for the students. However, because of interest expressed by others, the program will be open to the public and no fee will be charged.

The schedule is as follows:

Sept. 27 — Banking, services offered by financial institutions.

Oct. 4 — Insurance, individual and family situations.

Oct. 11 — Stock market, explanatory and basic approach to investing.

Oct. 18 — Wills and estates, applicable laws and legal requirements.

Oct. 25 — Taxes, local, state and federal.

All the discussion leaders will be professionals who are specialists in their fields.

we care

a lot of your neighbors have stopped baking pies!

Maybe it's because they discovered Jane Parker Pies . . . thousands have.

But . . . you say, "No thanks, there is nothing like a good home-baked pie."

We agree . . . they're great."

But would you believe it if we told you our Jane Parker Pies taste home-baked?

Probably not . . . until you've tried one.

Then you'd discover the crust is short and flaky like your own.

You'd discover the fruit is the kind you'd use . . . the best . . . juicy, not stiff with starch.

And if you popped a Jane Parker Pie into the oven and warmed it before serving, you'd discover a pie you'd be proud to call your own.

Are Jane Parker Pies a good reason for shopping A&P? They're one of many.

Showers Honor Shirley Kuehn

BRITTON — Shirley Kuehn was the guest of honor at a bridal shower last Sunday at the Britton High School Home Ec room.

She will become the bride of Kenneth Ivan on Oct. 21.

The tables were attractively decorated in gold and green for the 50 guests. Games were played, and refreshments were served by the hostesses, the sisters and aunts of Ken Ivan.

Many useful gifts were opened by the bride-to-be.

Miss Kuehn was further complimented at a shower Wednesday evening at the home of Mrs. Roberta Sherman in Potterville. Mrs. Martin Ivan and Mrs. Jerry Benedict attended from Britton.

Vietnam GI Gets Party

BRITTON — A welcome-home part for S/Sgt. Kenneth Plank was held Sunday at the home of his aunt and uncle, Mr. and Mrs. Jack Riese of rural Tecumseh.

Sgt. Plank recently returned home from duty in Vietnam.

Fifty-five family members gathered for a cooperative dinner.

Seven September birthdays in the Riese family were also celebrated, as well as the wedding anniversary of Mr. and Mrs. William Swanston of rural Tecumseh.

5 Attend County Lunch Meeting

BRITTON — The annual banquet of the Lenawee County Lunch Association was held Monda evening at the Fairfield Methodist Church.

Attending from Britton-Macon School were Mrs. Neal Judkins, Mrs. Melvin Henry, Mrs. Forrest Barrett, Mrs. Art VanWormer and Mrs. Henry Brown.

—o—

Mr. and Mrs. Larry Patterson and daughter were recent weekend guests of his parents, Mr. and Mrs. Charles Patterson. While here, they assisted his brother and wife, Mr. and Mrs. Jack Patterson and sons, to move into their new home on Meadow Brook Drive in Adrian.

Ashes Host Duet Class

BRITTON — Mr. and Mrs. Lawrence Ash were hosts for the Christian Duet Class in their home last Wednesday evening. Twenty members and two guests were present for the potluck supper and meeting.

President Lawrence Ash conducted the business meeting. It was reported that the class had paid its pledge to the church for this year.

It was moved to sponsor a campfire group again this year. Mrs. Douglas Fairbanks and Mrs. Paul Rowlands will continue as sponsor for the 4th grade group.

Mrs. Henry Brown gave the program, as the group listened to a record by the Rev. Bob Harrington, "The Chaplain of Bourbon Street" in New Orleans. He gave a very interesting message on life and death. Discussion followed.

The Rev. Gustav Hannevik closed with devotions.

22 Guys, Gals Enjoy Church Treasure Hunt

BRITTON — If you saw several cars full of people who were intently peering out of car windows as the drove around Britton and Tecumseh Saturday evening, and looking for big yellow signs in all sorts of odd places and flashing flashlights around, it was probably the senior choir members and their friends from the Congregational Christian Church, hurrying to find and decipher the 13 clues on a Treasure Hunt.

Twenty-two guys and gals enjoyed the outing, before returning to the Fellowship Center for a social evening and refreshments.

The evening's events were planned and prepared by the choir director, Mrs. William Raeburn, and her husband.

Two Show Slides About England

BRITTON — Miss Bertha LaPointe and Mrs. Lillian Butolph of Tecumseh entertained the Baraca Philathea Class when they met Sunday evening at the Fellowship Center of the Congregational Christian Church.

The two ladies showed slides and related man interesting and amusing incidents of their trip to the British Isles this past summer.

Twenty-one members and two guests enjoyed a potluck dinner. President Mrs. Leland Bush conducted the business meeting.

Devotions were given by Mrs. Gerald Benedict on "Christian Education Week," with scripture from Ephesians.

The October meeting will be in the home of Mr. and Mrs. Charles Patterson.

Help Is Sought by Britton Schools

BRITTON — The school is urgently in need of a bus driver and several substitute bus drivers, stated Supt. William Saxton.

"We are also in need of substitute teachers, as we only have one who qualifies right now," added Mr. Saxton.

Seven Receive Imprinted Bibles

BRITTON — Members of the Primary 2 class of third grade students at the Congregational Christian Church were presented with bibles, imprinted with their names in gold, at the Rally Day and Promotion Sunday program.

They included Lori Auten, Nancy Lorenz, Tracy Benedict, Mollie Younglove, Brad Rhora, and Pamela Vallie. Also receiving a bible was Sally Costello, who has been away in Ireland for two years.

All of the children and young people were promoted to new classes which will commence next week.

The Rev. Gustav Hannevik opened the program with a welcome, and Dan Shepherd gave the prayer.

Special music was presented by the nursery, beginners and primary one children, as well as the junior choir of the church.

The second, third, fourth and fifth grade pupils gave recitations.

Mrs. Eldon Reeck, Sunday School Superintendent, gave the annual report. Dave Reeck gave the mission report and offering. Presentation of Bibles and promotions was made by assistant supt. William Saxton.

After group singing of "Saviour, Like a Shepherd Lead Us," Rev. Hannevik gave the benediction.

Teachers in the Sunday School for the coming year will be:

Nursery, Mrs. James Arft; Beginners, Mrs. Fred Hall; Primary 1, Mrs. Richard Bruce.

Primary 2, Mrs. Ron Frayer; Junior 1, Mrs. Ruth Auten; Junior 2, Mrs. Henry Brown;

Junior 3, Mrs. Gustav Hannevik; Junior High, William Saxton; Senior High, William Raeburn, and adults, Rev. Hannevik.

Robert Christ Is Principal

BRITTON — Robert Christ is the new principal of Britton-Macon High School, coming to Britton from Oregon the end of August.

ROBERT CHRIST

Mr. Christ graduated from Belleville High School in 1952. He received his Bachelor of Science degree in social studies from Eastern Michigan University in June, 1960, and his Master's degree in public school administration from the same university.

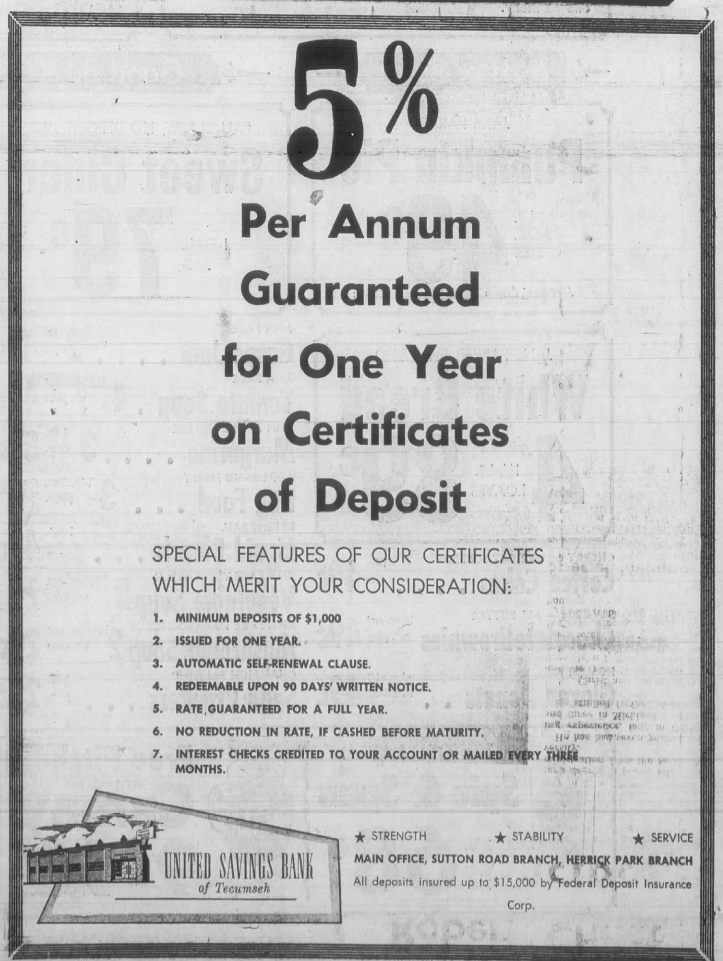
He has had seven years teaching experience, four in Oregon and three in Michigan.

He studied further at Oregon State.

Mr. Christ and his wife Doris are the parents of three children, John 7, Letitia 5, and Holly 2. Mrs. Christ and the children recently returned to their home in Oregon, after the family was unable to find suitable housing in this area.

Special Meeting

BRITTON — There will be a special meeting of the Britton Odd Fellows Thursday evening at 7:30 p.m. in the I.O.O.F. Hall. All members are urgently requested to attend.



Fund Wants Contributions Returned to Tecumseh

A drive to raise $55,000 for the Tecumseh Community Fund Foundation starts here next week with solicitations in the local area industrial plants.

The business, professional and residential campaign start the week of Oct. 16.

Local Fund officials are making every effort to see that Tecumseh and immediate area residents, who work in plants in other cities, assign their contributions through payroll deductions to the Tecumseh Fund.

Officials say that plants here annually send out approximately $7,000 to other cities, but only $300 or $400 are ever returned here.

Out-of-town workers have a perfect right to have their contributions returned to Tecumseh — where they and their families live — by merely telling their employer that their donations are for the Tecumseh Fund.

If a worker then informs the local Tecumseh Fund that his donations have been allocated for Tecumseh, the local Fund officials can follow up and make sure the contribution is received here.

Directors of the Fund feel that Tecumseh loses several thousand dollars annually because employees are not aware that they do not have a choice.

Their monies are needed locally to help finance projects beneficial to the whole community, including their own family, neighbors and friends.

At the present, such monies would be used to help develop Tecumseh Park — or the Pit. This has been a favorite swimming site for many years and is now being developed for other recreational and family programs.

Poor Pickup Service Irks City Council

Modern Disposal of Napoleon came under severe criticism by Council Monday when city officials charged Phil Duckhom, owner, with missing trash and garbage pickups.

Mayor Harold Easton told Duckham, "I'm sick of so many complaints, and I want to know what you intend to do about them."

Duckham blamed most of his troubles on the residents, saying they put too much in the paper sacks, and some overload them with trash and junk, thereby making them too heavy for his men to handle.

A rundown of his arguments were:

- Need a weight limit for the sacks.
- Sacks are filled to the brim and not folded over.
- Residents don't get their sacks out, forcing him to wait till noon to start pickups.
- Need more money.

All but his last argument was discussed during a lengthy explanation of why service has dropped here recently.

He asks that residents get their sacks out early, either the night before or early in the morning, and not to overload them.

Duckham also hopes that residents will fold the tops over, which makes for easier carrying without littering the ground.

Easton and Councilman Sunderland told him that many of his problems would be eliminated if he'd pick up on scheduled days, instead of the following day, or even the next day.

They told him residents weren't sure when his trucks would be around and are reluctant to put out their sacks until it's certain pickups will be made.

Duckham told Council that St. Regis, supplier of sacks and holders, have failed to supply him with holders needed by some residents. He said that his agreement with the supplier is so mixed up that the company has threatened to pick up holders supplied to residents when the paper sack system was introduced here.

Council told him that St. Regis was not going to pick up the holders, and if he was dissatisfied with the company, he could do business with some others.

Residents will receive new sacks for 1968 in October, November and December.

Lease Offer Made for Additional Off-Street Parking

Federal government's urban renewal plan caused Council Monday night to delay action in clearing property in the southeast downtown block, for additional off-street parking.

James Beardsley, attorney, and William Wright, pharmacy owner, offered to lease to the city their property along an alley running behind the stores.

The area includes a series of run-down garages and a present private parking lot, just north of the fire department, owned by Mr. Wright.

Cal Zorn, city manager, told officials that he thought they could get Federal assistance if they left the garages remain until the city is ready to start on the project.

At the present, Zorn hopes to complete another off-street parking lot behind Lamb's Pharmacy and Kohler Real Estate, in the southwest block.

Some construction work has been completed. The area will be blacktopped and metered.

BOOM — Sterling Moss, Larry LoPatin, Henry Banks and Susie Pihl set off dynamite at MIS ground-breaking last week. Banks is Indy's racing czar, and Susie, "Miss MIS".

Speedway Breaks Ground for Track

Work at the Michigan International Speedway officially got underway last Wednesday when Lawrence LoPatin, Sterling Moss and others participated in a ground-breaking ceremony at the site, just west of the M-50 and US-12 intersection.

Even a steady rain failed to dampen the occasion, including a helicopter jaunt to the site from Metropolitan Airport by Moss, world-famous racing driver and one of the MIS directors.

LoPatin, MIS president, speaking at the ceremony, dropped a hint of what's to come when he said, "Michigan International Speedway will be a yardstick for other racing tracks."

Moss, later at a press conference, spoke optimistically of MIS and of the advantages it will have over other tracks, including England's famed Brands Hatch.

Cambridge Junction's new track was designed by C. H. Moneypenny, a native of Ludington, who has resided in Florida since 1951.

Moneypenny designed the Daytona International Speedway and is a consultant for Atlanta and Charlotte speedways.

MIS has a scheduled race for next October and a full slate for 1969. In the meantime,

hills must be lowered, valleys filled and months of work completed before actual racing starts.

It's the hope of MIS officials to leave as much as possible of the terrain and general surroundings as it exists today. The rolly, partially-wooded 575-acre site includes the beginning of River Raisin.

Estimated cost of MIS is $4.5 million, including an oval track, a road-racing track, and a grandstand for 25,000. As the MIS grows, a 100,000 stadium will be constructed in stages.

The oval track covers two miles, and the road race course, two and three-quarter miles.

Besides racing, MIS will conduct a school for drivers and will be used by the big auto companies for testing their cars.

At the ground-breaking ceremony, John Marsh, Canadian sportscaster, introduced other officials — members of the MIS board of directors; racing officials including Chrysler Corporation's chief representative; and Ronald Brown, Cambridge Township supervisor, who welcomed MIS to his township.

William Powell, Tecumseh real estate businessman who handled much of the land acquisitions for MIS, was introduced as a director.

Doctors May Buy Lot for $3,400

City property, amounting to about one-third of an acre, has been approved for sale to doctors at the medical-dental clinic for $3,400, plus appraisal and legal fees.

The site, east of Herrick Hospital and south of the clinic, will be used for parking.

Glen Kohler, local realtor, appraised the property.

Clinic Saturday for PP&K Contest

A football clinic, or practice session, will be held this Saturday morning at the athletic field for youngsters planning on participating in the annual Punt, Pass and Kick contest, sponsored by the Ford Motor Co.

Frank Sandhoff and Ric Creswell will conduct the clinic and register boys, starting at 10 a.m.

Saturday is the last day to register and parents may register their boys either at the clinic or at Underwood Fordland in Clinton.

Bashore To Be Honored at County Band Festival

The Rev. Blair Bashore will be honored at the 21st annual Lenawee County Band Festival Tuesday, Oct. 10, on the football field in Tecumseh.

He assisted the late Clare Camburn in founding the event and has been the narrator as high school bands throughout the county performed each year.

Don Johnson, local band instructor for the high school, has stated that this is the first year that the minister of the First Baptist Church will not be heard as narrator.

REV. B. O. BASHORE

The Lenawee County Band Association is honoring him for his enthusiastic participation and service to the people throughout the county with the band festival.

Mr. Johnson said that with the added bleachers, it is anticipated that the largest crowd ever will witness the fine show, consisting of seven minutes from each of 11 bands in marching maneuvers, pageants, story-telling and music in colorful display with baton twirling and dancing.

Flag-raising ceremonies to open the festival will begin at 8 p.m. The playing of three numbers by the massed bands will conclude the program about 9:30 p.m.

Tickets, 75c for adults and 50c for students, are available from any band student in the participating area. Proceeds are to be divided equally among the bands.

Expenses will again be borne by the Tecumseh City Recreation Fund and the physical operations of the festival by the Tecumseh Band Boosters.

Those unable to attend the affair may listen to live coverage by Betty Flanders over radio station WLEN-FM.

In the event of rain, the festival will be held Wednesday, Oct. 11, at the same time.

Fisher Body Wants City Protection

Tecumseh's Fisher Body Plant, located about two miles south of town in Raisin Township, has officially requested that Tecumseh provide its facility with fire protection.

The city has not provided the township with any fire protection since spring, when Raisin officials asked that they discontinue making runs into the township.

In a letter to Cal Zorn, city manager, GM has requested an agreement and annual fee for such protection.

Since the letter was not received until after Monday night's Council meeting, any action will probably not be taken until the Oct. 16 session.

Raisin Township has notified GM that it will not object to Tecumseh making fire runs to its plant on Occidental Hwy. However, it's also understood that Raisin will not pay for any such runs.

Enrollment Hits 3,367

Official Tecumseh school enrollment for the 1967-68 term is 3,367 students, an all-time record.

The figure is also two more students than registered at the opening day of school, Sept. 5. Official enrollments are taken for state aid on the last Friday in September.

The increase in students will provide a slight increase in monies, since the budget was figured on 3,350 students.

Tecumseh High School fell 54 pupils short of 1,100, the required number for Class A schools.

2 Tecumseh Girls Hurt

Two Tecumseh teenagers, Barbara Powell, 16, daughter of Mr. and Mrs. William Powell, Occidental Rd., and Ann Sage, 17, daughter of Mr. and Mrs. Robert Sage, Taylor Rd., suffered injuries Saturday afternoon when they were hit broadside in an auto accident in Adrian.

Miss Sage was driving on Main St., when another car reportedly came out from a side street and smashed into the left side of the auto. The other driver was arrested.

Both girls were still recovering at home as of Wednesday.

Barb suffered a neck and back injury, and Ann, ribs and neck. The car was extensively damaged.

Two THS Students Nationally Ranked

Letters of Commendation honoring Barry C. Lamkin and Jane L. McConnell for their high performance on the 197 National Merit Scholarship Qualifying Test (NMSQT) have been awarded, Principal Neville Hart has announced.

They are among 40,000 students in the United States who scored in the upper 2 percent of those who will graduate from high school in 1968. The Commended students rank just below the 14,000 Semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

There were 800,000 students in 17,500 high schools who participated in this program!

Injured Sent to Ann Arbor

Three were sent to St. Joseph Hospital, Ann Arbor and two others received light bruises in a three-car accident Sunday at 1:05 a.m. at the corner of M-50 and Downing Hwy.

John L. Roberts, 34, Downing Hwy., Britton, was waiting in his pickup truck to make a turn from M-50 when it was struck from behind by a car driven by Sherry Bortles, 19, of Milan.

Thomas F. Johnston, 24, of Milan and Virginia Devore, 18, of Dundee, were passengers in the Bortle car. All went to Herrick Memorial Hospital by ambulance and then transferred to Ann Arbor. Their injuries are unknown. The car was totally demolished.

Carl Ernest Henning, 74, of County Line Rd., Britton, collided with the other cars, damaging the left front of his auto.

He and Mr. Roberts received light bruises.

UNICEF Date

Collections for UNICEF will be conducted here on Sunday, Oct. 29, Mrs. Fred Feight and Mrs. Carroll Sprague, co-chairmen, announce.

Children do the soliciting and proceeds are for needy children in other countries.

Condemnation Also Opposed by Township

Tecumseh's efforts to acquire 25.5 acres for a new well field ran aground of new opposition this week when Tecumseh Township took initial steps to block the purchase.

Art Eaton, township supervisor, says legal counsel has been contacted for opposing the sale — or the condemnation.

He said the township would be setting a precedent if it allowed the city to obtain property at will, without objections from township officials.

Eaton, real estate agent, and Glenn Kohler, Tecumseh realtor, refused the city last week to appraise the 25.5 acres. Refusal was made on personal reasons, and the fact that Eaton, as a supervisor, felt he should not be involved.

Tecumseh is presently condemning the property, owned by George Underwood, auto dealer. A pre-trial hearing is scheduled before Judge Rex Martin on Oct. 12.

The site is south of Staib Rd., borders River Raisin on the west, New York Central Railroad on the right, and is just west of Kaiser and Loveless Rds.

City is offering the car dealer $1,000 per acre. If the city is successful in obtaining the property, new wells will be installed and mains to the area constructed.

Mr. Underwood is fighting the condemnation and points out the acquisition would separate his property, since he owns other land, directly north and south.

Tecumseh is also asking for a 25-ft. right-of-way for a road to the well field, and the right-of-way runs along the railroad tracks — and on Underwood property.

Tecumseh Township's objection is probably the first rebuttal to the city in many years. Township officials have traditionally cooperated with the city in approving annexations and other city-township related problems.

Brady Low Bidder

Brady Sand and Gravel Company was low bidder for installing sewer and water leads to the Pit, Council learned Monday night.

City Manager Cal Zorn was authorized to contract with Brady for the job, bid at $750.

Sole other bidder was Selders.

Who Pays for Tanker?

A proposal to purchase a 15,000-gallon tanker for the Tecumseh Fire Department was delayed by Council Monday until after a meeting with township officials.

Wallace MacGeorge, fire chief, told councilmen that the present 600-gallon tanker was inadequate and a larger tanker was necessary if proper protection was to be given township property owners.

Estimated cost of a new tanker is $15,000.

Council delayed action when a discussion arose as to payment for the tanker. Cal Zorn, city manager, said the city already was losing money on fire calls to the rural areas.

Councilman George McCombs suggested that the townships buy the tanker, and the local fire department service and man it for rural fires.

Dr. Carlton Cook moved that the townships actively participate in the buying of the tanker and a meeting be arranged with them.

Anyone wishing to see the Florida shell collection of Mrs. E. H. McConnell may do so this week by visiting the Centennial farm home of the McConnells on Rogers Hwy. The complete 600 are placed for easy viewing and are well worth the seeing.

This is **National 4-H Week** and in observance, the **North Franklin Hustlers 4-H Club** have arranged a display in the window of **Holmes Pharmacy.**

"Happy Birthday, Herald," said the cheery voice of Mrs. John Howell Monday morning over the telephone. It seems, in delving into the depths of Clara Waldron's history of Lenawee County, Mrs. Howell came across the information that The Tecumseh Herald was born Oct. 1, 1850. By the way, work is going ahead on the local historian's masterpiece of which many Tecumsehites are waiting patiently to have a copy.

Some gals in this area have a yen to be trimmer and maybe a trifle skinnier. The YMCA in Adrian will start an evening class of slimnastics plus swimming, providing about 30 women show an interest in the night workout. **Mrs. Harvey Wilson, Mrs. Richard Purkey,** and **Mrs. Paul Roekle** and **Dorothy Grigg** are some of the growing list. A membership at the "Y" is $35 per year and includes the use of equipment for exercising and all facilities. A call to the "Y" or any of the above people will help to get the project under motion.

MRS. DAVID ALLEN FRENCH

Beverly Ann Lorenz Wed To David Allen French

Beverly Ann Lorenz and David Allen French were united in marriage Sept. 30 by the Rev. Fr. Hawthorne at the St. Peter's Episcopal Church.

Parents of the couple are Mr. and Mrs. Herbert W. Lorenz, 503 Russell Rd., and Mr. and Mrs. Allen French of Middle Lake, Onsted.

Ennis Fruhauf accompanied the soloist, Mrs. William Hughes.

Escorted to the altar by her father, the bride wore a lace dress fashioned with full floor length skirt, sabrina neckline, natural waistline and tapered sleeves to her wrists.

She carried a cascade of white roses centered with an orchid.

Sandra Sweet was maid of honor in an empire styled floor length gown of peacock blue.

Bridesmaids were Sandra Mepham of Adrian and Cathi Elgas of Toledo, both attired like the maid of honor.

Al Peake of Toledo served as best man and the 350 guests were seated by Ange Peake and Gary Lorenz, brother of the bride.

Pink was the predominating color used in the decorations of the Products Workers Union Hall for the reception.

The bride attended Tecumseh High School, and her husband graduated from Onsted High School and is employed at the General Motors plant at Willow Run.

The couple will live at 204 Chicago Blvd. following a wedding trip to Niagara Falls.

The rehearsal dinner was given by the groom's parents at the Ole Town Pump restaurant in Blissfield.

Joyce Hadsell and Hubert deKanter Wed

Joyce Hadsell and Hubert Philippus deKanter were united in marriage in a ceremony in a Methodist Church, Washington, D. C., Friday.

MRS. HUBERT P. deKANTER

The bride is the daughter of Mr. and Mrs. Paul Hadsell of 211 N. Oneida St. The bridegroom is the son of Dr. and Mrs. Hubert deKanter of Mexico City, Mexico.

She is a graduate of Tecumseh High School and American University in Washington, D. C. She is a secretary to Congressman John W. Byrnes in Washington.

Mr. deKanter is completing a degree in speech and the arts at Amsrican University. The couple will live in the capitol until June when they plan to move to Mexico City.

They arrived in Tecumseh Saturday and were guests at a family dinner at the home of her parents.

Attending the dinner and remaining for the weekend were A 2/c and Mrs. Richard Hadsell of Goldsboro, N. C., and Mr. and Mrs. James Hadsell and family of Jackson.

The newlyweds left Sunday for Washington, D. C.

You Told Us

by DOROTHY GRIGG
Herald Women's Editor

Michigan's greatest show of the year is brought to you in living color.

As the greens of summer give way to flamboyant scarlet, orange, yellow and brown of autumn, Michigan's forests become a color extravaganza and your reserved seats are in your own automobile.

Free autumn vacation information and color tour suggestions are available from the Michigan Tourist Council, Lansing, 48926.

Speaking of color tours, the one in the Irish Hills is about as magnificent as you will find, and the coffee pot is always available at the Lyle Grigg residence on Alfens Lake. Dont bit me, Pa, they probably won't all come at one time, anyway.

Norman will be home this weekend after two years in Uncle Sammy's Navy, too, and he would like to see all his friends and families.

The Robert Hunts are expecting their son, Howard, to arrive home Wednesday evening from Fort Huachuca, Ariz. He has spent the past two years in the army.

Mr. and Mrs. Marvin Leismer and son were in Petoskey last weekend to visit his parents, Mr. and Mrs. Ralph Leismer, and her sister and husband, Mr. and Mrs. Harvey Temple in Oden. Thursday Mrs. Leismer visited another sister in Dearborn.

Lt. Donald C. Beaubein entered Great Lakes Naval Hospital Sept. 23 for major surgery. At press time he was reported in satisfactory condition, and expected to be released to go to his home at 441 S. Orchard St., Waukegan, Ill.

Mrs. James Artman, who has been a patient at Foote Memorial Hospital, Jackson, this past week for surgery, has been transferred to Marlin Convalescent Center, 434 W. North St., Jackson. She would appreciate mail from her friends.

Mr. and Mrs. Stanley Cook and David and Bobby were in Lansing Sunday as dinner guest of Mr. and Mrs. James Cook.

Airman and Mrs. Leonard Lendon and son, Jerry, arrived at the home of her parents, Mr. and Mrs. Stanley Miller, Tuesday evening for a two-week leave before he goes to Quonset Pt., R. I., for sea duty. Mrs. Lendon and Jerry will remain here with her parents.

Lee Purkey was an honored guest for dinner Tuesday evening at the home of his son and wife, Mr. and Mrs. Richard Purkey, in observance of his birthday anniversary. Other guests included Mrs. Lee Purkey, and Pam and Betsy Purkey, daughters of the Don Purkeys.

Gordon Garlick has returned from St. Joseph Hospital, Ann Arbor, where he underwent surgery of the spine. He is convalescing at home.

Services Set for Britton Church

BRITTON — "Gates of the Gospel" will be the subject of Sunday's sermon by the Rev. Duane McNeil, pastor of the Britton Baptist Church.

The worship service begins at 11 a.m. with Sunday School at 10 a.m.

Mr. McNeil will speak on "Four Last Things For The Last Supper" at the evening service. Sacraments of Holy Communion will be offered following the 7:30 p.m. service.

Young People and Adult Bible study will meet at 6:30 p.m.

Mid-week prayer meetings are held every Wednesday evening at 7:30 p.m.

The Ladies' Missionary Society will meet this Thursday at 7 p.m. at the church. The women will each bring a spool of white thread and a needle. This is a change in that meetings will be held in the evening instead of afternoon.

"If you are looking for a church home, come and worship with us," said the pastor, Duane McNeil.

Georgia Meads Honored Guest at Bridal Shower

Linda and Janice Sinkey gave a bridal shower Monday evening for Georgia Meads, whose marriage to James Dart will be an event of Nov. 4.

Fourteen were present from New York City, Adrian, Hillsdale and Tecumseh.

Virginia Smock of New York City telephoned her congratulations to the bride-elect.

Blue and white colors were used to decorate the home, and a cake featured in the refreshments.

Games were played with prizes, awarded to the bride-elect, won by Mrs. Gary Penrod, Mrs. James Meade, Mrs. George Meads and Nancy Jo Sinkey.

ATTEND CLINIC — Tecumseh junior and senior high cheerleaders attended a clinic at Eastern Michigan University Saturday. They were accompanied by Mrs. Robert Kiebler and Mrs. Richard Wells, advisors. Shown are Jan Snyder, Linda Oberlin Karen Brown, Lorie Beevers, Dulce Robinson and Debbie Goldsberry.

Well Regulations Are Your Safety Features

If you're having a water well installed on your property there are certain facts you should know about, according to the Michigan Department of Public Health.

Before you agree to have someone drill your well, make sure the contractor is registered with the state health department. The law requires that a decal bearing a current year date and the firm's registration number appear on the company's vehicles.

The registration provision also applies to water well pump installers, although in most cases, the same firm may drill the well and install the pump.

Health department engineers advise that you make sure that the well casing terminates at least 12 inches above ground level. This will protect the well against any possible source of contamination, such as flooding, and also make it easy to locate if there is any trouble.

Well pits are no longer permitted under the new rules unless approval is first obtained in writing from local health officers. Only in special rare instances will such approval be granted.

The problem with the use of pits, according to public health officials, is that they accumulate all kinds of debris and are susceptible to flooding. A flooded pit is a serious health hazard and in addition causes economic losses due to burned-out motors.

State law also requires that a well must be located at least 50 feet from any source of contamination, such as a septic tank, subsurface disposal field, dry well, outhouse or barn yards.

The well driller must provide you with a copy of the water well record, showing the complete history of the well and pump installation. The driller must also file copies of the record with the local health department and the Michigan Geological Survey.

If you feel that your well has been improperly installed, first contact the driller who did the job. However, if there is still a problem, you should call the local health department.

The department will require the driller to correct any work done not in accordance with state law.

Fun Night

BRITTON — Plans are in the final stages for the annual PTA Fun Nite, to be held Saturday, Oct. 14, at the school.

Hours this year will be from 5 to 9 p.m. The cafeteria will be open for light supper from 5 to 8:30 p.m.

The Ways and Means Committee is in charge of the arrangements for the evening. It has been announced that all people who are working on booths and games are to meet Friday, Oct. 13, at 7 p.m., in the gym for instructions.

Tickets for valuable door prizes are available from grade school children or at the door at 10 cents each.

Fun Nite offers fun for all ages, with games, shops, raffles and many other entertainments.

A closing feature will be a Greased Pig contest at 9 p.m. on the athletic field. This is open for third, fourth, fifth and sixth grade children.

Other activities include a cake walk, thrift shop, country store, bowling game, fish pond, candy and bake sales.

Officials point out that you will have a good time, and aid the PTA in its one money-raising event of the year.

Never Ashamed of GI

JULIE STARS ON TV — Julie Parrish is currently starring in a fresh, new comedy series on Channel 11 television, entitled "Good Morning, World," each Tuesday evening at 9:30 p.m. Miss Parrish, known here as Joyce Wilbar, is pictured riding in a local parade when she happened to be home visiting her parents, Mr. and Mrs. W. R. Wilbar, 421 N. Evans St. Her brother, Jim Wilbar, is presently broadcasting news over the Monroe FM radio station, and disk jockeying in between times.

"I never saw an American soldier I was ashamed of, and I saw many of them," said Pastor Luther Voss at the seventh annual Mission Festival Tea Friday afternoon at Grace Evangelical English Lutheran Church.

Voss, 72, is a civilian chaplain, a WELS—Wisconsin Evangelical Lutheran Synod man, called to spiritual welfare work in Vietnam.

He was assistant pastor to his son, Bob, in a Milwaukee, Wis., church of 2,200 persons prior to receiving his call in November, 1965.

In speaking to members of the ladies society of the church, Pastor Voss emphasized that every American serviceman has the right to worship God according to the dictates of his own heart and in his own faith as provided in the Constitution of the United States and also in service regulations.

"I have no authority there but the soldier has, and his religious faith is respected. When a serviceman asks for a pastor of his own faith, the man is either brought to the pastor or the pastor to him," he continued.

He said that all of Vietnam is a combat area, and he told of traveling more than 600 miles to visit at the bedside of a young son of a friend of his wife.

The boy, Carl Otto, was gravely wounded as he flew his helicopter. The same bullet that severed the main artery in his leg also brought his copter down in the thick of Viet Cong territory.

Pastor Voss found him in a tent hospital where he had had 21 blood transfusions and was [illegible] in spite of his serious condition.

"He wasn't complaining," said the chaplain, "None of our boys are and they are boys, 18 and 19 year olds, mostly."

"They like the little kids and they play with them, carrying candy and gum for the children who climb all over them," the pastor told eager women in the audience, many of them mothers of boys in the armed forces.

"You hear stories of the wickedness over there, but can you imagine men being wicked who work 12 hours every day, seven days a week with no change? These men aren't old enough to vote even in your congregation and they are being shot at and pushed around, in the mud and sand, yet they don't complain. They believe that they are obeying our government whom God has placed over us, therefore they are obeying God," the Rev. Voss explained.

In reference to the demonstrations for peace, he said, "What do they know about it, anyway?"

"Our President took an oath before God and that is just like praying. He will have to explain why our men should go to Vietnam," he continued.

The chaplain supports the president wholeheartedly because he has unlimited resources to acquire knowledge that the laymen knows nothing about.

Pastor Voss and his wife lived and had their headquarters at Saigon, the capitol of South Vietnam. He said that the population was one million after World War II, and now it is over three million and two thirds of them are living in the streets. Many children without parents, and they eat what they can get.

He told of the Vietnamese people and their life which demonstrates the Biblical "dead in tresnass and sin."

"It's heathendom and you can't imagine how horrible it is until you have lived with them."

Pastor Voss said that most of his work was done with the individual man. The most he was able to get together for a service at one time was nine, including he and his wife.

Nevertheless, the chaplain remarked that the most thrilling ministery of his life was his recent work among the soldiers, telling them, "Be still and know that I am God. I will be exhalted among the heathen."

"God knows about you and cares for you," he said, calmed the men frightened and brave enough to admit it.

Mrs. Voss spoke of her work in the orphanage and of her extreme sadness at the plight of the children.

She told many interesting things about their life in Vietnam, that they were unable to locate a small home for themselves and also that cooking their own food was almost impossible due to filth in the market place. They lived in a hotel and took their meals out from an American operated restaurant.

The Vosses were featured and presented pictures in Saturday evening and Sunday morning services at the Grace Lutheran Church to complete the Weekend Mission Festival.

Dog Attacks Young Girl

A young Bull Mastiff, considered quite gentle by many folks in Macon, attacked and severely bit 12-year-old Sheryl Ann Frederick, daughter of Mr. and Mrs. James Frederick in Macon, Tuesday afternoon of last week.

Doctors in Herrick Hospital worked two hours closing wounds in the young girl, placing her left leg in a cast, and closing cuts over the shoulder, leg and buttocks.

She was released from the hospital Saturday.

There were no witnesses and neither parent was home at the time. The mother works at the Tecumseh VFW, and Mr. Frederick is still in a partial cast, resulting from a recent auto accident.

According to Mrs. Vollmer, her daughter Kristen let the dog out of the house about 5 p.m., and approximately 10 minutes later he returned.

In the meantime, the young dog apparently approached the young girl who started to run from the backyard of a neighbor, Mr. and Mrs. George Marsh.

It's believed the dog attacked at this time.

Many folks in Macon could hardly believe of the mishap as they report the dog is very gentle. Rumors that the Frederick children — four plus six other related children living with them — have taunted the dog in the past have not been substantiated.

The Vollmers have raised dogs for approximately 20 years and have a kennel for Brittanies. The Bull Mastiff is seldom let out alone, and when outdoors is usually on a leash.

Mrs. Vollmer, secretary to Supt. James McDowell, has described the pet as a "hundred pounds of charm."

Both Vollmers are extremely upset over the incident, and though not required by law, have confined the Mastiff with a veterinarian in Manchester.

State Police from Clinton investigated the attack.

Hearing Slated for Zoning Change

A request to change zoning from A-2 residential to industrial on S. Pearl St., near Hayden Mill, was accepted by Council Monday night.

Joe Hayden, president of the Mill, seeks the change for expansion of operations there.

Although Council will request a recommendation from the Planning Commission next week, a public hearing for the change was set for Nov. 6.

Council Proceedings

CITY OF TECUMSEH
COUNCIL MEETING

October 2, 1967

Meeting was called to order by Mayor Easton.

The invocation was given by Councilman McCombs.

Roll call was taken as follows:

Present: Mayor Easton; Councilmen Cook, Holmes, McCombs, Puffer, Sunderland and Tuckey.

Absent: None.

Minutes of the regular meeting held September 18, 1967, were read and approved.

Communication from Walter Schuller, attorney at law, regarding easement from Mary Kubeck for location of water and sewer line.

Motion McCombs and seconded Cook, to receive the communication and the Mayor and City Clerk be authorized to sign the easement. Motion carried unanimously.

Motion Sunderland and seconded Puffer, the bills as follows be approved and orders drawn up for the same:

General Fund	$28,019.43
Water Receiving Fund	32.29
Water Improve. Fund	151.26
Water Deposit Fund	55.00
Sewage Receiving Fund	4,209.20
Auto Parking Oper. & Maintenance Fund	350.00

Motion carried unanimously.

Motion McCombs and seconded Cook, the report of the Police Department be received and placed on file in the city office. Motion carried unanimously.

Motion Puffer and seconded Tuckey, the report of the Tecumseh Cemetery Association be received and placed on file in the City Office. Motion carried unanimously.

Motion Holmes and seconded Cook, the report of the Herrick Memorial Hospital and Herrick Nursing Home for August 29, 1967, be received and placed on file in the City Office. Motion carried unanimously.

Motion Cook and seconded Tuckey, a letter be written to all townships involved in the use of our fire equipment, stating that the tanker we now have is outdated and inadequate for the present needs, so a new one at an approximate cost of $15,000.00 will be needed. This equipment is used exclusively for rural fires and the City is waiting to hear from each township as to whether or not they wish to participate in this and have the service continued. Motion carried unanimously.

Motion Cook and seconded Holmes, the city manager be authorized to contract with Brady Sand & Gravel Company for the installation of water and sewer to the pit property at a cost of $750.00. Motion carried unanimously.

Motion Holmes and seconded McCombs, the property directly south of the Medical-Dental Clinic be offered for sale to the Tecumseh Medical-Dental Clinic at the appraisal price plus the appraiser's fee and the legal fees.

Motion McCombs and seconded Sunderland, Councilman Cook be formally excused from voting on the previous motion. Motion carried.

Motion carried unanimously.

Motion Puffer and seconded McCombs, to receive and place on file in the City Office the report of the City Manager. Motion carried unanimously.

Motion Cook and seconded McCombs, to accept the request from Joseph Hayden to rezone property directly south and across the railroad tracks from the present Hayden Flour Mills, identified as Lot No. 88, Assessor's Plat No. 2 and is presently zoned RA-2 Residential to I-1 Industrial and a hearing date be set for November 6, 1967, at 8:00 p.m. A copy of the letter be forwarded to the Planning Commission for their opinion and recommendation. Motion carried unanimously.

Motion Holmes and seconded Cook, to adjourn the meeting. Motion carried unanimously.

GENEROUS CONTRIBUTIONS IN TECUMSEH'S INDUSTRIAL PLANTS HAVE MADE THE DIFFERENCE BETWEEN SUCCESS AND FAILURE. EMPLOYEES AND EMPLOYERS ARE MAJOR CONTRIBUTORS TO THE TECUMSEH COMMUNITY FUND FOUNDATION, FOR WITHOUT THEM, OUR CITY WOULD BOAST FEWER ASSETS. WE HOPE THAT NEXT WEEK THEIR CONTRIBUTIONS WILL AGAIN BE GENEROUS. WE ALSO HOPE THAT CITIZENS OF THE COMMUNITY AND AREA, WORKING IN PLANTS IN ADRIAN, CLINTON, SALINE, RAWSONVILLE OR WHERE-HAVE-YOU, WILL DESIGNATE THAT THEIR DONATIONS BE SENT TO TECUMSEH. ACTUALLY, WE'VE RECEIVED LITTLE FROM OUT-OF-TOWN PLANTS; MORE HAS BEEN GIVEN THAN RECEIVED. IF YOU WANT TECUMSEH TO BENEFIT, TELL YOUR EMPLOYER AND THEN TELL THE FOUNDATION BOARD: BOB FRENCH, VERN MANWARING, MERLYN DOWNING, MRS. JOSEPH GALAZZI, MILLS SWICK, DOUG DUNN, JIM MERRITT, MRS. Young Motorist Cited in Mishap

Police cited John H. Bailey, 16, of 5304 Green Hwy., after he made a left turn in front of Helen M. Goodrich, 54, at the intersection of Maumee and E. Chicago Blvd.

The accident occurred Monday, and Bailey was charged with failure to yield the right of way.

Also Monday, Joel Rutherford, 801 S. Occidental Rd., told police that he damaged a rim and tire on his car after striking a h. in S. Evans St., near Tecumseh Corrugated Box.

Shower Honors Mrs. Clifford Haas

Mrs. James G. Danforth entertained at a baby shower for Mrs. George Rodgers of Britton Sunday afternoon.

Mrs. Clifford Haas of Lambertville was co-hostess for the event.

Guests from Toledo, Britton and Tecumseh spent the afternoon playing games, with prizes awarded to Mary Ehlert, Mrs. Nell Benedict and Mrs. Edward Faust.

A pretty assortment of gifts were presented to Mrs. Rodgers.

Dan Bush Is New President of the Music Makers Club

Dan Bush was installed as president of the Music Makers Club Sunday afternoon at a meeting held in the St. Peter's Church.

Others installed by Helen Bendes, member of the Senior Music Club, were:

Vice-president — Jamie Danforth.

Second vice-president — Candace Chrisman.

Secretary and treasurer — Diane Mannino.

Historian — Michael House.

Mrs. James E. Danforth introduced Mrs. Truman Rentschler, who will be the counselor for the group, replacing Mrs. Danforth.

The club was founded Oct. 7, 1962, by Mrs. Danforth and Mrs. Orrie Gilbert.

Due to other commitments, they have resigned as advisors.

Mrs. Fred Oberlin presented three preludes by Bach on the organ. The Bush "Basic Five" played several selections and the two scholarship winners told of their experiences at music camps this past summer.

Jamie Danforth went to Blue Lake Fine Art Camp near Muskegon and also attended the summer session at Eastern Michigan University.

She sang, "Jesus Rest Your Head," by Row.

Dan Bush told of the activity at Interlochen.

Plans were made for a hayride Oct. 28. It will end at the Elwood Bush residence.

The Bush family served homemade doughnuts and fresh cider for refreshments.

Members planning to hear Handel's Messiah in Ann Arbor in December must have their money to Dan Bush by Saturday.

Year books will be ready for next meeting, Nov. 5, at the Episcopal Church.

New Officers

New officers were elected Sunday at the meeting of the Luther League of the Gloria Dei.

They are:

President — Audrey Ferow.

vice-president — Raymond Gentz.

Treasurer — John Rumpf.

Secretary — Vicky Wright.

The officers will be installed by the Rev. Laszlo Gero on Sunday, Oct. 15, during the worship service.

The Junior Choir will sing at the service.

This Sunday will be dedicated to the gracious gift of the Christian faith — the Bible. The Chancel Choir will sing, "The Lord Is My Shepherd," under the leadership of Mrs. Earl Mason, choir director.

Every Wednesday at 7:30 p.m., the congregation is studying the new document of the Lutheran Church in America, "The Manifesto," published for the 450th Anniversary of the Reformation.

Members and friends are cordially invited by the congregation to attend these meetings.

Mrs. Bertram Updike and Mrs. Blair Bashore attended the State Spiritual Life Retreat at Michigan Baptist Assembly at Grass Lake Friday night and Saturday.

The Rev. and Mrs. Vernon Stanley were the speakers at the Fall Rally of the Baptist Women of the Lenawee Association Tuesday in the local church.

The couple will go to Bengal Orissa, India, soon to continue their missionary work.

Mrs. Ray Whittaker of the Shelton Park Church presided at the Rally and members of the Women's Society of the Ida Church told of their work this summer among the migrants.

Ladies of the local church served coffee at 9:30 and a luncheon at noon.

S. Occidental Rd. Hiked to 35 mph

Council raised the speed limit on S. Occidental Rd., between W. Chicago Blvd. and Russell Rd., from 25 mph to 35 mph Monday night.

Police estimated that most traffic already was driving about 35 mph.

A resolution was passed for the new speed.

Detroiter Speaks at Monday Club's Annual Luncheon

"The Wonderful World of Women" was the topic of Mrs. John Shada of Detroit when she spoke Oct. 2 at the annual fall luncheon of the Monday Club.

Each table in the Youth House of the First Baptist Church held an arrangement of fall flowers and a ceramic or porcelain doll.

Favors of clothespin dolls dressed in pastel shades were used at each place setting.

Mrs. Walter Prill, president, welcomed the guests to Past President's Day.

Mrs. Robert Bonner, program chairman, presented a book entitled "British Authors of the 19th Century" in memory of Mrs. S. L. Wyman to the Public Library in behalf of the club.

Mrs. Jule Fosbender, librarian, was present to accept it.

Twelve past presidents were present.

Mrs. Perry Hayden accompanied by Mrs. Wilfred Waldron at the piano led group singing of songs from an old school knapsack.

Mrs. James Danforth sang two selections accompanied by Mrs. Fred Oberlin.

The next meeting will be held Oct. 16 at the Youth House.

Indians Really 'Flat' at Flat Rock, 18-13

It was a long ride home from Flat Rock Friday.

The Indians had just lost their league opener to the Rams, 18-13, and didn't look too sharp in the process. Whether Tecumseh had a letdown after bowing to Lutheran West the previous week or not, the Indians were flat.

Only in the second and fourth quarters when the local team rang up TDs did Tecumseh appear halfway sharp.

Jim Hunt, a halfback who has been shoved into the quarterback position after regular Jim Mobley injured his ankle, can't be blamed for the downfall.

The secondary defense has been unable to stop opposing runners, once they've broken clear of the scrimmage line. And, Flat Rock found this weakness early in the game.

Earl Gunderson opened the scoring for the Rams in the first quarter when he broke loose for 41 yards. After an attempted place kick misfired, the Indians took over to move ahead.

Relying mainly on the running of John Anderson, Tecumseh pushed to the FR one, where Hunt sneaked over. Anderson then fought his way over for the extra point and a Tecumseh 7-6 lead.

The Rams came back for another score to lead at the half, 12-6, and then upped the margin to two touchdowns early in the fourth period.

Coach Tom Fagan's club closed the gap to five points when Anderson scored midway in the quarter. Late in the period, the Indians attempted to pull it out, but their passing game simply could not get started.

A Hunt to Rick Durkee aerial clicked to move Tecumseh to midfield with about two minutes left, but that was the last offensive thrust.

An indication of Anderson's running potential was clearly indicated in the first half when the 180-pound fullback ran only six times, but picked up 51 of Tecumseh's 78 yards rushing.

Ken Pieh flashed a couple of times, but the 147-pounder simply could not break away.

It's not known when Mobley will be back, as the senior quarterback is still on crutches. While Mobley and Hunt are about equal in running ability, Mobley has the stronger arm and greater experience.

CROSS COUNTRY — Coach Bob Kiebler heads a new sport at Tecumseh with 17 runners working out at the Tecumseh Country Club, site for the school's meets. Members of the squad are: Mike Oliver, Dave Clark, Jack Curtiss, Dennis Puffer, Bill Damon. Middle row: Bob Perez, Richard Graff, Lee Cheever, Bruce Costigan, Guy Manwaring, Frank Flores. Top: Coach Kiebler, Bob Laidlaw, David Ward, David Lord, John Bolden, Gus Bishop, Tom Witt and Bill Puffer.

Coach Seeks Swimmers from Area

Tecumseh and area youngsters — girls, ages 8 to 17 and boys, 8 to 12 — have an opportunity of being on swimming teams at the Lenawee County YMCA.

Bruce Carper, swim coach, is seeking local talent here, saying Tecumseh "has quite a few good swimmers."

One Tecumseh swimmer participating is Laurie Hohenstein, daughter of Mr. and Mrs. Paul Hohenstein, 915 Red Mill Dr. She's 12 years old and could be a winning swimmer in her class at the state meet, according to Carper.

Eligible youngsters interested in competitive swimming are being asked to contact Mrs. Hohenstein, secretary of the parents group, at 423-4601, or Carper at his home, 263-4894.

Practice sessions are held early Monday, Wednesday and Friday evenings. Swim meets already have been scheduled for the future.

Win Would Boost Indians

After two straight losses, Tecumseh Indians face two alternatives — a long season, or pulling themselves together and playing football they're capable of doing.

The Indians invade Saline Friday night, and a return to winning ways will not be easy. If Tecumseh is as flat against Saline as they were in losing to Flat Rock, a long season is in store.

Coach Tom Fagan's club stands 1-2 for the season, and with a little luck, it could be 3-0. Failure to whip Lutheran West appeared to cause the Indians to let down against the Rams last week.

Mike Rotunno, former Tecumseh mentor, is head coach at Saline and has enjoyed several successful seasons. His wins include victories over Dundee when the Vikings were whipping the Indians.

Saline bowed last week and could be in a similar situation as Tecumseh, either win or just play out the schedule. The Washtenaw County school had planned for one of its finest seasons with a veteran squad coming back.

Players Plan Annual Party

An evening of fun is planned for those who attend the get-acquainted party, sponsored by the Tecumseh Players Saturday at the Odd Fellows Hall on Green Highway. It will begin at 9 p.m.

The annual kick-off party for the fall theatre season offers a good chance for those interested in little theatre to become better acquainted with the Tecumseh Players. There will be live music and refreshments.

Tickets are $1.50 per person. Reservations may be made by calling Mrs. Frank Dalton, 423-4281.

Beagle Pup Rates High at Match

A four-and-one-half-month-old beagle puppy, Bay-Star Regale, won best puppy-in-breed over a large class of beagles at the Ann Arbor Kennel Club match Sunday.

The beagle was handled by Mrs. Leonard Gamber of Tipton.

The puppy then went on to win third in the hound group, against the best of breed winners from the other hound breeds.

The puppy's sire and dam, Ch. Bay-Star Percussion and Ch. Nightingale of Bay-Star, have recently completed the requirements for their championships at Michigan shows.

Holdens Boast New Daughter

A daughter, Barbara Lynn Holden, 8 lbs., 10 oz., was born Sept. 26 at Mercy Hospital, Toledo, to Mr. and Mrs. Russell Holden, nee Linda Covell. Maternal grandparents of the child are Mr. and Mrs. Paul Covell of Britton who visited the little girl, her brother Harry, and their parents Sunday.

Medical Auxiliary Is Entertained

Mrs. Richard Gilmartin of Adrian entertained at a welcome coffee hour for new members of the Lenawee County Medical Society Auxiliary, Sept. 26.

Other officers assisting her were Mrs. Landis Stewart, vice-president; Mrs. Francis Locke, secretary, and Mrs. Richard Taylor, treasurer.

Husbands will be guests of the Auxiliary at the November meeting.

Clinton Hikes Mark to 2-1

By MIKE JURASEK and KEL BENNETT

CLINTON — The Redskins scored in every quarter to beat Whitmore Lake in a league game here Friday night, giving Clinton a 2-0 mark in the Lakeland C, and 2-1 overall.

A 49-yard run off-tackle by Mel Pardee started the Redskins on the war path. The extra point try failed.

The ball changed hands several times in the first quarter without the scoreboard budging.

Redskins were then spearheaded by the fine quarterbacking of Bill Driscoll. Driscoll threw a 37-yard tonchdown scoring strike to Jake Schwab, putting Clinton on top, 12-0, at the half.

Clinton's powerful offense passed their way down the field in the second half. A Driscoll pass went to Paul Papsdorf for 26 yards and a touchdown. Butch Hoelzer ran the extra point to make it 19-0.

The visitors scored late in the fourth quarter on a 13-yard pass to Kaski from Gistert. Early in the period, Whitmore Lake was on the go, only to have their drive stopped by a one-handed pass interception.

Clinton will host Novi on Redskin stamping grounds Friday night.

Clinton	6	6	7	7	—26
Whitmore Lake	0	0	0	6	— 6

Clinton scoring: Pardee (49, run); Schwab (37-yard pass from Driscoll); Papsdorf (36-yard pass from Driscoll); Driscoll (3-yard run).

Whitmore Lake (13 yard pass from Gistert).

New Trailer Park Is Raisin Prospect

A second trailer park in Raisin Township is in prospect, James Mitchell, township supervisor, announces.

Location of the 200-unit development was not revealed.

The township already has a large park, just south of the Fisher Body Plant and west of Occidental Rd.

School Boardman Is Speaking Here

Marilyn Jean Kelley, member of the State School Board, will be the speaker at the Oct. 14 meeting of the Democratic Women's Club.

A dinner meeting will be held at 8 p.m. at Don's Beef Buffet.

Reservations may be made by calling 423-4044 or 423-2520.

NEW SPEEDWAY — Michigan International Speedway already is planning its first race to be held just about one year from now. The modified oval track, two miles around, will be built for speed — stock cars, modified stocks, sports cars, formula I cars and the Indy-type cars. End turns are 876 feet radius and will be banked 18 degrees. Paving on the end turns will be 100 feet wide and the straight-aways, 70 feet plus a 30-foot safety apron. The road course is tentatively set at three miles, about half inside the oval and half out, with approximately 90% of the course visible to the spectator from the stadium. This course will truly test the skill of the driver, according to Sterling Moss, former top racer and MIS director who attended the ground-breaking ceremony. Another feature of the speedway will be road courses to train future drivers and automotive testing. A skid pan also will be available for training and testing.

Officers Installed

Mrs. Robert J. Koffron was installed as president of the Underwood-Orr Unit of the American Legion Auxiliary September 28 with Mrs. Clarence Natterstad as installing officer.

Others installed by the Brooklyn ritual team were:

First Vice President — Mrs. Marvin Watkins

Second Vice President — Mrs. Ned Baldwin

Secretary — Mrs. Arnold Hoffman

Treasurer — Mrs. LaMar Rufner

Chaplain — Mrs. Ray Schlegel

Historian — Mrs. Dorman Vescelius

Sergeant at Arms — Mrs. Burt D. Tate

Mrs. Arnold Hoffman received a Past President's pin and earring set from the Unit and a dozen and a half red roses were presented to her as a welcome to ranks of Past Presidents.

The Past Presidents have been working hard during the past few weeks in an effort to win an award that goes to the unit that obtains the first completely paid membership.

Since their complete dues were in the mail by September 18, officers feel confident the unit will win and appreciate the efforts of those who worked so hard.

Mrs. Robert Koffron named the following committee chairmen for the coming year:

Americanism — Mrs. Edwin Goller

Child Welfare — Mrs. Yale Kerby, Mrs. Clare Griffin

Civil Defense — Mrs. Richard Eggleston

Community Service and Hospital Equipment—Mrs. Vern Manwaring, Mrs. LaMar Rufner, Mrs. Purnell Osburn

Constitutions and Bylaws — Mrs. Truman Rentschler

Education and Scholarships — Mrs. Harold Osterhout, Mrs. Carl Luegge

Finance — Mrs. Natterstad

Girl State — Mrs. Kenneth Herrick

Junior Activity — Mrs. Halida Bates, Mrs. Merlin Schultz

Legislative — Mrs. Laine Holden

Membership — First Vice President, Past Presidents and all members

Music — Mrs. Junior Fouts

National Security — Mrs. Isabel Auito.

Pan American Study — Mrs. John Snyder

Past Presidents Parley — Mrs. Percy Bowen, Mrs. Holden

Poppy Posters — Mrs. Robert Smith

Poppy Day Chairmen — Mrs. Larry Kanous, Mrs. John Zarnoch, Mrs. Douglas Maves.

Publicity — Mrs. Almond Curtis

Radio and TV — Mrs. David Higgins

Rehabilitation — Mrs. Herrick

Gold Star — Mrs. Louis S. Schneider, Mrs. R. C. Osburn, Mrs. Herrick

Sunshine — Mrs. Otto Baaske

Banquets — Mrs. Robert N. Wright, Mrs. Merlin Schultz

Mrs. Curtis and Mrs. Koffron attended the state convention in July, along with alternates Mrs. Schneider and Mrs. Charles Howe. Mrs. Koffron gave a report on the convention to the membership at the meeting.

Mrs. Herrick and Mrs. Koffron attended the Fall Conference held at Bay City September 29, 30 and Oct. 1.

Lovely table appointments in a fall theme were used on the dessert table and coffee was served by Mrs. Baldwin and her committee of Past Presidents.

Daringly new!
Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

Macon Notes

By MRS. HAMILTON MOORE, JR.

The September meeting of the Woman's Society of Christian Service opened with a panel discussion. Mrs. Herman Mehler, Mrs. Truman Jordan, Mrs. Edward Clark, Mrs. Harold Kuder, Mrs. Herbert Morden and Mrs. Walter Sally used the theme, "Youth— Societies' Untapped Resources." The 81st Psalm was used for the devotions by Mrs. Garland Osburn.

The Society refinished and reupholstered the pulpit church, it matches the dossil cloth. New drapes are to be purchased for the Annex.

The Prayer and Self-Denial Program will be incorporated into the October meeting.

The supply askings have been doubled this year and each member is asked to pay $1.10 to help meet the unmet needs of the district. This money may be given to Mrs. Harold Kuder.

The date of Saturday, Nov. 4, was chosen for the public cafeteria supper. A country store will also be held. Committees are: Mary Lou Moore, Phyllis Thomas and Wilma Clark, country store; publicity, Mrs. Herbert Morden, Mrs. Harold Ruhl, Mrs. John Hewlett, and Mrs. Harold Kuder; and dining room, Miss Hallie Jane Mehler, assisted by the youth.

The Study Class on "That The World May Believe" will be held November 1, 8, and 15, from 7:00 until 9:00 p.m. This is open to both men and women.

An open house program will be held Friday at the Chelsea Methodist Home, in Chelsea, at 2:00 p.m.

Mrs. Guy Zelluff is taing charge of selling Christmas Cards again this year. The proceeds go to the Society and church.

Mrs. James Thomas announced that newspapers for the Boy Scout drive could be left at her home any time before Saturday.

The meeting closed with the president, Mrs. Dean Moore, reading a poem entitled "Columbus." Refreshments were served by Mrs. Edward Clark, Mrs. William Rhoades and Mrs. Carl Thomas.

√

Mrs. Arthur Hill will be the hostess for the Macon Woman's Club, Thursday, Oct. 12, at 12:30 p.m. Mrs. Leland Rohn and Mrs. Andrew Goodin will assist her. Mrs. Melvin Travis will give the devotions, and Mrs. Arthur Lopshire will arrange a program.

J. Williams New Leader for Troop 73

Tecumseh Boy Scout Troop 73 held their semi-annual troop election with the following boys elected to office:

John Williams — senior patrol leader.

Robert Merz — assistant senior patrol leader.

James Hale — troop quartermaster.

John Frownfelder — assistant troop quartermaster.

Frank Hawthorne — troop scribe.

Richard Packard — troop librarian.

Arthur Lewis — elk patrol leader.

Richard Disbrow — assistant elk patrol leader.

Lonny Booze — falcon patrol leader.

Ernest Martin — assistant falcon patrol leader.

The Troop will operate with the two patrols — Elk and Falcon — until more boys join. Troop meetings are every Wednesday night from 7:30 until 9.

Plans are being made for Troop 73 and Troop 4 to combine troops for Freedom Trail Hike, Oct. 14 and 15.

Troop 73 advancements for the month of September were as follows:

John W. Frownfelder, tenderfoot; Richard M. Disbrow, first class; John R. Williams, Star Rank; James C. Hale, Life Rank and James R. Gates, Eagle Rank.

Thomas M. Cook,
Scoutmaster, Troop 73.

Robert Gentz Is New President of 4-H Jr. Leaders

Socializing is the thing at the 4-H Junior Leader party, Oct. 14, at the Project Building at the Lenawee County Fairgrounds at 7:30 p.m.

Fun, food and dancing will highlight this event to be followed with a service club meeting each month, the first Thursday for the remainder of the year.

Roger Gentz was elected president of the group at the Sept. 13 meeting.

Others elected were:

Vice-president — Robert Platt.
Secretary — Susie Ries.
Treasurer — Sue Barricklow.
Reporter — Raymond Gentz.

Valdez Graduates at Great Lakes

Seaman Recruit Rudy J. Valdez, USN, 19, son of Mr. and Mrs. Joseph Valdez, of 4921 De-Leon Dr., has been graduated from nine weeks of Navy basic training at the Great Lakes Naval Training Center.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Return Home

Fr. Begue has returned from an extended vacation with his parents, Mr. and Mrs. Fred Begue, of Detroit, at a cottage in Upper Michigan and also from attending the National Liturgical Week at Kansas City, Mo. He happened to be at Manistee at the beginning of the coho salmon run, but didn't do any fishing.

OFF the TOP

There is something spooky about our house, and it has nothing to do with Halloween. It's been going on for years.

We don't hear ghosts or rattling chains in the middle of the night. Our problem is with things disappearing. The most ordinary things, just slipping out of sight somehow, never to be seen again.

Like socks. I wish I had a dollar for every odd sock I've ever had in 20 years of married life. How can one possibly put pairs of socks into the washer and dryer, and yet only find one of a kind when the laundry chores are completed?

Maybe they stretch out into long, thin snakelike rags, and wiggle out through the holes in the machine washing basket. Or maybe the dryer disintegrates them.

I surely can't figure out where they disappear to. We have a box full of assorted, odd socks which I can't match up.

Even shoes will disappear. Last summer, our daughter had an almost new pair of white sneakers, and one turned up missing. I kept that odd, lonesome shoe around for months, waiting and watching for the mate to show up.

One doesn't dare throw away these odd socks or shoes, or whatever, for fear the matchmate will appear the very next day.

Finally, however, I gave up, after she outgrew that size anyway, and out it went into the trash. I never did know what happened to the other one. Maybe a peg-leg spook needed it.

Cookies and other goddies disappear, too. Now with three kids in the family, you might expect this, but five dozen in two days!?

And when I inquire "Who's been into the cookie jar?" they all solemnly say, "Not me, Mom." Not one of them ate more than "just one or two," to hear their telling, and yet almost overnight we get to the bottom of the cookie jar. Must be the goblins are raiding the kitchen for midnight snacks.

Necessary memos and papers disappear into thin air, too.

Just when I need someone's address, which I know I left right here, it is not to be found. Once, the solitary charge plate I possess disappeared, and I had to go to the trouble of applying for a new one. Just after the new one arrived, the old one turned up in an inner pocket of my billfold. But I'm sure it wasn't there before. The gremlins must have borrowed it!

Besides pulling disappearing tricks, the spooks also leave things around the house, such as dirty dishes in the boys' room.

"Well, gee, Mom, it wasn't me; it must have been my brother." But when brother is questioned, he swears he wouldn't think of leaving dishes and empty pop bottles in his room.

And what about the toothpaste tube, so often found capless, and twisted into weird shapes?

"I didn't do it, somebody else used it after me:" Now, if all three of the offspring deny any misuse, who is doing these things?

Who leaves the towels crooked on the towel rack, or worse yet, dropped on the floor? Who spills milk or juice in the refrigerator, leaving a dripping, sticky mess for me to find? Who marks up the white woodwork with dirty fingermarks, and leaves the newspapers sprawled all over the living room floor?

My children are angels, my husband above reproach. It must be spooks or gremlins, sent 'round to plague me. I'm considering renting out the place for Halloween!

Oh, dear, now where did my car keys go?

Kimball Dabe, a medic in the Air Force for the past four years, has been discharged and is now attending Orlando Junior College, Orlando, Fla. He is the son of Mr. and Mrs. Ralph Dabe, 50 2Stacy St.

Raisin Valley To Host Fall Revival Meet

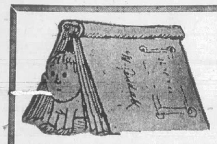
Folks of the Raisin Valley Friends Church will be hosts this year for the annual fall Union Revival.

Raisin Valley, Raisin Center, Adrian City and Tecumseh Friends Churches will unite for these meetings to be held October 8-15, at 7:30 each evening.

Rev. Thomas Mangrum will be the speaker for the services. He is pastor of the First Friends Church of Portsmouth, Va., and has served for 30 years as pastor and evangelist.

The Gospel Lanterns quartet of Fairfield, will sing at each service and will be responsible for congregational singing.

A cordial welcome has been extended to everyone to share in these services.



Book Mark

News from the Tecumseh Library

New books ready for you to borrow at your Public Library are:

THE EIGHTH DAY by Thornton Wilder. This story begins in Coaltown, Ill., in 1902, with Breckenridge Lansing's murder and John Ashley's trial, conviction, death sentence and inexplicable escape. It follows the efforts of John Ashley's wife and children to stand up to privation and the no-less harsh hostility of the town.

√

WHEN SHE WAS GOOD by Philip Roth. The story, at once satiric and serious, of Lucy, a midwestern girl who believes herself to be the moral superior of her family and friends, and of how she and those around her are destroyed when she sets out to prove, that in matters of right and wrong, she is the ultimate authority.

√

THE HORRORS OF LOVE by Jean Dutourd, one of the most successful and popular men of letters in France. The novel takes place on a 24-hour jaunt around Paris, and is enveloped in an aura of the city. It is both a parable and a paradox, a fictional chronicle of the moral and ethical disintegration of a complex modern man.

√

ALL THE LITTLE LIVE THINGS by Wallace Stegner. Joe Alliston and his wife, two Easterners in their 60's, retire to California in search of peace after the death of their wayward son. Their paradise is invaded by assorted parasites.

√

THE CHOSEN by Chaim Potok. With dramatic force, this book illumines for us the eternal, powerful bonds of love and pain that join father and son, and the ways in which these bonds must be broken, if the boy is to become a man.

√

THE SEVENTEEN GUIDE TO KNOWING YOURSELF. A psychological discussion of you and your emotions, by Daniel Sugerman.

√

SINGING TECHNIQUE, how to avoid vocal trouble, by Joseph Klein. A clear explanation for singers and speakers of the basic fundamentals of voice production, in layman's language.

Notchers, Families at Hayes Park for Annual Picnic

Grills will be ready for cooking at 1 p.m. at Hayes State Park Sunday, Oct. 8, for members of the Tecumseh Top Notchers and their families.

The annual fall family picnic meal will be served at 2 p.m., with members cooking and furnishing their own meat and food.

Mrs. Robert Ries said that in case of rain the picnic would be cancelled.

Slides Narration Depict Honduras

CLINTON — A penetrating view of life in British Honduras was provided in a program of colored slides, shown to members of the Women's Fellowship of the United Church of Christ by Mrs. Mervin Witherell, Thursday evening.

The slides were taken by Mrs. Witherell's daughter and son-in-law, Mr. and Mrs. Willis Piper, who are serving in the Peace Corps for the second year in the British colony, south of Mexico in the Caribbean Sea.

The film was sent to the United States for developing but no descriptive narration accompanied it; however, little was needed, since the slides were so vivid and gave an intimate look at the people and their surroundings in an hour-long program.

The dark-skinned people of British Honduras are descendants of slaves and Spanish settlers. In the slides, they appear to be exceptionally clean and neatly dressed in bright-colored clothing.

The people have been quick to accept the counseling of the Peace Corps workers, Mrs. Piper reports.

In the tiny settlement of Sarteneja, where Mrs. Piper teaches school, the homes are mostly constructed of wood, with no electricity and all have thatched roofs.

Mrs. Piper has helped many of the girls learn to sew, and she has shown them how to use dress patterns for the first time.

She has a tiny library in her home comprised of the sought-after American magazines, which friends have sent her.

A chicken - raising project, which Mr. Piper showed them how to get started, has developed into quite a profitable venture for the villagers.

The tiny chicks prove to be of great interest to the children as they are hatched in small coops, and later whole families pitch in to help dress-out the fowl.

Nearly 300 pounds of dressed chicken were recently taken to the market several miles away.

The crowded market place at Belize provided many interesting slides, showing the kaleidoscopic array of produce and hand-made merchandise for sale.

Peasants just plop down anywhere and spread their goods for sale about them, creating a picturesque hodge-podge.

the hand-woven rugs and shawls the hand-woven rugs and shows, made by the natives, and the scenic landscapes of the countryside were shown in great detail.

Mrs. Piper's sister and brother-in-law, Mr. and Mrs. David McKee, spent their honeymoon with the Pipers in British Honduras last June.

Scenes taken by the two couples on a jaunt to Guatamala City also are included in the collection of slides. It is a city of contrasts, with its ancient ruins, and its extremely modern offices and cathedral, viewed over a skyline of pink roof tops.

The area where the Pipers live was recently threatened by the hurricane Beulah, which for a time was headed directly toward Sarteneja.

A recent letter told of the desperate measures which the villagers had to take to secure their flimsy homes. Daylight can penetrate the walls because they are so loosely constructed.

Many homes are built on stilts because of the frequent flooding from the sea.

However, when the storm was within 50 miles from them, it swerved away, striking in Mexico instead.

Mrs. Robert Vogel, the new president, conducted the meeting.

It was voted to give $400 to the Church General Fund and $25 to the summer camp fund.

Mrs. Arthur Hill reported for the Material Aid Committee that seven large bags of used clothing has recently been packed for shipment to Church World Service in Napanee, Ind.

Needed at this time are materials for quilt pieces, and old sheets to cut up for bandages.

Mrs. Forrest Swift, a newcomer to Clinton, was a guest.

The next meeting will be in November.

Two Accidents Involve 6 Cars

CLINTON — Three cars were involved in a chain collision Thursday behind a Clinton School bus which had stopped on Tecumseh-Clinton Rd., just north of Staib Rd. at 3:45 p.m.

L. W. Kovack, 41, of 1300 Lakeside Dr., Tipton, was stopped behind the bus, when his car was struck in the rear by a car driven by Mrs. Jacob Bauer, 59, of 11660 Clinton Rd., Clinton.

A few moments later, a car driven by William Beebe Burr, Jr., of Okemos, struck the rear of the Bauer car.

Mrs. Bauer received a summons for violating the basic speed law, and Mr. Burr received a summons for failure to stop in the assured clear distance ahead.

A second chain collision occurred at 5:20 p.m., an hour and a half later, on Tecumseh-Clinton Rd., at Locust St., when Clarence W. Wiedmeyer, 62, of 215 Locust St., slowed for a right turn.

The Wiedmeyer vehicle was struck in the rear by a car driven by William Reyner, 39, of 221 Litchfield.

Moments later, a car driven by Mrs. Paul Rowlands, 22, of 13225 Allen Rd., struck the rear of the Reyner car.

A passenger in the Reyner car, Audrey Reyner, 7, and a passenger in the Rowlands car, Christine Rowlands, 2, were treated for bruises and cuts at Herrick Memorial Hospital.

Mrs. Rowlands received a summons for driving too fast.

Book Is Reviewed by Church Class

CLINTON — "Family Living in the Bible," by Edith Deen, was the book reviewed by Mrs. Paul McKenna for the meeting of the Mary-Martha Class of the United Church of Christ, Monday night.

Mrs. James Heimerdinger was hostess for the meeting, attended by 14 members and Mrs. Francis Faulhaber. Other guests, especially invited in observance of the birthday anniversary of Mrs. Clarence Heimerdinger, Sr., were eight members of the Philathea Class.

The class is selling napkins, scented candles and Christmas cards. Articles were distributed to members.

It was voted to prepare Christmas tags for sale from old Christmas cards which are to be brought to the November meeting.

Kenneth Carswells in Massachusetts

CLINTON — Airman 3/c Kenneth Carswell arrived from Otis Air Force Base, Cape Cod, Mass., Thursday.

His Wife, Nancy, who has been staying with her mother, Mrs. Dorothy Noragon, since their recent marriage, returned with him to Nashpee, Mass., Friday. They will make their home there for the present.

Rep. Stites Attends Guard Meeting

Representative Robert C. Stites, member of the military and veterans affairs committee, was in Washington, D.C., attending a two-day meeting with Major General W. P. Wilson, chief, National Guard Bureau and W. R. Deininger, director of Reserve Forces Facilities.

The meeting took place at the Pentagon. Purpose of the session is in opposition to the cutting back of the National Guard and discussion of new armory facilities for Michigan.

Rep. Stites, with other members of his committee, left by plane from Lansing Monday afternoon.

Sweet Clovers' Officers Meet

Suit, Coat Big Surprise

CLINTON — A well-kept secret culminated in complete astonishment for Mrs. Clarence Heimerdinger, Sr., Monday, on the occasion of her birthday anniversary.

She has been giving a helping hand as a seamstress at the fledgling couture salon of Exclusives EvelDean, in Tecumseh, owned by her son, Bill Heimerdinger and Evel Garrido, since it opened two years ago.

For the past several weeks, the seamstresses have been working on a coat and suit ensemble which was designed for a Mrs. so-and-so, a fictitious name of a client who couldn't come in for fittings because she lived too far away.

Mrs. Heimerdinger was told that her measurements were so similar that she could be helpful if she would try on the outfit from time to time to keep the work progressing.

Monday, the elegant houndstooth-checked coat, lined in a printed silk, and with a matching dress, was completed.

Mrs. Heimerdinger was asked to try it on for a final fitting before packing it up to mail to its owner.

While she was in the dressing room, Bill, Evel and a staff of several seamstresses whisked out a punch bowl and all the fixin's for a surprise birthday celebration. She was then told she was wearing her own new dress and coat, a gift from EvelDean.

Later that evening, she was surprised again when she was taken to the home of daughter-in-law, Mrs. James Heimerdinger, who was entertaining at a meeting of the Mary-Martha Class of the United Church of Christ.

The hostess had also invited members of the senior Mrs. Heimerdinger's church class, the Philatheas, and the group of 23 persons greeted the surprised lady with a resounding Happy Birthday song as she arrived.

Band Attending Football Game

CLINTON — The Clinton High School band members will attend the University of Michigan-Navy game, Saturday, with their director, Richard Perkins.

The band will not play, but the event is arranged for high school band students to have an opportunity to observe the U-M band in action.

3 Children Not Hurt in Accident

CLINTON — Three children narrowly escaped injury Sunday noon when the car in which they were riding rolled from a driveway into the highway on US-12, and was struck by a car driven by Paul Kelley, 32, of Akron, Ohio.

Timmy, Vicky, and Leasa Moore, children of Mr. and Mrs. James Moore, of 3399 US-12, were riding in the back seat.

An older brother, Thomas Moore, 16, started to drive out of the family's driveway. He was accompanied by his father. Stopping the car, Thomas and his father got out of the car to pick up a dog in the yard, and apparently did not set the brake, allowing the vehicle to roll forward.

4-H YOUTH HONORED — Mike Jackson of Tecumseh, Bob Platt and Steve Daniels, both of Tipton, were among 1,500 4-H Youth who participated with the Michigan State University marching band at Saturday's Michigan State-Southern California game, in observance of National 4-H Week. Ten members of the Clinton FFA Chapter also were on the MSU campus that day for the Agriculture Career Day activities.

2 Teenagers Are Injured

CLINTON — Teenagers Linda Corwin and Raymond Johnston, were injured in an automobile accident near Cadillac Saturday night.

The Johnston car skidded on a wet, freshly-paved highway, ran into a ditch and hit a tree. They were on their way to attend a wedding in the Johnston family.

The car was demolished.

Linda was confined to her home last week with a severely-sprained ankle and cuts on an arm. Raymond had knee injuries.

Linda is the daughter of Mr. and Mrs. Donald Corwin of Clinton - Manchester Rd., and Raymond is the son of Mr. and Mrs. Lincoln Johnston, Kehoe Rd.

20 Guests Attend Bridal Shower for Sharon Artz

CLINTON — Bride-elect Sharon Artz was honored at a pre-nuptial shower, Sept. 21, given by her grandmother, Mrs. Ernest Stubbe, at her home at Vandercook Lake.

Among the 20 guests who attended were Sharon's mother, Mrs. Grover Artz, and daughter, Nila, and a friend, Kathy McGee, of Clinton.

A variety of household gifts were opened by the bride-to-be.

Sharon's marriage to Ronald Walker, son of Mr. and Mrs. Elvie Walker of Clinton, will take place Oct. 28, in the Clinton Methodist Church.

What's Happening In Tecumseh?

CLINTON CHATTER

Mrs. Paul McKenna and Mrs. James Heimerdinger, Lenawee County Social Workers, will attend the Michigan Conference for Social Workers at Boyne Mountain Lodge, Thursday, Friday and Saturday.

Dog Care, Training To Be Sponsored by Top Notchers

Classes in dog care and training will be started the latter part of October for all youth interested in dog training.

The Tecumseh Top Notchers 4-H Club, sponsors of the event, invite other 4-H members between the ages of 9 and 18 to join them in the project.

Mrs. James Mull will meet with a beginning group on Tuesdays at 7 p.m. at the Community Center, and Waldo Ehnis, Clinton pharmacist, will meet with a beginning and advanced group on Sundays at 3 p.m.

All dogs participating must have necessary shots and be at least six months old. Mrs. Harold Ocamb, 423-4173, will be glad to provide additional information and register participants.

Announcement is being made of the engagement and forthcoming marriage of Deborah Dean Holden and James Smythe Waddington of East Lansing. Miss Holden is the daughter of Mrs. Laine Richardson Holden, 208 S. Union St. and the late Mr. Holden. Mr. Waddington's parents are Mr. and Mrs. Edwin B. Waddington of Portland, Ore. The wedding will take place December 16 at the First Baptist Church.

Club Review Cites Record

Tecumseh Exchange Club reviewed 21 years of service to the community last week, with Orville Bishop, past president, presiding.

The review included purchase of band uniforms, football scoreboard, freedom shrine at the library, inhalator and two-way radio for the fire department and additions to the bleachers at the athletic field.

Some of the projects were completed in cooperation with other service clubs.

Exchange will hold a rummage sale next door to Adrian Federal this Friday and Saturday, with proceeds designated for financing a Little League team, sending delegates to Boys' State and to start a fund for future projects.

Ray Dollison is the club's new president.

Federal "credibility gaps" and "brainwashing" charges are bad enough but when it spreads to Michigan, that's just too much!

Despite the fact that he is a friend, Dr. Wayne Tody, chief of the Conservation Department's fish division, has been getting his stories mixed up, too, and we feel compelled to set the record straight. His coho salmon figures just don't hold water.

Remember back in April of 1966 when the first cohoes were released into Bear Creek and the Platte and Big Huron Rivers? 'By fall, some of these 'jacks' or young male salmon may weigh as much as three pounds," said Wayne.

He was wrong. Five months later some of those jacks weighed 7 and 8 pounds. Boy, how wrong can a guy be?

He tried again, though. "By the fall of 1967 some of these cohoes may weigh as much as 10 pounds apiece," he proclaimed. And fishermen believed him — until this past August. That's when boats working off Manistee and Frankfort began to bring in cohoes averaging 12 to 15 pounds, with some ranging as high as 23 pounds.

All of this, of course, has had a terrible effect upon Michigan fishermen, most of whom like to lie a little about the fish they catch. These fish have been running bigger than the lies, which is rather demoralizing.

Picture, if you can, the sad spectacle of fishermen swarming onto Lake Michigan by the boatloads, armed with tackle designed to handle "little fish" of only 5 or 6 pounds, only to run into fighting monsters of incredible size. How about the plight of the average guy who comes to shore with his limit of two salmon that may weigh over 15 pounds apiece, only to find they won't even fit in his fish cooler? Who ever heard of such a thing?

Bait dealers are also in an awful position. They can't stock lures as fast as the salmon tear them off the fisherman's tackle.

Bob Heffner, Beulah dealer, has had additional troubles. As a special service, he stocked a bunch of plastic bags 30 inches long so fishermen could freeze their salmon in them. The darned bags aren't long enough! He now has a rush order in for some 40 inches long but wonders what will happen when the bigger, faster growing chinook salmon start to show up.

Wayne Tody claims the chinooks should average 25 pounds apiece when adult. He should know by now, though, that nobody is going to believe that one. He has guessed wrong too many times so when he says 25 pounds most fishermen will hike that figure in their own minds.

Doggonit, Wayne, this credibility gap of yours has got to stop! It isn't fair to fishermen to get them in the mood to catch 5- and 6-pound salmon, only to have them come home in a state of shock from catching 15- and 20-pounders.

If things keep on like this, first thing you know all fishermen will quit lying. And when that happens, half the fun will go out of fishing!

Auxiliary Honors New Members at TCC Tea

The Herrick Memorial Hospital Auxiliary honored all new members Wednesday at a special tea held at the Tecumseh Country Club.

Members, old and new, enjoyed cards and friendship from 2 to 5 p.m.

Tea was poured by Mrs. W. E. Haselwood, Mrs. Neville Hart, Mrs. Ralph Dabe and Mrs. Charles Mensing.

AE/3 TIM HEFLIN ABOARD FORRESTAL

Battles Fire Aboard Ship

AE/3 Alfred (Tim) Heflin was aboard the USS Forrestal July 29 when more than 150 of his shipmates were fatally injured in a fire on the flight deck.

Heflin, an electronics expert, had just climbed out of one of the planes he was servicing when the bomber, Skyhawk, exploded.

The carrier was off shore from North Vietnam and the bomber was taking off on a mission when an explosion occured, dropping it back to the center of the flight deck.

Flame from the fuel line struck a missile, and it tore loose and struck another plane of the complement of 80 aboard.

The crew rushed to push other missiles overboard. Heflin and another sailor pushed one over that they were later told weighed over 1,000 pounds.

Heflin told his mother that they somehow climbed a catwalk and stayed there until the flash fires stopped.

He said that they stopped at the U. S. Naval base in Subic Bay for temporary repairs, which enabled them to limp back to Oceana, Va., but not before they encountered Hurricane Beulah.

Petty Officer Heflin left Sunday after a 10-day leave here with his mother, Mrs. Roy Burchett, 114 N. Division St., and other members of the family and friends.

VOICE of THE HERALD

Let Townships Buy

One of Tecumseh's greatest assets are its friends in nearby townships. Although not local taxpayers, they're part of the community.

They belong to churches here, shop here, their youngsters attend school here, and they get their fire protection here.

Fire protection is not only a service but it's a business. It's time that friends sit down and do business and do it on a business-like basis.

The present tank wagon used for rural fires is old and inadequate with a 600-gallon capacity. A new one should be purchased.

The question is who?

Should the city, through city taxpayers' money, buy a new $15,000 piece of equipment which will benefit solely in the townships?

We don't think so, even with the realization that townships pay Tecumseh for fire protection. At the present rates per fire call in the country, it would take years and years — if ever — for the city to get its investment back.

Other communities have townships buy large tank wagons, and then assume the responsibility of servicing, maintaining and seeing they're at rural fires.

Why not use the same system here? It's the only fair and equitable method.

He Earns Honor

Tecumseh's late Clare Camburn dreamed of a county-wide band festival some 21 years ago. He, along with the Rev. Blair Bashore, organized the festival.

Over the years, the traditional festival in Tecumseh has been one of the city's biggest attractions, one that was promoted enthusiastically by both the former high school band director and the Baptist minister.

Since the director died a few years ago, Blair has carried the ball for Tecumseh — and we mean Tecumseh .

Others have attempted to move the festival to another city, breaking the dream of Mr. Camburn and the tradition that has been established here.

We know that cooperation throughout the county by many officials have made the festival such an attraction, but it would not be without the promotional efforts of Blair.

We join with others in honoring him next Tuesday night when the 21st Lenawee County Band Festival is held at the athletic field.

For 20 years, from the very beginning, he narrated the program. We'll miss his narrations next week, as will thousands of others who thought the festival and Blair were inseparable.

Members Report at Northeast Study Meeting

Eight members answered roll call at the meeting of the Northeast Tecumseh Extension Study Group Sept. 28 at the home of Mrs. Ellsworth Robison.

Each told of her activities during the summer. Some redecorated their homes, others told of vacation trips.

Mrs. Robison gave a brief report of the Rally Day for Extension Groups held at the Lenawee County Fair Grounds, Sept. 12. She said that Earl Hill spoke on "Winning Your Way With People."

Mrs. Robison and Mrs. Raymond Bird attended the clothing workshop held Sept. 26.

Activities for the coming year, including a greens workshop and window treatment program, were discussed, and organizational material studied. The yearbooks were distributed and completed.

Cake and fruit, topped with whipped cream, were served by the hostess with coffee, tea, nuts and mints.

Mammoth 42-foot, double-T, reinforced concrete beams, each weighing 14,000 pounds were lifted by a giant boom and then gently placed atop the new recreational building at Tecumseh Park — better known as the "Pit." City officials plus Carl Marr, architect from Detroit, watched the installation of the beams last Thursday. Skill of the crane operator amazed the spectators, as he gently lifted the huge beams off the trucks, swung them around to the building, and then inched them into place. The $55,000 construction will be ready for use this winter for ice skaters. Mr. Marr says construction is slightly behind schedule but the building will be completed in November. Considerable other work also is planned in the future at the park by the city and Tecumseh Community Fund Foundation. The new building will house dressing rooms and rest rooms, and a registration room. The Federal government has approved an allocation of $27,000 with the city and Foundation paying the balance.

Township Seeking City Concessions

If Tecumseh is successful in condemning 25.5 acres north of town for a new source of water, how will officials get the water into town?

This problem arose Tuesday night when Tecumseh Township Board voted against giving the city a right-of-way for a water main, scheduled to run along Kaiser Rd., and then south on the Tecumseh-Clinton Rd., to the city limits.

Township officials want hydrants for fire protection in the Kaiser Rd. area in return for the right-of-way. In the past, the city has even refused water to residents who live adjacent to city limits, let alone install hydrants.

The Board passed a resolution giving Art Eaton, supervisor, the authority to require ordinance in lieu of a right-of-way, and possibly water leads for homes in the area.

Officials and residents of the Kaiser-Loveless Rd. area also discussed having water main spurs, or a water line loop, installed around to Loveless Rd.

Residents were concerned that the proposed well field would lower the water table and ruin their present wells. They also voiced opposition against any possibility of being annexed to the city.

Clerk Al Merz told residents the only way they could be annexed is through their own petitions to Tecumseh, that the city simply could not annex them unless they, as residents, favored it.

Unless the township and city officials reach an agreement, development and use of a new well field, northwest of Kaiser and Loveless Rds. and south to Staib Rd., may well be in the future.

Tecumseh Township Board is apparently miffed because they were never consulted about the condemnation nor the right-of-way through township property.

Mr. Eaton said last week that the township would oppose the condemnation, as is George Underwood, auto dealer, who owns the property.

A pre-trial hearing is scheduled today, and according to James Beardsley, city attorney, purpose of the hearing is to see what the interested parties can agree upon.

Although the township has not been invited to the hearing, Mr. Eaton said an inquiry will be made to see if its officials can be included.

Mr. Underwood has made it known that he is not interested in selling the property, especially at the $1,000 per acre price offered by the city.

He also told the Board Tuesday night, that as of yet, not one single city official has contacted him about the property.

City acquisition would split the property, formerly part of the old Kuehmann potato chip farm, and take away some property which now adjoins the New York Central Railroad.

This is the second time in three years that Tecumseh and a township have bumped heads. The first was when Raisin Township opposed a new sewer to the Fisher Body Plant.

The sewer was installed, but Raisin controls it. At the time, city officials thought the township was cooperating, but after initial meetings, the township backed out and fought the city in court.

WHO WILL BE QUEEN? — Seated from left are seniors, Valerie Barrett, Sue Ford and Karen Brown, one of them will be crowned during the half time at the homecoming game Friday night with Grosse Ile. Standing from left are Edith Radant, representing the freshman class, Donna Purkey, the juniors and Lorrie Beevers, sophomores. Alex Gibson, Sam Brooks and Tom Aiuto will be their escorts while Mike Allen, Herb Bagby and Gus Bishop will escort the seniors.

Youth Gets 2 Citations

Nineteen-year-old Randall Dotson, 901 Russell Rd., picked up two citations from Tecumseh police Sunday night after an accident on S. Occidental Rd.

According to the police, Dotson was headed south, and apparently at a high rate of speed, when he lost control of his car after passing a vehicle.

Dotson's car traveled over 80 feet off the road, knocked down three mail boxes, glanced off a pole, before being stopped by a a tree in the Louis Carswell yard.

When Mr. Carswell came to the door, Dotson took off in his automobile, which was still drivable.

Police later found him and the car at a party in the neighborhood. He was charged with careless driving and leaving the scene of a property damage accident.

In other mishaps investigated by the police, Robert C. E. Stone, 19, of 500 Murray Dr., suffered minor injuries when his motorcycle struck a dog on W. Pottawatmie St. The accident occurred last Wednesday.

Tuesday of last week, Mrs. Robert Cunningham, 934 Close Rd., reported that her car struck a large hole on S. Evans St., near Tecumseh Corrugated Box.

Two wheel rims were bent and one tire flattened.

Another motorist, the day before, also hit the hole and damaged his car.

Jaycees Sponsoring Halloween Auction

Tecumseh Jaycees are planning a spirited Halloween Auction, at 2 p.m., Saturday, Oct. 28.

The event will be held at a hangar at Meyers Airport, north of Tecumseh.

Auctioneer Paul Koehler of Adrian, a Mennonite right out of the Pennsylvania Dutch country, has offered his services for the event.

New merchandise of all kinds is being solicited from area merchants.

Jaycees are asking folks to haul the family skeletons out of their attics — antiques, furniture and appliances, and offer them for sale. There will be a 15% consignment fee charged for sale by the Jaycees.

However, no clothing will be sold.

The whole affair promises to take on a carnival atmosphere with clowns to entertain — if the kids aren't wearing all the clown suits that day.

The Jaycee Auxiliary will lend a hand with the event by staging a bake sale. Refreshments also will be served.

Merchandise will be received at Jerry's Market on Tecumseh-Clinton Rd., the weekend before the auction.

Hours for receiving merchandise will be until 6 p.m., Saturday and Sunday, Oct. 21 and 22, and on Monday and Tuesday, Oct. 23 and 24, from 7 to 10 p.m.

Darrell Staup is general chairman of the auction.

Bill Kresbach of Blissfield is publicity chairman; Jerry Ford will handle the transportation; and Jim Bashore is in charge of solicitation.

Ken Oswald of Blissfield will handle the cashier duties.

Jaycees plan to make the auction an annual event if this first one is a success.

Townships Decline New Tank Wagon

Tecumseh officials have learned that nearby townships are not interested in purchasing a new water tank wagon for the fire department.

Townships apparently feel that the present 600-gallon tanker is sufficient. A new, larger tanker has been estimated at $15,000.

New Phrase by Operators

General Telephone Company announces that customers will hear a new greeting when they dial "Information," beginning Sunday.

Operators will now answer with a new phrase, "Directory Assistance," more in line with the service extended.

Traffic director, R. D. Graves, explained that "Directory Assistance" will provide telephone numbers as did "Information" in the past; however, if the requested number is in the directory, the operator will advise the customer that the number is listed before providing it.

Karl R. Schneider, president of Tecumseh Finance Co., was elected vice-president of Michigan Consumer Finance Association, last week in Detroit. There are over 675 licensed finance offices none Association last week in the Association, the state's principal organization for large and small loan companies.

Dr. Burch Speaker for Med. Assistants

Dr. Larry Burch of Tecumseh will be the guest speaker at a meeting of the Tri-County Medical Assistants at the Holiday Inn in Adrian, next Tuesday at 7 p.m.

The Lenawee County Medical Assistants will host the event. Reservations for the dinner meeting are to be made with Janice Shinaberry, Hudson.

All assistants of doctors or hospitals may attend.

Solicitors Organized

Tecumseh Community Fund Foundation drive will hit the residential sections plus retailers, professional folks and city employees next week.

The industrial campaign started this week.

Foundation officials are hoping to top the $55,000 goal and are seeking cooperation of every donor. Much of the total charity donation stays in Tecumseh and benefits local and area residents and their families.

Mrs. William Steele is chairman of the residential drive, and Dave Schoonover, AAA representative, is in charge of the commercial, professional and municipal campaigns.

This year, Kiwanis Club has volunteered to solicit retailers, contact the schools and other professional people, and see that municipal employees are solicited.

Herald proofreaders are right on the job. One, **Capt. Ronald A. Siwik, M. D.**, of Topeka, Kan., caught the incorrect spelling of **Stirling Moss** in the caption last week of the **Michigan International Speedway** ground-breaking. Seems we spelled Mr. Moss' first name with an "e" instead of an "i".

All Bingo Bucks must be spent by **Oct. 15.**

Pet watchers expense for board of lost animals and the treatment of injured ones, came to nearly $200 for the summer months. The only means they have of raising this money is by selling candy or donations from grateful pet owners, according to Mrs. Albert Caesar.

"You are right, Sir, in the dark, but it still may not be the safest thing to do. Other sleepy Products wives leaving Pa at work may think the entire street from the Products No. 1 gate is one way, too." Pretty interesting meeting headon in front of Ottawa Machine Co." "Wake up, Mom, from Kilbuck south, it's two-way."

It ought to make us feel better about our small bookkeeping errors which look pretty picayune beside the **$2 million blooper** which the **State of Michigan** must now acknowledge. The Supreme Court ruled Monday that the state made the mistake in bookkeeping in taxing the Detroit Edison Co. in 1957 and the matter has been before the courts ever since.

There is a new white truck buzzing around town with a neatly-lettered sign on the sloping front of the hood which can be read only by a skydiver. It says **XOLLAP** upside down. How come?

DESIGNED BY AN ARTIST — Christmas decorations for the booth at the Presbyterian Church Fall Fair, Oct. 26, are from originals and adaptations made by Mrs. Bert Ousterhout. Mrs. James Barton, left, and Mrs. Chester Beach, co-chairmen for the event, display some of the multitude of gorgeous articles being made by women of the church. This booth is only one of the many, including a baked goods and candy shop, to be filled with items for sale at the bazaar. Tickets are available for the dinner at Don Sunderland's Insurance office and W. D. Hite Hardware. It will be limited to 300 with servings at 5 and 6:15 p.m.

What can I do for conservation? That is a question frequently asked by persons who have the uneasy feeling that they should become more personally involved in assuring their children of a better life in the years ahead.

Fortunately, there are a number of answers to that question. Conservation happens to be made up of many small problems which, when tackled by a lot of people, can create tremendous changes for the best. "What can I do?" Pick one or more of these for a starter:

- Help with projects mapped out by your local sportsmen's club.
- Contact businessmen about using conservation slogans and messages on their products.
- Report water pollution violations to the Water Resources Commission.
- Help obtain public access points on local lakes and streams.
- Establish a "conservation trail" and publicize it in your community.
- Encourage a school camping program where children can learn more about conservation as they enjoy the outdoors.
- Create a scholarship or loan fund for wildlife students.
- Work for better farmer-sportsman relations by bringing members of these groups together in social organizations.
- Make available to landowners, Hunting By Permission Only," signs.
- Clean up a local stream or lake area.
- Inform your news media of your interest in good reporting of conservation matters.
- Learn your wildlife regulations and the reasons behind them.
- Study conservation legislation so you can make intelligent recommendations to your lawmakers.
- Establish hunter-safety training programs for young people in your area.
- Establish new wildlife cover where needed and discourage the unnecessary destruction of existing habitat.
- Provide books on conservation subjects for your school and community libraries.
- Promote ideals [illegible] of all teachers in conservation.
- Initiate and serve on conservation committees in service and social organizations.
- Start a conservation education committee in your school PTA.
- Obtain recognition for those doing outstanding work in conservation.

By now you must realize the list could be almost endless, so either adopt one or more of these as a starter or come up with your own. Conservation, after all, is the basic action which leaves this earth of ours in better shape than we found it.

Two Share Program at Altar Society

Ideas for how to keep a family happy were offered [illegible] ward Ranin at a meeting of the St. Elizabeth Rosary Altar Society last Wednesday evening.

A talk by one of the members is planned as a regular part of each meeting, to give a different perspective on personal problems.

Guests at the meeting were Sisters Ann Celestina and Maria Dolores, Mrs. Thomas Rudd, Mrs. Theodore Broderick, Mrs. Clyde Locker and Mary Maddox.

The Rev. Fr. Thomas Collins showed slides of his recent Caribbean cruise and his visit to ports outside the United States.

Refreshments were served from an autumn-decorated table by Mrs. Joseph Cabla and her committee, Mrs. Joseph Forgacs, Mrs. John Forgacs, Mrs. Julia Kutzner, Mrs. Warren Lewis, Mrs. Maurice Willert, Mrs. Archie Spohr, Mrs. James Knickerbocker, Mrs. James Kane, and Mrs. Cletus Fuhrmann.

By DOROTHY GRIGG

Herald Women's Editor

God is great, God is good and we thank Him for this food. This prayer, one of the first a little child learns, seems always so appropriate for all of us at this wonderful season of the year when nature provides us with not only the beauty of the autumn, but also with an abundance of harvest from field and garden.

Best get it in though, Jack Frost will soon turn those remaining tomatoes, peppers and other vegetables to black 'nothings.'

Jaycee Auxiliary Starts Memorial Scholarship Fund

Members of the Jaycee Auxiliary are holding a roll-on embroidery paint party, Oct. 23, with proceeds to go to the Judy Fielder Memorial Scholarship Fund.

A scholarship fund was begun by the group in the spring of this year, after the death of Mrs. Fielder on July 4, the members renamed their fund in her memory.

Monies earned during the year for the fund will be given to a 1968 Tecumseh High School senior.

The "fabric artists" will start work at 8 p.m. in the Jaycees' Club rooms, 110 E. Chicago Blvd., over Gaston's Jewelry.

Refreshments will be served by the Auxiliary members and a door prize will be awarded.

Mrs. Ronald Albert, chairman, will provide added information by calling 423-3380.

It is suggested that casual dress be worn for the "daubing" party.

Stone Highway To Be Improved

Tecumseh Township Board authorized an expenditure of $10,000 Tuesday night for improvements of Stone Hwy.

The road will be widened, graded and graveled with paving planned for the future.

Bureau Tally Is Inaccurate

At the September meeting of the Tecumseh School Board, a report from the Bureau of School Services, University of Michigan, indicated that the local schools would lose enrollment in the next five years and that Tecumseh and area would grow at the rate of about one per cent per year for the next 10 years.

Board officials scoffed at the report.

Last week, school officials who believe the area will grow were upheld when a representative of the Bureau, Dr. Russell West, met with civic, township, utility and industrial officials at the high school.

In a question and answer session conducted by Dr. West, he discovered optimism among the leaders, based on housing and employment information.

Instead of the one per cent growth, or 10 per cent for the next 10 years, community and area officials felt that a 30 to 40 per cent growth was more likely.

Purpose of the Bureau's work here is to help project building needs for the schools.

Michael Deaner Departs for Navy Antarctic Voyage

Electronics Technician Third Class Michael F. Deaner, USN, son of Mr. and Mrs. Clifford M. Deaner of 608 Outer Dr., has departed for the Antarctic to participate in Operation "Deep Freeze 68," the Navy's operation which provides logistic support for U. S. scientific programs in the Antractic.

He is assigned to Antarctic Support Activities (ASA) which operates, maintains and supplies U. S. bases on the continent. ASA provides weather data and aircraft flight coordination and control through its special detachments.

The men of ASA spend the austral summer, October to March, "on-the-ice" and then return to their home port at Davisville, R. I.

Christine Fairbanks'

OFF the TOP

I thought I wouldn't tell the tale of our crazy 20th wedding anniversary, but after seeing our former editor, Tom Riordan, and his missus out last Saturday night celebrating their 17th anniversary, I was prodded into relating our story.

It really should be titled "How Not to Celebrate Your Wedding Anniversary." Too bad, too; we started out with such bright plans.

It seemed appropriate to observe it some other way than just sitting home watching the one-eyed monster, with a bowl of pop-corn and a coke, so we planned a little evening out for just the two of us.

Many arrangements had to be made in advance, even for just dinner at a nearby eating place and a movie at the local theatre.

For instance, a baby-sitter. Our nine-going-on-ten-year-old daughter can hardly be classified as a baby any more, and yet she definitely needs a sitter. We have been rather spoiled in recent years by having built-in sitters—what with two older sons to call on — but we've been forced to rejoin the ranks of those mamas and papas who have to pay someone to stay with the youngest.

For now older brother has gone off to college, and younger brother has developed a yen for a cute gal in Tecumseh, and it seems he is always "too busy."

But I plotted days in advance to catch him off-guard, and made him promise to sit with his sister this Wednesday night so Mom and Dad could celebrate their [illegible] he agreed, so that part was taken care of.

After studying my dresses in the closet, I decided the occasion warranted something bright and new, so I purchased a couple of yards of material and whipped up a new gown on the antique sewing machine I still rely on. It didn't look bad, either.

Then I prudently called the local body and paint shop (beauty salon to the uninitiated) for an appointment to get my hair "done." After 20 years I need a little help!

The hairdresser agreed, so there we were, every detail attended to, our little evening was all set.

I should have known everything couldn't go that smoothly. I should have been suspicious when friend husband came home the evening before, sniffing and sneezing.

"Are you getting a cold?" I questioned, warily.

"I don't know, but my head's stuffed up," was the reply.

The next morning the skies were gray and overcast, and it looked like the first day of a 40-day rain. Hubby sniffed, and said, "Happy anniversary," eyes puffed and watery.

"Yeah, same to you, dear," I replied.

I knew he was pretty uncomfortable, so decided not to mention the evening plans just then. Maybe by noon he would feel better.

But when he came home for lunch, he could hardly see. Still, he didn't want to disappoint me, and when I asked if he still wanted to go out that evening, he said, "Sure," and blew his nose.

But I knew he wouldn't really enjoy going out, so I suggested I fix supper at home for the four of us. He agreed all too quickly, and grabbing up a spare box of Kleenex, went back to work.

As I prepared supper, I was still hoping to salvage some of the plans for the evening, thinking that just maybe he might at least go to the movies. But my hopes were soon dashed. No sooner was supper over than he climbed into his pajamas and collapsed on the davenport.

I knew he couldn't help it, poor guy, he was miserable; but, I couldn't help feeling disappointed. After all, a new dress, a hair-do, a free baby-sitter — everything had seemed so perfect, and now a stuffy old head cold would spoil everything.

Then inspiration struck. I would go to the movies with our son! But son declined, and suggested I ask a neighbor girl. A quick call ensued, and she agreed to accompany me.

I tip-toed into friend husband, reclining on the sofa.

"Will you be okay if I go?" I inquired, feeling a bit guilty to leave him.

"Sure, sure, you go on; I'll just doze anyway." And I knew he would. "Just don't kiss me good-by."

I didn't wear my new dress — that's still hanging hopefully in the closet, waiting for better days — but, out I went, with my special hairdo, in the rain (it always rains when I get my hair set) to view the movie with the neighbor lady. I heard him sneeze as I softly closed the door.

A bit selfish, you say? Maybe — but someone had to do something to celebrate our anniversary! I just hope the virus doesn't strike next year on the same date. I couldn't stand a repeat of this for the twenty-first!

Teacher Injured

Sally Brown Cayce, 26, Tecumseh school teacher and daughter of Mr. and Mrs. R. S. Brown, 706 W. Chicago Blvd., is in fair condition at Foote Hospital, Jackson, after an auto accident Saturday night.

She is suffering from a fractured peivis and internal injuries. The family does not expect her release for at least four to six weeks.

Mrs. Cayce and her husband, Robert, were returning home from Grass Lake when he missed a curve on Sharon Valley Rd., east of Jackson. It was raining at the time.

The car rolled over, throwing both out. Mr. Cayce was thrown clear, but the car stopped on top of his wife.

She was pinned beneath the car for nearly an hour before being freed. Still conscious, she was rushed to the Jackson hospital. She is now in the intensive care section.

He sustained bruises and was treated and released.

Mrs. Cayce is a second grade teacher at the Sutton School and has taught three years in the Tecumseh school system. They reside in Adrian.

Methodists Plan Education Session for Board Sunday

An innovation in educating official board members will be attempted this Sunday afternoon from 2 until 4:30 p.m., at the Tecumseh Methodist Church.

In an effort to strengthen the work of the board and the six commissions of the church, this training and educational session, under the leadership of Merlyn Downing, official board chairman, and the Rev. Donald Porteous, pastor, will provide the opportunity to trustees, stewards, commission chairmen, and commission members to learn more fully about their individual tasks.

Included in the session will be a filmstrip and group instructions.

A letter of invitation to the retreat has been sent to members with a return card asking for an indication of participation.

Farm Bureau Favors Vote On Building

By MAXINE CALHOUN

Lenawee County Farm Bureau has passed a resolution to support the proposal that the sale of revenue bonds to finance a County-City building be placed on a ballot for the electorate to decide at a general election.

The bureau will prepare and circulate the petitions.

The action was taken at the annual meeting of the Lenawee County Farm Bureau last Thursday evening. Nearly 200 persons attended the dinner meeting in the new dining room of the organization's office building at Madison Center.

- In other action, the members requested the board of directors to hold informative meetings when matters of local and county interest occur and provide research people as necessary.
- Regarding a matter of statewide significance, the members passed a resolution favoring legislation which would require those constructing highways, pipelines and other utilities, and recreation projects across farmland and wooded areas, to file due public notice in each county of an impending project and its route.

Further, the Public Service Commission and Federal Power Commission should be directed to enact such rules and regulations for obtaining construction franchises that will protect land-owners from land deterioration, Vegetation destruction, and tile line and open drain interruption.

Also, that legislation be enacted to protect land-owners from [illegible] coercion and other devious methods in obtaining right-of-ways for such pipelines and other utility construction; and that specific penalties for violations be enacted.

- Legislation was recommended that will protect prime agricultural lands and require assessors to consider only agricultural factors in assessing land for that purpose.
- It was voted to recommend legislation which would permit all producers of fluid milk to vote on a mandatory check-off fund of two-thirds of one per cent of the Class I price, for promotional advertising of dairy products.

County members gave their approval to resolutions of national concern:

- To recommend the establishment of marketing units through producer organizations, rather than Federally controlled marketing.
- To ask the Secretary of Labor to lift the restrictions on hiring minors under 16 years of age for farm work.
- To favor the Dirksen Amendment, proposing an amendment to the Constitution of the United States to preserve to the people of each state, power to determine the composition of its legislature and the apportionment of the membership thereof.

The County Farm Bureau, which is comprised of 1,216 members, recently completed an $14,750 addition to the office, the largest such facility in Michigan.

The building committee chairman, Elwin Marks, was presented with a bronze plaque for his many hours of attention to the supervision of construction.

A pin and centerpiece of golden and bronze chrysanthemums were presented to Mrs. Wilson Sawyer, of Palmyra, retiring president of the Women's Committee.

A comedy song was performed by Mrs. Garner Williams, new president of the Women's Committee.

Area residents named to the board of directors are: Larry Wagner, Macon-Ridgeway Township area: Allen Baker, Ogden-Palmyra Townships; and Harold Calhoun of Clinton-Tecumseh-Raisin Townships.

Karl Kimerer of Britton was named as a director at large.

County resolutions will be submitted at the Michigan Annual Farm Bureau Convention in November at E. Lansing, by a committee of 12 delegates, including Ivan Hunt, of Onsted, and Mrs. Wilson Sawyer of Palmyra.

The members voted to continue to pay the entire cost of providing an Accidental Death and Dismembership Insurance, valued at $1,000, to each name member of the county organization.

Marda Gene Shows Slides to Society

Marda Gene Duncan presentbd a program of pictures taken from "her window" for members of the Women's Society of the [illegible]ch Monday evening.

The brook, struggling nearby through the ice and snow of winter, contrasted sharply with the pretty spring blossoms along its banks in the pictures.

Mrs. R. C. Pennington, publicity chairman, remarked, "The birds and squirrels must know how much she loves them because they assume some of the most unique poses imaginable.

"Marda knows every bird by name which made her presentation [illegible] interesting. We are not only grateful to her for sharing these scenes and friends with us but we are thankful for the spirit and courage she imparts."

Mrs. Lillian Hoagland was hospitality chairman. Mrs. Floyd Bryan presented devotions, getting her inspiration from Matthew 7 and 24 and Psalms 4.

Mrs. Charles Beland gave the report and quota on White Cross. Mrs. Bertram Updike, president, thanked the Society for sending her and Mrs. Blair Bashore to the Spiritual Retreat at Grass Lake.

Announcement was made of the Baptist Women's Day of Prayer on Nov. 8. Mrs. David Champanois offered to prepare brunch for the event.

Quotes and comments were given on the book of the month, Ephesians. The president reminded members that Habbakuk is the book of the month of November.

She urged everyone to be present for the meeting to hear the former state president, Verna Johnson, speak on "Risking Much in Haiti."

Mrs. C. O. Baily will be hospitality chairman for that meeting.

Mrs. Robert Gillespie dedicated the love gift of $40.02 collected, and gave the closing prayer.

Cheese cake and coffee were served by the Rebekah Circle.

The engagement of Linda Klingensmith to William Miller of Adrian is being announced by her parents, Mr. and Mrs. Leroy Klingensmith, 2073 Russell Rd. Mr. Miller is a nephew of Mr. and Mrs. Ennis Hardin of Adrian. A 1968 wedding is planned.

In 1940 one man on the farm fed himself and 10 others. Today he feeds himself and 35 others. This is the result of mechanization, better seeds and better agricultural practices, according to the Michigan Department of Agriculture.

Gloria Dei To Observe Youth Day

Sunday will be observed in the Gloria Dei Lutheran Church as Youth Sunday.

The Junior Choir, under the leadership of Mrs. Earl Mason, will sing during the worship service, and the newly-elected officers of the Luther League will be installed by the pastor.

A special congregational meeting regarding the building of a new educational unit for the Sunday School will follow.

The old parish house, which was used for this is now occupied by the pastor's family, who moved in this week from Inner Dr.

Burton Wright handled the remodeling.

The new parsonage of Gloria Dei is located at 120 W. Brown St, phone 423-7510 and the old parsonage is for sale.

Harry Farrell, president of the Council, will present the plans for the new unit before the congregation.

Also Sunday in Monroe at the Christ Lutheran Church, the Fall Rally of the Luther League will be held.

Mr. and Mrs. Tom Kampmueller, sponsors, will lead the local Luther Leaguers to Monroe. Departure is at 2 p.m. from the church.

A two-day Lutheran Church Women's convention will start in Grand Rapids next Tuesday. The Gloria Dei ladies' group will be represented by Mrs. Arthur Baaske as official delegate and by Mrs. Adeline Ferow, Mrs. Jaes Tonneberger, Mrs. Fred Weseloh and Mrs. Laszlo Gero.

The Pastor ex-officio will be present.

Convalescing

Wayne Schroeder, 800 S. Occidental Rd., is convalescing at his home after suffering a concussion and other head and back injuries in an accident Sept. 27.

Mr. Schroeder was stacking wooden skids with a Clark truck at the Tecumseh Products Co. when the stack fell on his head and shoulders.

He was released from Herrick Memorial Hospital Oct. 2.

Wood Elected Prexy

Robert Wood has been elected president of the Band Boosters, local organization which finalized plans for Tuesday's band festival.

Other officers elected at a recent meeting were:

William Vollmer, vice-president.

Mrs. Raynor Van Valkenburg, secretary.

Mrs. Robert Stone, treasurer.

William Frownfelder, publicity.

Parental representation at the Band Booster meetings in the past have been low, Mr. Frownfelder reports, and hopes that parents will take a greater interest in the future.

Next meeting is Oct. 26, at 7 p.m. at the high school.

Part of the session will be devoted to improving the system for distribution and care of band uniforms, and possible changes in Music Camp Scholarships.

What a change in 18 years! Dorothy Osborne observed 18 years in downtown Tecumseh last week and the changes are obvious. When she and her late husband, James, first opened in 1949 it was called the Skogmo Store. In 1954, they added a 60-foot addition, and six years later, another addition made it about four times the size of the original store. Since her husband's death in 1961, Dorothy has operated the store by herself. Last year, remodeling and purchase of the former Allison Store has upped the store's square footage to 55,000.

3 Members Are Initiated by Society

Delta Kappa Gamma Society initiated three new members Thursday evening at the Masonic Temple in Onsted.

The new members are Eulaine Murphy, superintendent of the Girls' Training School; Dorothy Lockhorn, English teacher at Adrian Junior High School; and Jeanette Deem, English teacher at Madison High School.

Mrs. Wallace Watt of Lansing, formerly of Adrian, was chairman of the initiation.

A founders' day service was conducted by Mrs. J. R. Barone and Emma Sihler.

Red candles were lighted for two living charter members of Alpha Chi Chapter. They are Betty Sanford and Mrs. Watt. A white candle was also lighted in memory of Mildred Klinger.

National members were also honored in the service.

Hostesses for the dinner were Mildred Harbor, Lucille Aprill, Mrs. Allen Graybill, Ruth Libbe, Ila Spotts and Mrs. Waldron Stewart.

Macon Notes

By MRS. HAMILTON MOORE, JR.

The Commission on Membership and Finance of the Macon Methodist Church will meet at the church Monday at 8 p.m.

The new circle being organized at the church will meet at the home of Mrs. Paul Hover next Wednesday, at 9:30 a.m. This group is for anyone who is unable to attend the afternoon or evening meetings.

The Macon Youth Fellowship will sell apple cider Saturday, Oct. 21. They would appreciate orders. Pamilia Haynes or any of the youth will be glad to fill them.

Paul Hewlett has returned to his home from Herrick Memorial Hospital, where he underwent an appendectomy.

Mr. and Mrs. Ophir Gwinnip of Rushville, Ind, spent the weekend with her sister and husband, Mr. and Mrs. Russell Van Valkenburg. Mrs. Cora Sherwood, who has been spending a few weeks with her daughter, returned to her home in Rushville, with the Gwinnips.

Recent guests of Mr. and Mrs. Truman Jordan and Mrs. Ollie Jordan were Mr. and Mrs. Loyde Diviely of St. Louis, Mo.

Mr. and Mrs. Hamilton F. Moore left Friday for Cedar Rapids, Ia., where Mrs. Moore will be representing the Ann Arbor District Woman's Society of Christian Service at the North Central Jurisdictional meeting.

Mrs. Harold Ruhl opened her home to the Joy Circle Oct. 4. The program, "How Do We View TV?" was given by Mrs. Dean Moore. Mrs. Truman Jordan presented a self-study. There was some discussion on the Country Store to be held with the cafeteria supper. The group decided to hold a rummage sale Nov. 16, 17 and 18 at the church. Refreshments were served by the hostess and co-hostess, Mrs. Myrtle Clark.

The Macon Community Club will meet with Mr. and Mrs. Ray Hendershot, near Brooklyn, next Tuesday at 7 p.m. Light refreshments will be served instead of supper. Members will all contribute somthing for the program.

The Faith Circle meeting was held at the home of Mrs. Truman Jordan. A letter was read from Minnie Sarvey telling of the open house at the Chelsea Home Oct. 6. Mrs. Clarence Hall presented devotions entitled "Is Isn't The Church, It's You." Mrs. Clare Cambarn presented the program on "Who Am I?" Those taking part were Mrs. Jordan, Mrs. Charles Gorton and Mrs. Hamilton Moore. The November roll call will be answered with "Your Favorite Bird."

Mr. and Mrs. Eugene Hill spent two days at Swanton O. Mr. Hill's father, A. J. Hill, returned home with them.

The Mary-Martha Circle met at the home of Mrs Herman Mehler rather than at Mrs. John Hewlett. Mrs. Walter Sally had the program and devotions. Mrs. Sally's daughter, Marjorie, told of a Teen and Twenty meeting held at the First Street Presbyterian Church. Refreshments were served by the hostess.

Withrow Shooting Rates First Place in Turkey Event

Don Withrow won first place in the annual turkey shoot of the Tecumseh Rifle and Pistol Club recently at the Community Center.

Fourteen members fired three courses — 90 shots — under kicker handicap rules for a turkey and two hams.

Scores were, based on actual and handicap shooting:

First, Don Withrow, 776 and 893.

Second, Jack Curtiss, 791 and [illegible].

Third, Walt Hockrein, 729 and 879.

Fourth, Fred Bell, 729 and 877.

Fifth, Robert Cheers, 788 and 872.

Cheers had the highest target score with a 97, followed by Curtiss with a 95.

The Club meets every Monday night at 7:30 p.m., at the Community Center.

Skins Romp Novi, 53-7

Novi struck first Friday night against the Clinton Redskins, then should have gone home.

After Gary Bower of Novi gathered in an early punt for a 701yard TD run, the Redskins turned the game into a rout, winning, 53-7.

Clinton scored twice in the first quarter, three touchdowns in the second, twice in the third, and once in the fourth period as five players hit paydirt.

Mel Pardee figured in on four TDs, scoring three himself and passing to Bill Driscoll for another.

Big Butch Hoelzer tallied twice and Tim Hathaway once, all on runs. Terry Schuler passed to Paul Papsdorf for Clinton's seventh touchdown of the evening.

After being upset in its opener, the Redskins have romped to three straight wins and appear headed for another conference championship.

Tell the town thru Want Ads

Rick Steele, confined to the kicking teams earlier in the season, earned a starting linebacking spot with his play against Saline Friday night.

Second efforts paid off for Dick Hale, who started his first game at tackle against Saline. Coaches praised him for his exceptionally fine blocking on offense.

Steve Dalton was selected as the top Indian in the defensive secondary. He saved Tecumseh a touchdown when he blocked a Saline back out of bounds.

Quarterback Jim Hunt was picked as Tecumseh's top offensive back in the Saline tilt. Improved passing and running earned him the honor.

Jayvees Beat Saline 33-20

Tecumseh's Jayvee football team trounced Saline, 33-20, last Thursday at Saline, hiking its mark to three wins and one tie.

Tecumseh scored when the game was just two minutes old when Mike Kennedy skirted 60 yards on an end sweep. He then scored again in the first quarter on a 12-yard run. Bob Reed ran for the extra point.

Bob Dixon scored on a sweep in the early part of the second period, and the extra point was tallied on a pass from Kennedy to John Birchfield.

Saline scored with one minute remaining in the half on a 65-yard run from scrimmage.

In the third quarter, Dixon scored on a six-yard run. Saline then returned the kick-off for a touchdown. Kennedy intercepted a Saline pass and scored the Jayvee's final TD on a 40-yard run. A pass from Bob Reed to Richard Roost was good for extra point.

Saline scored in the dying minutes of the game.

The Jayvees failed to capitalize on several scoring opportunities, as they lost the ball on fumbles five times.

Coaches Vic Lawson and Jerry Fox cited the offense for a good effort.

Defensively, Jim Curtis, Bill Gibson, Jack Baker, Mary Maynard, Birchfield and Paul Hamilton were outstanding.

Curtis, Kennedy and Jack Edwards picked off Saline passes, and Bob Reed recovered a fumble.

Hamden Attends Assessors' Session

Robert E. Hamden, Tecumseh City Assessor, attended the annual tax assessors' conference held in Lansing Oct. 2-3, at the Civic Center.

Mr. Hamden reports that it was an interesting and informative conference.

"One important point brought out at the conference was that our tax base is being undermined by the many real and personal tax exemptions for special groups. When these are allowed it puts a greater tax burden on the average property owner, the taxpayer. These exemptions for special groups should be discouraged," Mr. Hamden said.

Indians Drop Third Straight

A blocked punt plus a runback of a short kickoff spelled defeat for Tecumseh Friday night when Saline handed the Indians their third straight loss, 19-13.

Coach Mike Rotunno's club could have won by a larger margin — or could have even lost it. It was that type of game with both teams within striking distance of victory.

Who's ahead at the final gun is what counts, and Saline, by virtue of a 65-yard kickoff return in the final quarter by halfback Dan Laskey, earned the win.

Just before Laskey's game-winning jaunt, a Jim Hunt pass to Buddy Work had tied the game at 13-13. The play covered 45 yards with Work running the final 20.

Laskey started Saline to victory early in the second period when the chunky back slipped over from the one. With less than three minutes left in the half, John Anderson completed a Tecumseh drive when he shot over Tecumseh's right tackle for the TD.

Anderson then carried for the extra point as the teams battled to a 7-7 tie in the first two quarters.

Except for the Hunt-to-Work pass, the second half was dominated by Saline, as Coach Tom Fagan's club simply could not get an offensive drive underway. Time after time, the Saline line poured through to nail Tecumseh backs behind the line of scrimmage.

The Indians' passing game broke down when receivers dropped the ball, and as often as not they were in the clear for large gains.

Tecumseh stayed within striking distance mainly through Saline errors. Once a Saline back fumbled on Tecumseh's six, only to have the Indians recover in the end zone. Another time, Saline intercepted a batted pass and went to Tecumseh's one-foot line, only to have a clipping penalty called.

The loss, third in a row, also marked the third time Tecumseh has bowed by one touchdown or less. Lutheran West started it with a 26-21 win, then Flat Rock, 18-13, and now Saline, 19-13.

Hopes are up that the Indians will rebound and catch Grosse Ile here Friday night.

Coach Seeks Cage Records

CLINTON — Richard Content, coach at Clinton High School, is compiling a basketball booklet in which he hopes to include some of the noteworthy records of past years.

He asks that anyone who has kept any information about the varsity basketball teams and players, prior to 1962, contact him.

Information needed includes star players and the year they played, records of wins and losses, leagues they were in, tournament records, most valuable players, names of captains and co-captains, and any awards which were made to the players.

Pictures of individuals and any of the teams would be helpful, too.

Anyone who has this information may take it to Richard Content or phone 456-7119, or phone the school office, 456-4143.

Grosse Ile Here in Homecoming

If the Indians are ever going to snap their three-game losing streak, they'll never have a better opportunity than in Friday night's homecoming game with Grosse Ile.

The Islanders, after a fine season in 1966, are having their troubles, too. Last week, they barely tied Airport, and the Jets are not what one would consider Huron League title contenders.

Coach Tom Fagan hopes that three of his regulars are back for play. Chuck Gillies, starting linebacker, missed the Saline game because of an injury.

Jim Mobley, regular quarterback in Tecumseh's lone win over Hillsdale, has discarded his crutches but still may have to wait another week or two.

Larry Cote, also injured, is a doubtful starter. Cote started Tecumseh's first three games as a flanker back but missed last week's tilt.

If the Indians can get their dobbers up, plus the inspiration of a homecoming game, Tecumseh fans could enjoy a victory Friday night.

St. Elizabeth Team Beats Camden, 6-0

St. Elizabeth's football team won its first game of the season last Wednesday with Camden Frontier, 6-0.

The touchdown was scored by eighth grader Roger Ashenfelter.

Bob Roe of Britton is coaching the team.

Holy Land Pictures Will Be Featured at Britton Church

BRITTON — Pictures of the Holy Land, taken by the Rev. Duane McNeil on a recent visit, will be featured Sunday following the evening service at the Britton Baptist Church.

These have been divided into two parts and will be shown Oct. 15 and 20.

"Completion of a Tour" is the title of the message for the morning worship service.

Sunday School, for all ages, begins at 10 a.m., followed by the worship service.

Young people and adult bible study convenes at 6:30, followed by the evening service at 7:30. "Seven Things About Sheep" is the topic for this service.

'68 Caprice Coupe; rear, Camaro Sport Coupe, "The Hugger"

Dramatically new! Astro Ventilation makes the ride as quiet as it is smooth.

With special new Astro Ventilation, you get outside air through two vent-ports right on the instrument panel. Just roll up the windows, open the vent-ports and get plenty of air without annoying drafts and street noises. It's standard on Camaro, Corvette and the Caprice Coupe (available on many other models) and it's one of the new ways Chevrolet shows greater concern for your comfort.

No better value

For '68, you also get new riding silence, thanks to Chevrolet's computer-refined suspensions. You get better performance, GM's new exhaust emission control, proved safety features (the GM-developed energy absorbing steering column, for one) along with many new safety features.

Drive the finest

Caprice, The Grand Chevrolet, gives you new elegance everywhere. Camaro, "The Hugger," gives you smoother acceleration and more of a true sports-car feel than ever before. Come drive '68's finest—now at your Chevrolet dealer's!

American Indian Is Topic

Mrs. Franklin Bock presented a program on the American Indian at the October 4 meeting of the Woman's Society of Christian Service of the Methodist Church.

She spoke primarily about the Navajo Indians of the American Southwest.

"The Indians wish to live in the comfort to which the white man is accustomed, but they also want to retain their own unique culture. Illiteracy and land problems plague the Navajos," Mrs. Bock stated.

As many as 70 per cent of the Indians are illiterate, but Project Headstart is doing much to advance literacy in the new generation.

The United States government is still taking land from the Indians and most of that left for them is desolate and arid. There are some natural resources on the various reservations, but these are being rapidly depleted.

Mrs. Bock also mentioned that the pockets of poverty among the Indians are far worse than those elsewhere in this country.

Before the program Mrs. Lenore West gave devotions based on the Indian theme, and included an Indian version of the Shepherd Psalm.

President Mrs. William Steele, Jr., conducted the business meeting. Mrs. William Norris and Mrs. Gerald Rendel are chairmen of the annual fall festival to be held Nov. 8.

An international theme will be followed for this year's festival. Mrs. Norris announced the committee chairmen for the event and also that two candy-making and two needlecraft workshops will be held during October.

Mrs. Carlos Jones greeted members and guests. Refreshments were served by Mrs. Donald Sprague and Mrs. Lee Kayner.

Playlet Presented at Society Meeting by Mrs. T. Smith

BRITTON — October meeting of the Women's Society of Christian Service of Grace Methodist Church was held Thursday evening at the home of Mrs. Charles Bishop.

Program chairman Mrs. Thomas Smith presented a playlet on youth entitled "The Glass Wall."

The subject of the playlet was the problem of family communication, and how the lack of such communication is vitally damaging to all family members. Readers were Mrs. Paul Frazier, Mrs. William Bailey, Mrs. Fred Schober, Mrs. Allen Bower, Mrs. Robert Gibson and Mrs. Smith.

Mrs. Edward Bailey gave the devotions, based on 1 Corinthians with selected readings from Chapters Three and Four.

During the business meeting, it was voted to have the Call to Prayer Service as part of the Nov. 2 regular evening meeting.

It was also voted to send 45 small toys as Christmas gifts to Dr. Glenn Eschtruth's mission in Africa. A committee was appointed to send Christmas remembrances to boys in the armed services.

Congregationalists Complete Plans for Church Fair

BRITTON — The kitchen planning committee for the annual Church Fair at the Congregational Christian Church met Monday evening at the home of Mrs. Richard Bruce.

The Mary-Martha Circle and the Golden Rule Circle will prepare the roast beef dinner for the event, which will be held on October 19. The price for adult tickets (over 12 years of age) was raised to $1.75. The price [illegible] under 12 remains at 75c. Serving will begin at 5 p.m.

The Priscilla and Sunshine Circles will be in charge of the dining room.

In addition to the supper, the church ladies will have booths with baked goods, handiwork, decorative items, produce and other items for sale.

Also, the small children, nursery through first grade, will have a fish pond. The tots are asked to bring small wrapped gifts for the pond.

The older girls in the junior and senior high classes are asked to bring candy and sell it.

Circles Discuss Mulberry Gap

BRITTON — All four Circles of the Congregational Christian Church met last Tuesday.

The Sunshine Circle met at noon in the new home of Mrs. Jack Patterson in Adrian. Mrs. Charles Patterson assisted in serving luncheon to the 13 members and four guests.

Mrs. Paul Cook gave the program with the reading of the story, "A Life With Prayer," from the book, "Out Past and New Wine" by Keith Miller. The book is a recent addition to the church library.

Devotions were given by Mrs. Clyde Brown and Mrs. Lawrence Ash.

It was voted that each member take a child's gift to the next meeting, to be sent to the Mulberry Gap Mission for Christmas.

Ten members of the Priscilla Circle met at the home of Mrs. Charles Dickerson Tuesday evening.

A motion was made to bring a toy, wrapped and marked for the children at Mulberry Gap for Christmas, to the next meeting. A thank-you note was read for the layettes previously sent.

Mr. Dickerson presented a slide showing of their 16-day visit to California and the Hawaiian Islands for the program.

Refreshments were served.

Mrs. Sam Vreeland presented the program on "Missions in France" when the Mary-Martha Circle met Tuesday evening at the home of Mrs. Roger Gillespie. Mrs. Richard Bruce had the devotions.

The group voted to send $5 to the Mulberry Gap Mission in Tennessee to be applied on a sound projector.

During the business meeting, it was voted to raise the price on public dinners from $1.50 to $1.75, in view of increased costs.

Mrs. LaVern Russell was hostess to 13 members of the Golden Rule Circle Tuesday evening and assisted by Mrs. Ned Brown.

During the business meeting, the coming Church Fair was discussed. Plans were made for the kitchen committee. It was voted to increase the supper price for adult tickets.

A letter from the Mulberry Gap Mission in Tennessee was read by Mrs. Douglas Palmer, in which the circle was thanked for their gift of clothing and its [illegible] was voted to bring gifts for the children to the next meeting. They're to be sent to Mulberry Gap for Christmas.

A narrative and vocal record was played and discussed for the program. Refreshments were served.

Members were reminded to bring articles for the booths at the Church Fair.

Bridal Shower Is Given for Carol Davenport

BRITTON — Miss Carol Davenport was the guest of honor at a bridal shower last Wednesda evening, given for her by Mrs. Walter Furgason of Britton.

Co-hostesses were Mrs. Robert Furgason of Clinton and Carol Caliguri of Tecumseh.

Miss Davenport will become the bride of Pvt. Timothy Rhinehart of Tecumseh on Saturday. Pvt. Rhinehart is serving in the Army at Fort Rucker, Alabama. She will join him there for the wedding.

Twenty-five guests were present, and played bridal bingo. The door prize was awarded to the bride's grandmother, Mrs. Margretta Davenport.

Refreshments of decorated cake and punch were served. The honored guest opened many lovely gifts.

Fun Night

BRITTON — A seven-speed Pro blender, a No. 104 Kodak camera, a pocket size AM/FM transistor radio, and a blanket are the door prizes to be awarded at the PTA Fun Nite this Saturday night.

Tickets are available from grade school children or they may be purchased at the door.

Last-minute details are being arranged as the committee leaders complete their plans for the big event.

All chairmen are requested to attend a meeting in the gym Friday evening at seven o'clock to make the final plans.

Mr. and Mrs. Joseph Cabla and Mr. and Mrs. Gerald Price, general co-chairmen of Fun Nite, have announced those who are responsible for the various booths, games and events.

They are: supper, Mrs. Melvin Henry; kitchen clean-up, Mr. and Mrs. Bill Skelton; publicity, Mrs. James Arft; tickets, Bob Auten; door prizes, Mrs. Ronald Frayer; change maker, Ron Cheever; announcer, the Rev. Duane McNeil; thrift shop, Mrs. Paul Rowlands; band boosters general store, Mr. and Mrs. Ronald Maschino; and gym clean-up, Mr. and Mrs. William Gorton.

Those in charge of games and activities are:

Cake walk, Mrs. Carl Gubbe; cider and doughnuts, Mr. and Mrs. Tom Korican; souvenirs, Mrs. Lee Spohr; weight guesser, Jim Lidster; penny pitch, Mr. and Mrs. Tom Judkins; bow and arrow, Mr. and Mrs. Curtis Banks.

Ding-a-bell, Mr. and Mrs. Wayne Dunbar; sharp shooter, Mr. and Mrs. Lee Benedict; roll-a-ball game, Mr. and Mrs. Albert Wielfaert, hayride, Don Lutton; milk bottle upset, Mr. and Mrs. Ervin Reau; coke bottle bowling, Mr. and Mrs. Kenneth Smith; record roll, Mr. and Mrs. Neal Judkins; fish pond, Mr. and Mrs. Al Wagenschutz; balloon blower, Ken Bortel; ring-a-pop bottle, Mr. and Mrs. Russ Pilbeam; yacht club, Mrs. James Arft, and greased pig contest, Elmer Robey.

The Band Boosters will sponsor the General Store. Parents of all band students are asked to donate new items for sale in the store. They may be brought to the gym Saturday from noon to 4:30 p.m.

Our man with the Armed Forces

Because beer is such a favorite with service men, we brewers like to do all we can to keep its surroundings right. So USBA representatives serve as adviser members of the Armed Forces Disciplinary Control Boards throughout the country.

These men from the USBA operate hand in hand with service and civilian police, with malt beverage licensees, public boards and committees: military, civil, professional. Object: to protect those who are underage, and to insure strict observance of the law.

We're proud of the work they do.

Unless we miss our guess badly, some member of the Legislature is going to come up with the idea that "there ought to be a law" to prevent fishermen from drowning themselves.

This will be one outcome of the September 23 disaster off Frankfort when a still-unknown number of fishermen, drawn there by the coho salmon fishing, were caught in a squall and drowned. Shocking though it was, it still points up the fact that all the laws in the world won't prevent some fishermen from taking terrible chances with their lives.

Sportsmen who know and respect the Great Lakes have been saying for many weeks that the big waters were going to claim some lives. The U. S. Coast Guard, responsible for enforcing safety laws on the Great Lakes, have been almost beside themselves trying to stop fishermen from going out in almost anything that would float.

You name it — somebody had it out in Lake Michigan fishing from it. Midget boats that would almost be out of place on an island puddle were plying the waters alongside canoes, rafts and elaborate cabin cruisers. Despite the fact that federal law requires life preservers for every passenger, violations were more common than compliance with the law.

Even today, with the disaster behind, some fishermen seem to have learned nothing by the example. Unsafe boats are still working Lake Michigan waters as the fishermen in them succumb to coho fever and continue willing to take unnecessary risks.

If a fisherman does not care enough about his own life or that of his companions, how in the world can anyone be so optimistic as to think common sense can be legislated?

Fished the right way, from safe boats and in safe boating weather, the coho salmon can provide some of the finest fishing Michigan has ever seen. It would be a shame if the Legislature, prodded by well-meaning people to "do something," should cripple the entire fishery by unnecessary restrictions. Misguided emotion could do this without accomplishing a thing.

There ought to be a law," indeed! There IS a law. There are a whole bundle of laws designed to keep fishing a safe sport. Yet, all the laws in the world can't guard the fisherman from his own worst enemy — himself.

Until every fisherman learns this for himself and keeps it in mind at all times, we will continue to have tragedies on the water.

Driver Is Cited in 3-Car Mishap

A chain collision occurred Sunday when Evelyn E. Davis, 48, of Toledo, stopped on M-50 east of Pentecost Hwy., waiting to make a left turn.

A second car, driven by Richard E. Gentz, 39, of M-50, Tipton, also stopped.

A third vehicle, driven by Denver Johnson, 41, of Ypsilanti, was unable to stop and struck the Gentz car, pushing it into the rear of the Davis vehicle.

Vera Suess, 76, of Toledo, a passenger in the Davis car, and Ella Moline, 62, a passenger in the Johnson car, were shaken up, but told Clinton State Police they would seek their own treatment.

Johnson received a summons for following too closely.

Patrol Seeks Applicants

U. S. Border Patrol of the Immigration and Naturalization Service has an urgent need for a large number of physically fit young men desiring a career in Federal law enforcement work.

The Border Patrol is the armed, uniformed enforcement branch of the Immigration and Naturalization Service. Its purpose is to detect and prevent the smuggling and the illegal entry of aliens into the United States and to apprehend those guilty of such violations.

No experience is required. To qualify, applicants must pass a written test of verbal abilities, judgment and aptitude for learning a foreign language. Candidates who pass the written test will be called for oral interviews in the order of their standing on the list.

The oral interview is designed to determine if the applicant has the personal qualities needed for the work. Candidates must also pass a rigid physical examination.

The entrance salary of an Immigration Patrol Inspector is $6,451 a year. After satisfactorily completing a year of intensive training, a new officer's salary is raised to $7,303.

Applications are now being accepted for the civil service examination for Immigration Patrol Inspector.

Full information may be secured from the nearest post office or from any office of the Immigration and Naturalization Service.

Mrs. Calvin Dixon Jr. Is Worthy Matron

Mrs. Calvin Dixon, Jr., was elected worthy matron last Thursday and James Tonneberger, worthy patron of the Tecumseh Chapter No. 51, OES.

Other officers elected were:

Associate matron and patron—Mr. and Mrs. Charles Manley.

Secretary — Mrs. Donald LaBounty.

Treasurer — Henry Kempf.

Conductress — Mrs. Dean Moore.

Associate conductress — Mrs. Raymond Nichols.

A semi-public installation will be held Oct. 21 at 8 p.m. at the Masonic Temple. Officers' practice will be held Oct. 19 at 7:30 p.m.

Mrs. Dixon gave a report of the fall session of the Lenawee-Monroe County Association meeting at Sand Creek. Two Tecumseh members are officers in the Association. They are Mrs. Sherman McRae and Mrs. Henry Kempf.

Nineteen from Tecumseh attended the meeting, namely, Mr. and Mrs. Henry Kempf, Mr. and Mrs. Lawrence Hoagland, Mr. and Mrs. LaVern Russell, Mr. and Mrs. James Tonneberger, Mr. and Mrs. Melvin Smith of Lake Worth, Fla., Mr. and Mrs. Robert Hunt, Mrs. Katharine Hunt, Mrs. Melvin Ruettinger, Mrs. McRae, Olive Upton, of Palmetto, Fla., and Mrs. Dixon.

Next week is Grand Chapter at Grand Rapids and those attending from Tecumseh will be Mr. and Mrs. Ruettinger, Mr. and Mrs. Miller, Mr. and Mrs. Tonneberger, Mrs. Katharine Hunt, Mrs. Robert Bonner, Mrs. Dixon, Mrs. McRae, and Mrs. LaBounty.

The altar was draped in memory of Mrs. Nellie Kelley, an honorary life member of the Grand Chapter, and a memorial verse was read by the retiring worthy matron, Mrs. Stanley Miller.

Letters were read from the Associate Grand Matron, regarding a meeting to be held in Chelsea on Nov. 20 for line officers and the School of Instruction to be held in Tecumseh with Clinton, Saline and Monroe participating.

Tables were decorated in keeping with the last season of the year and refreshments were served by Mrs. Katharine Hunt, Mrs. Wayne Smith and Mr. and Mrs. John Smith.

Airman David L. Sneary, son of Mr. and Mrs. Edward B. Sneary, 11005 Monagan Highway, Tipton, has completed basic training at Lackland AFB, Tex. He has been assigned to the Air Force Technical Training Center at Lowry AFB, Colo., for specialized schooling as a munitions specialist. Airman Sneary is a graduate of Onsted High School.

Program Booklets Are Distributed to 13 Members

Mrs. Larry Snyder was the hostess for the Young Mothers' Club meeting Oct. 3, when program booklets were distributed to 13 members.

Members brought used clothing for teen-age girls for the Service Club.

Mrs. Raymond Seitz was co-hostess for the salad smorgasbord, with each member furnishing a salad.

Mrs. Thomas Judkins will be the hostess for the next meeting, assisted by Mrs. James Kniffen.

Christian Science Church Service Is Announced

"Herein is love, not that we loved God, but that he loved us, and sent His Son to be the propitiation for our sins." (I John 4: 10).

This is the Golden Text from this week's Bible Lesson on the "Doctrine of Atonement," to be read in all Christian Science Churches on Sunday.

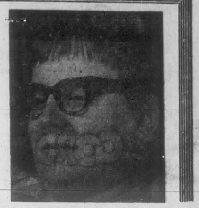
Marda Gene Duncan's

Through My Window



LOG BY THE DUNCANS, SEPTEMBER, 67

Well, first of all, it was a perfectly marvelous vacation — one of the very best ever. We visited the nicest people, saw the prettiest scenery, thrilled at the most exciting wild life, enjoyed the best food, and grumbled at the lousiest weather.

The Duncans, especially when on vacation, seem to have an affinity for peculiar weather. The first week of September, if you remember, was warm and sunny.

Sunday, the 10th, started off as a typical Duncans' Departure Day though, it was cold and cloudy, with a raw wind blowing. Yup, the weather man knew our plans.

By the time the packing was all done, and it is amazing how much that burgundy station wagon will hold, but anyway by the time we were really ready to take off, the day had turned beautiful.

Our first day's journey was north through the middle of the state, then, at Grayling, we angled northwest to Bellaire. My, but it seemed good to be in Upper Lower Michigan again — the white birches are always so pretty, and, even early in September, a few of the fall colors were beginning to show.

Glory be, just at dusk and after we had gone through Mancelona, Mom saw two deer at the side of the road!

★

MONDAY WE spent at Bellaire with "Auntn" and Rog. A fine day. Their new home on Intermediate Lake is lovely. It was fun for the family to be together again and the weather was ideal.

Gram and I sat by the big window, which overlooks the lake, while the rest of the folks sashayed about in the boat. The sun danced on the clear blue water, the trees on the hills across the lake were showing tinges of red and yellow, ducks swam by and a flocks of chickadees busied themselves in some nearby pine trees — I think Gram and I had the best of the afternoon.

Tuesday found us on our way again and miracle of all miracles, the good weather still held. After wandering around the Petoskey area a little, we headed for Mackinaw and the Bridge.

Mighty Mac is still a thrill to see that huge creamy-white superstructure suddenly loom up — wow!

From St. Ignace Route 2 led us west, another old friend. There are stretches where the road runs right next to Lake Michigan; it is always a temptation to find a nice motel and stay put for a while.

There is something that fascinating about the big lake.

Wednesday our luck with the weather gave out and we awoke to find a drippy, cold, wet day. All was not lost, though, because just beyond Iron Mountain a big doe crossed the road in front of the car. Imagine, the Duncans seeing yet another deer in Michigan, breaking all kinds of sighting records.

Just to make the rainy day even brighter, when we looked back into the woods that the doe had just left, there were two fawns. We could hardly believe our eyes. After signaling instructions to her two still-spotted youngsters, the doe flicked her white flag at us and was gone.

The short northwest corner of Wisconsin and the area around Duluth looked familiar through the back and forth swishing of the windshield wipers.

This was our fifth or sixth trip through Duluth and does it always rain there? In every tour book we read about what a great shipping port it is: the third largest grain center in the U. S., with 49 miles of dock line; they also dwell in depth about the scenic aspects of the city and its picturesque skyline drive. We never see anything but rain. Even through the drizzle, Routes 61, 210, and 10 through Minnesota were interesting.

Much of the area is hunting and fishing country, marshes, bogs, and little lakes. We were surprised not to see more ducks; we were amazed to notice that every other car had one or two canoes on top. Honestly, I did not realize there were so many canoes in the whole world.

★

FRIDAY FOUND us crossing North Dakota on Interstate 94. We found why there were no ducks in Minnesota, they were all here. All of the many, many pot holes had more than their share of bobbing ducks.

In this high plateau country the expanse of sky and the great distances which can be seen make one feel almost as if he were in another world. When the weather report called for scattered showers we could see what was meant — all day long it was often possible to look around and see four or five, even six or seven different storms.

When not in the middle of one of these showers, they make an extremely interesting looking sky.

After spending a comfortable night in Dickinson, N. D., (it was fun to be in a family-named town) we headed south towards Rapid City and the Black Hills of South Dakota.

In both states the strip farming of wheat afforded good looking. This year's crop was long ago harvested with only the golden stubble remaining and, in nice contrast, next year's wheat showed merely as a green fuzz on the black as velvet soil which the scattered showers were keeping nice and wet. Then there was the grazing country, too, lots of sheep but more to our liking were the cattle. White-faced Herefords and Black Angus. Lots of steak dinners on the hoof!

As we neared the Black Hills the bad weather really closed in. Rain and fog. Sunday started out to be a complete washout as far as picture-taking went. The faces at Mt. Rushmore were crying, the rain had actually left "tear stains". The Needles Highway and Custer State Park were pretty even though wet. Sheer frustration to have our loaded cameras lay so idle.

In the Wind Cave National Park things improved but that must wait 'til next week.

Mr. and Mrs. Howard Hintz and family spent the weekend on a color tour, camping in Northern Michigan.

√

Mr. and Mrs. Ronald Christman of Dearborn and Mr. and Mrs. Albert Newman of Venice, Fla., were weekend guests of Mr. and Mrs. John Hoelzer.

√

Mr. and Mrs. Delbert Tallman, Sr., spent last week at their cabin near Mio.

√

A son was born Friday at Herrick Memorial Hospital to Mr. and Mrs. Thomas Stadler of Clinton-Manchester Rd.

√

Mr. and Mrs. Ben Mahrle, II, were camping and fishing near Houghton Lake and Mesick last week.

√

Mrs. Delmar Manchester and Mrs. Homer Larrabee are attending the Grand Chapter OES at Grand Rapids this week. Mr. and Mrs. Delbert Tallman, Sr., will attend the installation on Thursday only.

Mrs. Fray Manchester was hospitalized last week with muscle injuries received when she slipped in her home last Sunday.

Growth Report Goes to Board

CLINTON — A population growth study report by the University of Michigan Bureau of School Services for the Tecumseh and Clinton School Districts, was made Tuesday to the School Board in Tecumseh.

Clinton Township Board appointed member James Meeks to attend.

The board also made arrangements for Charles Wilson, Clinton Township building and electrical inspector, to attend a symposium for building inspectors in Lansing Oct. 18.

5 New Cubs Are Accepted

CLINTON — Five new members were received in the Cub Scouts and were presented Bobcat pins at the first Pack meeting of the year last Tuesday.

They are Steven and Andrew Liscomb, David Tallman, Jody Swain and Douglas Feldkamp.

John Shear, assistant Cubmaster, and Wayne Balliet, neighborhood commissioner, were in charge of the meeting.

The following awards were presented:

Gregory Busch, wolf badge, gold arrow.

Kenneth Roberts, wolf badge, gold arrow.

Randy Breeding, wolf badge, gold arrow.

Martin Benjamin, silver arrow.

Committeeman Carl Duda received a one-year service star.

Mrs. Joseph Busch explained the gold and silver arrow awards and the requirements for earning them.

Skits on the theme, "Westward Ho!" were presented by Dens 1, 2, and 3.

Den mothers and the committee served refreshments.

Mrs. Homer Larrabee New Worthy Matron

CLINTON — Mrs. Homer Larrabee was elected Worthy Matron at the Advance Officers Night meeting of the Golden Rod Chapter OES, Thursday.

Other officers named are:

Worthy patron — Herman Green.

Associate matron — Mrs. Norman Campbell.

Associate patron — William Stout.

Conductress — Mrs. Richard Cadmus.

Associate conductress — Mrs. Herman Green.

Treasurer — Mrs. Gus Smith.

Secretary — Mrs. Roscoe Parker.

A semi-public service of installation for the new officers will be held Saturday at 8 p.m., in the chapter room.

A life membership was granted to Mrs. Myron Redick of Melvindale, a former resident of the area.

Announcement was made of the election of Delbert Tallman, Sr., as first vice-president of the Lenawee - Monroe Association OES, and the appointment of Mrs. Tallman as a page in the Association.

The meeting followed a cooperative supper arranged by Mr. and Mrs. Delmar Manchester and Mrs. Larrabee.

Sylvia K. Williams and Gary C. Korte Wed

Sylvia Kay Williams, daughter of Mr. and Mrs. Ray G. Williams, 8070 Arkona Rd., became the bride of Gary Christian Korte, son of Mr. and Mrs. Christian Korte, 8365 Hack Rd., Saturday evening in ceremonies at the Macon Methodist Church.

The Rev. Thomas Badley officiated. He was assisted by the Rev. Donald Diener of St. John's Evangelical Lutheran Church.

Edward Clark sang "A Wedding Prayer" and "The Lord's Prayer," accompanied at the organ by Hallie Jane Mehler.

On the arm of her father, the bride entered the church wearing an A-line gown of peau de soie and Alencon lace, designed and made by her mother.

It featured bell-shaped sleeves of lace with matching lace appliques on the skirt and a detachable train.

She wore a mantilla of Alencon lace, secured by a small tiara, and carried a cascade arrangement of white roses.

Her sister, Mary, was the maid of honor in a floor length empire styled gown of gold embossed peau de soie with bell sleeves.

She wore a matching rosetta and tulle in her hair and carried a cascade of daisy pompons.

Mrs. Gary Couture and Barbara Beal were bridesmaids in green gowns styled like that of the maid of honor.

Ronald Korte, brother of the groom, served as best man and the guests were seated by Roger Korte and Mark Williams, brothers of the couple.

White bell clusters and streamers enhanced the church dining room for the reception. The bride's table was covered with gold netting accented with green and white satin bows.

Mrs. Roger Korte cut and served the five-tiered cake accented with gold roses from a linen-covered table.

Mrs. Glen Van Vleet and Mrs. George Nicholls of Jackson, aunts of the bride, assisted with beverages.

The bride is a graduate Clinton High School and is ployed by the University Michigan. Her husband, a g uate of Tecumseh High Sch is employed with his father brother as a dairy farmer.

Following a week's trip to agara Falls, they will live 8405 Hack Rd.

The groom's parents hos the rehearsal dinner at Country House.

Dion Balliet Reveals Trip

CLINTON — Dion Balliet presented slides and described a summer trip taken as a staff member of the Methodist Youth Caravan for the meeting of the Methodist WSCS last week.

The youth group were guests of many churches and synagogues on the trip, and visited Washington, D. C., New York City and Gettysburg, Pa.

The group voted to hold a bake sale Saturday.

Members are to make reservations with Mrs. Charles Knight by Saturday for the Oct. 24 fall conference in Ann Arbor.

Mrs. David Liscomb and Mrs. Viva Riker served refreshments during the social hour.

Bicyclist Hurt in Car Accident

CLINTON — Willard R. Southwell, Jr., 12, received severe lacerations to the forehead and severe bruises when he was struck by a car driven by William E. Stuart, 37, of 13045 Clinton-Manchester Rd. He was admitted to Herrick Memorial Hospital with a broken leg.

Willard, the son of Mr. and Mrs. Willard Southwell, Sr., was riding his bicycle out of the family driveway at 11211 Murphy Hwy., when the northbound Stuart vehicle came over the crest of a hill. Neither saw the other in time to stop.

Clinton State Police investigated but no summons was issued. The mishap occurred at 10:55 a.m., Sunday.

David Olson Attends WSU Med School

CLINTON — David L. Olson, son of Mr. and Mrs. Davis G. Olson, 108 Bartlett St., Clinton, is a member of the first year class at the Wayne State University School of Medicine, Detroit.

He is a graduate of Clinton High School and took his premedical work at the University of Michigan.

The WSU medical school entering class, numbering 130 students selected from more than 1,100 applicants, will receive doctor of medicine degrees in 1971.

FFA Recommended for Highest Award

David Darish, son of Mr. and Mrs. William Darish, 9185 N. Adrian Hwy., has been recommended by the National Board of the Future Farmers of America to receive the highest degree of the association, that of American Farmer.

Presentation of the awards was Wednesday in Kansas City where the FFA is holding the national convention. Mr. and Mrs. Darish and David drove out for the event.

The degree is limited to one for each 1,000 membership, and is awarded to those showing outstanding progress in farming, and participation in community, school and FFA activities.

Richard Beagle, son of Mr. and Mrs. Daniel Beagle of Blissfield, was also recommended for the American Farmer award.

Both David and Richard are members of the Blissfield FFA Chapter.

David and his parents moved from Blissfield in 1964 after his graduation from Blissfield High School, to the present farm, northwest of Tecumseh.

The William Darish and Sons partnership gives each partner one-third interest. Mr. Darish continues to work at Revco while Dave and his older brother, James, operate the livestock farm. James received the American Farmer degree in 1962.

The Darishes feed out 168 head of beef cattle and 175 hogs, and raise 220 acres of corn, 62 acres of wheat and 15 acres of soybeans, as well as some pasture and hay.

While in school Dave was active in FFA activities. He served one year as sentinel and one year as vice-president. He was a member of the state champion farm forum team in 1963 and was a member of a demonstration team during other years.

He also was in charge of the chapter crop program and served as chairman of several other committees.

He received the Lenawee County Bankers Association scholarship and also the Caulkins scholarship to attend the Farmer Short Course at Michigan State University.

Sharon Artz Feted

CLINTON — Friends and neighbors of bride-elect Sharon Artz met at the home of her mother, Mrs. Grover Artz, Thursday evening for a bridal shower.

The 16 guests played a variety of games.

An assortment of household gifts were opened by Miss Artz.

Assisting with the serving of a decorated cake and refreshments were Emmagean Stafford of Ypsilanti, Linda Waters and Miss Artz' sister, Nita.

The wedding of Miss Artz and Ronald Walker will take place Oct. 28 in the Clinton Methodist Church.

A&P

1859-1967...108 YEARS YOUNG

WE STARTED IN 1859 BUT...
WE'RE NOT 108 YEARS OLD!

We're 108 years *young.*

We're old enough to understand
the soundness of time-tested basic ideas,
but young enough to keep trying to improve them.

Modernization and keeping abreast
of new ideas and techniques
is a must for today's successful business.
We wouldn't be the world's largest food retailer
if we weren't constantly thinking modern, thinking young.

But some basic thinking never changes.
Take that of our founder for instance.
He was dedicated, as we are, to bringing
the most good food, to the most people,
for the least amount of money.
To being fair, honest and trustworthy.
To caring about the people he served.

No matter how progressive, how automated,
how modern we become,
we pledge to maintain these sound principles of our founder.

Even when we're 208 years young!

City Grants Fisher Body Protection

Fire protection to the Tecumseh Fisher Body Plant was approved by Council Monday night when Herman List, plant comptroller, asked city officials to assist in case of an emergency.

The ruling for protection went into immediate effect.

Since spring, Tecumseh has avoided making any fire runs into Raisin Township — site of Fisher Body — after township officials cancelled their pact with the city.

This cancellation also included any possible fire runs to the industrial plant and Stauffer Chemical Co., which has not sought Tecumseh assistance, as of yet.

Mr. List said that chances of calling Tecumseh were remote, but possible. He cited the plant's own protection services, which includes a recently purchased $15,000 pumper.

He said a number of personnel have been trained for a catastrophe, but Tecumseh firemen would be needed in an extreme emergency.

Council ruled to enact fire protection immediately and to work out details — including costs for standby service — at a later date.

The GM official said arrangements with other cities have been worked out with standby costs usually varying from $500 to $2,000 a year.

Council asked James Beardsley, city attorney, to investigate probable costs and precedences with the Municipal League at Lansing.

Councilman Ray Puffer—who voted against extending fire protection — questioned what the city would do if individual residents of Raisin Township sought city protection, and would the city offer them fire protection?

Fire Tanker Is Denied

Tecumseh Fire Department's hopes for a new 1,500-gallon tanker appeared doomed Monday night when Council reported that townships are not interested.

Council indicated that it was not about to spend $15,000 for a new tanker that would be used almost exclusively in the rural areas.

Present tanker holds 600 gallons of water.

Wallace MacGeorge, fire chief, told officials that the city has collected over $28,000 from the townships in the past four years, and adequate fire protection service outside the city warranted a new tanker.

He also explained several properties inside the city, but not near water mains, could be better protected.

When told that township supervisors were not interested in a larger tanker, MacGeorge explained, "Supervisors are not qualified to judge what is needed."

He told Councilmen that of 89 fire calls this year, 23 were outside city limits.

New Rates Set for Tuition Here

School tuition for students here have skyrocketed with approximately $100 jumps over 1966-67.

New tuition costs are $265.78 for the elementary, and $286.38 for high school. Last year, the rates were $175.36 and $191.31.

Minimum and maximum rates are set by the state.

HERALD PHOTO BY BILL WHITING

Valerie Barrett, senior and daughter of Mr. and Mrs. Rald Barrett, reigned Friday night at the Tecumseh homecoming dance. Inclement weather prohibited the usual halftime crowning ceremony, but Valerie was duly honored at the dance by Phil Van Valkenburg, senior class vice-president. Senior Class copped first prize with its float, "Indians Don't Clown Around," but it didn't work as Tecumseh bowed to Grosse Ile, 12-7. The flashy clown boasted a moving head with flishing lights. Sophomores finished second in the float contest.

Accidents Soar

Tecumseh's lull in traffic accidents ended abruptly last week when local police investigated 11 mishaps involving seven injured persons.

None of the seven, including a pedestrian, were injured seriously. Five were hurt in a four-car chain-type accident on W. Chicago Blvd.

A resume of the mishaps is:

Oct. 11 — Edwin D. Covell, 27, of 1201 Shady Lane, was cited for failure to use due caution when he opened his door in front of an oncoming vehicle driven by John F. Smalley, 80, Toledo.

Oct. 13 — John Moody, 19, of 302 E. Pottawatamie, reported that he struck a pole, damaging a fender on his car, while parking at the library.

Oct. 13 — Karlene K. Priesborn, 706 Inner Dr., struck Ken Brown, school student, while he was crossing E. Logan St. Brown was crossing in the middle of the block and walked between parked cars. Driver of the car was not held responsible.

Oct. 13 — Kristine K. Whittemore, 22, of 1305 Southwestern Dr., slid on wet pavement on W. Chicago Blvd., and caused a four-car accident. She pushed Parke Sam Bowman, 44, Livonia, into James T. Progler, 17, Adrian. Progler in turn hit Paul S. Pinter, 23, of 5282 Raisin Center Hwy. Pinter, Progler and his passenger, Jean Schwalm, 17, Petersburg, and Bowman and his wife, Veronica, suffered minor injuries.

Oct. 14 — —Norman R. Schwede, 16, of 415 E. Pottawatamie, lost control of his car on Macon Rd., knocked down 10 feet of fence, glanced off a tree, and then slid across Hewlett Rd. before stopping.

Oct. 14 — Donald L. Smith, 29, Manchester, was taken to Herrick Memorial Hospital after he was hit broadside at the intersection of S. Pearl and W. Kilbuck. Smith, who was cited for failure to yield right of way, was hit by Evangeline Costorena, 27, of 615 S. Pearl.

Oct. 14 — Philip De Breckel, 17, of 1739 E. Valley Rd., was cited for failure to stop within an assured clear distance after running into the rear of a car driven by Beckie Jo Gunder, 17, of 4065 Aebersold Dr.

Oct. 14 — Terry L. Hendricks, 405 S. Pearl St., reported his car damaged while parked behind Dick's Tavern.

Oct. 15 — Daniel Hare, 18, of 107 N. Oneida, slid on wet pavement into the side of a car driven by Oren L. Wellhoff, 38, Brooklyn.

Oct. 15 — Alice M. Wardwell, 61, Clinton, was cited for an improper left turn after a mishap with Joseph Basch, Jr., 61, Detroit.

Oct. 16 — Richard W. Gartee, 19, of 1209 Shady Lane, was charged with driving too fast for conditions when he slid into Marlee A. Birdwell, 20, of 107 S. Union St., at the intersection of W. Chicago and Union.

Commission OK's Bonds for City

Attorney General Frank J. Kelley, chairman of the Municipal Finance Commission, has announced approval of $350,000.00 of "Water Supply and Sewage System Refunding and Improvement Revenue Bonds" for Tecumseh. "The proceeds will be used to defray the cost of the acquisition and construction of improvements to the water supply and sewage disposal system of the City of Tecumseh, and to refund the $120,000.00 outstanding Water Supply System Revenue Bonds, dated July 1, 1956. These bonds will run until 1979."

Board Probes Condemning

Condemnation proceedings were discussed by the School Board Monday night in order to obtain property at the north corner of James St. and N. Maumee.

The small property, including an old house, was once offered to the schools for $7,500. Asking price is now $11,000.

The house and trees in front obstruct bus drivers' view of traffic coming south on Maumee.

School officials would eliminate both house and trees, and cut down the bank along the street.

Car Backfires

Damages were slight Saturday night when an automobile driven by Rod Brown caught fire near his home on Chippewa St.

Firemen responded and blamed the fire on backfiring of the car's motor.

Charles Trickey has been appointed by Gov. George Romney as general chairman for Veterans Day observance for the State of Michigan this year. The chairman is a WWII veteran, has served at local and district level for the AMVETS, and was a department commander 1952-54. He is presently chairman of the Republican Veterans Service Council and a member of the State School Study Committee and the Michigan Veterans Trust Fund Board.

Officials Discuss Millage Renewal

School officials discussed millage at October's regular meeting of the School Board Monday night.

Four mills, amounting to approximately $184,000, will expire next year. If the schools continue operating as at the present, four mills will have to be renewed by Sept. 1, 1968.

Annual school election is scheduled for June 10 and will include election of members to the Board, and possibly renewal of the millage.

Teachers Get State Money

Most teachers in the Tecumseh schools will receive more money this school year than originally called for in their contracts.

At Monday night's School Board meeting, Supt. James McDowell reported that approximately $15,000 in state aid would be added to personnel salaries.

In negotiations last summer, it was agreed that any state aid over the amount received in 1966-67 would be spent on teachers' salaries.

Tecumseh Education Association met Monday and voted to have the money distributed among the teachers according to their length of service in the local school system.

Supt. McDowell says the Association's vote — 83 to 15 — actually changes the salary schedule previously adopted. The base for a teacher with a degree will remain the same at $5,700, but maximums will be hiked.

Teachers now serving their first year in the system will not receive any additional money. Teachers in their second year will get $15.96, while teachers at maximum will benefit by $255.36.

Other teachers will receive additional money according to their length of service.

School Team To Negotiate

Tecumseh's two librarians, Mrs. Julie Fosbender and Mrs. Murray Day, are still working without contracts, something the School Board hopes to solve within the next week.

School officials have taken over negotiating with the librarians after the Library Board failed to come to terms with them. Library officials want to increase working hours for the librarians and up their salaries, but do not want to hike pay in proportion to the increase in working time.

Last month, the two boards met in an attempt to improve communications between them.

At Monday's meeting, Aden Meade, president, appointed Supt. James McDowell to head the negotiating team, which includes Mrs. Donald Cobb, William Brown and Dr. Harold Ocamb.

$1,500 Sale OK'd by City

City Council authorized purchasing a lot, 50 feet by 336 feet near the dump, from George Sackett at Monday night's meeting.

The site, off S. Maumee St., is formerly the old railroad bed and was purchased from the railroad by Mr. Sackett. At the present, the city has a right of way over the property.

Officials discussed the possibility that the area would be needed when the city builds a new garage.

Councilman Gene Tuckey voted against the purchase, saying the price was too much and no counter offer had been made.

Purchase price was $1,500.

Injured Teacher Is Improving

Mrs. Robert Cayce was released from intensive care Sunday at Foote Hospital, Jackson.

Her condition has improved daily since she suffered a fractured pelvis and internal injuries in an automobile accident. However, she is still unable to have visitors except family. Her room number is 117, Foote Hospital.

STARTS BUSINESS DRIVE — Tecumseh's Commmunity Fund Foundation Drive was kicked-off Tuesday with a big start — a $1,500 check from the United Savings Bank! Bank prexy, Pat Meadows presents the check to Jim Utley, Kiwanis Club member and canvasser. Carl Lamb, co-chairman of the Foundation campaign, and Merlyn Downing, Foundation director and vice-president of the bank, participated in the presentation.

"**Musty**" had been on top the Presbyterian Church since Sunday, but had kept under the eaves and dry through the 72 hours of rain. **Mrs. Thomas Jacoby** had heard the cat cry Monday when she took her children to nursery school, but she couldn't find him until Wednesday morning. The reward went to **Mrs. Al Caesar's** favorite fund, **The Pet Waterers**.

IT'S A GORGEOUS HANDBAG—Mrs. Bert Ousterhout admires the colorful plumage on the "bird on Nellie's handbag" instead of her hat. This is one of the items for sale at the Presbyterian Fall Fair Oct. 26 in the Christmas booth. The local florist is chairing the shop, the largest enterprise of the entire bazaar. She has designed and made many goodies as well as lending her talent to other women of the congregation in helping them to stock the booth with a bountiful supply of pretty things, large and small. There is an advanced only sale of tickets at Sunderland's Insurance Agency and at W. D. Hite Hardware.

Mr. Hyder is the assistant manager at Vescio's Food Store. Following the ceremony, a reception for 500 guests was held at the Products Workers Union Hall with Mr. and Mrs. Clyde Fredricks of Adrian as hosts. After a wedding trip through the southern states, the couple moved to 8187 Pixley Rd., Palmyra.

State Educator Seeks Reforms

[illegible] Lenawee County was we[illegible] at the dinner sponsored by the Senawee County Democratic Women's club at Don's Beef Buffet Saturday evening.

Marilyn [illegible]ss Kelly, vice president of the Michigan State Board of Education, was introduced by Mrs. Isabell Psaute, president.

Miss Kelly, centering her discussion on the physical needs of education said, "We need real fiscal reform in this state. We need to overthrow our outmoded and inadequate property tax structure."

Approximately 35% of our citizens are enrolled in educational programs or are employed in the education area, but many states spend more per capita on education, such as California at $280 and New York at $450, compared with Michigan's $257.

"This year, state support of public education does not at all meet the requirements of local schools. We need to restructure the school aid formula so that we can meet our educational responsibilities."

Miss Kelly said, "Michigan can not afford to stand still in face of the needs of greater education today." She mentioned the advances made in the special education field, head start, migrant children and adults. "Education produces better citizenry," she proclaimed.

During the question period, a resident asked if 12 months use of the public schools was being considered and was advised that this was a decision to be made locally.

Siena Heights was represented by Sister Mary Petronella, president of Siena Heights College, and Sister Hilda Marie who heads the elementary education at St. Joseph's Academy.

Invocation by the Rev. Robert Ward included prayerful guidance by God toward good citizenship.

Mrs. Peter Kalom made arrangements with the restaurant for the event. She and Mrs. Paul W. Sitterly had charge of the decorations, and Mrs. Gerald Hendricks and Mrs. Joseph Conklin were the hostesses.

School Enrollment Up 67 Students

Official enrollment of 3,381 students was reported to the School Board Monday night.

Last year, the enrollment was 3,314, or 67 students less than now attending Tecumseh schools. Official enrollment is taken the fourth Friday of September for securing state aid.

Police Investigate Clinton Rd. Mishap

Robert W. Messer, 22, of 123½ S. Ottawa St., was treated for injuries at Herrick Memorial Hospital Sunday night when his automobile ran off the Tecumseh-Clinton Rd., about 11:30 p.m.

Clinton State Police are still investigating.

Festival Sparkles

By MAXINE CALHOUN

Favored by the heavens, although it was raining in nearby communities, Tecumseh hosted the 21st Lenawee County Band Festival in chill, autumn air, Tuesday night.

The colorful proceedings in which 11 marching bands performed was opened by the presentation of the flag by a color guard of the Tecumseh American Legion, the call to the colors by the Adrian trumpet section, and the flag-raising by the Tecumseh Boy Scouts.

An imaginative formation by the Deerfield High School Marching Minute Men opened the show on an auto safety theme with a simulated automobile composed of bandsmen and crepe paper wheels.

The band played "In My Merry Oldsmobile," then, as the speed increased, "Nearer My God To Thee," climaxing with an inevitable crash, and the sounding of "Taps," the audience was reminded to "always drive safely."

Al Geyer, announcer for WABJ, narrated the event, and introduced Addison High School's clever presentation of an outer space trip.

Marching onto the field playing "World On A String," the band switched to the Air Force March as a white-suited astronaut prepared to board a waiting rocket ship. As the rocket settled on the moon near the Sea of Tranquility, the band played, "By the Sea," and when two tiny green men came out to look around, the music was, "Strangers In the Night."

Circus acts with aerialists, bareback riders, "The Man On the Flying Trapeze," and "Daisy, Daisy" the high wire artist, provided the theme for the Madison High School Trojan band maneuvers.

Britton-Macon High School band, directed by Mrs. Sari Rynew, gave a spirited rendition of several numbers from Broadway musicals, playing "Never Walk Alone," and "With A Little Bit of Luck."

Onsted's band marched on playing "Georgy Girl," then presented several numbers from the big band era, recalling favorite numbers of Benny Goodman, Guy Lombardo, the Dorsey Brothers' "Song of India," Glenn Miller's "American Patrol," Gene Krupa's "When Johnny Comes Marching Home," and Spike Jones' "The Bowery."

Sand Creek's marching band used the theme, "something old, something new, something borrowed, and something blue," as they gave a peppy rendition of "Georgy Girl," music by Herb Alpert, Count Basie's "Jumpin' at the Woodside," and a blues number.

Hudson's marching Tigers played a rousing collegiate tune as they formed a giant "H" on the field. Formations of various modes of transportation were shown for a trip to the moon. As the band played "Fly Me to the Moon" and formed a balloon formation, the majorettes released clusters of balloons overhead.

Clinton's Redskins marching band played "Another Opening, Another Show," as they appeared with their traditional double-time marching step.

They gave a brisk rendition of "Swing Low Sweet Chariot," "Tea for Two," and marched off the field playing, "Stand Up and Cheer," as their fans in the stands applauded.

A flaming baton number by Adrian's majorettes on a darkened field was a highlight of the Adrian High School Majettes' presentation, directed by Byron Teague.

Blissfield's band played and danced the "Blue Tango" and made clever formations for a whiskered "Waltzing Cat" and a "Syncopated Clock," ending with the Trumpeter's Lullaby."

Linda Bruce, "Miss Torchy" of the Lenawee County United Fund, was introduced during the intermission.

The Rev. Blair Bashore, who had narrated the Band Festival shows since the beginning 21 years ago, was honored by a musical tribute by the Tecumseh High School band.

As a hilarious paper "baby face" was brought out on the field, the band played "You Must Have Been A Beautiful Baby," then "He's A Jolly Good Fellow."

Recalling life-time memories of the one-time baseball star, who was considered by the St. Louis Cardinals, the majorettes played a little baseball while the band played "Take Me Out To The Ball Game."

The playing of the "Doxology" signified his ministry in the First Baptist Church in Tecumseh, and "Auld Lang Syne" completed the review.

A plaque, marked 1946-1966 in appreciation of his service to the Band Festival, and a gift, were presented to Mr. Bashore by Byron Teague, president of the Lenawee Band Directors' Association.

Mr. Bashore recalled the late Clare Camburn, whose dream it was to begin the annual band festivals, and stressed the importance of continuing the three rules which have always been observed:

1. No band shall receive special recognition, and each will share equally in the gate receipts.
2. A time-keeper will penalize those who play over their allotted time.
3. The performances will always be held in Tecumseh.

He said this was the first time the event had been postponed because of rain, and he guessed next year he'd "have to pray a little harder."

The outstanding performance by more than 600 youthful musicians was climaxed by the massed bands playing "America the Beautiful," "Honor March," and the "Star Spangled Banner," directed by Mr. Teague.

Engagement of Linda Lee Dean to Steven J. Moore is being announced. The bride-elect is the daughter of Mrs. D. Dale Dean, 6982 Ridge Rd., Ridgeway, and the late Mr. Dean. Miss Dean [illegible]te of Tecumseh High School, attended Adrian College, and is now employed as a receptionist at Mohawk Tools, Inc., Montpelier, O. Mr. Moore attended Ohio State University and is a graduate of Electronics Computer Programming Institute, Ft. Wayne, Ind. The wedding will take place Dec. 30 at the Grace Methodist Church, Ridgeway.

Knitters Making Sweaters for Fair

The North Franklin Maidens held a knitting meeting at the home of Mrs. Lawrence Young Tuesday.

Most of the members are starting sweaters that will be shown at the Lenawee County Fair next fall.

Next meeting will be held Nov. 6 at the home of Mrs. Hugo Humphries at 7 p.m. Any member needing help is invited to contact the leaders, Mrs. Young or Mrs. Humphries.

VOICE of THE HERALD

Your Generosity Helps

Have you ever considered the assets of Tecumseh? The potential of Tecumseh? How Tecumseh compares with other 8,000 population cities? Cities twice our size?

We can go on and on, searching and comparing, but we still come back to our home town — it's the greatest!

What makes it the greatest is the people who live, work and play here. Your neighbors and mine.

For it's the folks here who have given so much — and appreciated it, too — that help make Tecumseh what it is. We have so much to be truly thankful for.

At this time of year, we have our chance to show our appreciation of the community by contributing to the Tecumseh Community Fund Foundation, an organization whose sole responsibility is to help the folks and community through their personal donations.

Its first project was the Tecumseh Public Library. Fine? You bet, and other communities are envious. How many times have you shown off the community to friends and driven by the library?

Your dollars and pennies helped build this library and enabled the Foundation to help meet its first goal.

Now, the Foundation is aimed towards developing the Pit — now called Tecumseh Park — a favorite swimming hole for more years than most folks care to remember.

This overall development for family fun and recreation is a tremendous project, one which may take many years to complete. In fact, you may not live to enjoy its advantages — but your children will.

It's for this reason — helping Tecumseh — that we urge everyone to contribute generously to the Tecumseh Foundation, which is serving you so well.

Any contribution today — and there can go a long ways towards fulfilling the Foundation's present goal.

Mardi Gras Is Oct. 28

Evangelist Here at Grace Bible

Rev Carl Johnson of Beckley, West Virginia, will be the speaker for evangelistic services at the Grace Bible Church, October 22-29.

Services will be at 11:00 a.m. on Sunday and 7:30 p.m. each evening.

Mr. Johnson is a graduate of Beckley College and Moody Bible Institute of Chicago, Illinois. He was for ten years actively engaged in directing youth rallies and assembly programs in high schools. He was a pastor for fourteen years, and served on the faculty of the Appalachian Bible Institute of Bradley, West Virginia where he taught personal evangelism.

He has for eighteen years conducted radio programs and at the present time has a weekly program "Miracles and Melodies," aired over a Beckley station.

The Rev. Johnson entered full-time evangelism and conference work at the beginning of 1964 and has conducted successful evangelistic campaigns and conferences in several states, and in the islands of Trinidad and Tobago in the West Indies.

He is the author of three books, published by Baker Book House of Grand Rapids, Michigan, entitled "52 Story Telling Programs," "Scriptural Sermon Outlines," and "More Story Telling Programs."

Diadem Productions, Inc., of Grand Rapids, Michigan, has recently released his first long play album entitled "The Wonder Of It All."

The Grace Bible Church is located on M-50 at Carson Highway. The Rev. David M. Holly is the pastor. The public is invited.

REV. CARL JOHNSON

Youth Fellowships Plan Busy Sunday

The Youth Fellowships of the Presbyterian Church have a busy schedule for the weekend.

The Senior High group will have a fall yard clean-up party of the church property on Sunday afternoon.

Counselors invite the young people to bring their friends, weed cutters, rakes, baskets and work gloves but suggest that the members notify Pat Maynard and Mike House, of the number of friends attending for "refreshment's sake."

The Junior High group is sponsoring a "Witch Treat" theatre party Sunday, meeting at the church at 2 p.m., for transportation.

Refreshments will be served at the church following the movie.

Mrs. Carlton Cook asks that any Junior High student who has not registered or would like to bring a guest, to call her at 423-4835 or Mrs. William Beagle at the church office.

"Wash Day" Topic Is Presented To Extension Club

"New Fashion Wash Day" was the topic for the lesson presented by Mrs. Duaine Murphy and Mrs. Richard Beasley for members of the Tri-Town Extension Club meeting at the home of Mrs. Richard Meyers Monday night.

Mrs. David Ousterhout conducted the meeting at which plans were discussed for a party on Nov. 4. The group also planned some holiday gifts for the needy.

An entertaining skit, "The Glass Wall," was presented.

A Halloween theme decorated the refreshment table.

Fire Damages Are Slight at Products

Fire did slight damage to the roof of the paint building at the Tecumseh Products Wednesday morning.

Firemen report that the tar roofing had caught fire and was blazing when they arrived. A roof stack and motor also were damaged.

HIKING FUN, BUT — These Scouts were having fun hiking to Adrian Sunday morning, but shortly afterwards, the rains came and all were soaked before arriving at the sheriff's office. Scouts participating were, front row, left to right, Fred Morley, Frank Hawthorne, David DeGroot, Lonny Booze, John Williams, Robert Meadows, Ron Randall. Middle row: Troop 4 Committeeman Paul Henning, David Henning, Dan Meringa, Joe Burns, Buff Beardsley, James Crandall, Richard Packard. Back row: David Biscupski, Robert Merz, Jeff Winkler, Bob McKee, John Merz and Troop 73 Scoutmaster Tom Cook.

Scouts Complete Hike

An often-repeated hike, probably remembered by many local dads, is the Boy Scout "Freedom Trail Hike" from Adrian to Tecumseh, via some back roads.

Troops 73 and 4 just completed the round trip journey over the weekend, and it's one they won't forget. They reached Sutton Rd. Sunday morning, en route to the sheriff's office, before the day's downpour started.

It stormed the rest of the day, soaking lads and leaders to the skin.

The Scouts left Saturday morning from Adrian and reached their camping site near the Community Center in the afternoon. William Frownfelder, Al Merz and Explorers had set up tents for them.

About nine o'clock Sunday morning, they were back on the road to Adrian, and eventually checked in at the sheriff's office about 2:15 in the afternoon.

Committeeman Paul Henning and Scoutmaster Tom Cook accompanied the boys.

The march was checked at one and two-hour intervals by Mrs. Frownfelder, Mrs. Cook and Mrs. Robert DeGroot.

Freedom Trail medals were earned by Lonny Booze, James Crandall, Frank Hawthorne, Robert Merz, Fred Morley, Richard Packard, John Williams for Troop 73.

Troop 4 winners were Buff Beardsley, David Biscupski, Joe Burns, David Henning, Bob McKee, Dan Meringa, John Merz, Ron Randall, Ed Rapin and Jeff Winkler.

Tenderfoot boys from Troop 73 on a Second Class Scout hike were David DeGroot, John Frownfelder, Jeffrey Hayford, William Jennings, Ernest Martin, Kenneth Meadows, Robert Meadows, David Southwell and Colby Welch.

William E. Buekert, Adrian, improper parking, $3.

Lewie W. Fields, Lafayette, Ind., drunk and disorderly, $31.80.

More Houses Are Predicted

"The housing industry will experience an upturn in 1968," predicted Allan C. Graybiel, president of Adrian Federal Savings & Loan, Monday night in Adrian's Holiday Inn at an informal dinner of prime building contractors of Lenawee County.

Mr. Graybiel, in recognizing that the housing industry has been lagging in recent years, pointed out that "if for no other reason, the building of homes will accelerate because of the diminishing number of homes available for sale."

He cited national figures regarding the drop in availability of new homes from 234,000 in 1963 to 167,4000 this summer and the increasing numbers of people who are in the 20 to 34-year-old and 35 to 39-year-old age brackets.

"These are the people who are in the market for homes and by 1970 they will represent 28 percent of the total population," he said. By 1975, this percentage will increase to 31 percent.

Mr. Graybiel pointed out that Lenawee County ranks 13th among the 83 counties in terms of sales taxes collected on lumber, building materials and hardware.

"Nearly 65 percent of the 25,621 homes listed in the 1960 census as being the total for Lenawee County, were built in 1920 or in prior years," he said.

Attending from Tecumseh were Bill Powell, Bill Mackey, Jess LaVoy, Dwight Hodges and Marsh Coulter.

Driver Treated After Accident

John R. Sommers, 35, of Oakland, was treated at Herrick Memorial Hospital for injuries received when his car ran off the end of M-52 at Austin Rd., near Manchester.

The car hit the striped warning sign. The mishap occurred at 7:40 p.m. Sunday.

SPIRIT GALORE — Tecumseh High School Sophomores showed spirit galore at Friday afternon homecoming parade.

You Told Us

By DOROTHY GRIGG

Herald Women's Editor

"Hey, Mom!" is the new book that almost everyone will want to add to his bookshelf. Written by Vernice Shepeler, wife of the publisher of The Brooklyn Exponent, it is an easily read volume that one can pick up and get a chuckle from any of the pages in just a moment's time.

Mrs. Bill Shepeler has a marvelous sense of humor, an asset to any mother of four sons and two daughters. She has been sharing bits and pieces of life with the growing Shepeler kids with readers of her husband's weekly paper since they purchased it in 1960.

Her column is entitled "Behind . . . . the Billboard" most appropriately she thought since Bill writes "The Billboard."

Her calm was somewhat ruffled, she explains, in the book preface when he introduced her at a Kiwanis ladies' night as "The Billboard's Behind."

It really is charming and would make a fine gift, especially for a hospitalized or convalescing friend.

Naomi Sallows, Clerk.

Board Votes for Option

Searching for additional parking facilities, the School Board Monday night voted to take an option on the Neva Cubberly property at 303 E. Shawnee St., just south of the high school.

Asking price is $8,500.

Supt. James McDowell and Robert Duhan, assistant superintendent, say the Cubberly house will be torn down, if the property is purchased, and a parking lot constructed.

The site eventually could be used for an education building in the future; however, it also may be used for other purposes.

The schools have been told by city officials that this is the last year they may load and unload school buses on city streets.

At the present, buses are using E. Shawnee St.

At Monday's meeting, the Board studied and went over plans for handling the bus problem. Two plans — both costly — would be a wide parking lot area which would run north and south, approximately in front of the high school.

Second plan would be to purchase a strip of property from the city on the south side of E. Shawnee, between Oneida and N. Maumee.

Condemnation Suit

Judge Rex Martin in Adrian last Thursday set Jan. 23 as trial date for Tecumseh's condemnation suit for property owned by George Underwood, automobile dealer.

James Beardsley, city counselor, represented the city at the pre-trial hearing. Tecumseh Township was represented by Art Eaton, supervisor, and John Zeigler, local attorney.

Mr. Underwood was represented by two lawyers from Ann Arbor.

City officials, who already have construction bids for developing a new well field, had hoped for an earlier trial date.

If Tecumseh is successful in condemning the property — 25.5 acres northwest of Kaiser and Loveless Rds., near Raisin River — and obtaining a right-of-way from Tecumseh Township, development of the field is not expected before late next spring or summer.

Township officials are seeking concessions from the city for the right-of-way. If the city and township cannot agree, it is possible that another session in court is possible for city officials.

This would further delay development of the well field.

Township officials were miffed when the city failed to notify them of their intentions — constructing water mains through township property.

Mr. Underwood is fighting the condemnation, as he does not wish to split his property in the area. The city also offered him $1,000 per acre, a sum far less than what the auto dealer reportedly would even consider.

St. Elizabeth Plans Party and Dance

An adult Halloween party and dance will be held at St. Elizabeth's Catholic Church Saturday, Oct. 28, from 9 p.m. to 1 a.m.

A live band will play music for round and square dancing and will feature at least one Go-Go tune.

There will be prizes for various costumes.

Those on the committee are Mrs. Bernard Henehan and Mrs. Gerald Harris, chairmen; Mrs. Murray Palmer and Mrs. Richard Steadly, decorations; Mrs. Walter Mueller and Mrs. Frank Sandhoff, refreshments; Mrs. Donald Phelan and Mrs. James Vanzo, tickets, and Mrs. Charles Rebottaro, Mrs. Richard Crampton and Mrs. Michael Osburn, entertainment.

Committee members invite parishioners to bring friends for an evening of fun.

"There are a lot of surprises planned, so bring your best "ghoul" to the parish hall, if you dare," commented a member of the committee.

Cesiel-Holdridge Wedding Planned

The engagement and approaching marriage of Diane Elaine Cesiel to Cpl. Jerry Lee Holdridge is being announced by her parents, Mr. and Mrs. Henry Cesiel, of Phoenix, Ariz.

Cpl. Holdridge is the son of Mr. and Mrs. Arthur Holdridge, 502 Orchard Lane. The wedding will be solemnized Nov. 12 in Phoenix, and the bride plans to go with her husband to Camp Lejeune, Jacksonville, N. C., where he is stationed with the marines.

5 School Buses Ordered by Board

A tentative order for five new school buses, costing approximately $40,000, was approved by the School Board Monday night.

Approval was given on condition that the schools could cancel in the spring, if lower costs warranted it.

New buses would replace four 1960 Ford models and one 1961 International, all with over 100,000 miles on the speedometers.

Seniors Register for Mystery Trip

Fifty Senior Citizens were seated for potluck dinner last Thursday at the Community Center. It was followed by a business meeting with Worthy Sell presiding.

An invitation was extended to the Tecumseh group to attend a potluck dinner and afternoon of fun with the Adrian Seniors Oct. 17.

Mr. Sell also told the group that a mystery trip had been planned for Nov. 8, and registrations are being taken for it.

Ann Arbor Youth Hits Stone Wall

Jerry W. Gorham, 22, of Ann Arbor was ticketed for driving too fast Sunday when his car skidded sideways and hit a stone wall beside M-50, west of Tipton Hwy.

He was not injured.

Resignation Is Tabled by Board

Tecumseh School Board tabled a letter of resignation from Mrs. Laine Holden Monday night.

She's a member of the Library Board and school officials hope to persuade her to continue.

Baptists Planning for Evangelist

The Rev. Willard Martin will be the evangelist at the Family Revival at the Tecumseh Missionary Baptist Church, from Oct. 22 to 29.

The public is welcome to attend.

Card of Thanks

We would like to thank the doctors, nurses and employees of Herrick Memorial Hospital for their care while our son, Willard, Jr., was there.
Mr. and Mrs. Willard Southwell. 10-19c

I would like to thank our relatives, friends and neighbors for all the kind things they did for us while my husband was sick and after his death and those that sent all the beautiful flowers, also for the lovely food. I want to thank Rev. Reed for his kind words and also the pallbearers, William Kopka, Richard Butler, Henry Filter, Clifford Southard, Milburn Baker, Forrest Frayer.
Mrs. William Spreeman.

Memoriam

In loving memory of Azella M. Robison who left us Oct. 19, 1966.
We miss you now, our hearts are sore,
As time goes on we miss you more.
Your loving smile, your gentle face
No one can ever fill your place.
Sadly missed by husband, Ernest F. Robison and daughter and son-in-law, Mr. and Mrs. Leo H. Stoll, and grandson, Jeff. 10-19p

KEN KENDALL AND ORVILLE ALCOCK AT SCHNEIDER'S

After the car is sold, it's service that counts. No one is more aware of this than at Schneider's, where every effort is made to properly service a customer's car. This is why Ken is in charge of our service department, and Orville, the parts department. Both are veterans in servicing cars, and both know the importance of seeing a satisfied patron. When a customer is happy, we're happy, whether it's changing windshield wipers or overhauling a motor. It's not the job that counts, it's the way it's done . . . and we're proud of our service!

Local Visitors Escape Waters

Two frequent visitors to Tecumseh each summer narrowly escaped death Sunday morning after spending 15 hours in the chilly waters of Biscayne Bay off the coast of Miami, Fla.

Mr. and Mrs. Wainwright Vickers, nee Barbara Warner, lived to tell of the drowning of their companions, Mr. and Mrs. Thomas Carter, on a 17-foot twin-engine craft.

Mrs. Vickers is the daughter of Mr. and Mrs. Harvey Warner of Tipton and has numerous brothers and sisters in the area.

An article in The Toledo Blade stated that the couple were guests for the day's outing of the Carters when a squall struck about dusk, raising eight-foot high waves that caused the boat's anchor to slip from the bow.

"It snagged on the bottom," Vickers said, "and the line fouled the propellor of the twin-engine craft."

He said the boat "snapped around," tearing an engine and part of the transom out. It began to take water and soon swamped, leaving the four occupants clinging to the bow.

Sometime later — Mr. Vickers told police he wasn't quite certain when — Mr. Carter "just disappeared in the dark."

Mrs. Vickers said that shortly afterward "Dolores said, 'If Tom's gone, I want to go too.' Then she disappeared, after discarding her life jacket."

Mr. Vickers told officers he donned Mrs. Carter's discarded life jacket and that he and his wife floated through the night clutching the boat, then each other after it sank.

Mrs. Vickers said when a fishing boat spotted them and changed direction, she thought: "It was a man sent by God."

The Vickers are in an intensive care unit in a Miami hospital suffering from shock, exposure and skin irritations caused by floating gasoline.

Mrs. Carl Yoder of Birdsall, sister of Mrs. Vicker, said that the couple left their two children with their grandmother and were not missed until 8 a.m. Sunday morning when the parents were to pick up the children for church.

Mr. Vickers was president of his Rotary Club and attended the Rotary International this past summer in Europe.

Mr. Carter was the principal of the school where Mrs. Vickers did substitute teaching.

Officials said that he was an experienced seaman and taught weekly navigation classes from the marina where one of the boats was loaned to him.

Punt, Pass & Kick Awards to 20 Boys

Twenty youngsters were awarded trophies for their skills Saturday in the annual Punt, Pass and Kick contest sponsored here by George Underwood Fordland.

Lads from Clinton, Britton, Ridgeway and Tecumseh participated.

Winners will compete in zone competition Saturday at Jackson.

First, second and third place winners here were:

Boys: Dan Tilton, Roger Lasovage of Clinton, Terry L. Reiser, Clinton.

Boys 9: Michael B. Creswell, Jeff Steiner of Ridgeway, Gary D. Payeur, Clinton.

Boys 10: John Getz, Paul Lemanski, Douglas Shiels of Britton.

Boys 11: Bob Vogel of Clinton, Mike Connors, Clinton-Macon Rd., and Greg Williams.

Boys 12: Dennis Shiels, Britton, Tom Sharpe of Clinton, and David Purkey.

Boys 13: Michael Gunn, Clinton, and Sam Whitney.

Jack Curtiss Near Perfect

Jack Curtiss missed the first perfect score of the Tecumseh Rifle and Pistol Club by one-quarter of an inch Monday evening at the Community Center.

One of his 38's missed the ten ring just enough to give him a 99 out of a possible 100 score.

Sam Starkey and Mike Geiger were guests. Sam is a four-year member of the Junior Club.

The Junior Rifle class will start Thursday nights as soon as enough boys, ages 11-17, are signed up with George Racey, 456-4040, Clinton.

Registrations may also be made at the Community Center during Junior Club shooting from 3 to 5 p.m. Saturdays.

Jayvees Rip Jets, 27-13

Tecumseh Indian Junior Varsity football team defeated Airport's Jayvees, 27 to 13, for its fourth win of the season.

The Indians set up their first touchdown by recovering an Airport fumble deep in Airport territory. Mike Kennedy passed to Steve Hinkleman for the first TD, covering six yards on a tackle eligible play.

Bob Dixon scored the extra point on an end sweep.

Late in the first quarter, Jack Baker caught a long bomb from Kennedy for a 63-yard score.

Airport scored in the 2nd period after a 40-yard march. The try for extra point was good.

Dixon scored on a 78-yard run and then tallied the extra point.

Bob Reed set up the fourth Tecumseh TD by intercepting an Airport pass and returning it 43 yards. Reed then scored on a 6-yard pass from Kennedy. Dixon scored the extra point.

After playing a good first half the young Indians did little in the second half. Airport scored once in the second half and converted the extra point to make the score 27-13.

Baker, Jim Curtis, Bill Gibson, S. Hinkleman, Marv Maynard and Richard Roost played a strong defensive game up front, and Reed and Dixon were tough defensively in the secondary.

Tecumseh Jayvees travel to Gibralter Carlson for an afternoon game this Thursday. Game time is 4 p.m.

Showing Movies to Exchange Club

Tom Fagan, football coach of the Tecumseh Indians, will speak and show football films at Monday's meeting of the Exchange Club at 6:30 p.m. in the Odd Fellow Hall, Green Hwy.

The Exchange Club of Tecumseh is one of 1100 Exchange Clubs throughout the United States.

SMOTHERED — Fullback John Anderson is smothered on this play, a short gainer midway in the second period. Indians coming up on the play are Dan Anderson (50) and Buddy Work (36). The fullback and Work were Tecumseh offensive stars, while Bob Wischer (24) was GI's hero, scoring twice, the last one coming with 1:45 left in the game. It beat the Indians.

Nipped Again, 12-7

The 1967 Indians could go down in school history as the hard-luck club which won just one game.

This isn't likely, despite their 1-4 record, but Coach Tom Fagan's team dropped its fourth straight Friday night, 12-7, and also its fourth consecutive final quarter defeat.

Against Grosse Ile, Tecumseh looked like a sure winner with a 7-6 lead and less than two minutes remaining. Seconds later, with the scoreboard clock stopped, GI had gone ahead on a 60-yard punt return.

Bob Dixon scored the extra point on an end sweep.

Tecumseh Jayvees travel to Gibralter Carlson for an afternoon game this Thursday. Game time is 4 p.m.

The Indians led 7-6 remaining visitors 12, Tecumseh 7 and that's the way it ended.

The first half of the homecoming tilt was a dull one as neither team threatened seriously, both fumbled and both had pass interceptions. The second half was different.

With 3:46 left on the clock in the third quarter, GI broke the deadlock when Bob Wischer dived through left tackle and raced 13 yards untouched for the Red Devils' first score.

Even then, an Indian error provided the momentum. Just prior to the score, GI was held on Tecumseh's 42 and forced to punt. For the second time in the game, the Indians were called for roughing the kicker and penalized 15 yards to the 27.

Three plays later, GI went in. Tecumseh engineered a 44-yard drive, starting late in the third period, with Buddy Work and John Anderson carrying the load. Anderson tallied from the three.

Then, seemingly stopped on his run for the extra point, the 180-pound senior fullback literally pushed half of the GI line into the end zone for a 7-6 Tecumseh lead.

At this time, there was just over 10 minutes left in the game.

In the next eight minutes, both clubs exchanged punts and Tecumseh's one-point lead looked like a winner.

Then with the ball on the Indians' 32, Work punted, with the ball landing just short of the 50, skidded downfield where Wischer finally grabbed it on the GI's 40.

After hesitating a moment, the hard - running halfback broke across field and then cut back, weaving among would-be Tecumseh tacklers to hand the Indians another loss.

Unfortunately for Tecumseh, the officials missed a clipping penalty on the runback which would have nullified the score.

Fagan's team had its bright moments in the game. Work, tri-captain, starting his first game on offense, averaged five yards per carry, picking up 85 yards in 17 attempts.

Anderson rambled for 77 yards in 17 carries.

Jim Mobley, out since the season's opener against Hillsdale, returned to the lineup late in the third quarter and quarterbacked Tecumseh to its only TD.

If Mobley, still hobbled with an ankle injury, can play regularly, Jim Hunt will probably be returned to his halfback spot, his position at the beginning of the season.

Larry Cote, out for the past two games, returned briefly against GI but appeared to be lame after a couple of plays. Cote was Tecumseh's starting flanker back in the club's lone win over Hillsdale.

Statistically, Tecumseh outplayed GI, rolling up 13 first downs to the visitors' 8, and gained exactly twice as much yardage by rushing, 164 to 82.

The Indians also passed for 47 yards to GI's 17. But, the Indians lost the ball three times on fumbles, to GI's two, and had three 15-yard penalties called against them.

CHURCH AND FOUNDER IN GLASS — The original St. Peter's Episcopal Church and its founder and rector, from 1833-36, the Rev. William Lyster, are depicted in one of the stained glass windows provided at a cost of $900 each by members of the Daughters of St. Peters. Pictured from left are Mrs. Cecile Smith, Mrs. Louis S. Schneider and Mrs. O. W. Laidlaw, the three remaining charter members, still active in the guild.

Daughters Oldest

By MRS. CECILE SMITH

It is believed that the Daughters of St. Peter's Church is the oldest living, active group in church work in Tecumseh.

Mrs. Cecile Smith, present chaplain of the group, and a charter member, has written a resume of activities and interests of the organization since its founding in 1920.

Her article does not include many of the humorous events that occurred over the years, when young women held meetings and included the attendance of their small children.

One time they had planned to entertain their husbands for dinner and found upon arrival that the meal was not too well balanced. Each had brought jello and cake!

"Nothing daunted us," said Mrs. Smith as she talked about the early years when Rotary dinners were a means of earning cash.

"It seems a short period of time since we met at the home of Mrs. O. W. Laidlaw and organized the church guild, known as the Daughters of St. Peter's Church," she continued.

Mrs. Levi Hayden and her daughter, Mrs. Perry Satterthwaite, recognizing the need of a church guild for the young women of the parish, were really the founders of the group, with 10 charter members.

"A great deal of credit must be given to them and also to the St. Peter's Guild for help and inspiration during the formative years," Mrs. Smith affirmed.

Mrs. Satterthwaite became a member of the group and served as president.

Mrs. Laidlaw was the first president of the Daughters organized in October of 1920.

Through the years, the members met the first and third Tuesdays of each month with the exception of July and August.

At first they met in the afternoons but changed to evening meetings, when they found they couldn't accomplish much because all brought their children to the afternoon meetings.

They met in the homes for years, and then moved to the Parish House where the meetings are still continued.

There have been 78 members to join the guild, some have moved away from the community, others have passed away.

Presently there are 22 members in the organization.

Work in the parish has been rewarding, including the Sunday School Christmas parties.

Monies have been earned in various ways — suppers, bake sales, rummage sales, bazaars, and once they had an eating booth at a carnival on main street.

The Daughters paid to have the old parish house re-wired, new fixtures for old drop cords, and a new heatrola in place of a coal heater.

They purchased through the years, an electric stove, dishes, silver, choir robes, hymnals, repaired the kneeling benches, gave the graduates from the church prayer books and presented a new Bible to the church.

During the earlier years, the Daughters paid the choir director for a period of time and also the janitor.

Pledges of money were given to the church, and gifts were made to many church projects in the state. A few years ago, afghans were made and presented to various nursing homes.

Service for the church really began when the Rev. J. J. Preston was rector of the parish.

"Much credit should be given to both the Rev. and Mrs. Preston for their help and cooperation in furthering the interests of the guild. We feel they were an inspiration to all of us," explains Mrs. Smith.

Latest project is a pair of stained glass windows for the new church. It took several years of work to obtain them at a cost of $900 each, and they are a gift to commemorate the guild, The Daughters of St. Peter's Church — "By their works they shall be known."

Present officers of the guild are:

President — Mrs. Clarence Brock.

First vice-president — Mrs. Harry Schuch.

Second vice-president — Mrs. Anna Haughn.

Secretary — Mrs. Lynn Hubbard.

Treasurer — Mrs. Harold Sisson.

Chaplain — Mrs. Smith.

Only three of the 10 charter members remain active, Mrs. Smith, Mrs. Schneider and Mrs. Laidlaw.

Methodist Youth Rummage Sale

A rummage sale will be held this Friday and Saturday at the Herirck Park shopping center in the former Western Auto Store building.

Hours will be 2 until 9 p.m., Friday, and 9 a.m., until 7 on Saturday.

The project is being sponsored by the Youth Fellowship of the Tecumseh Methodist Church, under the direction of Mr. and Mrs. Robert Meads.

Proceeds from the sale will be used toward a summer missionary program for the Indians in southwestern United States.

Church Meetings Are Scheduled

Commission on stewardship and finance will meet next Wednesday at 7 p.m., at the Tecumseh Methodist Church, one hour before the specially-called quarterly conference.

Numerous nominations must be approved by the latter group.

The official board will convene immediately after the quarterly conference meeting.

1,541 Are Enrolled at Adrian College

For the 15th consecutive year, enrollment at Adrian College has surpassed the enrollment of the previous year.

This year's total is a record 1,541 students, President John H. Dawson has announced.

Record-sized classes of both freshmen (541) and seniors (225) are attending classes on campus. Last year 207 students completed graduation requirements at the college, including those who finished their work in January, May and August.

Pythian Sisters Entertain Guests

Mrs. John B. Cook of Southfield, grand press correspondent, and Elizabeth Adams from Birmingham were guests at the meeting of Josephine H. Hall, Temple Pythian Sisters Oct. 11.

Mrs. Robert Wood, Mrs. Carl Kempf and Mrs. Earl Stewart were in charge of the supper preceding the meeting.

Other guests were Mrs. Lowell Kelle and daughter, Terri. Terri attended the Pythian Michigan Children's Camp at Burt Lake during July. She related experiences of the trip and showed samples of handicraft which she did there.

Mrs. Cook was presented at the altar and given public grand honors.

Mrs. Erwin Buss gave a report on the rummage sale.

Mrs. Opal Brady and Mrs. Verdi Skinner will be in charge of the public supper on Nov. 30, and Mrs. Walter Hizer will be the dining room chairman, and Mrs. Buss, publicity.

Social Security Inquires

This column will answer typical inquiries. Many times the questions that are raised may be of concern to you.

QUESTION: It took over 2 months for the medical insurance carrier to process my claim for benefits. Why the delay? And what's being done to pay claims quicker?

ANSWER: Because of the unusually large number of medical insurance claims filed at the beginning of the medicare program, some carriers did fall behind schedule in processing them. This situation has varied greatly from one part of the country to the other, but since the early part of this year, there has been major improvement just about everywhere. Nationally, the amount of work that the carriers had on hand rose to nearly 8 weeks of work in the first 2 months of the program. This figure was reduced to 5 weeks of work on hand by the first of the year and has been cut more than in half to 2.4 weeks today.

The Social Security Administration has been working closely with all carriers since last fall on emergency measures to reduce the exceptionally heavy workloads that developed. Staffing, space, and computer problems had to be solved as the volume of bills increased month by month. The hiring of extra claims examiners and the use of improved electronic equipment have helped to bring the workloads under control.

There has been a sharp increase in the speed of claims processing during the past several weeks, and social security officials expect this improvement to continue. The carriers are now processing at the rate of well over one-half million per week. Eventually, it is hoped all carriers will have an average processing rate of 10 days or less.

QUESTION: My mother just received payment on her medicare claim. One of her doctor's bills was $22. The carrier only made payment on $12 of that bill and disallowed $10. They stated, on their benefit notice sheet, that 'charges have been reduced to amounts payable by law." Why didn't they make the payment on the $22 when that was what the doctor charged. Is there a fee schedule of payments?

ANSWER: First of all, the medicare law does not specify amounts to be paid on claims for the cost of a particular medical service. Therefore, there is no "fee schedule" for the reimbursement of medical charges. The medicare law does state that payments for doctor's services will be made on the basis of "reasonable charge," which will be determined by the carriers selected by the Government to assist in the administration of medical insurance. "Reasonable charge" is determined by the carrier on the basis of the "customary charges" of the doctor and the "prevailing rates" charged for similar medical services in the area.

The term "customary charge" refers to the amount the doctor usually charges his patients for a service in similar medical circumstances. The reasonable charge, then, would not be higher than the doctor's customary charge.

The term "prevailing rates" refers to the rate most frequently and most widely charged for the service in the area. This rate is derived from the average charge for services of all doctors in the area in a similar medical circumstance.

The determination made in your mother's case was based on the above criteria. If you believe that the determination is not correct, you may (on behalf of your mother) ask the carrier serving your mother's area to review the case; if you prefer, you may first get in touch with the people in your social security district office. They will be glad to help you in every way they can.

Do you have a question about Social Security? If so, write to your social security representative for Lenawee County, James Hushion, 536 N. Jackson Street, Jackson, Michigan 49201. All letters are confidential and you will receive an immediate reply.

More than 250,000 acres of farm lands in Michigan will be open to free public hunting this fall under the federal cropland Adjustment Program (CAP), administered in this state by the Agricultural Stabilization and Conservation Service in cooperation with the Department of Conservation. Where you see the above sign posted at more than 2,000 farms, you will be welcomed as a hunter, and the only thing expected of you is that you show goods sportsmanship afield. In return for making their lands available to you, cooperating farmers earn special fees from the U. S. Department of Agriculture in addition to payments they receive for diverting their acreage fr[illegible] production to conservation land practices. The map here shows, county by county, how much CAP land is offered for public hunting. More specific locations of farms in this program are available from local ASCS offices, which are found in nearly every county [illegible] district headquarters. Wherever you are looking for places to hunt, remember to ask the farmer first for permission to use his lands, and then treat his property as you would your own.

Ray Vershum at Academy

Cadet Fourth Class Raymond G. Vershum, son of Mr. and Mrs. Lewis Vershum, 453 N. Main, Britton, has entered his first year of study at the U. S. Coast Guard Academy in New London, Conn.

He has completed his summer training and now will receive instruction designed to provide the potential officer with the best possible education to aid him in any of the positions in which he may find himself after graduation.

When the cadet completes his four years at the academy he will be awarded a Bachelor of Science degree and granted a commission as an Ensign in the Coast Guard.

As a Coast Guard officer he will be called upon to fulfill a wide variety of duties at sea, and ashore, including the fields of oceanography and communications.

Youth Hits Car, Given Summons

James W. Cottrill, 17, of 1175 Shepherd Rd., was given a summons for failure to stop in the assured clear distance ahead, when his car struck the rear of a pickup driven by Adeline L. Handy, 29, of 7450 N. Adrian Hwy.

The mishap occurred Sunday on Russell Rd., at M-52, as Mrs. Handy slowed for a turn.

"No man in the world has more courage than the one who can stop after he has eaten just one peanut."

Friends Church To Hold Annual Harvest Service

The annual Harvest Home service of the Tecumseh Friends Church will be held Sunday, Oct. 22, at 10 a.m.

"This is the time for bringing fruit, goods and produce as an expression of thankfulness for the harvest season," the Rev. Paul Brantingham stated.

Mrs. May Evans, superintendent of the Friends Home of Columbus, Ohio, will speak and receive gifts for the Friends Home Ministry.

Friends are asked to have their gifts brought to the church by Saturday noon. The Sunday offerings will also be for the Home and Foreign Mission Ministry of the Church.

Mrs. Eugene Vaughn, Mrs. Naomi Sallows, Mrs. George Marsh, Mrs. Harold Righter and Mr. Floyd Shirley are responsible for receiving and arranging gifts.

'Dads' Entertain

The "Four Dads," a barbershop quartet, provided music for the Tecumseh Music Club at its meeting on Tuesday, Oct. 10.

Thirteen club members met at the home of Mrs. Norman Bailey. Co-hostess was Mrs. Fred Oberlin.

The Four Dads is composed of Dave Woods, Gordon Comfort, Dr. Carlton Cook and Gene Earling.

Combining their talents, they presented their own musical greeting, plus other old favorites, such as: "Coney Island Baby," "Keep America Singing" and "My Grandfather's Clock."

One of their most interesting arrangements was a medley of four old-time greats, with each quartet member singing a separate song.

For contrast, the Four Dads presented Bach's "Ah, How Weary," a sacred arrangement.

Mr. Earling explained barbershop harmony, and the other quartet members joined him to illustrate the techniques.

During the business portion of the evening the club voted to give a scholarship to a member of the Musicmakers, a junior music club, for summer study. This is the second year for this project.

Mrs. Dorothy Brock conducted a white elephant auction. The proceeds will go into the scholarship fund.

In November members of the club will go to Clinton High School for the production of "Music Man."

Through My Window

LOG BY THE DUNCANS, SEPTEMBER '67 — PART II

As described last week, our Sunday in South Dakota's Black Hills was disappointing because of the rain and fog. These are friendly mountains which always remind us of the Smokies — they are low, heavily wooded and most of the sharp corners were rounded off long, long ago. Immediately south of the Black Hills lies the Wind Cave National Park. The Duncans are not speleologists and so the cave itself was no drawing card - We do love animals though --

Everything seemed to work right at Wind Cave. The sun finally broke through the clouds and the day turned beautiful. Our first 'big game sighting' was a buffalo, a big black hulking brute. What a thrill!

Next we found two large prairie dog towns. These little ground squirrel-type characters were great fun to watch. Busy every minute, they scurried from mound to mound, ducked in and out of their hole-in-the-ground homes and barked continuously.

In this same area, but on the side of a gently sloping hill instead of on the level as were the prairie dogs, four beautiful pronghorn antelope lay basking in the warm sunshine.

These are lovely creatures, graceful and trim with almost perfect camoflage coloration — their tan bodies just melt into the landscape. And to make the day a complete success, we saw three mule deer before leaving the southern entrance of the park.

*

SCOTTSBLUFF at the western edge of Nebraska, was our next objective. This high promontory rises 800 ft. above the floor of the Platte River Valley and affords spectacular views of the surrounding area.

The Park Service has done its usual good job of building a road to the top of the bluff. After the three retired school teachers left, we had the whole place to ourselves — this is one of the nice things about traveling off-season.

There is an interesting history to Scottsbluff as a lookout point for the early covered wagon trains; however, I must admit that our minds were not as much on history as on our next stop. We were headed for Boulder, Colo.

To answer the questions that I feel coming, the Marshes are fine. Doctor, Marjorie and Duke are still enjoying their mountains but to all of their friends in Tecumseh they send best wishes and hellos.

Our first day's drive here was a re-visit to the old ghost town of Caribou. It was a lovely ride, the road twists and turns back into the mountains, mountains which were then just beginning to shimmer with the golden aspen leaves. Fresh snow had fallen in the high country and this always makes mountain scenery just that much more breathtaking.

Wednesday's trip was over Rollin's Pass — quite a trip! The auto road is the road bed of an old railroad and at numerous places along the way there are many signs of the old railroading days.

The scenery was, of course, spectacular. These are high, high mountains. The Moffet Road itself snakes around the mountains, goes through tunnels (one of them aptly called the Needle's Eye), passes Jenny and Yankee-Doodle Lakes, crosses the Continental Divide and creaks over several trestles. It was an exciting day from start to finish.

DOCTOR AND MARJORIE had arranged another adventure for Thursday. Their across-the-street neighbor, Forest Crossen, is an author specializing in tales of the early railroading and mining days. A most interesting man. He was our guide Thursday and as we drove the Switzerland Trail, another old railroad route, he made the romance of those early times come alive.

This was also the day we had our cook-out lunch. If you think hamburgers taste good at a backyard picnic, just try them in one of the nice parks high in the Rocky Mountains. Absolutely delicious. In every respect our three short days in Colorado were perfect, even the weather cooperated for a change.

Birdwise I had really not expected the trip to be a bonanza. In the mountains, though, we saw many hawks — marvelous large birds. I never tire of watching them soar, riding the thermal air currents.

I clocked one, very conscientiously, but he sailed something like four minutes before flapping his wings. Then just a few strong beats put him back in soaring position.

The mountain bluebirds were still much in evidence as were swallows, hairy woodpeckers, Stellar jays and the big gray and white Rocky Mountain jays.

Next week we reluctantly start back to Michigan.

Victor Borge Is Big Hit

Victor Borge, headline attraction for the opening of the Adrian College Celebrity Series, presented a performance of music combined with comedy, delighting the sellout audience last Thursday evening in Dawson Auditorium.

During the first half of the program, Mr. Borge humorously discussed some of his earlier performances, the landing of the fly on the ceiling, and such up-to-date topics of conversation as the "Byrds" in the White House.

Just as the audience might have become disenchanted, Mr. Borge was joined at the dual pianos by Leonid Hambro, his associate of seven years from the New York Philharmonic Orchestra, and performed an arrangement from the opera "Carmen" which brought a thunderous ovation.

In the second portion of the program Mr. Borge and his associate demonstrated skill and showmanship. Their sometimes serious and sometimes humorous renditions of the Warsaw Concerto, Strauss, Rachmaninov, and others were received warmly by the audience.

Lighting, done to perfection, added a special touch to both the comedy and the concert.

In his closing remarks Mr. Borge revealed the philosophy which must dominate his life and his work.

"A smile is the shortest distance between two people," he said as his music and the lights faded.

Are you bothered by acid stomach, tired blood, ingrown toenails, vitamin deficiency or pounding headache?

Well, according to what we see on television and hear on the radio, one or more of these things should afflict every American. But, point out the commercials cheerfully, help is no further than your corner drugstore.

At the risk of tramping on the advertising toes of the electronic industry, we would like to point out that the corner drugstore is NOT the best way to cure these modern-day ills. A few bucks for a hunting license is a heck of a lot better cash investment. Besides, it's more fun.

The stress and strain of today's urban living can bring on a lot of symptoms that leave a guy feeling lousy. A pill might bring some relief but that is not getting at the root of the problem. That's where hunting comes in. The same can be said for fishing.

Getting out into the woods and away from your problems falls into the category of recreation. Look at that word carefully: It is "re-creation" or being created anew from your old, tired, run-down self.

We know a lot of hard-working businessmen who unwind by going hunting. They don't even have to do any actual shooting. Just a day or a weekend away from the pile of problems can send them back home refreshed and ready to whip the world. More than one guy has tossed away the pills after gulping his limit of fresh air and relaxation during a few days of chasing grouse, woodcock, pheasants, rabbits or deer.

Unfortunately, though, not everybody is mentally equipped to cut the ties with civilization for even a few hours. There isn't too much hope for them and the corner drugstore remains their best bet.

As an example, we were squirrel hunting recently in a piece of colorful northern hardwoods and had almost fallen asleep in a comfortable position against a big beech tree. A strange, out-of-place sound came faintly our way and finally we had to investigate it.

By careful stalking we came up behind another squirrel hunter sitting with his back to a tree. He had a little transistor radio with which he was keeping posted on the affairs of our topsy-turvy world. The volume was turned up loud enough that he never knew we were around.

As we tip-toed quietly away we heard the announcer break in with the commercial pitch: "Do you have tired blood, acid, stomach, pounding headache . . . ?"

We are quite sure he did.

Biological Speaker

CLINTON — Robert Weymouth gave an enlightening talk on the work of the Ann Arbor Biological Company of Clinton for the members of the Clinton Woman's Club meeting at the Community Center last Wednesday afternoon.

His talk coincided uniquely with the new theme of the club, "All things bright and beautiful, all creatures great and small, all things wise and wonderful, the Lord God made them all."

The company provided biological plates, parts of animals, and materials used in medical schools, and certain companies throughout the United States. At the present time the company is the most complete supplier of products of this nature in the world.

It is concerned with the growing of little animals, manufacturing slides, entombing specimens in plastic, making Riker mounts in such categories as plant kingdom collections, and doing custom- work for certain universities and commercial drug companies.

Mainly, the company prepares microscope slides by hand. Around 1,000 different preparations are made including such items as mushrooms, ferns, squash flowers, and feathers.

For example, a plate is made of the life history of the mosquito, showing the adult male, the adult female, pupa, larva, and eggs.

Mr. Weymouth said that more and more emphasis is placed on living things in the teaching of biology.

Among the many slides and plates exhibited by Mr. Weymouth was a bottle of live plan-arians or small, soft-bodied aquatic worms.

He said that if one of these is cut in two, it grows a new head. Research on its habits have shown that if a first generation of these worms is given certain obstacles in the way of obtaining food, the second generation can overcome these obstacles twice as fast — a study in hereditary memory.

Edward J. Thomas of Clinton is the president of the Ann Arbor Biological Company, which employs some 10 to 15 persons in a location on the lower floor of the Don Thomas residence in Clinton.

Mrs. Hans Schmide, the new president of the Woman's Club greeted the new members, Mrs. Clara Conner, Mrs. David Liscomb, Mrs. Merval Mattis, and Mrs. David Pratt. She also announced the resignations, with regret, of Mrs. Alton Emerine, Mrs. Alcide Legault, and Mrs. Frank Ward.

Monetary memorials to two deceased members, Mrs. Delbert Campbell and Mrs. Hazel Barnard and also to Dr. Archie O'Connor, were planned.

A sum was voted to the Lenawee County Department of Health and Welfare.

A committee was appointed to revise the constitution and by-laws of the club.

Mrs. George Wolf of the ways and means committee announced that fruit cakes would be sold again this ear.

A centerpiece of deep purple fringed petunias, lavendar Chrysanthemums and bright yellow snapdragons on a table covered with a violet teacloth was the focal point for the serving of refreshments.

The social committee included Mrs. Edgar Randall, Mrs. William Kershner, Mrs. Louis Roumell, Mrs. Charles Sturm, Mrs. Delbert Tallman Sr., and Mrs. Harry Werth.

Speaker for the Nov. 8 meeting will be Mrs. Vivian Brower of the Juvenile Division of the Lenawee County Probate Court.

Roof Repairs Costing $3,000

CLINTON — Bids were let to Enterprise Roofing Company, of Adrian, for repairs costing $3,000 to the roof of the girls' gymnasium, by the Board of Education of the Clinton Community Schools last Wednesday.

Temporary repairs will be made to the interior ceiling as soon as the roof is repaired. More permanent repairs will not be made at this time, pending further study of long range plans for use of the building.

John Jansen was present to explain an adult education program in agriculture which is under study for the county.

The program would provide for the hiring of a farm expert to move into the county and serve as an advisor in all the county schools which participate.

Cost of the program would be shared 50 percent by the state and 50 percent by the district, through tuition or otherwise.

It was decided to poll the district's farmers to determine the interest in such a program.

Supt. Richard Wegner reported on the progress of staff committees working on the building planning program.

He also reported on projects which are now being researched to determine if they would be useful in the local school.

The areas of [illegible] are:

► Ungraded classrooms for primary level

► Middle school concept for grades five, six, seven and eight

► Four-quarter school system, to consider if Clinton Schools could be operated year around.

Several parents were present to discuss the matter of senior class policies.

The board policy permits the senior class to sponsor a senior trip during the spring vacation week. It shall be chaperoned by parents of class members at a ration of two adults to 15 students.

Senior class is to be responsible for graduation expenses, flowers, caps, and other incidentals, and any money remaining in the treasury may be spent for any purpose which the majority of the class decides upon.

Street Lighting To Be Extended

CLINTON — The Village Council voted at its October meeting to extend street lighting southward from Clinton-Macon Rd. as far as the Budd Company plant.

In other action, the board voted:

► An increase of $70 in the superintendent's salary.

► An increase of $25 in the bookkeeper's salary.

► A donation of $50 to the Clinton Community Chest from the Village Light Department.

► A change in sewer clean-out rates to flat fee of $15 per call, Monday through Saturday, and $22.50 for Sunday calls.

► An agreement to charge Bridgewater Township for fire protection of $150 per year standby, and $150 per fire call.

Bids were received for the installation of a storm sewer in the alley on the south side of W. Michigan Avenue as follows:

Joe Rosetti, Hillsdale, $4,357.60

Bales Trucking, Adrian, $5,996.00

Selders Excavating, Adrian, $5,982.00

Douglas N. Higgins, Inc., Manchester, $5,847.00

The bids were turned over to Walter E. Frazier & Associates for recommendations.

Bids were received for a new village dump truck and will be studied by the motor equipment committee for recommendations.

Clyde Burleson was present to discuss the possibilities of having a portion of his farm land, recently annexed to the village, removed from the annexation.

Ruthann Haft underwent major surgery at Herrick Memorial Hospital Thursday. She is the daughter of Mr. and Mrs. Leroy Haft. Mr. Haft entered the same hospital Monday for tests.

We care

Who cares if the blueberries in our blueberry pie are wild!

Some people may not care...but we care.
Your grandmother's classic blueberry pies
were baked with juicy, *wild* berries,
not with today's pulpier, cultivated ones.

So, we're stubborn.
Only *wild* berries get into our Jane Parker Blueberry Pies.
In fact, we care so much about such things,
we've made just one big change in the classic recipe:
We bake only wild berries that are U.S. Grade A!

We've been in the baking business for 50 years.
And that's the way we are about all our baking.

To celebrate our golden anniversary as bakers,
this week, we're featuring Jane Parker Blueberry Pie
at a price that's as wild as the berries...49¢.

If you want proof that caring this much counts,
try a Jane Parker Blueberry Pie this week.

Christine Fairbanks'

OFF the TOP

It was a treat to attend the Walt Disney movie, "The Gnomemobile," at the local theatre with our young daughter and a friend a week ago.

There are so few movies suitable for family attendance, and a great many being shown which aren't suited for anyone. We really enjoyed it. The theater was packed with kiddies and parents — and we laughed right out loud with the kids during the race scene, as the ancient Rolls-Royce led a Cadillac a merry chase through the redwood forest.

The movie had no complicated plot, no scenes of harsh violence, no scantily clad female star melting into a hero's arms, but it did have an entertaining story, a villian, a great character actor in Walter Brennan, two cute kids, and of course, the little gnomes.

It had humor and tragedy, and the good guys won out in the end.

The show was much more wholesome than much that appears in our living rooms every day on the television screen. Now, I know that we don't have to watch all that stuff, but sometimes if you aren't in there to oversee the choices, the youngsters are treated to some pretty violent and/or shocking scenes.

And the commercials are as bad, or worse. It seems that products are no longer sold on their merits, but must be combined either with a really ridiculous sales slant, or with a pitch that the product will make one irresistible to the opposite sex.

We're not prudish, but we are old-fashioned enough to object to such products as shampoo, deodorant, bath soap, hand creams and many others being pushed as the ultimate and only requirement to attracting the opposite sex.

Even toothpaste, for heaven's sake. I had always naively supposed that one used toothpaste to keep teeth clean and cavity-free, but a new product is said to have "sex-appeal."

When our nine-year-old daughter watched that commercial, she turned 'round to tell me "That's the kind of toothpaste I want, Mommy."

Rushing in where angels fear to tread, I asked her, "Whatever for?"

"Because it's got sex-appeal," she replied.

Fearfully, and yet curious as to the extent of her thinking on the subject, I asked her what sex-appeal was.

"I don't know, but I think it's something that makes your teeth white," was her answer.

I breathed a relieved sigh, but inwardly was indignant that a toothpaste company would rely on this type of advertising to sell an everyday, necessary commodity.

There are some interesting and really clever television commercials, but far too many are just an insult to the intelligence and good sense of the American viewer.

Beer commercials always show lovely, charming people, having a great time as they drink; one never sees scenes of accidents involving drunk drivers, wherein perhaps these same charming people or other innocents are slaughtered on the streets.

Cigarette and cigar ads portray men and women, and young people, as gay, carefree folks; apparently, one never dwells on any problems while smoking. These people are never shown with advanced cases of lung cancer, gasping for their very breath.

And what about those nauseating "nasal congestion test" ads; they'll soon show up on the screen again, as winter draws nigh.

In other words, I'm tired of misleading and uncouth advertising. I'm tired of seeing curvy girls wiggle as hair grooming bottles and ruffle a man's hair — tired of seeing ladies girdles and bras demonstrated in living color, or deathly black and white either; tired of birds in my kitchen, margarines that cause crowns to appear; giants in the washer or white tornadoes anywhere.

Can't we just have honest advertising, wherein a product is sold on its merits, if it has any, and for the purpose for which it was originally produced?

Americans might well respond by buying out the stores!

5 FFA Boys Return from Convention

BRITTON — Saturday afternoon at five o'clock, five weary FFA boys and their advisor, Paul Marks, returned to Britton after attending the National FFA Convention in Kansas City last week.

The boys were selected as delegates at the previous FFA meeting. They were Les Rowe, Tom Tucker, Ron Eldred, Louis Wagner and Pete Forgacs.

The group left Britton last Sunday morning and drove to St. Louis, where they stayed in a state park that night. They drove the FFA pick-up with a camper loaned by Loesch Camper Sales.

Monday morning they toured the Ralston Purina Company Research Farm. There the boys observed the many animals which were being tested on different rations and under different conditions. Two fine meals were served to them while there, and the 600 delegates also enjoyed a special show put on for them that night.

Tuesday they continued on to Kansas City, and attended the first session of the convention. Wednesday they attended all three sessions, which were three hours in length.

After attending the morning convention session Thursday, the local boys visited the Kansas City stockyards.

Friday was the final day, so they loaded the pick-up for the return trip and then went to the morning convention session.

In the afternoon, the boys and Mr. Marks attended the American Royal Horse Show, which they reportedly enjoyed very much.

Friday evening they were at the closing session of the convention, and then about midnight, started for home. The group arrived home Saturday, tired but happy. They all stated that the trip was fun and educational, and were glad they went.

Washday Topic for Maconettes

BRITTON — The lesson of "The New-Fashioned Washday" was given by Mrs. LaVern Weyher and Mrs. Karl Kimerer at the October meeting of the Maconettes Extension Study Group.

Twelve members attended at the home of Mrs. Karl Kimerer.

The International Report was given by Mrs. Robert Bush. She told of some of the customs of people of Israel, Japan and Michigan.

Michigan Extension women will be hosts on the Michigan State University campus next year to the Associated Country Women of the World — commonly called the ACWW — and the clubs are getting a little background on countries which will be sending delegates.

It was voted to have a get-acquainted party for members and their husbands at the home of Mr. and Mrs. Jack Hintz on January 6.

The next club meeting will be on Nov. 9 at the home of Mrs. Howard Haas, Jr.

BRITTON BRIEFS

Mrs. George Brablec is a patient in Flower Hospital, Toledo.

Mr. and Mrs. Bert Moore spent several days recently at Horseshoe Lake, enjoying the fall colors in the northern part of the state. They spent one day with Mr. and Mrs. Robert Exelby and Cindy at West Branch.

Mr. and Mrs. Norman Wirth of Champaign, Ill., were weekend guests of Mr. and Mrs. Bert Moore. Additional Sunday guests were Miss Ginny Ehlert of Assumption, Ohio, Mr and Mrs. Wallace MacGeorge and daughters and Mrs. Wesley Macki and children of Tecumseh.

The Senior High MYF of Grace Methodist Church is going to sell homemade bread. Deadline for orders is next Wednesday.

The Rev. John Lover will be starting confirmation classes for youth who may be interested in church membership. Please contact him if interested.

Mr. and Mrs. Howard Haas, Jr., and the Rev. and Mrs. John Lover attended the Board of Missions and Church Extension banquet and meeting at the Milan Methodist Church last Thursday evening.

Mr. and Mrs. LaVern Russell with Mrs. Lucille Bradley of Jackson were guests Sunday of Mrs. Elizabeth Underwood in Hastings.

Herman Prielipp, a long-time former resident of Britton, will celebrate his birthday Wednesday, Oct. 25. Birthday greetings may be sent to him in care of the Methodist Home at Chelsea, Michigan.

Work-Study Report Made by Principal

BRITTON — Mr. Robert Christ, principal, reported on Britton-Macon's participation in the Lenawee County Vocational Education Program at the Board of Education meeting last week. One student is currently enrolled in the work-study program, with the possibility of one more student joining.

Also, three students are participating in the auto mechanics program. The board voted to pay the tuition fees for these programs.

The board also moved to charge the minimum fee for tuition students attending Britton-Macon School.

Elmer Eberhardt discussed liability insurance with the board.

In other board action, discussion was held on the subject of loaning or renting school buses to individuals or organizations. It was voted that the school buses shall not be used for any other purpose than school use.

Mr. Saxton reported that bus drivers are urgently needed, and either male or female applicants will be considered.

Door Bells Ring for Halloween and UNICEF

It's funtime for hundreds of Tecumseh and area youngsters who will don all sorts of garb Tuesday night, and then go "trick or treating."

Earlier in the day, a Halloween costume contest will be held at the Tecumseh Community Center.

The contest, which will start at 4:15, has divisions for pre-schoolers, kindergarten through grade two, and third grade and up.

Prizes will be offered for the dressiest, spookiest, most original and funniest in each division. Jim Oberlin and Art Macham, of the Parks and Recreation Department, are in charge of the festivities.

While youngsters will be seeking goodies Tuesday evening, approximately 150 will canvass Tecumseh and area Sunday afternoon and early Monday night for UNICEF — for money.

Last year, over three and a half million youngsters celebrated Halloween by collecting for UNICEF, an international organization for helping needy children throughout the world. They raised over $2,700,000.

Monies are spent for health services, disease control, nutrition, family and child welfare services, educational and vocational training and emergency assistance.

Sunday afternoon the senior high youth will canvass for UNICEF in the country.

Monday night at 6 p.m., children will meet at the Presbyterian Church Fellowship Center for canvassing Tecumseh. They will canvass until 8:30.

Mrs. Fred Feight and Mrs. Carroll Sprague are co-chairmen for the campaign here.

ON TO LANSING — Tecumseh and Clinton will be represented Saturday at Lansing in the state finals for the Punt, Pass & Kick Contest. Michael Gunn, Clinton, won the 13-year-old bracket at Jackson Saturday in the zone championships, and John Getz, Tecumseh, took the 10-year-old division. With the boys here are Denny Harrison, member of the Tecumseh Jaycees, who conducted the contest here for Underwood Fordland, and Melvin Getz, John's dad.

Trooper Shoots Youth Escaping

What do you do when a 17-year-old youth levels a .25 caliber, automatic Italian pistol at you?

Ask Tecumseh police sergeant Gene Skinner, or State Policemen Wesley Haney or Paul Woods of the Clinton Post. For a few agonizing minutes, they did nothing.

Ask Kenny Wallace, local resident, who was passing the time of day with Sgt. Skinner when the incident occurred. He knew what to do — dive through the closest doorway and slam the door shut.

Last Thursday night, the local police officer took a call saying that John Flores, 17, had left home, carrying a gun. He reportedly told the informant that he was going to Adrian to kill his girl friend's father.

Sgt. Skinner sent two patrolmen to check out the story, only to have the state police walk into the station minutes later with a 17-year-old youth in custody. He had been picked up just south of Russell Rd. on N. Raisin Center Hwy.

Skinner confirmed to the troopers that he was John Flores, and then asked the youth "where's the gun you had with you when you left home?"

After muttering and stumbling about "who- - - - Flores jerked the automatic pistol from his trench coat pocket aimed it at Skinner and threatened to "kill you all."

At this point, Wallace dived through a doorway and vanished behind the door.

Haney, backed into a corner at the local police station, pleaded, "let's talk this thing over," when the young gunman threatened him.

Waving the pistol back and forth in front of the officers, Flores started to back out of the station. Woods, faced with an opportunity, ducked behind a counter, and shouted at the youth that "I'll kill you if you leave."

Flores continued backing, keeping an eye on Skinner and Haney. He had to back out through one glass door, into a small vestibule, and then out another glass door.

He never made it.

Once in the vestibule, Trooper Woods shot from over the counter and through a glass window. The bullet passed through Flores' cap, but a small piece of it deflected and hit him just above the lip. Main portion of the slug ripped through the outside door.

The concussion in the small area decked Flores, knocking the gun from his hand and stunning him momentarily, giving the officers enough time to clamp a heavy foot on an arm bent on reaching the Italian pistol.

He was taken to Herrick Hospital, received treatment for the facial injury, and then returned to the police department for questioning.

He spent the night in the Lenawee County jail before being returned here Friday to face Justice Ernest Oliver. Examined here, he pled guilty to a concealed weapon charge, but not guilty to felonious assault.

He's in the county jail, awaiting trial and under $5,000 bond.

Flores also is said to have possessed a six-inch stilleto — actually the most dangerous weapon he had in his command.

The automatic pistol was not loaded.

After the shooting, according to Sgt. Skinner, Flores told them he would have killed all of them if he had had bullets in the gun.

Services Friday for Beatrice Ring

Funeral services will be held Friday afternoon at 1:30 for Mrs. Beatrice Ring, 60, who died about 12:30 Wednesday morning in Herrick Memorial Hospital.

She had been seriously ill for four months and had been in and out of the hospital several times. She was admitted again Sunday.

Mrs. Ring was very personable and well known in this area and operated a gift shop here from 1956 to 1962. In 1964 she was bookkeeper and sales lady for Des Ermias Furniture.

She was born here on Aug. 17, 1907, to H. L. and Ina Jackson Barrett, one-time owners of the Tecumseh hotel. She attended the University of Michigan.

On Sept. 25, 1927, she married Taylor C. Harvey and lived in the east and in New Hampshire. Her husband died in 1941. On Dec. 28, 1946, she married Wilfred Ring in Pittsburgh. He passed away on June 20, 1954.

Mrs. Ring returned to Tecumseh in 1955, and one year later, purchased a gift shop from ArleneOusterhout in downtown Tecumseh. After six years, she sold the shop to Jean Colgrove, present owner.

She was an active member of St. Peter's Episcopal Church, where services will be conducted Friday.

Survivors are a daughter, Mrs. William (Cynthia) Sturdevant, Washington, D. C.; three sons, Scott Harvey, Washington, D. C.; Lt. Taylor Harvey, Ft. Benjamin Harrison, Ind.; Stephen Ring, student at Michigan State University; sister, Mrs. B. C. Mary McIntire, Pompano Beach, Fla.; and her step-father, Lester Rogers, with whom she made her home.

The Rev. Frank Hawthorne will officiate, and burial will be in Brookside Cemetery. A requiem will be held at the church Friday morning at 10 a.m.

Friends may call at the Dunn Funeral Home until Friday noon.

Come to the next production of the Tecumseh Players and you might find out!

"Hasty Heart!" will be performed Nov. 2, 3, 4, 9, 11, at the Tecumseh Community Center. Reservations for tickets may be made by calling 423-2391, or purchased at Flanders Music Store.

Playwright John Patrick has successfully combined comedy with drama to make "Hasty Heart" a delightful, emotional, and inspiring play. The characters, male patients in a temporary British General Hospital somewhere in East Asia, are charming with their variety of personalities and nationalities.

The following cast will stutter, snore, and slurp in the production.

- Lachlan, an Irishman with too much stubborn pride, is played by William Sanford of Sand Creek. Mr. Sanford appeared with the Players several years ago in "Ten Little Indians" and "Man Who Came To Dinner". Recently he has performed in the Siena Heights productions "Sound of Music" and "John Brown's Body."
- Only female in the cast is played by Mrs. Dick Egli. Lori portrays Margaret, a nurse. She is remembered for her roles as Kate in "Never Too Late", Mary in "Mary, Mary", and "Light Up the Sky."
- Joseph Cherry plays a southern "Yankee." He has performed in "Ten Little Indians", "John Brown's Body", "Dark of the Moon", "Rain Maker", and "Annie Get Your Gun". Joe lives in Palmyra and works at Stauffer Chemical.
- The role of Tommy, a gleeful idiot, is played by Larry McClain of Tipton. Larry works at Stauffer Chemical. This will be his first appearance with the Players.

Continued on page 2

Laughter galore is in store for fans of Tecumseh Players, who open the season here next Thursday, Nov. 2, in "Hasty Heart." John Raymond, Lori Egli and Larry McClain appear in a scene above. At the right, Bill Sanford, who has the play's leading role, starring as Lachlen.

3 Arrested in Pop Theft

Three young college students, two from Adrian and one from Detroit, were arrested early Monday morning in Saline after stealing 16 cases of pop from a truck at Airport Bowl on N. Evans St.

The boys were seen lifting cases of pop from the truck, and then fled before Tecumseh police arrived. They also had whiskey and beer in their possession.

Charged with simple larceny are Thomas M. Allen, 20, and Dennis L. Fox, 19, both of Adrian, and Jon Rutherford, 17, of Detroit.

Quits Post at Library

Mrs. Julie Fosbender, head librarian for the schools and city since March 1, 1954, resigned her position Monday night at the librarian negotiating session with the School Board.

Her resignation was no surprise and several school officials had been informed of her intentions several weeks ago.

Mrs. Murray Day was appointed to succeed Mrs. Fosbender.

Although the School Board negotiating team was aware Monday night of the resignation, it worked out a new contract with both librarians in attendance.

Mrs. Fosbender has accepted a newly created position with the Kalamazoo Public Library and will commence her duties there on Nov. 21, four days after her resignation becomes effective here.

Her new position is business and technology librarian.

She says the reason for leaving Tecumseh is more money and a better position, professionally.

During her 14 years here, Mrs. Fosbender contributed much to the establishment of Tecumseh's new library on N. Ottawa St. In the beginning, she worked at both the high school and at the former public library on W. Chicago Blvd., now the Board of Education office.

Unless the schools are lucky, Supt. James McDowell says hiring a new, qualified librarian will be most difficult. He cites authorities who report 72 librarian vacancies already exist in the state, and are not filled.

Many of these localities pay considerably more than what the local schools are offering.

In the new contract, librarians will work 32½ hours a week and will be paid on the teachers' salary scale, plus $250. They will receive two weeks paid vacations, credit for insurance, and annual increments of $243.96 a year.

Mrs. Day will have two other employees working for her, but other help, including a qualified librarian, will be sought.

No change in library hours are contemplated, and it will remain open as usual.

Fifteen Flag Pins Stolen at TCC

Thieves, probably vandals, stole 15 flag pins from greens at the Tecumseh Country Club Saturday night.

Each pin is valued at approximately $9 each.

Vandals also struck here recently when they pushed over steel posts, set in wet cement, at G&J Products. It was not discovered until after the concrete had set.

Silage Fire Is Difficult

Tecumseh Fire Department was called to C. M. Brown's Kitty Kurtis farm on Hendershot Hwy. last Thursday afternoon.

Silage in an upright cement silo was smouldering. Firemen dug out the overheating hay silage and put water into the silo, but were unable to get the fire out until 7 p.m.

The lower portion of the silo held corn silage, and hay silage had been added in recent weeks, apparently causing spontaneous combustion.

Local Firm Acquires 3rd Ohio Plant

Tecumseh Corrugated Box officials announced this week that a corrugated sheet producing plant has been started in Brecksville, O., a suburb of Cleveland.

Fred Attwood, president of Tecumseh Box, says the plant comprises 50,000 square feet and is a duplication of operations here.

The local company now has four plants in operation, including the home office here. Other plants are located in Ohio at Van Wert and two in Brecksville.

Total employment is over 250 with approximately half working here.

Company's new paper mill in Brecksville is now producing over 1,000 tons of chipboard and corrugated medium, according to Mr. Attwood.

Grange Officers To Be Installed

New officers will be installed at the meeting of the Tecumseh Grange Thursday evening.

Members are to bring sandwiches or pie. Mr. and Mrs. Clare Gillespie and Glen Hendershot are on the refreshment committee.

Mr. and Mrs. Dewey Sturtevant, Mr. and Mrs. Dow Bilby and Mrs. Charles Patterson attended the state Grange meeting at Sturgis last week.

Come Early

Fans expecting a seat for Friday night's clash with Blissfield are urged to get there a bit early.

Two weeks ago, such a warning could have been ignored, and justifiably so. Not now, as Tecumseh is primed for the Royals' invasion.

Last week, the Indians thumped Airport, a club which battled Blissfield to 0-0 deadlock the week before. Whether scores are indicative or not as to the winner, Tecumseh now seems to have jelled.

Barring any injuries on the home team's squad, Blissfield's hopes for an undisputed Huron League title could be thwarted here.

The Royals, tied but undefeated, need this victory to avoid a tie for first with Grosse Ile. Tecumseh needs a win to keep its momentum going.

Coach Tom Fagan's team is facing the toughest three games on their schedule with Blissfield, undefeated and state-ranked Willow Run, and winding up against a very good Adrian eleven.

After dropping four straight games, it's doubtful that the Indians can win the next three — but they could win a couple, based on their performance last week against Airport.

Tecumseh dropped all four games by a touchdown or less, and with some luck, could have been undefeated at this point of the season.

Carol Ann Davenport and Timothy Rinehart Married

The Shiloh Baptist Church at Hartford, Ala., was the setting Saturday for the wedding of Carol Ann Davenport and Pfc. Timothy Rinehart.

The bride is the daughter of Mr. and Mrs. Willis Davenport, of 1315 Taylor Rd., and the bridegroom is the son of Mr. and Mrs. George Rinehart of 1203 Murray Dr.

The Rev. Lea Mangum performed the ceremony.

Donna Rinehart, of Tecumseh, sister of the bridegroom, accompanied the soloist, Alta Jones, of Pensacola, Fla., a cousin of the bride.

Given in marriage by her father, the bride wore a gown of white taffeta, accented with lace.

Leonard C. Jones of Pensacola Naval Base, Fla., was the best man.

A wedding reception was held at the newlywed's home in Daleville, Ala.

The bride is a 1966 graduate of Tecumseh High School and attended Northwestern Michigan College.

The bridegroom is a 1966 graduate of Tecumseh and is stationed at Fort Rucker, Ala., with the Army.

Mr. and Mrs. Davenport flew to Alabama for the wedding and returned home Sunday.

The bridegroom's mother, Mrs. Rinehart, and daughter Donna, also attended the ceremony.

The couple's new address is Route 1, Box 766, Arrington Trailer Ct., Daleville, Ala. 36322.

MRS. TIMOTHY RINEHART

"Hasty Heart"

(Continued from page 1)

- Appearing as Blossom, a soldier from "Basutaland," is Harold Thomas. Harold is a senior at Parkside High School, Jackson.
- John Raymond, radio personality for WLEN, will be seen in the role of Digger, an Australian boxing champion. John has been active with the Tecumseh Players in the past year, performing as Brad in "Everyone Loves Opal" and Joe in "The Tender Trap." He appeared in "You Can't Take It With You" at Clark Lake last summer.
- Learning to talk with a British accent has posed a challenge for Guil Rothfuss, a familiar face with the Tecumseh Players. Guil plays the role of a British Colonel. This is his ninth role for the Players, the more recent being Harry in "Never Too Late" and the doctor in "Everyone Loves Opal." He lives in Brooklyn and works at the Ford Motor Co., Dearborn.
- Kiwi, a tall New Zealander, is played by George Gonyo. George is from Sylvania and works at the Ford Motor Co.
- Relmond Burkholder plays the role of the Orderly who enjoys giving his patients a rough time. Relmond is from Palmyra and works at Stauffer Chemical. This will be his first stage appearance.

The director for the show is Craig Collicott, an experienced actor from Jackson. He will make an appearance on TV in Traffic Court this Friday.

Three Hurt in Collision

Three persons were injured Sunday evening on Tecumseh-Clinton Rd., when a car driven by Howard E. Sussex, 22, of 14124 Nortley Hwy., Tipton, crossed the center line and struck an oncoming car driven by David L. Sparks, 17, of 210 Bartlett St., Clinton.

Sussex was admitted to Herrick Memorial Hospital with injuries to the thumb and cuts on the hands and knees. David Sparks, and his brother, Randy Sparks, a passenger, were treated for cuts to the hands and knees and released.

Sussex received a summons for driving left of centerline.

Choirs Preparing Special Services

Presbyterian choirs are busy preparing for a Thanksgiving church school service and a Christmas vesper service under the direction of Mrs. Ralph Reed.

She hopes to have each youth choir perform in the Sunday worship service, once a month.

Rehearsals are as follows:

Cherub: 3:45 p.m. Wednesday, (ages 4, 5, 6).

Junior: 3:45 p.m. Thursday, (ages 7 through 11).

Chapel: 2:45 p.m. Thursday, (ages 12, 13, 14).

Anyone having any sturdy book cases, or wooden chairs, please bring them to the church after the fair. The annex will soon be converted to brightly-decorated church school rooms for the fourth, fifth and sixth graders.

22 Workers Clear Land at Church

Twenty-two senior high members of the Presbyterian Fellowship earned their halos Sunday by clearing the church property of one telephone pole, three trees, many shrubs and weeds and bushels of leaves.

The clearing was done to prepare the property for future landscaping, including a large asphalt parking area.

Members and their advisors, Mr. and Mrs. Russell Hyatt and Mr. and Mrs. John Hopson, roasted hot dogs and finished the evening with refreshments furnished by committee, Pat Maynard and Mike House.

President Miriam Puffer led the business meeting where plans for the rest of the year were made. It was decided to continue the Christmas dinner party for the Ypsilanti State Hospital Youth. It will be held Thursday, Dec. 7.

A hayride is being planned for the next meeting on November 17. The committee for the meeting will be Jean Brazee, John Dustin, Douglas Feight and Bob Merz.

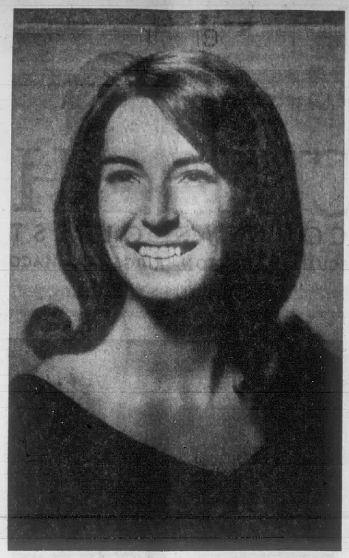
Other senior high Fellowship officers are Claudia Vollmer, vice-president; Wendy Vollmer, secretary; Mike House, corresponding secretary.

Family Honors Mrs. Maud Bush on Her Birthday

BRITTON — Mrs. Maud Bush, who was 85 years young Friday, was the guest of honor at a surprise family gathering Sunday afternoon at the home of Mr. and Mrs. William Bailey.

All of her children, grandchildren, and great - grandchildren who live in this area were present.

Refreshments were served, and Mrs. Bush received many lovely cards and gifts.



Engagement of Suzanne E. Wellman to Seaman Apprentice Douglas R. Hubar, is announced by her parents, Mr. and Mrs. Frank R. Wellman, 10030 Maines Rd., Parma. Mr. Huber is the son of Mrs. Marilyn A. Huber, 515 S. Pearl St., Tecumseh. He is stationed at the Patuxent River Naval Air Base, Md. The wedding date is March 2, 1968.

Barbara Vincent After Top Honor

Barbara Vincent, of the N. Franklin Hustlers 4-H Club, will be among the over 400 young Michigan showmen vying for top honors in the 38th annual Detroit Junior Livestock Show, to be held Oct. 30 to Nov. 2, at the Michigan State Fairgrounds.

Barbara will be showing Berkshire hogs.

William Walter, Extension 4-H Youth Agent, explains that all animals exhibited in the fat-stock show must be sold for slaughter at the livestock sale, one of the most exciting features of the show.

Sprightly bidding last year netted the owner of the grand champion market lamb $6 per pound. The sale will be held on Thursday, November 2, at 1 p.m.

The four-day show begins on Monday with weighing and live evaluation of carcass steers, lambs and hogs.

Judging will take place on Wednesday, highlighted by an Exhibitors Awards Banquet at the Pick-Fort Shelby Hotel in the evening.

The show is sponsored by the 4-H Club Department of MSU's Cooperative Extension Service and the Detroit Junior Livestock Society. The society is a group of businessmen dedicated to promoting efficient livestock production among Michigan's young stockmen.

Shirley Ann Kuehn Weds Kenneth Ivan

Shirley Ann Kuehn, daughter of Mr. and Mrs. Howard A. Kuehn of Potterville became the bride of Kenneth Martin Ivan, Oct. 21, in a ceremony performed in the Potterville Methodist Church by the Rev. Thomas Peters.

The bride wore a Chantilly lace cage over a peau de sole dress in A-line style. Seed pearls were used to trim the gown with a full circular train.

Her elbow length double veil was secured in place by a large single rose of lace and chiffon outlined with seed pearls.

She carried a cascade arrangement of bronze pompons and yellow sweetheart roses.

Mrs. Harry Doerr, sister of the bride, was matron of honor, in a gold velvet A-line dress with cags of checkerboard lace over taffeta. A velvet rose trimmed with seed pearls held her shoulder length gold veil in place.

She carried a colonial bouquet of yellow pompons and greens.

Marie Peters of Milwaukee, Wis., Dianne and Dennise Ivan, sisters of the groom, were the bridesmaids, attired as the matron of honor, except that their gowns were sage green and they carried bronze pompons and greens.

Lawrence Ivan, cousin of the groom, served as best man and the guests were seated by Thomas Short, Ernest Becker and Warren Brown.

A reception was held in the multi-purpose room of the Potterville Elementary School.

The bride attended Michigan State University and the groom received his master's degree in crop science this year. He is affiliated with Delta Sigma Phi fraternity.

The rehearsal dinner was held in Charlotte.

The newly-married couple live at 7023 Lenawee County Line Rd., Britton.

You Told Us

Herald Women's Editor

Note to all grease monkeys and their Moms or wives, whichever the case may be: Cornstarch is a "wonder" stuff. How is it that we aren't hearing the properties and peculiarities of this product proclaimed far and wide? Probably because it already has a spot in most every kitchen cupboard, as well it should, when it can cure anything from the baby's diaper rash to a blob of grease on the carpeting, besides make an excellent pudding.

Son, Norm, our greasee-ee, never happier than underneath a "heap," imported this bit of valuable household information last week when I became just a bit perturbed about the steadily-blackening path from garage to kitchen in our house. First the cornstarch, then the vacuum. Whoopee!

Since then, I've found that the white powder also does an excellent job on those stuffed animals of the little folk that are not washable.

Welcome Wagon Session Highlights Wig Showings

Monthly meeting of the Tecumseh Welcome Wagon was held in the Social Room at St. Peter's Church on Oct. 17.

The hostesses for the evening were Mrs. Josephine Kaiser, Mrs. Iva Caswell and Mrs. Christa Anderson.

The program for the evening was presented by Marie Sanchez, of the Sh[illegible] Beauty Salon, assisted by Vicki Barker, manager of the Tecumseh Salon.

They gave a demonstration on the care and use of wigs, wiglets and falls.

The guests for the evening were Mrs. Ted Milliman, Misses Flora and Laura Smith, and Mrs. Gladys Rohweder.

The centerpiece was won by Mrs. Joseph Schneider.

The next meeting will be held Nov. 21 with Mrs. Judy Branstead. Mrs. Dorothy Criss and Mrs. Helen Lewis as hostesses.

Youths Tell About Trips

Reports of summer trips taken by eight Tecumseh youths provided the program for the meeting of the Business and Professional Women's Club, Monday at the Methodist Church.

Mrs. Merwyn Boltz introduced Kathy Beevers and Mary Burns, who told and showed slides of their trip to Mexico.

Cindy Lewis described her trip to Holland, France and Belgium, and Carol Kohler gave highlights of her visit to Sweden and Norway.

Mrs. Kenneth Merrick introduced Karen Brown, Judy Curtis, and Linda Baaske, who reported on Girls' State.

George Surratt reviewed his week at Boys' State.

The program was arranged by Mrs. Boltz and Mrs. Homer Colson. Mrs. Albert Todd presented the devotions.

Attending the dinner and meeting were 37 members and eight guests.

The hostesses were Mrs. Ben Hammack, Mrs. Earl Stuart, Marvel Steinhoff, Ruth Ruder, Mrs. O. M. Powell, Mrs. Ken Conway, and Mrs. James Artman.

The meeting of Nov. 27 will be a guest night and bazaar at the Methodist Church.

Macon WSCS Bazaar at Church Next Saturday

MACON — A good old-fashioned Country Store will be opened at noon Saturday by the women of the WSCS in the Macon Methodist Church.

Among the tasty treats offered for sale will be home-made fried cakes, bread, cakes and candy. There will be harvest produce and bazaar items. A fish pond will provide fun for youngsters.

A cafeteria supper will be served from 5 p.m., featuring chicken and biscuits, and ham, pies and cakes.

Senior Citizens Invited

Senior citizens from Tecumseh and throughout the Second Congressional District are invited by Congreshman Marvin L. Esch to participate in a forum to be held at Ann Arbor High School, Saturday afternoon, at 1:30.

Purpose of the gathering is to discuss and disseminate information on various federal, state and local programs of assistance to senior citizens. The Congressman will give particular emphasis to pending national legislation as well as to recent changes in social security passed by the U. S. House of Representatives.

Esch has also invited high administrators of senior citizen programs to the forum to explain the operation of their agencies and to answer questions on the details of specific programs. Topics covered will include social security, medicare, adult education, tax relief and housing.

"It's my hope that this meeting will be beneficial in at least two ways," Esch said. "First, it is an opportunity for individuals to learn more about the many government services and also to make criticisms and suggestions for improvement."

"Second, it will be an opportunity for those of us in government to learn how we might better attack the continuing problems of our older Americans."

Esch said that individual letters of invitation have been sent to some 1,000 members of senior citizens' clubs, but that the meeting is open to the public and all those interested are urged to attend.

Persons in need of transportation to the meeting should call the Congressman's district office in Ann Arbor, 665-0618, or in Monroe, 242-7580.

Esch Coming To Tecumseh

Congressman Marvin L. Esch has scheduled three stops in Lenawee County on Friday, including a sidewalk tour of Tecumseh.

During the lunch hour he will make a sidewalk tour of Blissfield with village president Arnold Glaser and Duane DeLoach, editor of the Blissfield Advance.

Purpose of the visit is to talk to as many of his constituents as possible, in a continuing effort to feel the pulse of his district on current national legislation.

He will hold office hours for all Lenawee County residents from 2:30 to 4 p.m. in the Adrian Chamber of Commerce office at 216 North Main Street.

Persons wishing to express opinions on national legislation or who are experiencing difficulties with government services or regulations are invited to meet personally with him during this period. No appointments are necessary and he will meet with all interested citizens to the extent that time permits.

Later in the afternoon, a sidewalk tour is planned for Tecumseh.

Halloween Party Planned Friday by Baptist Class

BRITTON — Adult Sunday School class of the Bethel Baptist Church will hold a Halloween party, Friday, at 7:30 p.m. at the church.

Members are requested to come in costume or face a penalty.

There will be a potluck dinner, and each is to bring a dish to pass.

Baptist Minister Is Participating at Dedication

BRITTON — "Secrets" will be the sermon subject at the Bethel Baptist Church morning worship service. This will be preceded with Sunday School at 10 a.m.

The topic for the 7:30 p.m. meeting will be "In The Pit." There are youth group, adult Bible study and little youth group meetings at 6:30.

Midweek prayer service is held every Wednesday at 7:30 p.m.

The Rev. Duane McNeil will participate in the dedication services Sunday afternoon at the new Faith Community Church on Sharon Hollow Rd., near Manchester.

Past Chief Club Meets, Plays Cards

TIPTON — Past Chiefs Club met recently at the home of Mrs. Dwight Service in Clinton.

Mrs. Berdell Dowling and Mrs. Roy Willnow were the co-hostesses Mrs Glenn Kemp received the mystery gift.

The Past Chiefs will fill chairs and provide program and refreshments at the November 4 Pythian meeting.

Euchre was played with Mrs. Grover Swarts winning high prize, and Mrs. Verle Miller winning low prize. The lone hand prize was won by Mrs. Vera Driffill.

The next meeting will be November 9.

Bee on Passenger's Chin Results in Auto Accident

Thomas L. Neill, 52, of 9555 Newburg Rd., momentarily distracted by a bee, which he was attempting to swat on a passenger's chin, was unable to stop before colliding with the rear of a car driven by Karen Y. Hendricks, 18, of 1997 E. Monroe Rd. Miss Hendricks had stopped for a left turn. The mishap occurred Sunday on M-50.

ACCIDENTS

Accidents in Tecumseh dropped last week with officers here investigating six, none involving personal injury.

Three drivers were cited for infractions.

A resume is:

Oct. 18 — Mrs. Carl Rumpf, 307 S. Union St., struck some loose power wires on N. Evans at the River Raisin bridge. Damage to car were minor.

Oct. 19 — Flora A. Betzoldt, 28, of 218 W. Chicago Blvd., backed into a parked car owned by Ronald J. Croll, 6530 Sutton Rr. The mishap occurred on S. Maiden Lane.

Oct. 19 — Bradley D. Brees, 17, of 400 Outer Dr., was cited for failure to yield right of way after making a turn in front of Patricia J. Spohr, 35, Britton, at the intersection of E. Chicago Blvd. and Maumee.

Oct. 20 — Arthur M. Carney, 49, of 322 N. Pearl, received two summons after an accident with Helen M. Jahn, Brooklyn. Carney turned off N. Maumee into Herrick Park Dr. and struck the parked Brooklyn vehicle. He was charged with failure to have his car under control and for not having a driver's license.

Oct. 20 — Dallas Knight, 17, of 501 Russell Rd., was cited for careless driving after he hit a water hole in Russell Rd., lost control of car, hitting a small tree, fire hydrant and some cement blocks.

Oct. 21 — Arnold L. Kleindienst, Adrian, reported his car damaged while parked behind the Eagles on S. Evans St. Other driver is unknown.

Choirs Join for Service

Observance of this year's 450th Anniversary of the Reformation is the first joint undertaking of the churches in the newly-formed Lutheran Council in the USA.

The Gloria Dei of Tecumseh, as one of the 17,000 Lutheran congregations, will emphasize the meaning of the modern reformation of the church, men and the society. Pastor, Dr. Laszlo Gero, cordially invites all Christians of the community to this Reformation festival, showing our attitude and thanks to God for His wonderful care, protection and love through Christ.

Two choirs will participate in the service. The Junior Choir's anthem is "Singing Alleluja."

The Chancel Choir's is "Built On A Rock." Both choirs will be conducted by Mrs. Earl Mason.

The festival services will start at 10:30 a.m.

"LIFE, NEW LIFE," is the theme chosen for the anniversary.

Dr. Malvin Lundeen of New York, general chairman of the observance, said, "To those outside the church, the theme is a call to the new life of fellowship with God through Jesus Christ. To those within the church, Lutheran and otherwise, "Life, New Life" calls to renewal and reform in personal community and ecclesiastical life".

This Sunday is designated as Reformation Sunday and marks the climax of the Anniversary year. Lutherans will gather in their local churches throughout America for festival worship and to be confronted with the challenge facing the Lutheran Church in the modern world.

At 3 p.m., church bells will ring out an invitation to the community for giving thanks to the Lord.

Dr. Lundeen urged intensification of dialogues to heal the breach of the 16th century, to seek better understanding with Roman Catholics and other Protestants on the basis of the Gospel of Christ.

The Lutheran Council in the USA was formed Jan. 1 of this year as the cooperative agency of four Lutheran bodies, comprising most of the 9,000,000 Lutherans in the nation.

The participating bodies are the Lutheran Church in America, the Lutheran Church - Missouri Synod of Evangelical Lutheran Churches.

The event commemorated is the posting of the 95 Theses on the door of the Castle Church in Wittenburg on October 31, 1517, by Dr. Martin Luther.

His purpose was not to divide the church, his concern was renewal. The theses were to be the subject of scholary discussion on certain abuses in the church. But the ensuing struggle resulted in what has been called "the tragic necessity of the Reformation."

Pointing out that Luther "related the eternal Gospel of Jesus Christ to the specific needs of men within the framework of the particular situation of his day," Dr. Lundeen said, "is worthy observance of the Reformation today would be to do for our time what Luther did for his."

He observed that man today is searching for life.

The American observance of the Reformation has a dual objective: to proclaim Jesus Christ the Lord of the Church and the Savior of men, and to present the Christian faith winsomely and persuasively as God's greatest provision for man's deepest needs, both present and eternal. To stir Christian people to greater faithfulness and devotion, helping them to realize anew the richness of their heritage and the greatness of the tasks to which God calls them in this day.

Card of Thanks

We wish to express our sincere thanks for the love and sympathy shown us at the death of our husband, father and grandfather: Pastor Herbert Nation and Pastor C. A. Bruch for their comforting words, Dr. Cook and the staff at Herrick Memorial Hospital, the ladies of the Tecumseh and Ridgeway Nazarene Churches, and friends and neighbors. Thanks to Niblack Funeral Home for handling the services, the pallbearers Ralph Smith, Alvah Meyers, Ernest Spohr, Foster Hardesty, Ely Deming and Myrle Lawhead.
The family of Austin A. Jeffers. 10-26p

We wish to express our deep appreciation for all the acts of kindness shown to us at the time of sorrow for our loved one, Dallas Henson. We would like to thank the Dunn Funeral Home; Rev. Paul Brantingham for his comforting words; the Irene Circle of the Tecumseh Methodist Church for the dinner they served; the Tecumseh V. F. W. for their military graveside service and all our friends for their kind words and deeds.
Mrs. Mamie Henson and family.

LET RUSS ALIGN THE FRONT END OF YOUR CAR

ASK ANY GOOD AUTOMOBILE MECHANIC ABOUT THE VALUE OF HAVING THE FRONT END OF YOUR AUTOMOBILE PROPERLY ALIGNED. ASK RUSS JOHNSTON. IT TAKES PRECISION EQUIPMENT TO DO THE JOB. JUST ASK RUSS. THEN ASK THIS 12-YEAR VETERAN OF SERVICING CARS ABOUT THE FRONT END ALIGNMENT EQUIPMENT AT SCHNEIDER'S. IT'S THE BEST. PERHAPS, YOUR CAR IS PROPERLY ALIGNED. THE BEST WAY IS CHECKING YOUR FRONT TIRES. ARE THEY WORN INSIDE OR OUTSIDE, INSTEAD OF WEARING SMOOTHLY? IF THEY ARE, YOUR BEST BET IS TO SEE RUSS AND HAVE THEM TAKEN CARE OF. YOU'LL SAVE MONEY WITH LONGER-LASTING TIRES — AND THE PLACE TO START IS SCHNEIDER'S!

GAA Elects New Officers

Tecumseh Junior High School GAA met Oct. 10 and elected new officers to serve with the president, Nancy Dustin, elected last spring.

The officers are:

Vice-president — Wendy Luce.
Secretary — Debbie Carpenter.
Treasurer — Mello Dee Ion.
Sports copy — Mary Jo Rosecrans.

Seventh grade representative — Ginny Ousterhout.

The girls also elected captains for the volleyball teams: Gail Kennedy, Wendy Luce, Janice Appel, Linda Knight, and Beth Wilbar.

The first project of the year will be a candy sale. The girls will be selling candy bars, and plan to use proceeds for their dads' banquet in January.

The eighth grade cheerleaders are: Debbie Carpenter, Mary Beth Deaner, Jodie Goller, Pam Jacoby, Gail Kennedy, Joan Lundahl, and alternate, Kathy Swartz.

The seventh grade cheerleaders are Susan Baaske, Beth Curtiss, Laurie Hohenstein, Laurie Lunquist, Dawn Sisson, Pam Steadley, and alternate, Cheryl Stalls.

Football Movies Are Shown at Exchange Club

Tecumseh Exchange Club members and guests listened to Tom Fagan give a very inspiring and informative talk about football in general, and the Tecumseh Indians in particular, Monday evening.

He had high praise for his boys, using Airport game movies to illustrate some game-winning plays.

During the month of November, the Club will be emphasizing activities leading to a greater respect and understanding for the Pledge of Allegiance to the Flag, and a wider and more meaningful observation of Thanksgiving Day as a religious holiday.

GOING — GOING — Auctioneer Paul Kohler, of Adrian, a Mennonite right out of the Pennsylvania Dutch country, will add his colorful line of patter to the Halloween Auction sponsored by the Tecumseh Jaycees, Saturday, Oct. 28, at Tecumseh Airport.

Junior Highs Like Ann Arbor Show

It was unanimously decided by the Presbyterian Junior Highs that "To Sir, With Love" should win the academy award for 1967. Twenty-four students and two guests were driven to Ann Arbor by parents, for the show.

Refreshments of Sloppy Joes, potato chips, doughnuts and cider were furnished by parents of the eighth graders and served upon their return to the fellowship center.

Special thanks goes to Mrs. Norman Robison, Mrs. Dwight Drake, Mrs. Roger Butler, Mrs. Fred Feight, Mrs. Lloyd Slagh and Dr. William Adams for driving, and Mrs. Thomas Jacoby and Mrs. Richard Dustin for serving refreshments and cleanup.

Frosh Trip Blissfield

Tecumseh freshmen picked up their third victory of the season as they downed the Blissfield Royals, 33-14, in a game played last Thursday in Tecumseh.

Dave Gurtzweiler opened the scoring for Tecumseh by taking a 47-yard pass from Craig Smith.

Tony Lisenbee put the game out of reach in the third quarter by scoring three times on runs of 61 and 52 yards, and taking a 9-yard pass from Smith. His final touchdown was set up with three consecutive Smith to Dave Kelley passes, good for 19, 17 and 23 yards.

Tackle Ken Humphres, fullback Frank Geisenhaver, and halfback Tony Lisenbee turned in fine two-way performances.

Linebacker Mike Sietz and Greg Burns did outstanding defensive jobs, while center Alex Gibson and guard Tom Merx stood out on offense.

Jayvees Clip GC 15 to 6

Tecumseh Jayvees, unbeaten as yet this season, swept by Gibralter Carlson last week, 15 to 6.

After a scoreless first quarter, Bob Dixon climaxed a long drive by scoring from the six-yard line. Dixon scored the extra point.

In the third quarter the Indians scored on a one-yard plunge by Gerald Girbach. Girbach, injured most of the year, was outstanding on both offense and defense.

Tecumseh scored again when their second defensive unit trapped Carlson's quarterback in the end zone for a safety. In the dying minutes of the game a Gibralter back broke away for a 60-yard TD.

According to Coaches Lawson and Fox, the offense was very spotty but the defense played very well. Jack Baker, Bill Gibson, Jim Curtiss, and Richard Roost played well up front, and Gerald Girbach and Bob Reed led the defensive secondary unit.

This week the Jayvees travel to Blissfield for a 7:00 o'clock game this Thursday evening.

Indians Jell

Tecumseh manhandled Airport Friday night, 28-0, and sent fans home wishing that the season was just starting. The Jets were completely outclassed and fortunate the score was not bigger.

If the Indians had played equally well in their four losses, they would be atop the Huron League standings and undefeated.

Airport was definitely flat against the Indians, and though it was homecoming for the Jets, they simply were not the team which battled Blissfield to scoreless tie the week before.

It would have made little difference, however, as the Indians rolled offensively and literally stopped Airport cold for almost three full quarters.

The Jets were blanked in first downs in the first half and up to two minutes to go in the third period. They also faced the embarrassment of minus yardage in rushing and passing.

An offensive show in the final quarter — quarterback Larry Swick connected on seven straight passes — gave the Jets some consolation.

Tecumseh opened the scoring in the first period, completing a 53-yard drive with Buddy Work running the last 10 yards. Jim Mobley bootlegged for the extra point.

In the second quarter, John Anderson capped a 70-yard march, taking a pitchout from Mobley and turning left end for the final 29 yards.

Just before the half, Mobley hit Work with a short pass to Airport's five, the play covering 29 yards. On the next play, Anderson cut through the Jets for his second TD.

Scoring was completed in the third stanza when the Indians moved 64 yards in nine plays. Anderson bucked over from the three for his 19th point of the game.

Work, who has given the Indians considerable dash in their offense, tallied the extra point.

Coach Tom Fagan cleared the bench in the final 12 minutes when the Jets tried to get on the scoreboard.

Once they reached Tecumseh's four, only to try an end sweep on fourth down and inches to go. It backfired with a seven-yard loss to the 11.

Jim Hunt nearly tallied for the Indians seconds later, when he broke into the clear for 23 yards to Tecumseh's 47. Earlier, Gary Fairbanks set up Anderson's last touchdown with a romp of 27 yards to Tecumseh's 19. Both Hunt and Fairbanks had just one man to beat for clear sailing.

Work and Anderson were work horses in the Tecumseh attack. Work carried 18 times for 112 yards for a six-plus average.

Anderson toted the ball 16 times for 109 yards, for nearly seven yards per carry.

While the Indian attack sparkled, so did the defense. Airport finished with 19 yards rushing, which includes a fourth-quarter run of 22 yards. The Jets were thrown for losses five times for a minus 34 yards.

Only in the final period with lots of new Tecumseh faces in the lineup did the Jets move, and then mostly on short passes over the center. Of Swick's 17 completions, 12 were for yardage of six yards or less, including three completions for minus yardage.

One small feature of the game which may have been overlooked by many fans was the tremendous rush of Randy Robinson on Tecumseh's kicking teams. Three times in the first half and twice in the second, he smacked the Airport received — but good.

Three times Airport's Swick was on the receiving end, and each time, getting up was a bit tougher.

Airport	0	0	0	0 — 0
Tecumseh	7	14	7	0 — 28

Halfback Buddy Work was Tecumseh's top ground gainer in the Indians' sparkling 28-0 win over Airport. He carried 18 times for 112 yards.

Mike Hill Misses Pro Golf Tour

Mike Hill failed again in his attempt to join the golf pro touring circuit last week in Florida.

The Tecumseh Country Club pro was well up in the ranks after the first few rounds, but faltered to drop a few strokes off the qualifying cut-off figure.

Golfers hoping to join the tour play five rounds under PGA supervision each fall in Florida with the top 30 qualifying for the tour.

Hill just missed last year in his first attempt.

Festival Is 'Far Away'

By KAY STEELE

Remember "Ye Olde Fall Festival" last November?

Well, the women of the Tecumseh Methodist Church are at it again. This time it is not "long ago" but "far away" as the festival follows a foreign theme.

"Continental Corner" is the name of the event to be held on Wednesday, November 8, from 10 a.m. to 8 p.m. at the [illegible] dist Church.

Mrs. William Norris and Mrs. Gerald Rendel are co-chairmen of the "Continental Corner."

Six countries of the world will be represented in six shops at the festival. Each shop will be decorated in the style of the country it represents, and women will be dressed in corresponding costumes. Many homemade articles of every variety will be for sale in the shops.

The Scandinavian Country Store will feature homemade baked goods and canned food as well as fresh fruits and vegetables. Mrs. Robert Cheers is the chairman.

Mrs. Robert Bristol is in charge of a gift shop which will be Dutch in theme. Candles, puzzles, centerpieces, and Christmas decorations are only a few of the items for sale.

The Needlecraft Shop is Japanese in theme, and Mrs. James Wheeler and her committee are hard at work to fill it with handsewn items, such as tote bags for pot luck suppers, aprons, and children's clothes.

The Swiss Candy Shop is where you can find the famous Jan Ocamb butter toffee, as well as hard candy and homemade peanut brittle. Mrs. Carl Hale is chairman.

From 11 a.m. to 3 p.m. a Sidewalk Cafe, following a French theme, will sell coffee, tea, cider, rolls and donuts. Mrs. Howard Kronberg is in charge.

Germany is the country represented in Mrs. Norman Jolliff's Toy Shop. Good used toys, games, books and children's records will be on sale in the shop.

The "Continental Corner" will also include a turkey dinner from 5 to 7 p.m. Tickets for the dinner are $1.75 for adults and $1.00 for children.

Tickets may be obtained from Mrs. Erwin Buss, ticket chairman.

Pvt. Albert Boyce Completes Course at Fort Eustis, Va.

Pvt. Albert C. Boyce, 20, son of Mr. and Mrs. Charles M. Boyce, Sr., 9410 Elton Hwy., Tipton, completed an airframe repair course at the Army Transportation School, Ft. Eustis, Va., Oct. 17.

During the 11-week course, he was trained in the maintenance and repair of sheet metal surfaces and plastic sections of Army aircraft.

His wife, Minga, lives [illegible] Route 1, Newburg, Rd.

OES Installs Officers

Tecumseh Chapter OES installed Mrs. Calvin Dixon, Jr., worthy matron, and James Tonneberger, worthy patron, at a semi-public service at the Masonic Temple, Saturday night.

Mrs. Rena Dawson, worthy matron of Deerfield; Mrs. Juanita Schilberg, worthy matron of Alamanda Chapter, Miami, Fla., and grand escort of the General Grand Chapter; Herman Green, worthy patron of Clinton; Mrs. Norman Frayer, second vice-president; Mrs. Sherman McRae, soloist; and Mrs. Henry Kempf, dri\ leader of the Lenawee-Monroe County Association were introduced and welcomed.

The installing officers, all past officers of the local chapter were:

Mrs. Robert Bonner, installing officer; LaVern Russell and Mrs. Henry Kempf, marshals; Mrs. Harry Beland, chaplain; Mrs. Glenn Driscoll, organist; and Mrs. McRae, soloist.

Other officers installed are:

Associate matron, Mrs. Charles Manley.

Associate patron, Mr. Charles Manley.

Secretary, Mrs. Donald LaBounty.

Treasurer, Henry Kempf.

Conductress, Mrs. Dean Moore.

Associate conductress, Mrs. Raymond Nichols.

Chaplain, Lawrence Hoagland.

Marshal, Mrs. Stanley Miller.

Organist, Mrs. Glenn Driscoll.

Ad. M — Mull.

Pvth. Sally Hunt.

Esther, Mrs. Melvin Ruettinger.

Martha, Cynthia Frayer.

Electa, Mrs. Harold Hicks.

Warder, Mrs. Lawrence Hoagland.

Sentinel, Harold Hicks.

American flag bearer, Stanley Miller.

Christian flag bearer, Dean Moore.

O. E. S. flag bearer, Raymond Nichols.

Soloist, Mrs. Sherman McRae.

As the worthy matron knelt at the altar, the soloist sang, "My Task", and then she was escorted to the East by her husband, Calvin, and presented an arm bouquet of red roses, a gift of the chapter.

The worthy patron was escorted to the East by his wife, Marjorie.

The new worthy matron, Mrs. Dixon, gave a lovely acceptance speech, explaining her theme, faith and prayer; symbol, praying hands; colors, red and white; and flower, rose.

Mrs. Harry Curry of Encino, Calif., and mother of Mrs. Dixon, presented her with an ebony gavel from a friend, the late Mrs. Maude Bailey, past grand matron of California.

Mrs. Stanley Miller was welcomed into the Past Matrons Club as the past matrons presented "Wheels of Fraternity." Mrs. Miller received a large wheel and an arm bouquet of white chrysanthemums, as the past matrons made a chain of friendship.

Announcement was made of installations at Blissfield, Oct. 24, and Deerfield, Oct. 28. Tecumseh officers will practice Monday at 7:30 p.m.

Refreshments were served in the dining room from a buffet table beautifully decorated with a red and white centerpiece and candles on either side.

Mrs. Melvin Ruettinger and Mrs. Henry Kempf poured. The refreshment committee was Mr. and Mrs. Robert Hunt and Mrs. Hamilton Moore.

As a surprise for Mrs. Dixon, the officers, installing officers, and their wives and husbands, were invited to the Country House by Mr. and Mrs. Al Sweitt and Mr. and Mrs. James Brown for a beautifully-decorated cake, punch and coffee.

MRS. CALVIN DIXON, JR.

Clare Griffins Visit Son

BRITTON — Mr. and Mrs. Clare Griffin and daughters, Janie and Cindy, left last Wednesday for Fort Leonard Wood, Mo., where they visited their son and brother, Pvt. Clark Griffin.

Thursday morning they attended ceremonies as Clark graduated from basic training.

He has since moved to Fort Devens, Mass., where he will take a 13-week course at the radio code school.

It was really a whirlwind trip for the Griffin family, as the daughters, both cheerleaders, wanted to be back in Britton in time for the "Dad's Night" ceremonies at the football game.

They made it back with five minutes to spare!

In fact, Mrs. Griffin related, their son, Clark, reached Massachusetts before they reached Britton.

Methodists To Canvass

"A Time For Decision" is the theme of the every member canvass being held this Sunday by the Tecumseh Methodist Church.

During this week members of the congregation received a printed brochure of the church program for the 1968 year, explaining the needs in the various areas of the church and asking each member to prayerfully consider his giving, according to the expanding program.

Members of the every member canvass committee, with Gene Tuckey as chairman, will be dedicated during the morning worship service. Sparking the annual visitation will be the morning address, "To Be or Not to Be," by the Rev. Donald Porteous.

Beginning at 2 p.m. the teams will receive orientation in the church fellowship hall, followed by the member-by-member calling.

Heading these teams will be Carl Hale, Mrs. Carlos Jones, Robert Younglove, Harry Stanifer, Richard Myers, Mrs. Robert Bonner.

Mrs. Harold Ocamb, Merlyn Downing, Mrs. Paul Hadsell, Mrs. Harry Farley, Mrs. Lenore West, Mr. and Mrs. James Records, Howard Kronberg, and Charles McLoughlin.

Ten Color Tour Guides Available

Ten fall color tours in the area are described in a new tour folder available free by writing Southeast Michigan Tourist Association, 1404 Broderick Tower, Detroit, Michigan, 48226, or calling 313 961-270.

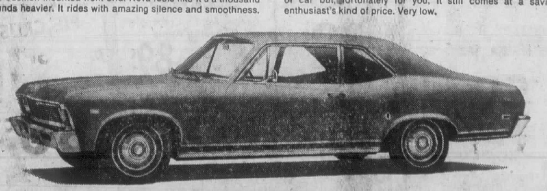
You get your economy now under Nova's new swept-back roof. You get your engine dependability under Nova's new long hood. You get your rust prevention beneath Nova's new rounded fenders and larger body.

SUPERLATIVE RIDE
You get the smoothest in handling, too. The wheel stance is wider, the rear suspension has been redesigned, and there is a new cushion-mounted front end. Nova feels like it's a thousand pounds heavier. It rides with amazing silence and smoothness.

NEW ALL OVER
The grille is new. The interior is new. (There's even a special custom interior you can order, the likes of which no economy car has ever offered before.) The standard V8 is bigger, more powerful. So is the standard Six with its new Monojet carburetor that contributes to greater efficiency, economy and performance. There are many new safety features, including energy-absorbing front seat backs to go along with the proved GM-developed energy-absorbing steering column. And when you equip a Nova with the SS package, you look out over a special hood and black accented grille, housing a 350-cubic-inch Turbo-Fire V8.

Front to back, Chevy II Nova's now a driving enthusiast's kind of car but, fortunately for you, it still comes at a saving enthusiast's kind of price. Very low.



For so little: $2261.00

Manufacturer's suggested retail price for standard Six Chevy II Nova Coupe shown above includes Federal Excise Tax, suggested dealer delivery and handling charges. Model shown above equipped at additional cost with Custom Exterior $84.30, White Walls $31.35, Wheel Covers $21.10. Transportation charges, accessories, optional equipment, state and local taxes additional.

ENJOY CONFERENCE — Ten Britton Horizon Club members attended the regional conference last week in Grand Rapids. They were Barbara Mastie, Sue Ann McWilliams, Elizabeth Studnick. Middle, Rita Vershum, Becky Maschino, Connie Irwin. Top, Marilyn Heiden, Linda Seagert, Ronda Cheever and Nancy Pilbeam.

Horizon Girls at Club Session

BRITTON — Ten Horizon Club girls and their advisors, Mrs. Russell Pilbeam and Mrs. Raymond Seagert, attended the Region 11 Horizon Club Conference in Grand Rapids October, Friday through Sunday, at the Pantlind Hotel.

Five hundred and fifty girls from seven states were at the conference. Region 11 encompasses Illinois, Indiana, Kentucky, Michigan, Ohio, Wisconsin and West Virginia.

The theme for the conference was "Teens Around the World." The girls and their advisors meet to exchange ideas and thoughts of their own clubs with girls of other clubs. They all enjoyed the speakers, music and entertainment.

The meetings began with a roll call of councils, with a girl from each council presenting a handmade flag representing one of the United Nations. These were placed in a frame which had a large globe in the center.

Saturday morning, the girls attended different workshops on home economics or business.

The noon luncheon was in the hotel ballroom with a style show of what teens are wearing this year. The speaker was Rt. Rev. Msgr. Hugh Beahan, and the theme, "Pattern for Living."

Saturday evening they were treated to a banquet. Two exchange students were on the program, one from Germany and one from the Philippine Islands.

Each evening there was dancing and singing planned, but all had to be in their rooms and quiet by 11:30 p.m.

"But I don't think they went to sleep then, however, by the sleepy heads we had on the way home," stated one of the advisors.

The closing ceremony was held Sunday morning, featuring lighting of candles at breakfast. The speaker was an exchange student from Ann Arbor who had been to Czechoslovakia for the summer.

"The girls had a really nice time and brought back many memories and souvenirs of the weekend. This was the first trip to a big hotel for many of them, so they were really excited about it. It was good for them to get together with Horizon Club girls from many other states," thus felt Mrs. Pilbeam.

Girls who attended were Ronda Cheever, Connie Irwin, Marilyn Heiden, Barbara Mastie, Sue-Ann McWilliams, Becky Maschino, Nancy Pilbeam, Elizabeth Studnick and Rita Vershum.

Hosting Regional Meet

BRITTON — The local chapter of the Future Homemakers of America will host the F.H.A. Regional Meeting this Saturday at Britton-Macon High School.

Over 500 F.H.A. girls, along with their advisors and about 25 mothers, will be in attendance at the all-day session. F.H.A. chapters from the four-county region, which includes Lenawee, Monroe, Jackson and Washtenaw counties, will be represented.

The theme for this meeting is "Morals and Manners Matter."

The main speaker will be Dr. Lloyd of Eastern Michigan University. She is a teacher in family relations classes.

State F.H.A. advisor Mrs. Thelma Graper will also be present.

This is the first time Britton-Macon High School has hosted the regional meeting. Two local girls, Judy Kotlarczyk and Ronda Cheever, are running for regional offices.

The girls will hold group discussions relating to the central theme, have lunch, and hold a business meeting during the remaining time.

There are about 50 members in the local chapter, which is open to high school girls who have completed at least one year of home economics.

Mrs. Berry is their advisor.

Register Now for Scholarship

Tecumseh [illegible] dents, who expect to complete their secondary school requirements and to enter college in 1969, can register now in the guidance office to participate in the 1968-69 National Merit Scholarship Program.

The first step for all students who wish to enter the nationwide competition is to take the National Merit Scholarship Qualifying Test.

The test will be given in the high school at 9:00 a.m., Saturday, February 24, 1968. The students must be registered in the guidance office to take the test.

Registration is open now but will not continue indefinitely. Participating students fee is $1 for this test.

When NMSQT scores are reported, each participating student will receive a handbook to help him evaluate his scores, compare his performance with that of other high school students across the country, and give him information on choosing a college and financing his education.

The handbook and other interpretive materials are furnished as a part of reporting the test results.

The highest-scoring students in each state will be named semi-finalists and will be eligible for [illegible] Schols.' consideration.

In addition to the National Merit Scholarships financed by NMSC, more than 350 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations, and individuals offer an even greater amount of aid in scholarships through the Merit Program and using NMSQT scores as a determining factor.

About 15,800 students have won Merit Scholarships in the 12 merit programs to date. Some 2,450 Merit Scholarships were awarded in 1967.

Tecumseh had two students this year receive letters of commendation from National Merit. This is a level just below semi-finalist.

Ladies' Guild Plan Fall Bazaar, Supper

BRITTON—The Ladies' Guild of Emmanuel Lutheran Church met recently to complete their plans for the Annual Fall Bazaar and supper to be held at the church November 4, from 5:30 to 7 p.m.

The ladies planned a cafeteria supper, which will include a complete hot meal, or sandwiches, if desired.

The bazaar will feature baked goods, candy, Christmas decorations and gifts, and other handiwork. Free movies will be shown to the children. The public is invited.

The proceeds of the bazaar will go to support missions.

Mr. and Mrs. Lewis H. Smith of Columbus, O., were weekend guests of their daughter and family, Mr. and Mrs. Paul Hover.

Mr. and Mrs. Edward Furlong of Ypsilanti, Mr. and Mrs. Richard Moore of Grass Lake, Mr. and Mrs. Donald Moore and son, Rodney, of Tecumseh, Mr. and Mrs. Dean Moore and family.

Mr. and Mrs. Hamilton F. Moore were Mr. and Mrs. Howard Furry and Mrs. Ray Dollison.

OUTDOORS with GORDIE

by GORDON CHARLES

Somebody should tell hunters to go to blazes!

If somebody did — and hunters paid attention — it could mean the saving of some lives in the woods.

Blazes, of course, are those fluorescent or "fire" colors that stand out so well from a natural background. If all hunters went to these blaze colors in their hunting clothing, it would mean the saving of a number of human lives each hunting season.

Most deer hunters know it isn't safe to run around the woods during the deer season unless contrasting clothing is worn. For years, the old traditional red-and-black plaid wool outfit was eccented by most deer hunters as the safest thing to wear in the woods.

Finally, though, somebody got to wondering about this and a series of scientific tests were set up. Massachusetts ran off some sight tests a few years back in which Army personnel took part. Flash targets were set up and soldiers were told to shoot at any which they thought looked like the south end of a deer headed north.

Results were really startling. Some of the soldiers were experienced deer hunters, yet they joined the others in peppering holes in targets a long way removed from white. White targets caught the heaviest barrage, of course, but various shades of blue, green, yellow and red also drew rifle fire during the four seconds each hidden target popped into view.

Blaze orange turned out to be the safest color of all. Even men with degrees of color blindness held their fire when blaze orange showed up on a target. Next safest color was neon red but even this was shot at by some soldiers who lacked normal color vision. Yellows in all shades were frequently mistaken for a flash of white and drew rifle fire.

Other tests, made at Harvard, showed conclusively that some hunters who are very determined to kill a deer are able to make a deer out of a hunter though what is known as the "early blur" phenomena. Blaze orange, however, has the latent power to break up this strange mental process by literally shouting "man-made".

Wearing blaze orange garb during deer season is not enough, though, since hunters have accidents in other seasons, too. Every year hunters are mistaken for squirrels, woodchucks, porcupines, turkeys or what have you. The reason — their clothing makes them look like something else. Or, maybe they just blend in so well with a woodland background that the other hunter never sees them in the first place.

A blaze orange hat or vest could have saved the life of many a hunting accident victim and the wearing of this color will do nothing to impair the hunters chances of bagging game. Most wildlife, including deer, are absolutely color blind.

We want to keep all of you as readers of this column and would hate to lose a one of you. That's why we're telling all you hunters to go to blazes!

NOTICE OF HEARING

A hearing on the proposed amendment to the Township Zoning Ordinance as recommended by the Township Zoning Board will be held at the office of the Township Supervisor at 2485 East Monroe Road in the Township of Tecumseh, Lenawee County, Michigan, on Tuesday, the 14th day of November, A. D. 1967, at 8:00 o'clock in the evening of said day, at which time all property owners may appear and be heard.

The plan of the proposed changes may be inspected during normal business hours at the office of the Township Clerk at 2485 East Monroe Road, Tecumseh, Michigan.

The proposed change contemplates re-zoning (from residence to commercial) land fronting on Occidental Highway, being a part of the East Half of the Southeast Quarter of Section 29, described as:

Beginning on the East line of said Section 996.62 feet North 0°32' East from the Southeast corner of said section; thence North 0° 32' East 1223.68 feet; thence North 89° 23' West to the line of said East Half of the Southeast Quarter 1327.77 feet, thence South 0° 30' West along the West line 1253.79 feet; thence North 89° 20' East, 1327.77 feet to the place of beginning. Containing 37.75 acres, except the East 300 feet thereof heretofore detached from the Township and annexed to the City of Tecumseh.

Dated: October 20, 1967 A. D.

Through My Window

LOG BY THE DUNCANS, SEPTEMBER '27 — PART III

In every vacation there comes that day when the car must be turned around and, instead of driving away from, it points back towards home. That day always comes unbelievably fast, too, doesn't it? After having had such a marvelous time in Colorado with the Marshes and their rugged Rocky Mountains, we found it rather difficult to face the last half of our holidays.

But on the other hand, we were looking forward to the return trip home. The original plans had been changed, we were not going to follow the direct route home but were instead going to retrace our trip out.

Who knows, perhaps we could get some sunshine in the Black Hills and the fall colors in the Upper Peninsula should be spectacular.

The sun shone brightly and the temperature was comfortably warm as we left Colorado and headed North into Wyoming. This was the one variation we were making in our retracing, we were cutting across Wyoming instead of Nebraska.

Always the enormous fields and huge herds of cattle are impressive. Real cowboy country. The area around Lusk afforded some unexpected animal excitement. Pronghorn antelope. These beautiful speedsters were everywhere. Singly, in pairs, but most often in a small flock of one or two bucks with as many does as possible, the antelope seemed to be grazing in every valley we passed. It was impossible to keep count, there were just to many. What a thrill!

★

THE NEXT day was again sunny and our hopes were high for some good picture-taking in the Black Hills. Wind Cave National Park came first, though — another interesting stop to watch the little prairie dogs cavort and the pronghorn antelope were also very much in evidence.

One time we watched seven of them playing, chasing back and forth and around and around they ran at a blinding speed. The white facial stripes were not so noticeable with the animals bounding around but their white funny patches certainly showed up well.

Buffalo — well, we came around a curve and there, off to the left, was the biggest herd of buffalo you can imagine. We were absolutely amazed and, of course, being fully protected in the park, the animals showed no fear. Grazing along the roadside, they completely ignored the traffic jam they were creating.

The buffalo showed no concern for the people but we kept thinking about many signs warning that 'buffalo are dangerous, please stay in your cars'.

Apparently the Needles Highway and much of the Black Hills just weren't for the Duncans to photograph this year. Actually, we spent so much time in Wind Cave National Park that there was none left for the scenic highway.

Oh, well, always nice to have something left for next year. Rain, wind and cold caught up with us again in North Dakota.

Even a new set of windshield wiper blades could not keep the visibility good. And late in the afternoon, when the rain finally let up a bit, we ran into a hatching of big, juicy bugs. Within 25 miles Dad cleaned the windshield three times and it is better not to even think about how the front of the car looked.

IN MINNESOTA there was more miserable weather, typical fall rains. They were steady and hard and cold — by the time we reached Michigan, they turned to scattered snow flurries. That seemed to be starting the winter a trifle early.

But back to rainy Minnesota, the fall colors were coming on tantalizingly well and the reds were so pretty. Fall color in the west consists mainly of the yellows, it seemed good to be back with the crimsons and scarlets and reds and bronzes, even the browns and greens added. Oh how frustrating, though, to have so much fall loveliness but not enough light to make picture-taking worthwhile.

Our own Upper Peninsula looked good even through the rain and snow. The color was spotty, some sections were brilliant, but next door would be either green or bare.

We took a short side trip up to the Seney Wildlife Refuge, but were disappointed to find that the Canada geese were not yet there. When the main flight is "in", this Refuge is a spectacular place.

★

THE LAST big stop of the trip was Bellaire. "Aunty and Rog had planned a day of sightseeing. They had planned a long drive through the hilly country around Torch and Intermediate Lakes. We did it even though the rain poured down — it was fun anyway.

Saturday we packed Gram into the car and headed home. It was a dark and gloomy day and just to wind up things with a grand flourish, in East Lansing we found ourselves right smack in the midst of the football traffic.

Stop and go, stop and go, but we finally made it — the trip had been marvelous, but as we say every year, one of the very best things about going away is coming back home. After three weeks away, Tecumseh and home looked great!

Bursley Prepares Bill To Remove Tax-Exempt Status

Expressing "shock at reports that some clergymen have been offering their churches and synagogues as a sanctuary for draft dodgers," Sen. Gilbert A. Bursley says he is preparing a bill to remove the tax-exempt status from institutions "knowingly participating" in such a movement.

Sen. Bursley, Republican from Ann Arbor and assistant president pro tem of the Senate, said, "I have been shocked at reports that some clergymen have been offering their churches and synagogues as sanctuary for draft dodgers and the the government would have to raid the churches to arrest any protestors inside."

He has requested preparation of a bill to remove the tax-exempt status from any institutions knowingly participating in a movement to offer a sanctuary to persons trying to avoid their legal obligation for military service.

The statute would be applicable to any type of institution with tax-exempt status, whether it be religious, educational, charitable or health-related.

Extension Lesson Is on Windows

Groups or leaders may gather information and ideas on different ways to treat windows, old or new, at a meeting Nov. 1 at the Michigan Producers Dairy, 1336 E. Maumee St., Adrian.

The lesson will be in two parts to cover the topic in more depth. The times are 1 to 3 p.m. and 7:30 to 9:30 p.m.

Helen Fairman, extension home economist, will give the lesson.

Workshop Slated at Siena Heights

Siena Heights College will conduct a workshop Saturday for elementary school teachers, administrators, and parents from 9 a.m. to 4 p.m., in Sacred Heart Hall. It will feature creative story telling, acting art, and music activities, using children from ages six to twelve in demonstrations.

Creative teachers from different areas of the country will demonstrate the techniques studied in creative dramatics.

Registrations may be placed with Sister Rose Terrence of the speech and drama department of the college. The fee will be $1.00 and each registrant is asked to bring a box lunch.

Lunch hour will be a discussion period on "exchange of creative ideas."

Drivers Escape Injuries in Mishap

CLINTON—Richard L. Brown, 21, of 515 Nokomis St., was driving into a parking lot on US-12, east of the River Raisin bridge in Clinton, Sunday afternoon, when his car was struck in the rear by a car driven by Frederick Schwartz, 63, of 302 Edgar St., Clinton.

Minor damage resulted, and there were no injuries.

"Westward Ho"

October meeting of Cub Pack No. 73 was held at the Presbyterian Fellowship Center last Tuesday.

The meeting opened with the presentation of flags under the direction of Cubmaster George Harrold.

Theme for the month is "Westward Ho" and was demonstrated by a parade of cowboys, Indians, and covered wagons. All boys were in costume, and some had made and carried his own handmade gun or rifle. Several boys had converted their coaster wagons into covered wagons.

All the "Westerners" sat around a "campfire" during the meeting. Also on display tables were other western models and handicraft.

Mr. Russell Johnston, awards chairman, made the following awards:

Mark Deming, two silver arrows under Wolf.

Danny Harrold, Bear and gold arrow.

Mark Keller, Wolf and gold arrow.

David Schroeder, Lion.

Joe Murphy, Wolf and gold arrow.

Martin Harper, Bear and gold arrow.

Greg Downard, Bear.

Eleven new Cub Scouts joined the Pack in an induction ceremony, conducted by the Cubmaster, Committee Chairman and Denmothers.

Those inducted were Kevin Burchett, Douglas Chase, Tim Furgason, Mark Hoffman, Mike Johnstone, Mike Keller, Mike Matzinger, Randy Meadows, Bruce Morley, and Melvin Yoder.

Wendell Disbrow, District Scout Commissioner, presented Pack committee chairman Francis Packard with the Summertime Award, announcing as he did so, that Pack 73 was one of only three or four units in the entire Lenape District to qualify for this award.

It requires a monthly event with 50 percent or more of Cubs in attendance.

Mr. Disbrow also talked to the parents about the new Cub Scout program and its joint parent-cub participation.

George Brady, Neighborhood Commissioner, was also present and spoke briefly.

Future meetings will be Pack Committee Meeting on Nov. 14; Pack Meeting, Nov. 21; jointly at Fellowship Center at 7:30; and Cub Scout Roundtable, Nov. 2, at 7:30, at Michigan Producers' Dairy, Adrian.

Boys, eight years old or in the third grade, wishing to become Cub Scouts should see Mrs. Packard at the Scout Cabin, Mondays at 4 p.m., or call George Harrold, 423-7187.

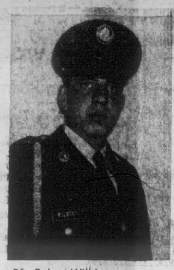
Bluebirds Attend Mother-Daughter Tea at Britton

The Macon-Ridgeway Bluebirds attended a mother and daughter tea at the Britton School. Each mother was given a Hawaiian lei on arrival, and the Hawaiian theme was carried out with table decorations of palm tree place cards and hula dolls. New members of the troop are Maureen Galindo, Jill Greenfield, Judy Comstock, Patti Purple, and Loretta Pickford.

Other members of the troop are Sherry Hover, Margaret Moore, Denis Mueller, Kathy Conway, Judy Thomas, and Vicki Cook.

All of the girls mothers were in attendance.



Pfc. Robert Wilkins was promoted September 27 to Specialist 4. He is the son of Mr. and Mrs. Kenneth Wilkins, 215 W. Logan St. Sp/4 Wilkins entered the army Oct. 20, 1966, and is stationed at Fort Carson, Colo. He and his wife, Joyce, live at nearby Manitou Springs, Colo.

Service Club To Benefit Needy Child

Mittens for every needy child in Tecumseh School District for Christmas is the goal of the Tecumseh Service Club.

Plans for the project were made at a meeting last Wednesday, at the home of Mrs. Charles Irelan.

The Service Club would also like to supply a new dress for every needy girl in the same area.

Local organizations may participate, and the Service Club will supply the required materials such as patterns, yard goods, yarn and needles to any group that would like to help.

Anyone interested may contact Mrs. Charles Irelan 423-3087, Mrs. Albert Caesar 423-4228, or Mrs. Robert Cheers 423-4158.

The new officers recently elected are:

President — Mrs. Irelan
Vice-president — Mrs. Caesar
Treasurer — Mrs. P. G. Colgrove

Thanksgiving baskets will be assembled and delivered from the Community Center on Nov. 21.

Any local group that would like to donate a basket of food, clothing, toys, or gifts for the elderly is asked to contact one of the above names.

College Players Begin New Season with 'The Visit'

Adrian College Players' production of "The Visit," a modern tragi-comedy by Swiss playwright Friedrich Duerrenmatt, opens this Thursday, Oct. 26, and plays through Saturday in Dawson Auditorium.

"The Visit," which won the New York Drama Critics' Award as the best foreign play of 1958-59, is a chilling melodramatic version of a theme that Mark Twain developed in his story, "The Man Who Corrupted Hadleyburg."

In this case it is a woman who calculatedly buys the honor of a whole town.

The town is an impoverished little whistlestop called Gullen, "somewhere in Europe." A harsh, domineering millionairess returns to this town that had expelled her in disgrace 35 years earlier, intent on a ghastly revenge. She wants the life of the impecunious grocer, who, when they were both young, jilted her, and denied being the father of her child, in order to make what seemed at the time a more advantageous marriage.

She returns and offers to the town the money which will put it back on its feet — on the simple condition that the townspeople will kill the now-aging grocer for her.

Joe Balsanek and Kathy Spacht, both senior speech majors, head the 40-member cast as the grocer and the vengeance-bent visitor.

Advance reservations may be secured by calling the Dawson Auditorium box office, 265-5161, extension 227.

Will Speak Here to WSCS Wednesday

Herbert N. Heuman of Jackson will be the speaker at next Wednesday's meeting of the Woman's Society of Christian Service of the Methodist Church.

Mr. Heuman's address is "Judaism and Christianity — The Reasons to Reason Together."

He will discuss the points of agreement between the two religions in the past, present, and in the future. Mr. Heuman, his father, and grandfather have made participation in activities at Temple Beth Israel in Jackson a family tradition.

He is a 1926 graduate of Michigan and was graduated from Wayne University Law School in 1929. He has since been in law practice in Jackson.

Mr. Heuman has been the Jackson County Friend of the Court since 1955.

Club Holds Workshop

For the program last Tuesday evening at the home of Mrs. William Adams, 501 Nokomis, the Little Garden Club of Tecumseh held a workshop on dried materials.

Following the workshop the Horticulture Therapy Committee used the arrangements and materials for a therapy session at the Herrick Nursing Home.

In the absence of the president, Mrs. Owen Merrill, vice president, presided at the meeting. She gave a report on the state meeting held at Ann Arbor in September.

Another workshop was to be held Wednesday at the home of Mrs. Carleton Cook. Members will be making arrangements for the Presbyterian Church fair.

It was announced by the Christmas Show committee that the Club will be applying for the Holly and Ivy Award.

Mrs. Earl Mason passed out tickets for the show and are now on sale from any garden club member. Prices are a donation of $1.25 advance, and $1.50 at the door.

Assisting Mrs. Adams for the evening were Mrs. Stanley Cook and Mrs. Jerry Eggleston.

To give everyone a preview of the "Bells of Yuletide" Christmas show a resume of the displays at the Gloria Dei Church was presented. In the following weeks the four homes of the garden club members will be presented.

First stop on the tour is the Gloria Dei Church and presented there will be:

► Conjure Up A Tree—a decorated tree not to exceed 24 inches.

► This Is For The Birds — useable bird feeders.

► Christmas Gifts From Nature—arrangements using dried painted, or treated material.

► Miniatures — Five inches or smaller.

There also will be many more interesting decorations, and the members will also display their horticulture exhibits grown at home.

Next week the Early American home of the Charles Gross family will be detailed.

we care

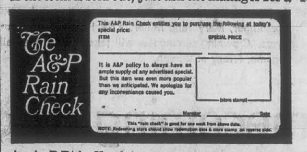
A&P

we never "run out" on a sale!

We never advertise a special sale item unless we have an ample supply. Once in a great while, the special is more popular than we imagined. So occasionally, we do run out of the item.

But we never "run out" on a sale.

If the item is sold out, just ask the manager for a "RAIN CHECK".



An A&P Rain Check is a certificate that entitles you to buy the item at the same special price, the following week.

We think that's the fair thing to do. We think that shows "WE CARE"

Not every store can care that much. A&P can...and does. Shouldn't A&P be your store?

Dedication Sunday

CLINTON — Dedication service will be held Sunday at the new Faith Community Church on Sharon Hollow Rd., northwest of Clinton, at 3 p.m.

The idea for the church originated at a prayer meeting last March at the home of Mr. and Mrs. Charles Carlton, Sr., of Manchester.

Sixteen Manchester and Clinton area families organized the church on March 26, in the Sharon Town Hall, Manchester, where services have been held until the new church was built this summer.

The church is interdenominational and not affiliated with any other churches. The Rev. Thomas E. Hicks of Manchester is the pastor.

Four acres were purchased from the Willis Hassett farm on Sharon Hollow Rd., and the ground-breaking was June 4, with construction starting on June 17.

The first worship service was held in the new church building on Sunday, Sept. 3.

William Miller of Britton was the contractor for the $67,000 building. The 48 x 72-foot contemporary-styled building of variegated tan brick is accented with several colored glass windows of varied hue.

The sanctuary seats 160 persons on oak pews. Walls are paneled in light fruitwood with recessed lighting. Sanctuary also is carpeted throughout in avocado green.

The unusual lighting effect is an unique feature of the large walnut cross, which graces the hostistry.

The hillside site permitted full length windows in the north side of the lower floor, where the fellowship hall and dining room are located. A kitchen is equipped with dark fruitwood cabinets and range.

There is room for five classrooms, which are to be completed later.

Dr. Homer Kent, vice-president of Grace Theological Seminary, Winona Lake, Ind., will give the dedication sermon.

Also participating in the service will be the Rev. Richard McNeil, of the Britton Baptist Church, and the Rev. Page Cranston of the Gilead Baptist Church of Manchester.

Area residents who are among the charter members of the new congregation are: Mr. and Mrs. Richard Beck, Mr. and Mrs. Harold Fisk, Marjorie Fisk, Mr. and Mrs. James Brown, Karen Scoviac, Mr. and Mrs. Lyle Moore, and Brenda Handy, all of Clinton, and Mr. and Mrs. Kenneth Sipes of Onsted.

Regular Sunday morning services are held at 10 a.m. with Church School at 10:15 a.m. Sunday evening there is a Young Peoples' service at 7 p.m., and an adult service at 8 p.m.

Mid-week prayer services are held Thursdays at 8 p.m.

4-H Awards Are Presented

CLINTON — An unusually busy week began Saturday for members of the N. Franklin Hustlers 4-H Club, with the local club's achievement program, at the Tipton Grange hall.

James Woodward was named top 4-H member for his work and project records.

John Vincent and Jane Woodward received awards for the most improved club work. Each member received an achievement certificate and year pin.

Toastmaster James Woodward introduced Candace Griewahn, a member of the Kitty Hawks 4-H Club, Adrian. She described her trip to Washington, D. C., where she attended the Citizens Short Course.

Mr. and Mrs. Roger Williams served refreshments.

Monday evening the junior leaders, parent advisors, and leaders Mrs. Claude Creger and Mrs. Thomas Adams, met at the home of Patti Aebersold to draw up a slate of officers for 1967-68.

Kathy and Charles Munger hosted a special meeting of the Hustlers Tuesday evening, for a session with Tom Voquang, a 4-T director for the government of Vietnam. He is here to observe the work of the 4-H Clubs in the United States. The 4-T Club is a similar club for young people in Vietnam.

William Walters, county 4-H agent from Adrian, and many new members were present.

New officers elected are:

President — Barbara Vincent.
Vice-president—Greg Williams.
Secretary — Joyce Ri[illegible]on.
Corresponding secretary—Jane Woodward.
Treasurer — John Vincent.
Reporter — Sherie Richardson.
Photographer — Judy Wilson.

Club members and their mothers were asked to assist with the annual horse sale at the Lenawee Fairgrounds, Friday and Saturday.

Crop project members will exhibit at the fall 4-H Crop Show, Saturday at 6 p.m., at the fairgrounds.

OES Installs New Officers

CLINTON — Mrs. Homer Larrabee, worthy matron, and Herman Green, worthy patron, were among officers installed at a semi-public service last Saturday in the chapter room of the Golden Rod, OES.

Other officers installed were: Mrs. Norman Campbell, associate matron; William Stout, associate patron; Mrs. Roscoe Parker, secretary.

Mrs. F[illegible] conductress; Mrs. Herman Green, associate conductress; Mrs. Jack Hathaway, chaplain; Mrs. George Jones, marshal; and Mrs. Delmar Manchester, organist.

Appointed to stations were:

Cheryl Stout, Adah; Mrs. Harlon Ruhl, Esther; Mrs. William Stout, Martha; Mrs. Delbert Tallman, Sr., Electa; and Mrs. Lillian Burnside, warden.

Delbert Tallman, Jr., sentinel, and Mrs. Delbert Tallman, Jr., Ruth, are to be installed at a later meeting.

The installing officers were Charles Nye, officer, of E. Lansing; Mrs. Nye, marshal, E. Lansing; Gerry Colvin, chaplain, E. Lansing; Mrs. Arthur Schuler, secretary, Clinton; and Mrs. Wilma Kapnick, organist, of Palmyra.

Refreshments were served by Mrs. Harold Kiebler, Mrs. Ina Bashem and Judy Robison.

Jaycees Supervise Halloween Party

CLINTON — Clinton Jaycees will supervise the annual Community Halloween party next Tuesday at the Smith-Kimball Community Center.

Judging of costumes will be promptly at 7 p.m. There will be prizes for a boy and girl in the following categories: youngest, worst, best, and most original.

There will be cider and doughnuts served to everyone.

QUEENLY ENSEMBLE — Clinton's Homecoming Queen Candidates and members of the Court are (front), Janice Heimerdinger, Mary Jane Miller, Kris Humble; top, Ruth McKenna, Gina Green, and Marcee Meyers. Crowning ceremonies will take place at the half-time of the Grass Lake Warriors-Redskins game, Friday at Clinton.

Homecoming Friday

CLINTON — The annual homecoming at Clinton Community Schools will be held Friday when the Grass Lake Warriors will be on hand for a match.

Homecoming queen candidates are seniors, Kris Humble, Mary Jane Miller and Janice Heimerger.

The queens court will be composed of Gina Green, junior; Marcie Meyers, sophomore; and Ruth Ann McKenna, freshman.

The homecoming downtown parade will be held at 3 p.m., Friday, with floats by the various classes competing for prizes. The floats will be presented in a pre-game appearance instead of during half-time as previously.

Another innovation will be the selecting of the queen, from the committee, which is arranging the activities.

Redskins' football team.

A dance in the high school, with live music, will climax the festivities.

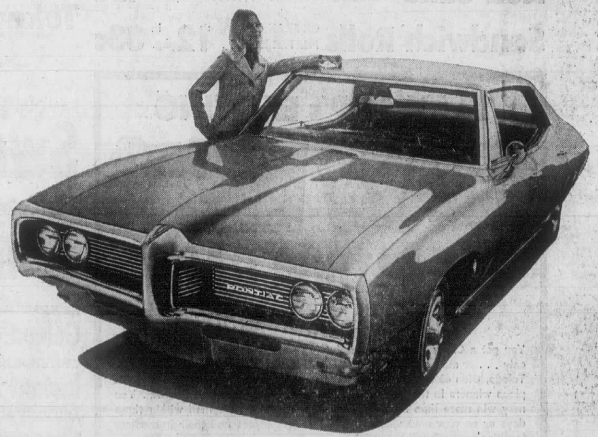
There's more to Wide-Tracking in a '68 Pontiac than meets the eye.



Wide-Tracking is performance.
Wide-Tracking is handling.
Wide-Tracking is security.
Wide-Tracking is one of the great American sports.

Driving a new Le Mans may be even more satisfying than looking at one. The standard engine is an Overhead Cam that delivers 175 hp from regular gas. You can order a 215-hp high-compression version. Or go up to 265 or 320 horsepower from our new 350 cu. in. V-8.

So look beyond the standard safety features, the elegant interiors and endless comfort options which Le Mans offers in unsurpassed profusion.

See your Pontiac dealer for a test drive and learn the difference between Wide-Tracking and ordinary driving.

CLYDE H. GILTNER

Services Today for C. H. Giltner

Funeral services will be held this Thursday afternoon at 1:30 at the Methodist Church for Clyde H. Giltner, 85, one of the founders here of the Tecumseh Products in 1934.

For the past 13 years he has resided in St. Petersburg, Fla. He passed away there Sunday evening after being in failing health for nearly the past year.

In 1934, he moved to Tecumseh from Hillsdale, joining R. W. Herrick, C. M. Brown, William Sage, Jens Touborg and Frank Smith here in the founding of the Products, now the largest industrial plant in the area and the world's largest producer of compressor units.

Mr. Giltner was rated an expert on the detailing of machining and assembly operations, and was directly responsible for many processing developments and establishment of procedures.

He was factory manager for many years and was a member of the board of directors and a vice-president of the company.

In 1954, he retired to a semi-active, advisory capacity.

Mr. Giltner was well known and liked here by the older residents, who recall the founding and growth of the Tecumseh Products. Although he moved to Florida in the 1950's, he frequent visited here during the summer.

He was born at Grass Lake on Nov. 10, 1881. On June 30, 1917, he married Lillian Cudney Winfield, and they resided in Jackson until 1930, when they moved to Hillsdale.

His wife died on July 20, 1966. He was also preceded in death by a brother, Carl, and a stepson, Winthrop Winfield.

Mr. Giltner was a member of the local Masonic Lodge, Masonic Chapter, Moslem Temple, Detroit Consistory, Adrian Commandery, Knights Templar, Order of Eastern Star, Adrian Elks and a former member of the Tecumseh Country Club.

A Masonic service was to have been conducted Wednesday evening at the Dunn Funeral Home.

Survivors include a sister, Mrs. M. Earle Tozer, Los Angeles; two grandchildren, Mrs. Charles (Diane) O'Brien and Mrs. Michael (Carole) Blumerick of Tecumseh; four grandchildren, a nephew, Justin Giltner, Detroit; and Mrs. Isadore Winfield of Tecumseh, who had been caring for him in St. Petersburg.

The Rev. Donald Porteous will officiate at today's services, and burial will be in Brookside Cemetery.

Boys Place Third in State Contest

Michael Gunn, 13, of Clinton and John Getz, 10, of Tecumseh placed third in their respective divisions in the state Punt, Pass and Kick contest at Lansing Saturday.

Both boys advanced further than any past local winners here. Over 100 were competing in each division with winners advancing to the national contest.

18 'Goblins' Are Winners

Eighteen youngsters won prizes Tuesday afternoon at the city's annual Halloween contest in the Community Center.

Tecumseh officials fete children each year on Halloween and select the dressiest, spookiest, most original and funniest costumes.

Tuesday winners for the preschoolers were:

Dressiest — Elizabeth Bates.

Spookiest — Sharon Creger.

Most original — Dale Campie, Jeff and Brian Wright.

Funniest — Kassia Adams.

Kindergarten through second grade winners were:

Dressiest — Judy Harris, Julie Lynn Judd.

Spookiest — Kimberly Ann Opel.

Most original — Nena Murphy.

Funniest — Mark Creswell.

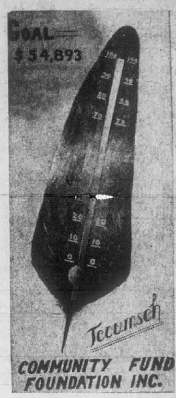
For the older youngsters, third grade and up, the winners were:

Dressiest — Valerie Egli, Jo-Ann Kaiser.

Spookiest — Michele Vanzo, Tom Gray.

Most original — Larry Henkel, Kari Beth Kanous.

Funniest — Mark Vanzo.



Tecumseh has made a slow start in filling the red [illegible] on the feather at the bank. There's $15,000 yet to go.

Accidents Continue To Increase Here

October may not have set a record here for total number of accidents on city streets, but the 30 recorded was about twice the average.

Tecumseh police investigated six mishaps here last week. Since the city passed an ordinance not requiring a report on accidents involving damages of $200 or less, more reports could have been filed if minor mishaps were included.

A resume for the past week is:

Oct. 27 — Janet Osworth, 30, of 500 Center Dr., and Martha Snyder, 50, rural Clayton, O., bumped at the intersection of E. Chicago Blvd. and Maumee.

Oct. 27 — Charles D. Braidwood, 56, Lapeer, ran into the rear of a pickup driven by Gerald W. Councilman, 24, Trenton. Councilman was preparing to make a left turn into Harvey's Grill. The Lapeer man suffered minor injuries and sought his own treatment.

Oct. 27 — James L. Lawson, 32, of 7221 Hendershot Rd., was cited for failure to yield right of way after being involved in a three-vehicle accident on E. Chicago Blvd. Lawson attempted to pass Vesta M. Wyman, 38, Sand Creek, when he was struck in the side by Howard D. Brooks, 23, of 511 W. Logan St. Lawson's van in turn struck the rear of the Wyman car.

Oct. 28 — Adele B. Walper, 60, of 110 Adrian St., was charged with failure to have her car under control after she struck a parked car owned by James F. Quigley, 606 W. Pottawatamie.

Oct. 29 — Dorothy V. Krall, 59, of 416 N. Evans, was cited for improper parking when her car, partially in the roadway, was struck by Ladeana M. Willis, 23, Britton. Accident occurred on S. Division St.

Oct. 30 — Wynne L. Matteson, 45, of 907 Sunset Dr., backed into a parked car owned by neighbor Louis A. Venske of 906 Sunset.

Chamber Meeting

Chamber of Commerce will meet with the Retail Division next Tuesday at 7:30 p.m. at United Savings Bank.

Holiday promotional plans, store hours and arrival of Santa Claus will be discussed.

Commission Completes First Half of Program

Tecumseh Planning Commission reports they have now completed the first year of a two-year Master Plan program.

During the first year, three technical studies were completed and presented to the Commission by the city's planning consultants, Vilican-Leman & Associates, Inc., of Southfield.

A fourth study, dealing with the economic base of the city is to be presented at the November meeting.

The first study consisted of an inventory of existing land use. This survey is one of the most basic and necessary studies undertaken in a comprehensive planning program.

It provides the data needed to determine the character of activities presently being carried on throughout the community: how much land is being devoted to each of these activities; how they relate to one another physically, and where and how much vacant land is available for future development.

This information is deemed important in the preparation of the Master Plan and is also highly useful in the more day-to-day aspects of planning, such as zoning administration and subdivision review. Included in this report is a map of the city, showing the present use of each lot and parcel of land.

Next study was an urban renewal and housing classification analysis. This report had three objectives.

The first was to appraise the general quality of structures and environment in Tecumseh. This appraisal is to be coordinated with the Master Plan to indicate areas that have a realistic potential for change. (For example, land use relationships might indicate an area as being logical poor condition of housing in the for industrial expansion and the area would strengthen proposals for changing the area's future use).

Second objective was to indicate the kinds of treatment needed to bring about renewal in the various areas.

The third was to analyze the population composition to determine what effect this might have on a renewal program.

The last report received by the Planning Commission dealt with population and the residential neighborhoods. This study evaluated past population trends at the local, county, and state level in addition to other factors such as employment, housing market, and other related fields, as a means of projecting future population growth.

On the basis of this analysis a population of about 8,800 has been estimated for Tecumseh by the year 1970, and 11,500 by 1980.

The part of the report dealing with residential areas divides the city into six "neighborhood units."

The nucleus of each neighborhood is the elementary school, and each neighborhood is designed so that there is sufficient population to adequately support one school. This report was reviewed and discussed jointly with the Supt., James McDowell, at the

Bugs Cause House To Catch On Fire

Minor damage was inflicted on the Warren Sharpe home, Tonneberger Drive, Friday evening when wires snorted out at the meter box, attached to the outside of the house.

Bottom of the meter box was open and bugs had entered and apparently had eaten through the wires.

The family was inside at the time watching TV when the lights went out. Thinking that it was caused by a faulty transformer, Mr. Sharpe investigated and found his house on fire.

Electric service was restored to the home Sunday.

Community Fund Drive Lagging Short of Goal

Although solicitations have not been completed, Tecumseh Community Fund Foundation officials fear the present drive will fall far short of the $55,000 goal.

Co-chairmen Carl Lamb and Stu Costigan report contributions to date are approximately $40,000.

Current figures on donations are:

- ► Commercial — $3,700.
- ► Professional — $850.
- ► Residential — $5,000.
- ► Industrial — $25,000.
- ► Special gift — $5,000.

The residential drive, handled by Mrs. William Steele, showed a considerable increase. Last year, residents contributed about $4,200.

Officials have expressed disappointment in donations from the commercial division. They fall nearly $1,500 short of the 1966 total, and the actual contribution is about half of that expected.

One of the largest sums came from Tecumseh Fisher Body Plant where GM's corporate gift and employee donations totaled $12,374. Final returns from Tecumseh Products are not in.

Additional monies are expected when industrial plants outside the Tecumseh area return donations from local employees.

Folks may still contribute. Donations will be accepted by any member of the Foundation's board, or they may be given to Mr. Lamb or Mr. Costigan, or to Merlyn Downing at United Savings Bank.

A considerable portion of this year's budget had been tentatively allocated for improvements at Tecumseh Park, or "Pit."

Play Opens Tonight

"The Hasty Heart," a comedy-drama opens this Thursday evening on the Tecumseh Players' new trust stage at the Community Center.

[illegible] scheduled for Friday and Saturday nights, and next week on Thursday and Saturday evenings.

Capitalizing on the current trend in modern theatre, the Players have transformed the Glass Room in the Community Center into an open stage theatre.

Faced with limited facilities as a proscenium theatre, the Players adapted a compromise between the proscenium arch and arena designs.

By thrusting the stage in front of the arch and placing the audience in a semi-circle around it, they have created an interesting, effective, and efficient theatre.

Although the open stage dates back to the Greek, Roman, and Elizabethan era, the 18th and 19th century theatres predominantly housed the proscenium arch. However, with the modern theatre stressing an intimate experience between the audience and performer, [illegible] sional stage has proven to be an effective vehicle.

Designer of the new theatre, Roland Von Kaler, is the technical and set director for "The Hasty Heart". Roland is chief engineer and director of sales of the Peerless Division, Tecumseh Products.

Others on the production staff are:

Construction — Ted Broderick, Duane Steele, Wally Peterson, Howard Furry.

Lighting — Jim Utley.

Programs — Dick Boyd.

Properties — Howard Furry.

[illegible]e — Betty [illegible]

Box office — Ginny Snyder

Costumes — Ingrid Von Kaler.

Assistant director — Jo Wagner, Judy Sherwood.

Directing the production is Craig Collicott of Jackson. He has been active with the Jackson Civic Theatre and Clark Lake Players for 11 years. He is presently on the Board of Directors of the Jackson Civic Theatre.

Mr. Collicott is a corrections officer at the prison in Jackson.

Youngsters Collect $725 for UNICEF

Fifty-five drivers and about 200 children thoroughly canvassed the community and surrounding areas for UNICEF, Sunday afternoon and Monday night and returned with $725.

Area residents are thanked for their generosity. This amount is just slightly more than was received last year.

A special thanks goes to the Missionary Baptist Youth Group, The First Baptist Senior High Youth Group, and the Gloria Dei Senior Highs who helped Sunday afternoon to solicit the country routes. They collected $188.

Rupert Fined $60 for Stoning Truck

Allen Rupert of Newberg Hwy., appeared before Municipal Judge Paul Betz in Adrian, Friday, and pleaded guilty to a charge of throwing a stone at a truck, driven by Orville Younker, of Indiana, during the Peerless Gear Company strike.

He paid a fine and costs of $60.

Schools Plan Open Houses

Open houses will be held next week — American Education Week — at the Senior and Junior High Schools.

Junior High has scheduled its open house for next Wednesday, and the Senior High, next Thursday, Nov. 9.

Miniature school days of seven- and eight-minute periods are planned at both schools with parents following a typical schedule of their child's classes.

In each class, a brief explanation of the course content will take place instead of the usual assignments and discussions.

Hundreds of parents annually attend the open houses with 300 to 350 parents a normal average at the high school.

Classes for parents will start at 7:30 at both schools.

At Junior High, refreshments will be served in Room 403 and parents will have opportunities for informal talks with teachers.

Refreshments will also be served at the high school, and parents, likewise, will be able to visit with teachers.

Mrs. Richard Wells and Vic Lawson are in charge of the open house at the high school, and Stanley Lagenc is chairman for the Junior High.

Goulds In Charge of New Goedert Real Estate Office

Bob Goedert, realtor and builder, has opened a branch office at 114 N. Pearl St., the former Hadley building.

Much cleaning, painting and decorating went on at the new location before the familiar big "G" went up on the side of the building.

Elizabeth and Dan Gould are the sales people in the new office, which offers the same service as the main office in Adrian and the one at Devils Lake.

Goedert is handling the sales for the newly-developed Lake Kingsley property on M-50.

2 Transformers Reported Stolen

Detroit Edison Company has reported two transformers stolen from construction sites east of Clinton in the past three weeks.

One has been recovered and the other, valued at $140, is still missing.

HERALD PHOTO BY BILL WHITING

DOWNTOWN BUZZING — Folks were buzzing here Friday when beauticians at Colonial House of Beauty showed up for business garbed in costumes above. Amused by it all is Mrs. Paul Gilliland in the chair. Circled around her, from the left, are Jane Naugle, Kathy Harrison, Sharon Crane, Virginia Solarski, Paulette Raue and Jeanette Greenfield. Nancy Hebb is holding young Bryan Reaume.

BEHIND PAGE ONE

Another one for the collection — **Mrs. Neil Pearson** has received a letter with Tecumseh spelled "Teceempeh."

B. O. B. did you forget the way it was in 1947? Take note of **Touch of the Past** this week.

"Stop my classified ad!" **Mrs. Melvin Leveille** of 745 S. Union St. exclaimed on the telephone. She told us she had advertised in The Herald for a baby sitter last week and has had 18 calls — and they're still coming. For prompt action, it pays to advertise in **The Herald!**

Do dogs operate by smell or sight? Folks on W. Brown St. wondered Tuesday morning when **Mrs. Herbert Dillon** started out for her teaching chores in Clinton. Canines up and down the street yapped and barked until she was out of sight. Well, no wonder. Betty always goes along with her students on Halloween. This year she was in Chinese costume.

The **Church of the Nazarene** has apparently changed its location — or opened a downtown branch. On Tuesday (which also happened to be Halloween) the church's sign was seen in front of **Bob and Ruth's Grill.**

Can't get ahead of **Sally Pope.** She is already decorating for Christmas. We'll never tell that those four red balls next to the ceiling on the center column in her jewelry store, are seed left from last year.

November 11 is a sacred national holiday, dedicated to the millions who have died for our wonderful country. Let's have flags flying at every home in the Tecumseh area on **Veteran's Day.**

Where in the world did **Mr. Stork** go? That's the question being asked these days at the **George Ruhl** household — and also by customers of **Ruhl's Citgo** service station. One of George's employees, **Sheldon Pease,** has the first leg on a giant window sign, having lettered, "It's a ?" A couple of friends didn't read as far as the question mark and rushed to the florist for hospital bouquets. So, **Janice,** they'll be waiting for you and junior when you get there.

Volunteers who will knit mittens for area youngsters who have none, can get materials from **Mrs. Margaret Kidman,** 215 W. Shawnee St., who has offered to donate yarn for the project. Knitters may receive information about sizes needed by calling **Mrs. Robert Cheers,** 423-4158, one of the Tecumseh **Service Club** helpers.

"We have terrible voices before daylight but we like to sing," said **Carl Lamb** of Kiwanis Club members. An effort to increase the membership is being made by holding meetings at **Harry's Cafe** each Thursday morning.

"The greatest triumph of evil is when good men do nothing."

"We hope to do even better than the **$800** we made for heart equipment last year," said **Mrs. Albert Caesar,** vice-president in charge of finance for the **Herrick Memorial Hospital Auxiliary.** She was speaking of the proceeds from the sale of **fruit cakes.** The luscious nutty goodies are available now at **Don's Beef Buffet, Gambles, Jean Colgrove's Gifts and Eberhardt's Ins. or from Mrs. Caesar.**

Not **Johnny Appleseed** but **Wilfred "Walnut" Waldron** is cheerfully dispensing the fruits of his labors of some years ago to friends and Methodist Church people for their fair. A little unusual — English walnuts grown right here on the Waldron farm on M-50? "Walnut" didn't think so.

What a man won't do to make a sale! **Art Eaton,** real estate agent, was showing **Jim and Pat Mull** some property northwest of town last week when they came upon a live stream. According to the **Mulls, Art** obligingly went wading — in his shoes and up to his knees — probably to show the prospects what fun their children could have there.

ALMA AWARD — Mrs. John L. (Carrie Louise Beck) Lott, of Green Hwy., was presented a Golden Thistle award by Alma College President Robert D. Swanson at the college's homecoming Saturday. The awards are presented to Alma alumni fifty years after their graduation. Mrs. Lott, a member of Alma's class of '17, is a member of P. E. O. Sisterhood, O. E. S., American Legion Auxiliary, Republican Women's Club and Wit and Wisdom Club. She is also active in the Presbyterian Church of Tecumseh.

Mr. Tucker is a graduate of Tecumseh High School and recently graduated from University of Michigan. He is attending law school at the University of Detroit. The wedding will be Dec. 29.

Picked Up Here

Four girls from the Girls Training School at Adrian were picked up by Tecumseh police Monday morning.

Local police had been notified of their escape by the county sheriff's department. They were apprehended on Raisin Center Hwy.

Judith Ohlman, Gerry Gelske Speak Vows

White chrysanthemums were used on the altar of St. Elizabeth's Catholic Church Friday evening when Judith Ohlman and Gerry L. Gelske spoke their marriage vows with the Rev. Fr. Thomas J. Collins officiating.

Parents of the couple are Mr. and Mrs. Joseph C. Ohlman, 10253 Tipton Hwy., and Mr. and Mrs. Leo Gelske of Bradner, O.

Wallace Whiting was the soloist, accompanied by Mrs. Donald Johnson on the organ.

★

THE BRIDE chose an A-line sleeveless gown of white peau de soie fashioned with scoop neckline and fitted empire bodice with lace trim.

Her chapel length veil of silk illusion was enhanced with lace applique and she wore a gold cross with diamond setting, gift of the groom.

The bridal bouquet was white roses centered with pink ones.

Janice Ohlman, sister of the bride, was maid of honor in a matching empire dress and coat ensemble. She wore matching leaves and a single glamellia in her hair and carried cabbage roses.

Mrs. Kenneth Jackson of Rossford, O., and Tamera Rathbun and Perri Barringer of Toledo, were the bridesmaids, attired the same as the maid of honor.

Mark Gelske, brother of the groom, was best man and the 250 guests were seated by Earl Hass, Duane Kern and Joseph Ohlman, brother of the bride.

Margie Spino of Toledo was the flower girl, dressed like the other bridal attendants.

Mark Spalding of Sylvania, O., was the ring bearer.

★

A RECEPTION was held at the United Products Workers Union Hall, where hurricane lamps, flanked by lavender chrysanthemums, were used on the bridal table.

The bride is a graduate of St. Vincent's School of Nursing in Toledo. Her husband is a graduate of the Rising Sun High School and the Ohio Linotype School in Logan.

The couple will live in Toledo after a 10-day trip to Florida.

The groom's parents entertained 24 members of the bridal party for the rehearsal dinner at the Country House.

Lee Miller Takes Special MSU Course

EAST LANSING — Lee Miller of Britton, is among 30 students enrolled in an 18-month technical training course in farm equipment service and sales at Michigan State University.

Students are in residence at MSU for four quarters and participate in a six-month work-study program.

Challenging employment opportunities await graduates in farm equipment dealerships as salesmen, partsmen and service technicians.

Two Attend Federation Gathering

Mrs. Perry Hayden and Mrs. Truman Rentschler attended the South Central District meeting of the Michigan Federation of Music Clubs in the Central Methodist Church of Lansing last Thursday.

In the afternoon, the Lansing Matinee Musicale presented an opera of Ralph Vaughan Williams entitled "Riders to the Sea," under the direction of Patti Mulse.

The Tecumseh Music Club is one of the few units of the state federation which has two junior clubs, namely the Music Makers and the Half Notes.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

"Delorise Witch" here's to you. Anyone that works all day at Dearborn Steel Tubing, raises four kiddies and still has the energy to go "witching". Halloween night deserves a specially-brewed potion.

Dressed in typical black with high peaked hat and a black broom, Mrs. Gaylon Robinson provided "scary" fun for her family and friends Tuesday evening as she cavorted around the town.

Mrs. William Frownfelder vowed as how Dolly didn't need her understanding husband to take her about in the car when she had such an outstanding broom. Mrs. Robert Vaillancourt took first place as the only one to recognize the witch. Mr. and Mrs. Marion Robinson didn't even know their daughter-in-law.

Three cheers for lots of fun on All Hallows eve and less devilment.

Mr. and Mrs. Frank Purcell left Thursday for their Ft. Lauderdale, Fla., residence. While they are away, the Oscar Shonshecks of Houghton Lake, formerly of Tecumseh, are staying in the Purcell home here.

Mr. and Mrs. Albert Bailey have sold their home at 7023 County Line Rd. and have purchased and moved to 2334 Occidental Hwy. Sophia has accepted a position in Petries dress shop in Adrian.

Nine members of the former Pine Creek Club of New York spent from Sunday to Thursday last week at North Manitou Island, west of Traverse City deer hunting. They were real fortunate in bagging their animals. R. H. Moore got the biggest one, an eight-pointer that weighed 182 pounds. Dr. William Britton, now of Lake George, got a smaller one with nine points. Karl Schneider got a four-point buck, and C. O. Butler and Dr. George Wilson also got bucks. Jim Hendley of Manchester and Dr. Wilson and Dr. Britton were guests of the members of the Club — Paul Breitenwischer, R. D. and R. H. Moore, C. M. and Jack Brown, Mr. Butler, Jim Spooner, Mr. Schneider and Dr. M. R. Blanden.

Some of the group did some coho fishing, too, while they were there.

Mr. and Mrs. Ted Brooks had a letter from their son, David, who recently arrived in Saigon, Vietnam. He was home, after coming from Germany, then leaving California Oct. 1. His address is:

Mr. and Mrs. Ernest Rossi of Belleville were guests of their daughter and husband, Mr. and Mrs. John Bryan, Jr., of Tipton Oct. 25, the same day that Mrs. Bryan and the new baby daughter, Florina Louise, returned home from Herrick Memorial Hospital.

Mrs. Warren Williams of Dearborn has returned to her home after spending a week with her sisters, Mrs. Elliot McLain and Mrs. Maude Fisher.

Mrs. Harry M. Curry of Encino, Calif., is spending her vacation with the Calvin Dixon, Jr., family. Two special highlights of her visit were to see her first great-grandchild, Kristen Ross, and to attend the installation of her daughter, Mrs. Dixon, as worthy matron of the Tecumseh Chapter OES. Mrs. Curry's granddaughter and husband, Mr. and Mrs. Allen Ross, gave a family dinner Sunday to honor Mrs. Curry. Others present were the Dixons and Gary Maynard, Mrs. Curry's grandson.

Mr. and Mrs. Harold Scheick and Mrs. Dan Hansen of Monroe were Sunday guests of Mrs. Margaretta M. Brisbin.

Mrs. Neil Pearson's aunt, Alice Johnson, of Ann Arbor, is coming this week to live with her.

Mr. and Mrs. Arthur June have received word of the birth of a daughter, Dawn, to their son and daughter-in-law, Petty Officer and Mrs. Roger E. June, Oct. 24, in New London, Conn. The baby weighed 7 lbs., 8 oz.

Among those attending the golden wedding anniversary celebration of Mr. and Mrs. Leonard Hollingshead, in Reading, Sunday were Mr. and Mrs. Cy Baily, Mr. and Mrs. Keith Barron, Mr. and Mrs. Carl Wilt and daughter, Carla, and Mr. and Mrs. Lyle M. Grigg. The Hollingsheads are the parents of Mrs. George Green, Jr., former resident of Tecumseh. Mr. Green and two others in costume, provided music for dancing at the American Legion Home where the open house was held. The Greens' daughters, Gloria, JoAnne and Carol, presided at the punch and coffee services.

Mr. and Mrs. H. B. Wilmott, of 1847 Russell Rd., will leave Monday to spend the winter in Florida.

WHICH IS WITCH? — Life-like Halloween display figures, which decorate the lawn at the home of Mr. and Mrs. Daniel Bush, 106 S. Wyandotte, were created by son, Larry, 13. Two Are Initiated in Roundrop Club Monday Evening

Ronald Baldwin and Bradley Bleich were welcomed and initiated as new members of the Roundtop 4-H Club Monday evening at the North Adrian Grange Hall.

Forty-five members, leaders and parents were present when the new officers were installed. They are:

President — Roger Russell.
Vice-president — David Johnston.
Secretary — Brenda Bailey.
Treasurer — Holly Scharer.
Reporter — Marcia Nelson.

Plans were made to send Christmas boxes to former members of the club, who are in the armed forces, and also for a hayride.

Refreshments were served by the Martin, Wentz and Johnston families.

What's for Lunch at THS

Thursday — Hamburg gravy, mashed potatoes, tossed salad, brownie, bread and butter and milk.

Friday — Fish stick in bun, potato chips, celery sticks, fruit and milk.

Garden Club Will Stage Xmas Show

In preparation for the December 1 Christmas show to be put on by the Little Garden Club of Tecumseh, the club highlights the home of Mr. and Mrs. Charles Gross and family at 9404 Valleydale Parkway.

Their story and a half Cape Cod colonial home was built nine years ago on a wooded lot north of town.

Many of the items in the home were reproduced from original colonial antiques by Mr. Gross, industrial arts teacher at Tecumseh High School.

Some of the things to be shown are:

Kitchen — resembles the old pioneer farm type kitchen with fruits of the harvest drying from the ceiling beams. An arrangement will be placed on the large round family kitchen table.

Living Room — is done in native northern pine and three of the arrangements will be placed on objects that were built by Mr. Gross. One is an old sleigh made into a coffee table, rebuilt on the original metal frame runners done in cherry wood.

Dining Room — is decorated in Williamsburg style with cherry wainscoting. There is a cherry hutch, antique school master's desk and a reproduced school marm's desk. In this room, the club will decorate on card tables, using children's toys to carry out the theme of Santa's pack.

In next week's Herald, the contemporary home of Dr. and Mrs. Carlton Cook will be highlighted.

Anyone wishing to purchase their tickets early may do so by contacting any club member, or by calling Mrs. Earl Mason, ticket chairman, at 423-4705.

NEWCOMERS

Recently Moving to Community

Sisters Laura and Flora Smith didn't know anyone in Tecumseh when they moved here in August, but they have found the city "so friendly" and are getting acquainted quickly. They've moved into an apartment at 409 Marlboro Ct. in August.

They were attracted to Tecumseh because it was "pretty," Flora said, and because it had modern apartments available.

Both are recently retired. Laura was a statistician and secretary at the General Motors Company, Ferndale. She is skilled at the painstaking hobby of decoupage. Flora taught fourth grade in Munising, where she formerly owned a florist shop. Her hobby is copper enameling. Both like to bowl.

Both are interested in civic service, and have already volunteered their services at the desk of Herrick Memorial Hospital.

Mr. and Mrs. Fred Seal of Detroit have purchased a home at 905 Shady Lane and moved here from Detroit. Mr. Seal is a truck driver for East Texas Motor Freight Lines, in Detroit, and Mrs. Seal is employed at the Ford Motor Company in Dearborn. Son **Bob**, 13, is in the eighth grade at Tecumseh Junior High School, and his hobbies are collecting coins and making models.

The family is Methodist.

Mr. and Mrs. F. G. Perkins moved from Glen Ellen, Ill., after they purchased a home at 1103 N. River Ct., and moved here just recently.

Mr. Perkins is employed at Revco, Inc., Deerfield. The couple has three children: **Fred**, 10, in fourth grade; **John**, 8, in third grade, both at Herrick Park School; and daughter **Diane**, 4, attends nursery school.

The family attends St. Peter's Episcopal Church. Mr. Perkins likes to golf and hunt and his wife, Frances, enjoys painting and gardening.

Mr. and Mrs. Marvin Hurlburt moved from Detroit to their home at 607 Stacy St. Mr. Hurlburt is employed at Ford Motor Company, Dearborn.

Mr. and Mrs. James Johnson have moved from rural Tecumseh. They purchased a home at 1209 Murray Dr. Mr. Johnson is employed at the Ford Motor Company, Saline. Son, **Kevin Russell**, is 11 months old. The family attends St. Elizabeth Catholic Church.

Mr. Johnson is a member of the Michigan Arrows, semi-pro football team, and plays every weekend. Mrs. Johnson enjoys home decorating and sewing.

Mr. and Mrs. Ray Neville moved from Saline to rent a home at 106 E. Kilbuck. Until two years ago, the couple had lived in Utah. Mr. Neville is employed at Hoover Ball & Bearing Company, Manchester. There are three children, **Danny**, 8, and **Timmy**, 6, are attending Tecumseh Acres School, and daughter **Renita** is 11. The family attends Tecumseh Friends Church. Mr. Neville spends spare time as an auto mechanic and likes to hunt.

The Nevilles like Tecumseh, "It's just the right size," she says.

Mr. and Mrs. George Field moved from Adrian to rent a home at 412 E. Shawnee. Mr. Field is training at the Goodwill Industries, Inc., Adrian. The couple has three children, sons, **Randy**, 4, and **Kerry**, 2½, and daughter **Melissa**, 10 months. The family attends the Church of Christ.

Mr. and Mrs. Robert Green of Gladwin spent their vacations in the Irish Hills area and liked the looks of Tecumseh, so they rented an apartment at 104 Marlboro Ct., and moved here. Mr. Green is employed with Blue Cross-Blue Shield in Detroit.

Daughter **Joan**, 12, is in seventh grade, and son **Jeff**, 11, is in sixth grade in Herrick Park School. The family is Episcopalian.

Mrs. Gladys Rohweder came from Toledo to rent an apartment at 408 Marlboro Ct. She is retired and her son, **William Rohweder**, resides with his family at 1005 River Acres Dr. Mrs. Rohweder attends Gloria Dei Lutheran Church.

Mr. and Mrs. Ted Milliman of Hudson have moved into their home at 608 Center Dr. Mr. Milliman is a guard at the General Motors Fisher Body plant. The family has four children: **Keith**, 9, in fourth grade; **Dawn**, 7, second grade; and **Karen**, 6, is in first grade at Herrick School. **Darin** is 4. The family is Methodist.

Mr. and Mrs. Wallace Mollema, Jr., formerly of Owosso, have rented an apartment at 404 Marlboro Ct. Mr. Mollema is teaching speech and English at Tecumseh High School, and his wife, Joyce, is working on her masters degree in French at the University of Michigan. Both like skiing and golf.

Mr. and Mrs. Benjamin Van Riper moved from Warren and have rented an apartment at 611 W. Chicago Blvd. Mr. Van Riper is taking his year's sabbatical leave as a school administrator in the Roseville Schools, and is working on his doctors degree in counseling and guidance at the University of Michigan.

The family has four children: **Coleen**, 11, sixth grade; **Brian**, 9, fourth grade; and **Kevin**, 6, is in first grade at Patterson School. **Britt** is 4.

The family attends the Methodist Church. Mrs. Van Riper spends her spare time antiquing furniture. Mrs. Van Riper's sister is Mrs. Robert Koffron.

BUTTER TOFFEE FOR THE FAIR — Methodist ladies work together on individual batches of luscious butter toffee for the Swiss Candy Shop at the Methodist Church Fair to be held Nov. 8. Mrs. Carl Hale, chairman, is pleased with the 58-pound candy yield for the morning's effort in the church kitchen. From left, the cooks are Mrs. Richard D. Eggleston, Mrs. Arthur Crawford, Mrs. Wesley Macki (hidden), Mrs. Norbert Sedelbauer and Mrs. Harold Ocamb.

Walther League to Have Road Rally

By DAVID BUSH

The Emmanuel Lutheran Church Walther League is having another Religious Road Rally by popular demand from the Southeastern Zone of the Michigan District Walther League.

The Road Rally will take place this Sunday, Nov. 5, at 2:00 p.m. at Emmanuel Lutheran Church on Ridge Rd.

A Road Rally is a route that drivers try to follow. There is a prize given to the contestant who comes the nearest to the time and distance of the original route.

A talk on "church etiquette" is going to be given by the Rev. Mueckler. Questions will be taken from this talk and handed out to the participating Leaguers to answer, so they will know where to go on the route.

A state trooper will be around to check the cars participating in the rally.

When the Walther Leaguers come back from the route, they will be served sloppy joes, potato chips, jello salad, cake and something to drink. After the supper, the first, second, and booby prizes will be awarded to the deserving contestants.

To end the evening a Vesper Service is going to be held. The rally will be over by 8:30 p.m.

—o—

Mr. and Mrs. Roger Gillespie will accompany her mother, Mrs. Elmer Green, to Zephyrhills, Fla., this weekend where she will spend the winter.

Goblins Have Ball

St. Elizabeth's parish hall was the scene of witches and ghosts dancing last Saturday night. The music was furnished by Fred Dickinson and his Lamplighters.

The hall was cleverly decorated with the traditional corn stalks and pumpkins.

Those winning prizes for costumes were: Dr. Don Phelan, dressed as Raggedy Ann for the funniest; Mrs. Bill Bishop, dressed as a cannibal was the spookiest; and Mrs. Harry Hoffman, dressed as a ghost with real bones hanging around her neck as the most original.

Those winning door prizes were James Rohrer, Charles Rebottaro and James Vanzo, and the main door prize, which consisted of an old screen door, was won by Mrs. Richard Steadly.

Mrs. Tom Fagan won over Walter Mueller in dunking for apples, and Father Begue should have won a prize as he finally got an apple. Main problem in dunking for apples is that you get wet.

Refreshments were served on an attractive table, carrying out the theme of the evening.

One of the last events of the evening was a Charleston contest. Mrs. James Vanzo won this event with Mrs. Lawrence Bilkie as second.

Festival Is November 8

A turkey dinner will be a portion of the annual fall festival, called "The Continental Corner," this year at the Tecumseh Methodist Church.

The bazaar will be held next Wednesday from 10 a.m. to 8 p.m. with the dinner served from 5 to 7 p.m.

Mrs. Carroll Sprague will have charge of the meal, a preview of Thanksgiving dinner with hot, juicy turkey, stuffing, gravy and all the fixings.

Tickets are available at Flanders Music, Mary Sanchez' Beauty Shop, or from Mrs. Erwin Buss, 423-4515.

Mrs. Norbert Mauer is dining room chairman, with Mrs. Norbert Sedelbauer and Mrs. Richard Seaney in charge of dishes and clean-up respectively.

"The Continental Corner" follows an international theme and includes six shops, offering handmade articles and home-baked goods.

Each shop will be decorated to represent a country of the world, and those working in each in the costume of that country also.

David Grigg Now Rated Sergeant

A1/C David A. Grigg, in Pakistan, has been reclassified to Sergeant making him a non-commissioned officer with more privileges and an allowance for travel pay.

M/Sgt. Hintz Completes New Course

BRITTON — Mr. and Mrs. Ed Hintz have received word from their son, M/Sgt. Wayne "Pappy" Hintz that he has recently completed the new Career Motivation Advisors Course at Lackland AFB, Tex.

The course is instructive in identifying and clarifying the benefits available to a military man, especially the man approaching his first re-enlistment.

Sgt. Hintz has been stationed at Edwards Air Force Base in California since the first of the year, and has seen the airmen recruitment increase substantially. He assumed his position there in March after serving in Vietnam, where one of his sons was wounded in enemy action, and two other sons complete their combat tours in that area.

At one time there were five members of the family in Vietnam, Sgt. Hintz, three of his sons, and a son-in-law.

He now resides at Edwards Air Force Base with his wife, Ethel, and eight-year-old son, Cris.

One son, Hank, just made Sergeant E-5 Sept. 30, and was in the top 12 in a CBR school. He is stationed at Ft. Campbell, Ky., with the paratroopers.

BRITTON BRIEFS

Mrs. Douglas Hintz and Mrs. Wesley Gilmore took a group of boys roller skating in honor of the birthday anniversaries of Mike and Joe Hintz Saturday morning.

Mr. and Mrs. Lawrence Ash and Mr. Lister attended the Dads' Day football game at Bowling Green University Saturday as guests of Larry Ash. Larry returned home with his parents until Sunday evening.

Senior Patrol Leader Greg Dunbar spent the weekend attending a leader's school at the Pinckney Recreation Area. Two of the main study areas were trail stalking and cooking.

The Britton Boy Scouts enjoyed their first of a series of winter swimming events at the Adrian Junior High pool Wednesday evening.

2 Bobcat Pins Are Awarded

BRITTON — Bobcat pins were presented to new Cub Scouts, Larry Lorenz and Jon Hintz, by Cubmaster Harley Sleik at the Pack meeting last Monday evening. Pack meetings are held in Grace Methodist Church in Ridgeway.

Den 5, led by Mrs. Crabtree, opened the meeting by welcoming the new Cub Scouts and giving their den yell. They displayed a model Pueblo Indian village they had made for the Westward Ho theme.

Den 1 displayed a totem pole and covered wagons they had made, as well as homemade Halloween masks.

The Cubs closed the meeting with the Living Circle and the Cub Scout Promise.

Refreshments were served and the meeting was adjourned.

Laundry Is Topic of Study Group

BRITTON — The lesson on "How to Launder the New Fabrics" was given by Mrs. Gerald Benedict and Mrs. Orris Tubbs at the L and M Study Group of the Extension Club meeting last Thursday.

The club meeting was held at the home of Mrs. Chester Brown. A noon luncheon was served to 17 members and one guest by the hostess and Mrs. Orris Tubbs.

The group voted to contribute to the Community Fund and to UNICEF. Final plans were made for the birthday for Maple Lane Manor residents Oct. 30.

The next meeting will be at the home of Mrs. Bert Moore Nov. 9.

Baraca Philathea Class Meets for Halloween Supper

BRITTON—Twenty-four members and one guest of the Baraca Philathea Class met at the home of Mr. and Mrs. Charles Patterson Sunday evening for a Halloween get-together and cooperative supper.

Mrs. Gustav Hannevik gave the program on "Appointments in a Busy Doctor's Life." Devotions were by Mrs. Harley Watson on a Thanksgiving theme, with quotations from the 34th psalm, a reading entitled "What Makes Thanksgiving Day," and a picture and description of her visit to the Bahai Temple for all faiths at Wilmette, Ill.

A letter was read from the Rev. and Mrs. Priest, stating they had arrived in Arizona.

Mr. and Mrs. Leland Bush will host the next meeting on Nov. 26.

Britton Class Visits MSU

BRITTON — Ten members of the high school journalism class attended the High School Newspaper Day at Michigan State University last Thursday.

The event was arranged by the college's School of Journalism department. Over 700 students and advisors from 70 schools were in attendance.

Guest speaker at the morning convocation was Frank Beatty, administrative assistant for the central division of the United Press International wire service. His topic was "Violence in the American."

Fourteen working sessions were held. Students could attend any three they chose. Topics included news writing, photo-journalism, editing, editorial writing, sports writing, page makeup, interviewing and journalism as a career.

Instructors were members of the staff of the MSU School of Journalism or staff members of Lansing newspapers.

The Britton students were accompanied by their advisor, Mrs. Barnhard and Mrs. Douglas Fairbanks.

BRITTON — Dawn Hetrick, a fifth grade pupil in Mrs. Gorton's room, was the grand champion in the UNICEF poster contest in the elementary grades.

Mary Kay Houseman, from Mrs. Van Camp's fourth grade room was grand second; Janine Squires, from Mrs. Davis' second grade room, grand third; and Renee Hippert, from Mrs. Nixon's third grade, grand fourth.

First place winners and their teachers in the other rooms were Bobby Frayer, Mrs. Smith; Janis Tubbs, Mrs. Schroeder; JoAnn Schroeder, Mrs. Sturgeon; Billy Parron, Miss Creger; Joyce Cable, Mrs. Niblack; Jeff Geigler, Mrs. Miller; Cathy Kopka, Mrs. Forsyth; and Karen Newman, Mrs. Klump.

The judges were Mrs. James Arft, Mrs. William Gibbs, Mrs. Ron Maschino and Mrs. Joseph Hall.

The contest is held each year to foster interest in the UNICEF drive on Halloween. Winning posters are displayed in a downtown store.

Methodist Church Designates Month for Attendance

BRITTON — The Commission on Membership and Evangelism of Grace Methodist Church has designated November as Church Attendance Month with the hope of filling the church on the four Sundays in November.

Special music will be provided and there will be a portion of the church service for children. Visitors are always welcome, stated the Rev. John Lover.

The sermon topics will be:

Nov. 5 — "With What Shall I Come Before the Lord?"

Nov. 12 — "Love That Shall Not Let Me Go."

Nov. 19 — "This Is That Great Thing I Know."

Nov. 26 — "If A Man Loves Me, He Will . . . . ."

Todd-Kempf Wed

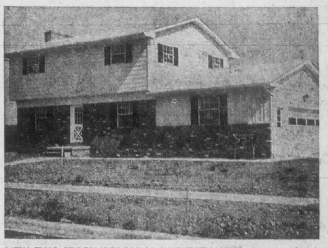
HAVE YOU BEEN LOOKING FOR one of those "Charmers" with old New England touches that makes a house a home? One family ownership for many years. Located in a neighborhood where pride reflects in well-kept, comparable homes around you. The extra large lot is shaded by graceful spreading trees. The front entrance has a lovely curved staircase that end way up in the Widows-walk. The living room has a window wall that brings beauty of the outside right to your chairside. The fireplace also radiates charm and hospitality. There is a spacious formal dining room, and, of course, the roomy parlor of long ago. The second floor has three large, light and airy bedrooms with large closets. There is a full bath on the second floor. The basement has two new quiet Stewart-Warner gas furnaces to provide comfortable even heat for a surprisingly low annual cost. You must see this home to appreciate it — make an appointment now.



NEW TWO-STORY COLONIAL IN WESTHAVEN: Antique brick and aluminum siding. This home is located on a corner lot which is fully improved with paved street, curb and gutter and sidewalks. All city utilities. Concrete drive to the two-car garage. Full basement with gas heat. The living room has the cozy charm of an antique brick fireplace. A formal dining room for family gatherings. Large kitchen with built-ins. Part bath on the first floor and full bath up. Three extra large bedrooms with ample closets. All rooms are carpeted. Immediate possession. Financing has been arranged.

Noel Rogers To Audition

Lyric soprano Noel Rogers, nee Papsdorf, will compete in the final auditions for the 1966-67 Metropolitan Opera Scholarship, in New York, Sunday.

Miss Rogers won the Metropolitan Opera Regional Audition in April and has spent the past few months studying at the Metropolitan Opera in New York.

Formerly of Clinton and Ann Arbor, Miss Rogers has appeared on television in Chicago and, during the past year, has won the $2,500 Grinnell Foundation scholarship.

Winning of the audition Sunday, would entitle her to further study and an opportunity to sing with the Metropolitan Opera Company.

It is thought that the auditions are to be televised Sunday.

Truck Demolished, Driver Is Injured

A tractor-trailer truck, driven by Jerry Williams, 28, of Indianapolis, Ind., overturned on dead man's curve on US-12, west of Killarney Hwy., at 2:15 a.m. Wednesday.

The driver was admitted to Herrick Memorial Hospital with cuts on the arm and internal injuries.

He told Clinton State Police he was westbound on US-12 in the fog, when he met a car with bright lights on. His truck went off the right side of the road on the curve, hit a tree, and rolled on its side.

Truck was described as a total wreck.

Sgt. Leland G. Green is spending a 14-day leave with his parents, Mr. and Mrs. Arthur E. Green, of rural Adrian. He is a drill instructor at Ford Ord, Calif. Sgt. Green entered the army Nov. 8, 1966, completed his training at Fort Ord and will return there after his leave.

Rope Entangles Foot, Driver Hits Stopped Auto

Francis W. Beebe, 20, of 217 W. Maple, Adrian, was driving a pickup owned by Underwood Fordland, when he collided with a car driven by Mrs. Frank J. Gignac, 36, of 11530 Tecumseh-Clinton Rd., Friday, at 12:25 p.m.

Beebe told Clinton State Police that he attempted to stop behind Mrs. Gignac, when she signaled for a left turn at a stop light at Franklin St. and Tecumseh St. in Clinton.

Beebe's foot became entangled in a rope on the floor of the pickup was unable to stop in time to prevent a collision.

Mrs. Gignac received abrasions to the knee, and Beebe's wrist was sprained.

Beebe received a summons for disregarding the red light.

Slaves Work for Mexico

Seventy-five Cadette and Senior Girl Scouts from the Irish Hills Girl Scout council are planning to hire out as "slaves" Saturday, Nov. 11.

They are earning money for a four-week trip to Mexico under the supervision of Mrs. Lynn Chenault and Mrs. Lynn Hugel.

The girls are willing to do any type of work from window washing to addressing envelopes.

They are also planning to sponsor a car wash and bottle drive the same day, but they need a place to do the car washing.

"Slaves" will work for $1 an hour by calling 423-4165.

2 Memberships Given by Auxiliary

Emily Manwaring, senior member, and Jayne Holden, junior, were winners of the free membership drawing at the October meeting of the [illegible] Auxiliary.

Mrs. Charles Howe introduced Mrs. Byron Goodman as a new member.

Mrs. Kenneth Herrick presented the three girls who attended Wolverine Girls State during the summer, Linda Baaske, Trudy Curtiss and Karen Brown. Each gave a report of their experiences.

Mrs. Robert Koffron spoke on the fall conference held in Bay City in September.

Obedience Classes for Dogs Starting at Comm. Center

Canine obedience classes sponsored by the Pet Watcher's Club and 4-H Clubs will begin Saturday, at 1 p.m., in the Gun Room of the Community Center.

Classes were originally scheduled to begin Tuesday, Oct. 31, but because of Halloween, have been moved forward to this Saturday.

Only owners and handlers are requested to attend the first session. They will be taught the rudiments of training.

German shepherds, boxers, schnauzers, poodles and shelties are some of the dogs registered with the Pet Watcher's.

Four or five more applications will be accepted.

Mrs. James Mull, 423-2414, or Mrs. Albert Caesar, 423-7228, will accept reservations.

The fee for the course of 12 lessons is $10.00.

Senator Bursley's LANSING REPORT

I voted against the $60,000,000 gas and weight tax increases last week in the State Senate for the reasons listed below.

Although the bills passed the Senate I trust my objections will be given careful consideration in the House before that body approves the tax increases.

I quote from Senate Journal No. 3 of October 13th as follows:

"Senator Bursley, under his constitutional right of protest (Art. IV, Sec. 18), protested against the passage of Senate Bill No. 14 and asked that his reasons be printed in the Journal.

Following is his statement:

Mr. President and members of the Senate, I voted "no" on the highway tax increase package of bills for the following reasons.

First, there is presently considerable public controversy over the Highway Department's past operations. Until present charges and innuendoes, as presented in the press, are clarified, I feel it premature and irresponsible to vote considerable additional revenues to the Highway Department.

Second, I recognize the need of cities and counties for additional funds and will support legislation to this end as soon as my objection in the preceding paragraph is resolved.

Third, the Michigan public has already received a heavy state tax increase this year and is confronted with a federal income tax increase. This road package involves 60 million dollars more in taxes. Before voting additional taxes on our citizens I want assurance that such funds be efficiently and correctly spent at state as well as at local levels. For these reasons I voted "no" at this time. I repeat, at this time — on these bills."

If you concur with me express your concern to your state representatives in the House of Representatives who have yet to take action.

Mrs. Herb Munger Will Be Hostess to Wit and Wisdom

The Wit and Wisdom Club will meet Monday at 8 p.m., at the home of Mrs. Herbert Munger, 7742 North Adrian Rd., instead of the Partridge home as previously planned.

The host committee will be the Rev. and Mrs. Paul Brantingham and Mr. and Mrs. David Criss.

Mrs. Ralph Comfort will present a program on "Senior Citizens Today" with Don Moffatt as the guest speaker.

Lions Stress Blind Week

Representatives of the Lions Club of Hillsdale presented a film on the work of the Michigan Eye Collection Center and told of the need for the donation of eyes to the blind at the meeting of the Lenawee County Medical Assistants, Oct. 24.

The meeting followed a dinner in Adrian where Washtenaw and Jackson County Assistants were guests.

Mrs. Gertrude Russell, president, welcomed guests and spoke about the convention held in Grand Rapids last month.

Door prizes provided much fun as they were awarded.

Dr. D. F. Sarapo will be the guest speaker at the November meeting in Adrian.

Destruction Hits Boy Scout Camp

Six buildings at Camp Kanesatake on Washington Lake were damaged by malicious pranksters sometime last week.

Damage to the Boy Scout buildings was estimated at $150, and included 25 broken windows, six broken screens, porch lights and flood lights.

Clinton State Police are investigating.

Kopkas Announce Arrival of Son

A son, John Wesley Bernard Kopka, was born Oct. 20 at St. Luke's Hospital, Duluth, Minn., to T/Sgt. and Mrs. John H. Kopka.

The newcomer weighed in at 9 lbs., 5 oz.

The family has two daughters, Bonnie and Cheryl. The paternal grandparents are Mr. and Mrs. John A. Kopka, 8 Water St.

No Applications Filed for Library Position

Supt. James McDowell reports that no applicants have been received by the schools for a librarian vacancy, created last week when Mrs. Julie Fosbender resigned.

He said that three state universities — Michigan, Michigan State and Western — have been notified of the vacancy. Since most librarian positions run from Jan. 1 to Jan. 1, the schools plan to advertise in trade journals in December.

Mrs. Fosbender resigned to accept a position in Kalamazoo. She was succeeded here as head librarian by Mrs. Murray Day. Although the schools may end up employing just one qualified librarian, no changes in library hours are contemplated.

Scouts Plan Big Meeting in Detroit

Judge Rex Martin, judge of Circuit Court at Adrian and president of the Wolverine Council for the Boy Scouts, has announced two Scouting firsts for the regional meeting in Detroit, Nov. 11.

It will be the first time that key volunteer and professional Scouting leaders from four states will be in attendance; and secondly, it will mark the first appearance of Alden G. Barber, Chief Scout Executive for Boy Scouts of America.

Several outstanding speakers are scheduled to appear. Reservations may be made at the Council Service Center in Dundee.

Police Receive 2 New Cruisers

Tecumseh police received two new cruisers last week from Les Dallas, Inc.

The new Dodges replace Plymouths, teased when Harvey Wilson owned the agency. One car has mounted lights and siren, but motorists will have to be wary of the other — it's not marked.

You Told Us

Mr. and Mrs. John Bott will spend the weekend at Great Lakes Naval Station to visit their grandson, John Hesser, who is completing boot training there. John is a June graduate of THS.

Howard Hunt returned home from Veterans' Hospital, Ann Arbor after undergoing surgery there last week. He will recuperate at home for six weeks before returning to the hospital for examination.

Richard Gramling, employed by International Business Machines out of Lansing and covering the Tecumseh-Adrian area, is attending a training session in Arlington, Va.

Colby Welch and David King, neighbors of the Morris Cornells, 706 River Acres Drive, gave a hand with the painting of the new Garden Play Barn Morris constructed with materials from Moore Lumber Co. The hinged roof raises for easy access to the loft and a double door at the back is wide enough to permit entrance of the Cornell's riding mower. Sloping sides of the building will provide ideal hanging places for tools as well as shelves for the inevitable doll dishes of little Anne Cheree, new granddaughter of the Cornells. Her grandfather remarked that she would have to hurry and grow up because the little barn is fast filling, making more room in the garage.

Free plans for the practical and pretty addition to any yard may be obtained by talking to the folks at Moores. They also have cost of materials figured.

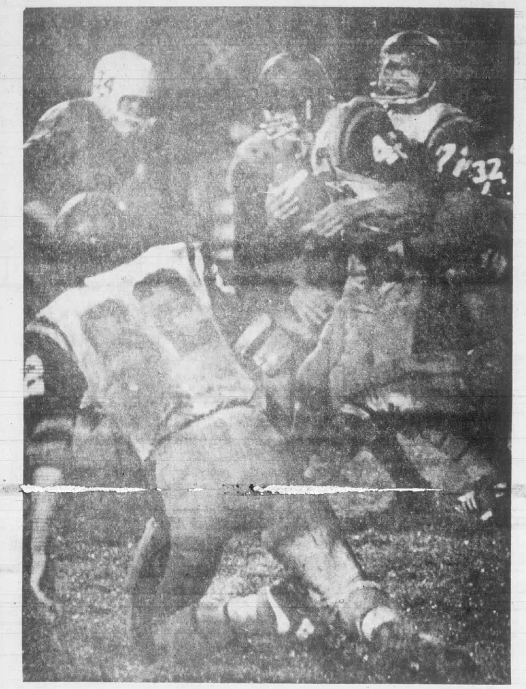
Tie Satisfies 'Champs'

Tecumseh Indians have lost four games this season, tied one and have picked up two victories. Still we'd rate them as the best "hard-luck" team in the Huron League, and with any breaks could be 7-0 and league champions.

Friday night was typical for the Indians, who were frustrated have it. Blissfield escaped with a time after time with victory with- 0-0 tie in their grasp. As luck would after the deadlock, the Royals whooped with glee — undoubtedly happy that a tie was enough to give them undisputed claim to the league's crown.

Memories of last year's Michigan State-Notre Dame game came back when the Royals refused to play for a win. They were contented — and happy — with a tie.

While Tecumseh looked glum



TYPICAL ACTION — Just about every time Chuck Burgermeister toted the ball he found Indians. Here he's in the grasp of Chuck Gillies (32),

Coach Tom Fagan said before the game that Tecumseh can whip Blissfield — and he was right. The Indians should have been two, possibly three touchdowns up.

First scoring threat of the game occurred in the second quarter when the Indians marched from their 31 to Blissfield's 1-foot line.

After gaining a first down at the Royals' 2, the excited Tecumseh team mixed up a couple of plays. A touchdown was theirs for the taking.

Then in the third quarter, Tecumseh again drove from its 31 to the Blissfield 12. On fourth down Buddy Work — who played his finest game despite the cold, wet field — had the ball slip off his fingers while attempting to lob a short pass to Rick Dunbee, standing all alone on Blissfield's 12.

Although the pass was poor, Dunbee could have picked it off if it hadn't been for the slippery turf. He just missed.

In the final, frustrating period, Tecumseh drove from its 40 to Blissfield's 10, where the last of four 15-yard penalties checked the Indians.

Blissfield took over on its 19, took time in three running plays and then punted to Jim Hunt, who ran it back 10 yards to Blissfield's 45.

On the first play, quarterback Jim Moblev hit Work with a short screen pass near the sidelines. Worked picked up nine yards but failed to see a wide open path down the sidelines.

Blissfield then intercepted the next pass, and then lobed through a couple of plays to run out the clock.

Work — along with John Anderson — was the outstanding offensive player on the field. The chunky tri-captain just missed breaking away a couple of times and rolled up 127 yards rushing in 22 carries, almost as much as the entire Blissfield team.

In the third quarter, he scooted 25 yards to Blissfield's 20, where he was just tripped up or he would have gone all the way.

When Work wasn't flashing through and around the Royals, Anderson was pounding away, dragging tacklers on many occasions. He gained 80 yards in 20 carries for a for-yard average.

Statistically, it was all Tecumseh. The Indians totalled 13 first downs to Blissfield's seven — including three via penalties. Offensively, Tecumseh netted 224 yards to the Royals' 146.

Penalties stymied the Indians. Tecumseh collected five for 65 yards, Blissfield just one for five yards.

The Royals were never able to cross midfield on their own, but capitalized on Tecumseh infractions. Their only drive occurred in the third period, when, aided by a 15-yard penalty against the Indians, the Royals reached Tecumseh's 25.

WR Favored Over Indians

For the first time this season, Tecumseh Indians will be decided underdogs when they clash Friday night against Willow Run at Ypsilanti.

The undefeated WR eleven has swamped practically every opponent and ranks high in Class B ratings. Two weeks ago, the Flyers trounced Hamtramck, 51-0, and last week they bounced Romulus, 34-0.

Except for a couple of linemen, WR is not considered big. But, as always, the Flyers are fast with two backs clipping off the 100 in less than 10 seconds.

If Tecumseh stands a chance — and the Indians do — WR's wide game must be stopped. If their backs get loose, the Indians will be in for trouble, as they have no one coming close to the speedsters.

Scouting reports also show that WR has a better than average passing game to go with their running offense.

Some of the WR lustre can be wiped away as the opposition has been generally weak. The Indians scrimmaged Romulus before the season, and were able to outclass the Detroit suburban school, too.

GAA Practicing Bowling Skills

Tecumseh High School Girls Athletic Association has been bowling the last two weeks at Airport Bowl.

Variations of form and technique showed up among the "beginners," "average," and "expert" bowlers.

For instance, high bowler for Oct. 25, Peggy Martinus, with a 142, was cheered on by teammate Margaret Barritt, who rolled an 85 game.

Kathy Barrett, with 134, and Ann Kennedy, with 129, also had high scores.

Tecumseh Jayvees Rally To Trim Blissfield, 28-14

Tecumseh Jayvees rallied for 14 points in the first quarter and then roared back to score a 28-14 win at Blissfield last Thursday.

Turning the ball over to Blissfield the first four times they had it, put the Indians in a 14-point deficit at the end of the first period.

Indians scored in the second quarter when Bob Dixon went over from the 32-yard line on a sweep. Dixon scored the extra point.

The Jayvees came right back to score again as Mike Kennedy to Jack Baker aerials moved the ball to the 12-yard line. Dixon went in from there, and Bob Reed scored the extra point.

In the third quarter a long Kennedy to Baker pass set up the third touchdown. Gerald Girbach then scored on a short dive. The extra point was good when Kennedy passed to Reed.

Kennedy scored the fourth TD on a wedge to climax a 65-yard drive. The offensive line of Birchfield, Baker, Brown Hinkleman, Gibson, Maynard and Kane opened huge holes in the Royal [illegible] Kennedy passed to Tre[illegible] Ainto for the extra point.

A fine defensive effort was led by Frankie Curtis up front, and the linebackers, Bill Gibson, Gir[illegible] Maynard and Baker. Tom [illegible] intercepted one Blissfield [illegible]

In winning their sixth game, the Indians didn't have to punt once.

This Thursday the Jayvees travel to Grosse Ile for a 6:00 p.m. game to close out the season.

Five Participate in Gym-Swimming Program Saturday

Mrs. Robert Kiebler and five junior high students went Saturday to Adrian College to participate in a gymnastic-swimming workshop.

Girls representing the eighth grade were Nancy Hamilton, Janice Appel, Barbara Hamilton.

Beth Curtiss and Darlene Smith represented the seventh grade. The event was an allday affair starting at 9 a.m. and continuing until 3:30 p.m.

At noon the girls ate lunch in the college dining room and were taken on a tour of the campus.

They learned advance gymnastics skills, which included work on the uneven parallel bars, and free exercise. In swimming they learned new stroke techniques and water safety skills.

The girls felt they learned a lot and will be performing the routines they learned at the December seventh junior high basketball game.

Freshmen Win, 12-7

Tecumseh freshman football team raised its season record to 4 and 2 last Wednesday evening with a 12-7 victory over the Boysville Junior Varsity.

The Little Indians scored with 54 seconds remaining in the game to pull out the win.

Trailing 7-6 with 2:28 left on the clock, the Frosh halted a Boysville drive on the one yard line. In a minute and 34 seconds the Indians marched 99 yards for the winning touchdown.

After the Indians took over, three quarterback sneaks brought the ball out to the 12. A Craig Smith to Scott Dalton pass was good for 11 yards. Frank Geisenhaver picked up a first down on a slant off tackle.

Smith hit Dave Kelley with a pass, good for another first down, and then hit Tony Lisenbee with a screen pass that carried to the Boysville 9, but a clipping penalty brought it back to the 45.

Smith then hit Scott Dalton with the touchdown pass. Dalton took the ball in stride on the 10 yard line with a Boysville defender step-for-step with him, and carried it into the end zone.

Tecumseh had scored early in the fourth quarter on a quarterback sneak to break a scoreless tie. Five minutes later Boysville came right back with a touchdown and extra point to take a 7-6 lead, setting the scene for Tecumseh's final drive.

Fullback Geisenhaver, end Rich Schuyler and Center Alex Gibson turned in fine blocking jobs for the Indians. Linebackers Mike Seitz, Smith and Geisenhaver, as well as tackles Tom Merx and Ken Humphres and end Greg Burns stood out on defense.

Pranksters Hit

Pranksters had fun in downtown Tecumseh Tuesday night, especially in the first west block.

Manikins were hung across W. Chicago Blvd. at Pearl St., and also from top of a light pole at Easton's Mobil station. Another was stuck in a manhole on N. Pearl, just off W. Chicago.

A large tractor tire was flopped in the street in front of the theatre, and car tire there was stuffed with corn stalks.

Pranksters also plastered the area with pumpkins and eggs.

On Brown St., near Bishop Reed Dr., a garbage bag filled with bottles was left in the street and hit by an automobile. Driver was not identified.

Although youngsters had their fun, Tecumseh police kept them under observation most of the time. Police were assisted by several men with CB radios. They cruised around town and reported any mischievousness.

CLINTON'S CHOICE — Reigning at Homecoming festivities, Friday, were from left, members of the court. The crowning ceremony took place on Hartman Field during the half-time in the Redskins-Grass Lake game.

Clark Urges Safety

There is no such thing as legislating "instant safety" on our streets and highways, according to Chief of Police Murell Clark of Tecumseh.

"The new Federal safety regulations which establish vehicle standards and call for greatly expanded safety programs at the state, county and local levels are certain to bring improvement in the death rate, but it won't come soon," the Chief said.

"And there are other grim factors at work which convince me that things are going to get a lot worse on our streets and highways before they get better."

Among the factors listed by the chief which will make it more hazardous on the highways are: more young drivers, higher speeds, popularity of motorcycles, increasing travel, alcohol consumption and failure to use seat belts.

"We are approaching the critical winter months when normal driving hazards are compounded by the weather," Chief Clark said. "Reduced visibility and inadequate traction make it tougher for drivers to stay out of trouble."

He urged motorists to study the following tips for safe winter driving which have been advocated by the National Safety Council's Committee on Winter Driving hazards and endorsed by the International Association of Chiefs of Police.

► Get the "feel" of the road by accelerating carefully to see if wheels spin, or brake gently to see if they skid. Reduce speed accordingly.

► Increase your following distance. It takes three to nine times as far to stop on snow and ice as on dry pavement.

► "Pump" your brakes to slow or stop, don't jam them on. An intermittent pumping action keeps the wheels rolling and helps maintain steering control.

► Have good tires with good treads. Better yet, use snow tires which provide half again as much pulling power in snow as regular tires. Studded snow tires offer still more help on icy surfaces.

► Always carry reinforced tire chains in the trunk of your car for use during severe snow and ice conditions. They provide four to five times as much traction on snow or ice as regular tires.

► Keep your windshield and windows clear at all times. Replace streaking wiper blades gone dead from exposure to sun, wind and oily road film. Be sure that your windshield washer solution contains adequate antifreeze.

"These are practical down-to-earth recommendations," Chief Clark said. "I urge every motorist to heed them."

Accident records show that driving after dark is far more dangerous than day light driving.

MRS. RONALD WALKER

Sharon Alleen Artz and Ronald Lee Walker Wed

Sharon Alleen Artz and Ronald Lee Walker spoke their marriage vows in the Clinton Methodist Church, Saturday evening.

The bride is the daughter of Mr. and Mrs. Grover A. Artz, of 129 Clark St., and the bridegroom is the son of Mr. and Mrs. Elvie Walker, 105, E. Michigan Ave., all of Clinton.

The candlelight ceremony was performed by the Rev. David Liscomb before an altar graced with white gladiolus and white chrysanthemums.

Benjamin Campbell, formerly of Hawaii, now of Ann Arbor, played the Lohengrin wedding march, and accompanied Luella Artz, aunt of the bride, of Grass Lake, as she sang the "Hawaiian Wedding Song."

The bride wore a gown of white Chantilly lace styled with a Sabrina neckline outlined with sequins, long sleeves, fitted bodice, and a bouffant skirt with a matching detachable train.

An orchid of lace petals held the bride's veil of illusion. She carried a cascade arrangement of white orchids, white roses and stephanotis.

The bride's sister, Mrs. Robert R. Warzynski of New Mexico, was her matron of honor. She wore an empire styled ballerina length gown of rose satin. A matching simulated rose held a circlet veil and she carried a bouquet of red and pink sweetheart roses.

The bridesmaids were Emmagine Stafford, of Ypsilanti; Linda Waters, of Clinton, and Nila Artz, sister of the bride.

The bridesmaids wore blue satin gowns matching the matron of honor's gown, and carried bouquets of red sweetheart roses.

The best man was Thomas Brown of Clinton, and the ushers were Richard Bo[illegible] ton, Ronald Randolph, of Tecumseh, and Glen Lewis of Clinton.

A reception for 150 guests was held at the Eagles Hall, Tecumseh.

Assisting at the reception were [illegible] ter of the groom; Sherry Artz, Grass Lake, and Kathy Artz, Laurie Artz, Tresa Artz, and Mary Artz, all cousins of the bride, of Jackson.

The bride is a 1966 graduate of Clinton High School, and is employed at Dearborn Steel Tubing Company, Clinton.

Mr. Walker attended Clinton High School, and is employed at General Motors Hydramatic plant, Ypsilanti.

The rehearsal dinner was held Sunday evening at the home of the bride's parents.

Sandra Kay Poore Marries Brian Lee Baker

CLINTON—Nuptial vows were recited by Sandra Kay Poore and Brian Lee Baker, Friday evening in the United Church of Christ.

The bride is the daughter of Mr. and Mrs. Joseph Poore of Tipton, and the bridegroom is the son of Mr. and Mrs. Frank Baker of 111 Clinton-Macon Rd.

The Rev. Paul McKenna performed the 7 p.m. ceremony before an altar decorated with bouquets of white gladioli and chrysanthemums.

The soloist, Mrs. James Baker, sister-in-law of the groom, was accompanied by Mrs. John Fox at the organ.

The bride's gown was of peau DeAnge lace, and organza, featuring baby doll sleeves of lace and bows, and accented with sequins and lace medallions. A chapel train was attached to the empire waist in back.

Lace petals held her veil of illusion.

Mrs. Richard Brown of Tecumseh was the matron of honor. She wore a gown of green lace with a bouffant headpiece and full-length matching veil.

The bridesmaids were Mrs. Gary Poore, of Clinton, Mrs. Wayne Poore, of Saline, sisters-in-law of the bride; and Mrs. Kenneth Spaulding of Dundee.

They were gowned alike in gold lace.

The flower girl was Catherine Baker of Clinton, and the ring bearer was Gary Todd Poore of Clinton.

Morris D. Baker of Clinton, brother of the groom, was the best man.

The guests were seated by Donald Feldkamp of Clinton, Gary Poore of Clinton and Wayne Poore of Saline, brothers of the bride.

A reception attended by 150 guests was held in the Manchester Sportsman's Club, Manchester.

The bride is a secretary at the Budd Company in Clinton, and Mr. Baker is employed at Ford Motor Company, Ypsilanti.

The couple will reside at 1167 Breyman Hwy., Tipton.

Music Man Cast Chosen

CLINTON — Charles "Chuck" Wilder has been chosen to play the lead role of "The Music Man," which will be presented, Nov. 10, 17, and 18, by the Clinton High School choir and drama class, with music by the symphony band.

In previous productions, Chuck gave highly competent performances, as Koko in "The Mikado," and as the major general in "The Pirates of Penzance."

Debbie Gibbard will have her first lead role in the musical comedy which will be directed by Mrs. Donald Geiger. Debbie is well-remembered for her comedy skits in the Band Follies.

Other members of the cast are Mitch Geiger, as Charlie; Larry Sebring, as Marcellus; Kay Harrison, as Mrs. Paroo; George Wise, as Mayor Shinn, and Judy Hoyt, as the mayor's wife, Eulailie.

Mr. and Mrs. Hans Schmidt spent a few days last week at Roscommon.

REDSKINS EXPRESS BY CLINTON'S SENIORS WON FIRST PRIZE FRIDAY

Queen Janice Reigned

CLINTON — The senior's cleverly-contrived "Redskin Express" steam engine float was awarded the $15 first prize in the Clinton High School homecoming parade, Friday.

With the weather alternating between snow and rain showers, the seniors made a good choice of materials for their float, which was covered with black plastic in a near life-size replica of an old time steam engine, with large red wooden wheels that turned, and a recorded "chug-chug" sound effect.

The second place prize of $10 was won by the junior class float, a replica of the Wright Brothers' first airplane, with a slogan, "Fly Wright to Victory."

Third prize of $5 was won by the freshman class with the float called Redskins' Address. Constructed of red and white tissue paper, the float featured a simulated scroll with the words, "They came, we saw, we conquered."

"No room for Grass Lake" was the slogan on the sophomore class float.

The seventh and eighth grade combined talents to construct a float entitled "Light up with Victory."

The Redskins' marching band led the parade of homecoming queen candidates and floats through the village. Announcement of the queen's came at the game with Grass Lake later in the evening.

Janice Heimerdinger, daughter of Clarence J. Heimerdiner, was crowned homecoming queen at the half-time ceremony by last year's queen, Jeannie Lancaster.

Serving in the queen's court cee Meyers.

Dodgers Scorned

Pfc. Robert Pospisil, stationed in Vietnam, sent the following poem home to his parents, Mr. and Mrs. Joseph Pospisil.

It was written by a Vietnam buddy whom he didn't identify.

TO DRAFT DODGERS

Take a man then put him alone,
Put him 12,000 miles from home.
Empty his heart of all but blood,
Make him live in sweat and mud.
This is the life I have to live,
And my soul to the devil I give.

You "Peace boys" sit in your easy chair,
But you don't know what it's like over here.
You have a ball without near trying,
While over here the boys are dying.

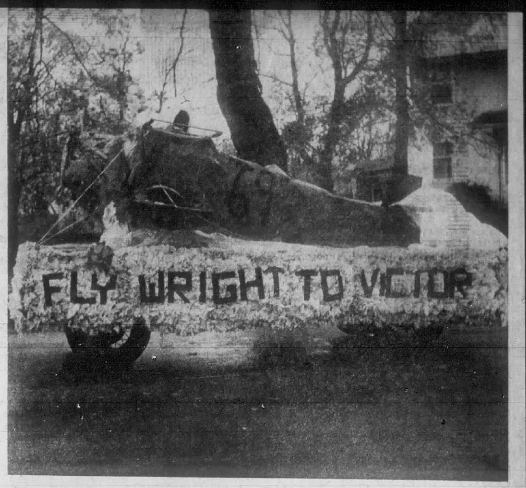
You burn our draft cards and march at dawn,
Plant your flags on the White House lawn.
You all want to ban the bomb,
There is no real war in Vietnam.

Use your drugs and have your fun,
Then refuse to use a gun.
There's nothing else for you to do,
And I'm supposed to die for you.

I'll hate you till the day I die,
You make me hear my buddy's cry.
I saw his arm, a bloody shred,
I heard them say, "This one's dead."

It's not a large price he had to pay,
Not to live to see another day.
He had the guts to fight and die,
He paid the price, but what did he buy?

He bought your life by losing his,
But who gives a damn what a soldier gives.
His wife does, and maybe his son,
But they are just about the only ones.



WIND WHIPPED — Second-place float, "Fly Wright to Victory" by Clinton's junior class, depicted Wright Brothers' first airplane.

Obituaries

● **MRS. IDA A. SMITH**

Services were held Saturday at the Proctor Funeral Home for Mrs. Ida A. Smith, 86, who died Oct. 26 at a nursing home in Adrian where she had been a patient for six weeks.

She was born in Fremont County, Ia., Oct. 17, 1881, and moved to the Adrian area in 1951.

She was married April 30, 1902, to John B. Smith. He died in 1959.

Mrs. Smith was a member of the Rebekahs and the Christian Church at Gravity, Ia.

Mrs. Smith is survived by a daughter Mrs. Clarence (Maxine) Gariety of Adrian; three sons, Merle Smith of Adrian, Gus W. Smith of Clinton and Neal Smith of Tecumseh; eight grandchildren and two sisters, Mrs. Alice Neher of Milwaukee, Ore., and Bertha Aldrich of Iowa.

Mrs. Smith was preceded in death by her husband, a son, and two brothers.

The Rev. Charles Sturm officiated and burial was in Lenawee Hills Memorial Cemetery.

● **MRS. VIVA C. BROWN**

Services were held Monday at the Niblack Home for Funerals for Mrs. Viva C. Brown, 77, of 145 Osborne St., Britton, who died at her home Saturday morning.

She had been in failing health for two weeks.

Mrs. Brown was born in Britton March 21, 1890, and was a life-long resident of the community. She was the daughter of Henry and Carrie Hoagland Bachman.

She was married to Charles Brown Dec. 14, 1911, who preceded her in death Nov. 6, 1933.

Mrs. Brown was the Ridgeway Township clerk, serving in that capacity since 1933.

She was also a member of the Congregational Christian Church of Britton.

Surviving are four sons: Dr. Raynor Brown of Adrian, Ned and Henry of Britton, and Carl of Blissfield; one daughter, Mrs. Robert (Frances) Wallace of Britton.

She was preceded in death by a daughter, Josephine, a brother, and sister.

The Rev. G. O. Hannevik officiated and burial was in the Ridgeway Cemetery.

● **MRS. WORTH McCLURE**

Services were held Tuesday at the Dunn Funeral Home for Mrs. Worth McClure, 53, of 1009 Shady Lane, who died at 10 a.m. Sunday at Bixby Hospital.

She had been a patient for three days but in failing health for two years.

Mrs. McClure was born July 21, 1914, in Cobb County, Ga., and was married June 14, 1935, to Mr. McClure in Anderson, S.C.

They had lived in Tecumseh since 1948.

Mrs. McClure was employed at the Ottawa Machine Co.

She was a member of the Seventh-day Adventist Church in Adrian.

Besides her husband, she is survived by two daughters, Mrs. Gayle (Carolyn) Wilson of Berrien Springs, and Mrs. Kendall (Marilyn) Rudolph of Columbus, O., and two grandsons.

Two sisters, Mrs. Willard Smith of Norcross, Ga., and Mrs. Marvin Simmons of Douglasville, Ga.; four brothers, Byron and Eric Black, both of Atlanta, and Watson and Fred Black, both of Austel, Ga., also survive.

She was preceded in death by two brothers.

Elder Leclare Reed and Elder Peter Fritz officiated and burial was in Brookside Cemetery.

Teen Life Chorale Performing Here

Members of the Teen Life Chorale, under the direction of Mrs. R. L. Bleecker from Adrian, will be guest performers at the meeting of the Tecumseh Music Makers Sunday at St. Peter's Episcopal Church.

The meeting will be held from 2 to 4 p.m. with advisor Mrs. Truman Rentschler presenting background material for the Messiah. Twenty-seven members plan to attend the Oratario in Ann Arbor in December.

Hostesses will be Candice Christman, Jamie Danforth, Marcia Gilbert and Darlene Smith.

Clinton Chatter

Mrs. Edward Miller of Denver, Colo., and brother, Larry Van Deusen, who had visited her for a few weeks, came to Clinton for the funeral of their brother, Grant Van Deusen, of Ann Arbor, and remained with their parents, Mr. and Mrs. Leon Van Deusen, for a few days.

Weekend guests of Mr. and Mrs. Maxwell Stamats, for the wedding of their son, William, and Nadine Milligen on Saturday in Ypsilanti, were Mrs. Stamats' sister and brother-in-law, Mr. and M[illegible]rold Barr of Marshall; brother and sister-in-law, Mr. and Mrs. Rex Hammond and family of Dryden; and parents, Mr. and Mrs. Otto Amon, of Yale.

"What's a GAS INCINERATOR got that I haven't?"

"Maybe I don't look so good . . . but I do lend a bit of *atmosphere* to the place. And I'm quite a *dratwing card* when it comes to flies and varmints! What's so great about a Gas Incinerator . . . always bragging about its health and cleanliness—that it doesn't even smoke when it consumes rubbish and refuse. Well, I'm not taking any more 'garbage' from them! You'll see . . . replacing me with an automatic Gas Incinerator will make a big difference in their life!"

You, too, can end trash and garbage problems by switching to a new, smokeless, odorless Gas Incinerator

Dairymen Can Boost Profits

Dairy farmers can increase their profits through the use of production records advises Norman H. Bless, Lenawee County Extension Agricultural Agent.

Michigan Dairy Herd Improvement Association sends a supervisor to dairy farms to compile records which will help the farmer to cull out low producers.

Three dairy record - keeping plans are offered.

The supervised DHIA plan provides data on production and feed which is electronically calculated to give production to date, monthly and year-to-date herd totals, total and average feed cost, and income over feed cost.

Monthly and yearly reports are given for milk yield of each cow and for butterfat tests under the owner-sampler plan. Records give feeding, culling, and management information.

The tri-monthly plan is to provide butterfat and milk weights every third month. Each cow is ranked according to her estimated 305-day mature equivalent production. Other information includes average age and culling level.

The supervised DHIA plan averages 60 cents per cow per month, based on a monthly herd fee of $8.00 plus 40 cents per cow. The owner-sampler plan costs 40 cents per cow on the average, and the tri - monthly plan costs 13 cents per cow per month, based on a quarterly fee of $4.00 per herd plus 25 cents per cow.

The program is supervised by Michigan State University and full information can be obtained from the Lenawee County Extension Office at the Courthouse.

Theodore P. Tiede Rates Outstanding As Army Trainee

Army Pvt. Theodore P. Tiede, 19, son of Mr. and Mrs. Albert P. Tiede, 8735 Mills-Macon Hwy., received awards for being his company's outstanding trainee, high scorer on the rifle qualification test and high scorer on the proficiency test held at the end of his basic training cycle at Ft. Knox, Ky., Oct. 6.

The proficiency test, based on the skills he was taught during his eight weeks of training, included hand-to-hand combat, use of the bayonet, drill, first aid, squad tactics and written examinations.

Pvt. Tiede was selected outstanding trainee by his instructors for demonstrating exceptional ability and initiative in classroom and field instruction throughout his training.

Christian Science Lesson Announced

"Adam and Fallen Man" is the subject of this week's Bible Lesson to be read in all Christian Science Churches Sunday.

The Golden Text is from Isaiah: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?"

Presbyterian Net Is $2,000

The Women's Association of the Presbyterian Church completed a highly-successful Treasure Hunt Fall Festival Thursday with a profit of about $2,000.

Over 500 persons were served lunch and dinner in Fellowship Center. Committee members were pleased with an almost 100 percent participation of members.

A decision will be made at the Nov. 15 meeting of the Association as to what purpose the proceeds from the fair will be used for.

Possibilities include the building program, mission projects or present church needs.

Past Matrons Elect Slate

Seventeen members of the Past Matrons Club of OES attended the annual meeting at the home of Mrs. Fay Hindes in Britton, following a dinner in Adrian.

Vases of chrysanthemums of all colors enhanced the Hindes' residence where Mrs. Robert Bonner presided at the business session.

The present slate of officers was re-elected to office. They are:

President — Mrs. Bonner.

Vice-president — Mrs. Harry Beland.

Treasurer — Mrs. John Smith.

Secretary — Mrs. Ralph Westgate.

A thank-you was read from Mrs. Calvin Dixon, Jr., for the gift presented to her at the initiation.

Mr. and Mrs. Melvin Ruettinger will host the Christmas party, Dec. 3, with a turkey dinner at their home.

The patrons are invited, also worthy matron, Mrs. Dixon, and her husband, and worthy patron, James Tonneberger and Mrs. Tonneberger.

A gift exchange will be held.

Members present signed a card of thanks to Mrs. Melvin Smith in Florida for the finger towels that she presented members at the last meeting.

Initiation of Mrs. Glenn Driscoll, as an honorary member for her 21 years of service as organist for the OES, and Mrs. Stanley Miller, the newly-made past matron, was held.

Mrs. Ray Schlegel, mistress of ceremonies, was assisted by other members in making a last impression on candidates.

Mrs. Bonner was the winner of the mystery gift and will bring another one to the Dec. 3 meeting.

Dainty cookies, coffee and tea were served by the hostess.

Marine Cpl. Richard Buckmaster, son of Mrs. Loretta Armstrong, 9103 N. Union St., is serving with Marine All-Weather Attack Squadron-533, First Marine Aircraft Wing at the Marine Corps Air Station, Cru Lai, Vietnam.

His squadron's primary mission is to destroy enemy aircraft and missiles, attack surface targets, escort helicopters and perform various other air operations.

40th ANNIVERSARY — Mr. and Mrs. Harry Russell of 10300 Britton Hwy., will observe their 40th wedding anniversary Sunday. Mr. and Mrs. Russell have lived in the area for 35 years, and Mr. Russell has been employed at the Tecumseh Products Company since 1953. They have five children, Harold Russell, of Ypsilanti; Kenneth Russell, of Maumee St., Tecumseh; Mrs. Robert McTaggert, of Saline; Mrs. Floyd Lindsey, and Charles Richard, both of Adrian; and 14 grandchildren. The family is hosting an open house at the Macon Methodist Church Sunday from 2 to 5 p.m.

TIPTON BRIEFS

Mr. and Mrs. Ray Stockinger and family were Sunday guests of Mr. and Mrs. Lynn Voegeding in Manchester.

√

A public card party will be held Saturday at 8 p.m., at the Tipton K of P Hall.

√

The Pythian Sisters and K of P members will meet on Monday at 8 p.m., at the hall. The Past Chiefs will fill the chairs and provide the lunch.

√

Guests of Mr. and Mrs. Rodney Bird and sons on Saturday evening were Mr. and Mrs. Fay Luce, Mr. and Mrs. James Ladd and family, of Samaria, Mr. and Mrs. Wallace Wilkin and Janis, Mr. and Mrs. Richard Rudd and children, Mr. and Mrs. Bruce Norton and son.

The Addie Kemp Past Chief Club will meet Nov. 9 at the home of Mrs. Richard Vollmer and Mrs. William Vollmer at 7:30 p.m. This is a change of date.

Grange Officers To Be Installed

Installation of officers at Tipton Grange will be Friday. A potluck supper will be served at 7:30 p.m.

Installing officers will be Mr. and Mrs. Lear Van Valkenburg, and the supper committee is Mr. and Mrs. Merrick Dibble and Mr. and Mrs. Raymond Platt.

Republican Officials at Session

The Franklin Township Republican Club was honored Sunday night with two representatives and their wives.

Present were Mr. and Mrs. Thomas Sharpe, from the 51st District, and Rep. and Mrs. Robert Stites from the 40th District.

The group of 30 people met at the home of Mr. and Mrs. Raymond Platt, with Mr. and Mrs. Lamont Simmons as co-hosts.

Mrs. Clayton Greenwald, chairman, conducted the meeting and welcomed the guests.

Program Chairman Faun Platt introduced the speaker of the evening, Jerry Roe, from the State Central Executive Committee. His theme was Republican Township Clubs and how they can contribute to local and State politics.

Rep. Sharpe and Rep. Stites each gave a very interesting report on pending legislation in the House of Representatives.

Mr. and Mrs. Mills Swick and supervisor Charles Bigelow were guests from Macon. Miko Watts, from Adrian, a member of State Central Committee, was also a guest.

Next meeting will be held at the home of Mr. and Mrs. Clayton Greenwald, with Mr. and Mrs. Richard Platt as co-hosts. Mr. and Mrs. Elwyn Shea will be program chairmen.

Yeoman LaPrad Is Now Instructor

Yeoman Robert E. LaPrad was appointed Oct. 20 as instructor at Mine Squadron 11 for a course in legal affairs to be given to the men of Mine Squadron 11.

Appointment was made at the U. S. Naval Station, Long Beach, Calif.

The class was conceived by YN LaPrad as a result of his work here as Squadron Legal Yeoman, and the appointment is an unusual one to be given to a junior Navyman.

YN LaPrad was formerly employed at the Tecumseh Products Company, and he attended Eastern Michigan University before enlisting in the Navy on March 17, 1966.

Mine Squadron 11 has distinguished itself through the Squadron's Detachment ALFA located at Nha Be, South Vietnam. Mine Squadron 11 and Mine Squadron 11 Detachment ALFA are composed of mine sweeping boats — about 57 feet in length — and are charged with keeping the inland riverways free of water-mines.

5 Contributions Are Made to Fund

Recent contributions to the Herrick Memorial Landscaping Fund have been made in the memory of:

Mrs. Ilo Hanna from Mr. and Mrs. O. W. Laidlaw.

Paul Ammer from Mr. and Mrs. O. W. Laidlaw.

Paul Ammer from Mr. and Mrs. George D. Gould.

Mr. and Mrs. Ellsworth Collins from Mr. and Mrs. R. G. B. Marsh.

Mrs. Beatrice Ring from Mr. and Mrs. Eldon Gottschalk.

what kind of coffeemaker do you use?

It really doesn't matter.
Any coffeemaker can give you a good cup of coffee,
providing you use a fine fresh coffee
that is ground exactly right for your coffeemaker.

We've always known that the correct grind
is important to coffee flavor.
That's why, years ago, we developed Custom-Grinding.
That's why we don't have just one or two grinds
but seven different grinds... to fit any coffeemaker,
including electric percolators, of course,
(Ask for medium-fine grind for electrics).

Custom-Grinding means a little extra work for us
and a little extra time for you.
(It takes 15 seconds to grind a pound).
But what a difference in flavor those few seconds make.

You know, there's only one reason we insist
on selling custom-ground bean coffees... WE CARE.

Marda Gene Duncan's

Through My Window

GETTING READY FOR —

This is such a busy, busy time of year. The birds and squirrels have a built-in calendar, they know what's coming. These fall days can be deceiving — the bright, warm sunshine, the clear blue skies and all of the brilliant color sometimes conspire to lull us into a false sense of security. I say false sense, because in spite of all the nice things about fall, one cold and chilly fact remains, winter is the next season.

Old Man North Wind is waiting in the wings and every day he becomes more anxious to blow all sorts of nasty weather our way. The birds and squirrels realize this and are busily preparing.

The squirrels are always great favorites. Their actions and antics provide the best form of window watching, and this time of year they seem to outdo themselves. In the first place they are in top form physically. They are fat, their bodies are round and their jowls full; their fur coats are nothing short of luxurious, they are silky and sleek-looking.

And is it my imagination or are our squirrels' tails bushier than ever? Stop right here, Marda, please do not go reading any weather predictions into the furriness of the squirrel's tail.

Of course, if I were to search for signs and omens, perhaps, something could be made from the size of the nut caches which are being industriously collected. I suppose our walnut trees did not really have a bigger than ever crop of nuts this year — it just seems that way. I do believe that every year which is a good nut year finds me thinking in terms of super-duper bumper crops. This year was probably nothing extraordinary, it is just an ordinary good year. But anyway, the ground beneath the trees looks as though it were covered with a thick nubby green carpet and oh, my, what a time the squirrels are having.

From morning 'til night they are busy and they must all be paid-up members in good standing of the movers' union. But all of their nut-hauling away is really not making too much of a dent in the walnut carpeting. And if they only knew, there is actually no need for so much haste, they do not have to almost run their legs off carrying walnuts to those secret hiding places. When the time comes — the time has already come, Marda, you should say when the chance comes — to tidy up the yard for winter, the walnuts will merely be raked over the creek bank. The squirrels can gather them there at their leisure.

I am rather glad they do not realize this, however, because it is great fun to watch their bustling and bustling. As near as I can tell, the work force consists of four fox squirrels and two or three little reds. Ordinarily this combination would produce all kinds of great battle watching, but everyone is so engrossed in the business of filling their winter storehouses that they don't even seem to notice who their co-workers are. It would be fun to know where the various caches are and to know just how many nuts are stored away. The squirrels move too fast, though, for us to do much prying. They grab a nut, quickly tear off the shuck, streak up a tree trunk, hit their tree road and zoom off to who knows where.

Our bird feeders are, of course, being completely ignored; in fact, as far as the squirrels are concerned, these days the bird feeders are strictly for the birds. Even a good supply of tasty new sunflower heads is not attracting them. Fortunately, the birds, laboring under no compulsion to store up goodies, are having a field day at the feeders. They appreciate the full banquet boards. The blue jays had a marvelous Sunday — four of them feasted.

So it is that although I go to great lengths to avoid using the cold and chilly six-letter word which names our next season, I must own up to enjoying the squirrels getting ready for ——.

Club Collects Clothes, Gifts

The Shawnee Republican Women's Club voted to answer an appeal for clothing and toys for children in the inner city of Detroit, at a meeting Tuesday evening at the home of Mrs. Helen Sisson.

Needed are new sweaters, dresses, trousers, socks, undershirts, pants, and toys, for children three to five years old.

The club will have a wrap, session for these gifts at the next meeting.

If any individual or organization would like to donate to the project, the club members will wrap and deliver the gifts. If money is donated, it will be spent for these much-needed items.

Contributions may be left with Mrs. Helen Sisson, Mrs. Ned Baldwin, Mrs. Fay Whelan, or Mrs. Stella Hubbard.

Mrs. Genevieve Rodehaver described the "Head Start" project which she has directed at the Madison School District for the past three years.

The program started with preschool children from under-privileged families. Now, it is being followed up with some first and second graders who have trouble adjusting to school life. However, the emphasis is still on preschoolers.

An effort is made for the mothers to participate, to some extent, with the hope that training will extend into the home. Mrs. Rodehaver said, "The program seems [illegible] worthwhile."

It was voted to hold meetings on the fourth Tuesday of the month, with the next one on Nov. 28, at 7:30 p.m., at the home of Mrs. Ned Baldwin.

Dr. Eddy Speaks

Dr. Howard Eddy of Adrian spoke on "diabetes" at the October meeting of the Lenawee District Nurses Association, Thursday in Bixby Hospital auditorium.

He discussed several new techniques and practices in this field, particularly in the treatment of diabetic retinopathy. This condition is a result of diabetes and eventually causes loss of sight.

Dr. Eddy reviewed another complication of diabetes, acidosis or coma, which is due to a lack of insulin, and he discussed the nurses' role when this arises.

During the question and answer period, the difference between juvenile and mature diabetics was discussed, as well as the different types of medication — oral tablets and injectable insulin.

Following Dr. Eddy's presentation, delegate Mrs. Journey Stoner reported on the Michigan Nurses' Convention she attended in Lansing, Oct. 10-13.

An increase in the annual dues was unanimously approved with the extra funds to be directed into the Economic Security Program, benefiting nurses throughout the state. Mr. John Wick, former head of the Economic Security Program, is the newly-elected president of MNA.

The district decided to raise the rates of private duty nurses to $20 per eight hour shift. All the district hospitals will be notified of this increase.

It was announced that Mrs. Lavern Moll, director of nurses at Herrick Memorial Hospital, has been elected as one of six MNA representatives in the Nursing Service Administration section and will attend the bi-annual American Nurses Association convention in Dallas, Tex., next year.

Refreshments with a Halloween theme were served by the Hudson nurses.

Convention reports will be presented in more detail at the Nov. 16 meeting.

Two Achieve MSU Honors

Two from Tecumseh have been accepted among 320 Michigan State University students as new members in the Honors College.

Joanne M. Brion, daughter of Mr. and Mrs. Harold G. Brion, 606 Center Dr., and Sylvia M. Fritz, daughter of Mr. and Mrs. Earl Fritz, Occidental Hwy., have at least a 3.5 (A-minus) all-University grade average in their freshman year to be eligible.

The Honors College provides special academic programs for superior undergraduates, and each has the opportunity to develop his own program suited to his interests and abilities.

Miss Brion is a sophomore in elementary education and Miss Fritz, a sophomore in art practice.

The girls are in the upper five percent of the student body.

NOTICE OF HEARING

A hearing on the proposed amendment to the Township Zoning Ordinance as recommended by the Township Zoning Board will be held at the office of the Township Supervisor at 2485 East Monroe Road in the Township of Tecumseh, Lenawee County, Michigan, on Tuesday, the 14th day of November, A. D. 1967, at 8:00 o'clock in the evening of said day, at which time all property owners may appear and be heard.

The plan of the proposed changes may be inspected during normal business hours at the office of the Township Clerk at 2485 East Monroe Road, Tecumseh, Michigan.

The proposed change contemplates re-zoning (from residence to commercial) land fronting on Occidental Highway, being a part of the East Half of the Southeast Quarter of Section 29, described as:

Beginning on the East line of said Section 996.62 feet North 0°32' East from the Southeast corner of said section; thence North 0° 32' East 1223.68 feet; thence North 89° 23' West to the line of said East Half of the Southeast Quarter 1327.77 feet; thence South 0° 30' West along the West line 1253.79 feet; thence North 89° 20' East, 1327.77 feet to the place of beginning. Containing 37.75 acres, except the East 300 feet thereof heretofore detached from the Township and annexed to the City of Tecumseh.

Dated: October 20, 1967 A. D.

Tecumseh Underdog Friday Against Adrian

Unless there's a blizzard like last week, some 3,000 Adrian and Tecumseh fans will congregate at the athletic field here Friday night for the "big" game — Adrian versus Tecumseh.

No other game on the Indian schedule has the appeal that this one has, and it's Adrian's top drawer, too.

Just a month ago the clash would have been rated a runaway for the Maples, but times have changed and the Indians have improved. To what extent remains to be seen.

Adrian sports a 5-3 record against tougher competition, and a couple of losses were by the narrowest margins. The Maples are far better than last year's team, one which upset Tecumseh 13-12 at Adrian.

Coach Tom Fagan's team is undoubtedly a big disappointment. Tecumseh bowed four straight times and has only a 3-4-1 record. Lutheran West bombed the Indians in their first loss, 26-21, but LW has a good club.

Defeats by Flat Rock, Saline and Grosse Ile were shockers. The improved Tecumseh team today, however, would have no trouble handling the three and reversing the decisions.

Tecumseh looked sharp in shellacking Airport, and misfortune prevented the Indians from scoring at least twice against Blissfield in a 0-0 battle.

Last week, Tecumseh took on second-ranked Willow Run and knocked the Flyers out of the undefeated ranks with a 13-7 win.

The Indians are improving, getting stronger each week. Whether their improvement is enough to handle the visiting Adrian eleven is questionable. The Maples are tough.

Adrian boasts two fine running backs in Harley Westfall and Bud Rowiley. Gregg Arbaugh is a better-than-average passer. Both offensive and defensive lines are tough to run against.

If the Maples take the Indians lightly, in view of their 3-4-1 record, they could be in for a surprise. Since this isn't apt to happen, Adrian should rate a couple of touchdowns over the Indians.

However, Tecumseh is capable of an upset. Remember a year ago when the Indians were heavy favorites and lost?

In 12 Adrian-Tecumseh games, Adrian holds the edge, 7-4, with the 1960 game going into the record books as a 7-7 tie.

Resident, City Join To Fight Trailer Park

Council was told Monday night that plans are being formulated for a 300-unit trailer park on 40 acres at the west edge of the city limits on township property.

Donald Purkey, N. Occidental Rd. resident, told officials that the Tecumseh Township Board was prepared to change zoning next Tuesday night in order to permit the trailer development.

City Manager Cal Zorn and Mayor Harold Easton said they had been approached several weeks ago by Art Eaton, township supervisor, as to the city's feelings on trailer parks, but nothing definite, such as sewer and water service, was mentioned or requested.

Mr. Purkey said he was ready to take legal action to stop the development and asked city officials about their feelings. Councilmen agreed unanimously to oppose the development, and requested City Attorney James Beardsley to investigate every possible way for the city to fight the development.

In an answer to a question about such a development, Mr. Beardsley stated "it would be horrendous." He said that the city should support Mr. Purkey and become involved if the matter goes to court.

In a lengthy discussion, he explained that petitions could be circulated and have the issue placed on the township ballot. In this instance, township voters would decide the issue.

Mr. Purkey said that he was told by a township official that the area would be re-zoned from residential to commercial, and it would not make any difference if opposition showed up at next Tuesday's meeting.

During Council's discussion, several city officials pointed out that the trailer park would be adjacent to "prime" city residential property, although not developed at the present.

According to Mr. Purkey and a couple city officials, the trailer park development would be located north of W. Chicago Blvd., or M-50, behind the former Tecumseh Lumber Co., and west of Occidental.

Entry would be made off Occidental Rd. and through property within the city. Mr. Beardsley said Tecumseh could not prohibit a private drive or street from the development to Occidental, but would have jurisdiction if the street became public.

The proposed park would adjoin Mr. Purkey's property at the north. Several residents in the northwest section of Tecumseh have voiced opposition to the development.

They feel a trailer park would downgrade their home and ruin development of future homes, directly east and across Occidental Rd. This area consists of several hundred acres with Evans Creek winding through it.

According to Mr. Zorn, the city's old master plan and zoning went only to the edge of city limits. The master plan now being devised extends zoning one-half mile beyond city limits.

HOLIDAY BALL — Mrs. Thomas Rudd and Mrs. William Hanna prepare decorations for Tecumseh's social event of the year. They're in charge of festivities and have selected members of the Herrick Memorial Hospital Auxiliary to assist them. Invitations will be sent out soon.

Harvey House Motel Now Has 31 Units

A new 10-room unit has been added to the Harvey House Motel on W. Chicago Blvd. It was completed Saturday.

Harvey and Doris Carpenter started the motel in 1965 and now have 31 rooms with the new addition.

The extra 10 rooms, however, were not enough, just two days after the completion. Harvey House was filled to capacity Monday night.

The new rooms, fully carpeted and paneled, are almost identical to the original, main unit rooms.

Benedict and Cheevers were the general contractors. Clauda Plumbing and Heating and Ralph Sager were subcontractors. Work was started in June.

Honor Jaycees

Tecumseh Jaycees received a first place award and recognition in the publication, Jaycees Michigander, this month in an article entitled Case Digest 1967 of Community Development Projects.

Dwight Helms was chairman of the football lighting project and Thomas Morgan was president of the group. They, with the assistance of many other active Jaycees, brought the project to a successful close.

The Michigander article read:

Tecumseh is a small town proud of its high school football teams. Typical, too, is the drive of the Jaycees that wanted their town to have the best available for their team. In 1964, fire destroyed an already obsolete football field lighting system. Should its replacement be financed from an education budget? The Jaycees thought not. For two years and 6,558 man-hours, the Jaycees worked with their community. The Tecumseh Herald, Detroit Free Press, Michigander, Future, and WLEN-FM and WABJ-AM, at a cost of $21,286, Tecumseh now enjoys a football lighting system superior to any high school system in southern Michigan. A big job for a small town. The Jaycees provided the catalist, the spirit, — Tecumseh provided the support.

Tests Are Free

Tecumseh and area residents will be offered free tests for diabetes at Herrick Hospital, Nov. 16-17.

Others serving on this committee are Mrs. Bernard Koehne, Mrs. Robert Perkins, Mrs. Robert Goretti, Mrs. Jack Whelan, Mrs. Paul Hohenstein, Mrs. Virgil Tucker, Mrs. Richard Platt, Mrs. A. J. Phelan and Mrs. Donald Phelan.

The publicity committee consists of Mrs. Loren Forrester and Mrs. Harold Ocamb.

Hayden Mill's Zoning Decision Tabled by Council

A change of zoning for Hayden Mills was tabled to the next meeting by Council Monday night.

Joe Hayden, general manager for the firm, had requested a zoning change for a small lot, adjacent to the mill and next to the railroad tracks, for erecting storage facilities.

He told city officials that at the present gasoline drums were buried in the lot, which is now being used commercially by the company.

At Monday night's public hearing, no residents were present to object to the change.

Featuring India Missionaries

India missionaries, the Rev. and Mrs. William Pease, are on furlough and will be featured Friday at the Church of the Nazarene.

He will speak Friday evening at 7:30.

Saturday night at 7:30, he will speak at services at the Ridgeway Nazarene Church.

His speeches also include slides of the missionary work in India.

City Acquires More Land for Parking

Council learned Monday night that the Albert Bagshaw property on S. Evans St. was purchased for the city by Cal Zorn, city manager.

He had discussed the purchase previously with several councilmen.

The property includes the present Quick Lunch, owned and operated by Otto and Evelyn Beaubien, and adjacent parking and alley way to the south and west.

Sale price was $15,000, with $5,000 down and $2,000 per year at five percent interest. The Beaubiens have a lease until May, 1972.

Purchase of the property is for additional downtown off-street parking.

Implement Co. Asks Re-Zoning

A special meeting of the Clinton Township was held last Thursday to consider the petition for re-zoning of property at the intersection of Pennington and Bilimyer Rds.

Contingent on the rezoning from agricultural to commercial, an implement company plans to operate experimental equipment on the 160 acres.

A public hearing will be held to consider the rezoning request on Monday, Nov. 20, at 8 p.m. in the Clinton Township Library.

Slim, Swim Classes Planned for Gals

Arrangements for a ladies slimnastics and swim class, one or two evenings a week, will be made at an organizational meeting Monday, Nov. 13, at 6:30 p.m. in Club Room C of the YMCA in Adrian.

Director Walter Kerley will show a film pertaining to facilities, and conduct a tour of the building.

He will accept fees for membership that evening and schedule the classes.

"Special effort should be made by those interested," Mr. Kerley said, "in attending this one meeting to insure the success of such a program."

Worker Is Injured

Douglas Miller, 23, is the first casualty at the new Michigan International Speedway site near Cambridge Junction.

Miller, a construction worker, was injured Monday while a crew of workmen were felling trees to clear the ground. He was pinned neath a tree in a swamp area.

Mr. Miller, whose home is in Allegan, is in fair condition at Herrick Memorial Hospital with back and leg injuries.

Community Fund Drive Tops $55,000 Goal

A pessimistic view of the 55,000 Tecumseh Community Fund Foundation goal turned to smiles late last week when officials learned that contributions from the Tecumseh Products totaled $21,387.25 for the city.

The Products and employees generally donated $26,661.40, of which approximately $5,000 were contributed for other communities.

Not only has the $55,000 goal been reached — it's $55,911.55 now — but the Foundation could come close to $60,000.

Three industries have yet to report, as well as the hospital and some professional fo[illegible]

Foundation officers hope donors continue to be generous, and remind the citizens that all of the extra monies remains in Tecumseh and will be used locally for benefit of Tecumseh and the area.

Bob French, Foundation president, gives the entire credit for the drive's success this year to Stu Costigan and Carl Lamb, co-chairmen; Mrs. William Steele, [illegible] the residential division, and every worker who participated in the canvassing and solicitation, whether it was in the residential, commercial or industrial sections.

Bulk of the present $55,911.55 came from the industrial division, reports Mr. Costigan, who was directly in charge of this section.

Industry has accounted for $39,311.05.

A breakdown of the other divisions is:

- Business, Commercial—$4,705
- Professional—$955
- Residential—$5,0400
- Gift—$5,000
- Schools—$744.50
- City—$147
- Post office—$74

2 Apartment Units Planned at Club

Council reacted favorably Monday night to proposed construction of two six-unit apartments along the 17th fairway at the Tecumseh Country Club.

Dr. Merlyn Blanden, owner of the property, just west of the golf course and south of Burt St., asked Council to change the zoning from residential to multiple-dwelling.

William Powell, developer along with Robert Cavalier of Toledo, showed tentative plans of the apartments to Council and received favorable comments.

Apartment exterior will be brick and frame, and probably two stories high. Two and three-bedroom apartments are planned, and each apartment will have over 1,200 square feet of living space.

Entry to the apartments will be off Burt St., near the city well house there.

Council referred Mr. Powell, local real estate businessman, to the Planning Commission for its recommendation, and then scheduled a public hearing for Dec. 4.

If approval is granted, necessary engineering work will be completed in hopes of breaking ground yet this year. The site is approximately 250 feet deep and extends about 1,300 feet south off Burt, almost to No. 17 tee.

It is on the edge of city limits there.

City To Pick Up Trash at Curb

City officials are planning on assisting residents with a fall clean-up program during the weeks of Nov. 13 and Nov. 20.

Refuse left at the curb will be taken away without charge.

GIFTS FOR THE BIRDS — Junior gardeners will present to the Herrick Nursing Home their suet bells to be placed on the bird feeders after they are exhibited at the "Bells of Yuletide" flower show Dec. 1. The girls are 4-H members working on a conservation project under the sponsorship of the Little Garden Club. From left, they are Peggy Ford, Pearl Knisley and Mary Pobuda. Mrs. William Adams, Mrs. Morgan Ford and Mrs. Carlton Cook are the advisors.

Girl Scouts 'Go to Dogs'

Registered AKC blond cocker puppies, six weeks old, will be among the many features at the Girl Scout bazaar Saturday, Nov. 11, at the Adrian Federal Savings and Loan Association building from 9 a.m. until 5 p.m.

There will also be baked goods for sale as well as many Christmas items, including recipe holders, stuffed toys, Santa Claus toilet seats, trivets and knitted items.

Many articles are priced from 10c to $1 to aid Tecumseh area children in their Christmas shopping.

Senior and Cadette Scouts (age 14 to 18) will be working to earn money for their 1969 trip to Mexico. A table of baked goods will be on sale with the proceeds expressly for this purpose.

The girls also plan to work one Saturday each month for the trip.

They will hold a car wash Saturday, too, at the service stations of George Ruhl and Harold Easton.

Besides a bottle collection, the girls will be available as "slaves". They will do odd jobs at a rate of $1 per hour from 10 a.m. until 4 p.m.

Persons desiring to hire the girls may do so by calling 423-4026 r 423-4165.

MRS. JAMES EDWARD DART

Georgia Meads, James Dart Wed in Saturday Ceremony

Georgia Ellen Meads and James Edward Dart were married Saturday afternoon in a double ring ceremony performed by the Rev. Paul Brantingham in the Friends Church.

Seven-branch candelabra flanked the chancel, and palms formed a background for a pedestal arrangement of white gladioli and chrysanthemums.

China urns filled with arrangements of the same blooms were used on either side of the kneeler.

Parents of the couple are Mr. and Mrs. George Meads, 315 Adrian St., and Mrs. Harry Sipes, of Adrian, and the late George Dart.

The lovely bride entered the sanctuary on the arm of her father. She wore a floor length gown of organza, fashioned in A-line empire style. Appliques of pointe D'Estrite lace adorned the front of the skirt. A court train of the same lace was se[illegible] with pearl bows.

Her double-tiered veil of imported silk illusion was held in place by a crown of pearls and rhinestones.

She carried Snow Song roses, feather chrysanthemums and forget-me-nots.

Linda Sinkey, accompanied by Mrs. Amos Wilson, sang "Because" and "The Lord's Prayer" as the couple knelt.

Mrs. Gerald Penrod was her sister's matron of honor in a floor length gown of Parrott blue, styled as the bride's, with a matching veil.

The bridesmaids were Mrs. Richard Meads and Linda Klinginsmith in emerald green dresses styled as the others.

They carried ball-shaped arrangements of white iceberg pom pons, suspended from velvet handles and accented with grape clusters.

Jana and Kirk Penrod, niece and nephew of the bride, were flower girl and ring bearer. Jana was attired identically to the matron of honor, and Kirk carried the rings on a satin pillow.

David Dart served as his cousin's best man, and Edward Cousino and William Miller seated the guests.

A tiered wedding cake made by the bride's aunt, Mrs. Clarence Randolph, featuring the entire wedding party and topped with a Bible was served at the reception.

Mr. and Mrs. Charles Sinkey were the hosts, assisted by Mrs. Ray Campbell, Mrs. Randolph, Mrs. James Baker, Mrs. John Kelly, Mrs. Raynor Van Valkenburg, Jane Abner and Gail Meads.

After a trip to Northern Michigan, the couple will live at 216 S. Union St.

The bride is a graduate of Tecumseh High School and Riggs School of Beauty Culture at Hillsdale. She is employed at Jane's Beauty Shop in Britton.

Her husband attended Deerfield High School and is employed at the Tecumseh Products Co.

The rehearsal supper was given by Mr. and Mrs. Harry Sipes.

Aviation Topic for Exchange Club

Orville Bishop will show the film, "Best Investment Yet," on aviation at Monday's meeting of the Tecumseh Exchange Club at the IOOF Hall on Green Hwy. Dinner will be served at 6:30 p.m.

Advantages of a city airport are explained in the film.

November is "One Nation Under God" month, as designated by the National Exchange Club during which local clubs strive to inspire and nurture greater respect and understanding for the Pledge of Allegiance to the Flag.

In Tecumseh, each school will receive a placard with the Pledge inscribed on it, and all fourth, fifth, and sixth grade pupils will receive a folder explaining how the Pledge came into official use, how the Flag should be displayed, and when to display it.

One of the days listed is November 11, Veterans Day, and all families and organizations are urged to display the Flag this coming Saturday in recognition of all who have served their country in the Armed Services.

Noel Rogers Loses 'Met' Competition

Lyric soprano, Noel Rogers, failed to win in the final auditions of the Metropolitan Opera competition in New York Sunday, but she plans to continue her studies in New York.

The 25-year-old University of Michigan graduate said she will study languages and "let my voice mature." "I feel great even if I did not win," she said.

Miss Rogers, daughter of Mr. and Mrs. Waldo Papsdorf, formerly of Clinton, now of Denver, Colo., was one of nine young singers to win $2,000 awards for further study last April and to qualify as finalists in the new Metropolitan Opera House.

Mr. and Mrs. Jack Rehkoph and family of Flushing were Sunday guests of Mr. and Mrs. George Meads.

Connie Cox, James Morse Married

Connie Sue Cox became the bride of James M. Morse Saturday evening in a ceremony performed in the Tipton Community Church by the Rev. Paul C. Fredericks, of the Rice Memorial Methodist Church in Detroit.

Parents of the couple are Mr. and Mrs. Guy M. Cox of Tipton and Mr. and Mrs. Marion Morse, 9498 Tonneberger Drive.

Four seven-branch candelabra fronted with white blossoms and tall ferns flanking the altar formed the setting for the wedding.

Mrs. Harold Every at the organ, accompanied the soloist, Donna Marie Geise of Youngstown, O.

On the arm of her father, the bride entered the sanctuary wearing an empire styled gown of Chantilly lace with A-line skirt, scalloped neckline with pearl edging, long tapered sleeves and a detachable train.

Lilies of the valley and seed pearls adorned her veil, and she carried a cascade arrangement of feathered white chrysanthemums and white Snow Song roses.

She wore a strand of pearls, a gift of the groom.

Mary Ann Kruger was maid of honor, and the bridesmaids were Nancy Rockwood of Adrian, Judy Morse, sister of the groom, and Cathy Cox, sister of the bride.

Cindy Cox, another sister of the bride, was flower girl.

All of the bride's attendants were attired in empire styled gowns of turquoise and aqua brocade and crepe with detachable trains.

They carried velvet leaves in fall tones with yellow Fuji chrysanthemums, bronze and copper chrysanthemums, and wheat and sea oats.

Vern Morse, uncle of the groom, was best man and the guests were seated by Robert and Timothy Baker, brothers of the bride, and Gus Bishop.

Ricky Baylor, son of Mr. and Mrs. Richard Baylor, of Delton, and nephew of the groom, served as ring bearer. Following the ceremony a reception was held at the church with Mr. and Mrs. Robert Karle as hosts.

Cindy Fisher registered the guests. Others assisting at the reception were Mrs. Robert Baker, Nancy Walker, Janyce Harpst and Pamela Baughey.

The bride and groom are both 1966 graduates of Tecumseh High School. She is a sophomore at Siena Heights College, and her husband is employed at Pallox, Inc.

They are living at 9800 Tecumseh-Clinton Rd.

The rehearsal dinner for the bridal party was held in the home of the groom's parents.

Susan Spalding, John Whitney Wed at Clawson

Susan Eleanor Spalding, daughter of Mr. and Mrs. Jonathan Spalding of Royal Oak and John William Whitney, son of Mr. and Mrs. Samuel A. Whitney, 315 S. Union St., were united in marriage in a double-ring ceremony Saturday in the Guardian Angels Church in Clawson, near Royal Oak, by the Rev. Fr. R. K. O'Brien.

The bride wore a floor length satin sheath gown fashioned with a long sleeved lace bodice as she approached the altar on the arm of her father.

Mary Jane Spalding was her sister's maid of honor, and the groom's sister, Susan Whitney, served as bridesmaid.

David Weakly was best man and James Whitney, groomsman. The guests were seated by Jack Sisson, William and Michael Spalding, brothers of the bride, and Sam Whitney, Jr., brother of the groom.

The bride's shoulder length veil was attached to a satin and velvet bow in her hair. She carried white chrysanthemums and rosebuds.

Her attendants were gowned in Julie gold velvet and crepe floor length gowns with matching velvet and nylon headresses. They carried orange and yellow chrysanthemums.

A wedding breakfast was served at the Disabled American Veterans' Hall in Royal Oak.

Following a trip to Northern Michigan, the couple will live in Ypsilanti.

The bride was graduated from Royal Oak Kimball High School in 1963 and studied at the University of Michigan. She and her husband are both students at Eastern Michigan University.

He was graduated from Tecumseh High School in 1962 and is employed in Wayne.

Regular Session at Clinton Township

At the regular meeting of the Clinton Township Board, Monday night, Supervisor M. M. Halley and Clerk Ben Mahrle reported on the recent district legislative session which they attended.

James Meeks reported on the growth survey conducted for the Tecumseh School District by the University of Michigan, which he attended as a representative of the Clinton Township.

Township inspector Charles Wilson presented several permits for approval.

Council Accepts Property Gift

City Council accepted a small piece of property Monday night from Harry Beland, local businessman and subdivider in the west section of town.

The property lies east of Occidental Rd. and south of Willow St.

City Manager Cal Zorn told officials that the area is too low for development of houses, but possibly could be developed for a small recreation area.

Appraisal Questioned

Although approval has been given by the government for $17,500 for the city to acquire Tecumseh Park — or the Pit — the money has not been received.

City Manager Cal Zorn told Council Monday night that the Bureau of Outdoor Recreation has refused to accept the appraisal of the park.

Zorn asked permission to secure another appraiser, one acceptable to the Bureau and one who will include comparables in the appraisal.

Glenn Kohler, local realtor and professional appraiser for the government, appraised the park at $65,000. He informed the city that comparables were almost impossible to obtain.

His appraisal figure was too high for the Bureau to accept. Councilman Dr. Carlton Cook was puzzled by the Bureau's refusal and remarked, "sounds like we got a good deal."

How a new appraiser will estimate an accurate value of the park was not determined at the Council meeting. Since the park was purchased and Kohler's appraisal, several buildings there have been torn down and removed.

When Council voted in favor of another appraiser, Councilman Gene Tuckey voted against it. He stated that the original purchase price was too high, and why not let the Community Fund pick up the final $17,500 tab?

Purchase price was $35,000, and the Bureau wants an appraisal equal to this amount.

Tecumseh Township Residents

DO YOU WANT A TRAILER PARK?

Next Tuesday evening at 8 p.m., the Tecumseh Township Board will meet in the offices of Tecumseh Equipment Co., about ½ mile west of the City of Tecumseh on M-50.

A change of zoning — from residential to commercial — is on the Board's agenda. The proposed change affects nearly 40 acres of residential property.

1 — Do you know the real reason for this zoning change? Will your Township Board tell you the real reason?

2 — Do we need another trailer park to blight the area, to drop evaluation of existing property which will adjoin the trailer park?

Plans Have Already Been Formulated To Develop A 300-Unit Trailer Park. Land has been sold, contingent on the Change in Zoning.

Mr. and Mrs. Myrle Lawhead will leave Thursday for Fort Myers, Fla., where they will spend the winter.

Fund Drive Now $1,089

BRITTON — A total of $1,089.89 in cash was collected by the volunteer solicitors in the recent Britton-Macon Community Fund drive, reported secretary Mrs. Tom Koricon.

Other monies have been pledged for collection later, and it is the earnest hope of the Community Fund Board that these pledges will come in so that the goal of $2,048 may be reached.

Additional helpers in the recent campaign were Mrs. Karl Kimmer, Mrs. William Hetrick, Mrs. Loren Dicks and Mrs. Genevieve Younglove.

Debbie Weyher Has Birthday Party

BRITTON—Mrs. LaVern Weyher entertained several little girls Sunday afternoon, in honor of the fifth birthday anniversary of her daughter, Debbie.

Guests were Pam and Teresa Faust, Deanna Downing and Denise Bigelow.

They played games, and Mrs. Weyher served decorated birthday cake and ice cream. Debbie received many lovely gifts.

Evening callers were Mr. and Mrs. Oliver Hoffman, Jr., and sons of Petersburg.

Debbie's great grandmother will also celebrate a birthday this week. Mrs. Alice Bumpus, who makes her home at the Weyhers', will be 93 on Wednesday.

Lt. Ronald D. Mastie has been transferred from Fort Benning, Ga., to Fort Wolters, Texas, where he started helicopter flight school Monday. Mrs. Mastie, nee Kay Benedict, is with him.

RONDA CHEEVER

Ronda Cheever Is Vice-Chairman

BRITTON — Ronda Cheever was elected vice-chairman of the FHA Regional Conference when the Britton chapter hosted the regional meeting recently.

Ronda is the first Britton girl to hold a regional office.

Dr. Lloyd, a teacher in family relations classes at Eastern Michigan University, was the main speaker of the day-long meeting. Her timely topic was "Manners and Morals Matter."

State FHA advisor Mrs. Thelma Graper also addressed the meeting.

The 500 girls who attended from Lenawee, Jackson, Monroe and Washtenaw counties, held group discussions on the central theme.

The boys of the local FFA chapter assisted with the day's activities, especially during the lunch hour.

$109 Donated for UNICEF

BRITTON — A total of $109.07 was collected by the ghosts and goblins of Britton's elementary grades in the UNICEF collection Halloween night.

The streets were crowded as weirdly-costumed children made their way around the town to "Trick or treat for UNICEF." Most of the householders had both treat and UNICEF money ready for the children.

After the collection, the children made their way back to the school to turn in the canisters. Then they formed a parade behind the band, which was also dressed in a rag-tag manner, and wound their way downtown, through the business district and back.

After the parade ended, the little spooks took part in the costume judging in the gym and were treated to cider and doughnuts from the PTA.

Winners in the costume contest were:

Pre-school through second grade: Laurie and George Rodgers; Jill, Jack and Jane Mitchell and Jon Hintz.

Third through sixth grade: Jim Buckles, Cherelyn Spohr and Jeff Hale.

Seventh grade and up: Irene Buckles, Rick Saxton and Scott Hetrick.

Judges were Mr. and Mrs. Jim Landfair and Mr. and Mrs. Paul Hamilton. Judging was difficult because of the many clever and amusing "get-ups".

Ridgeway Donates $46.80 for UNICEF

In the village of Ridgeway, the UNICEF collection was taken up by the children of Grace Methodist Church, assisted by the women drivers, on the Saturday preceding Halloween.

The children collected $46.80 for the United Nations organization.

Report Given at Meeting of Society

BRITTON — Woman's Society of Christian Service of the Grace Methodist Church met at the home of Mrs. Thomas Judkins with Mrs. Kenneth Bortel, cohostess.

Mrs. Clay Croll gave a report on the visit made to Ypsilanti State Hospital by herself, Mrs. William Judkins, Mrs. Robert Wagner, Mrs. Thomas Smith and Mrs. Robert Malloch.

Mrs. Russell Scott was welcomed as a new member of the society.

Devotions were given by Mrs. Wendell Birdsall, based on the 23rd Psalm and repeated in unison by the group. A timely reading and song were read, fitting the scripture text.

Program, entitled "The American Indian," was presented by Mrs. Robert Wagner, leader. Those assisting were Mrs. Robert Gibson, Mrs. Clifford Southard, and Mrs. William Judkins.

The Call to Prayer and Self-Denial Service entitled, "Feed My Sheep," was also held with Mrs. Edward Bailey leader. The scripture was read by Mrs. John Lover. The purpose of the special offering was explained by Mrs. Edward Kanous. Background music, "The Lord Is My Shepherd," was played during the voluntary offering.

A meditation was given by Mrs. Robert Malloch, and explanation of foreign mission aid was presented by Mrs. Clay Croll, Mrs. Thomas Smith and Mrs. Fred Schober.

Further plans for the Nov. 9th harvest festival were also made.

Rohrbacks Learn of New Braam Son

BRITTON—Mr. and Mrs. Harold Rohrback received word from Mr. and Mrs. Joost Braam of Amsterdam, Holland, of the birth of a son, Joost Jan Christiaan, on Sept. 25.

Joost was an exchange student during the school year of 1959-1960, and lived with the Rohrback family on their farm on Milwaukee Road. He graduated from Britton-Macon High School in June of 1960 with Cal Rohrback.

After he returned to his homeland, Joost attended college where he studied hotel management.

He married Deja Henderiksen on November 17 of last year. They are now managing a hotel and restaurant in Amsterdam.

Fall Harvest Is Baptist Theme

BRITTON — "The Fall Harvest" was the theme chosen by Mrs. Milburn Preston as the devotional for the November meeting of the Women's Missionary Society of the Britton Baptist Church.

There were 29 members present as Mrs. Jack Hintz presided.

Mrs. Duane McNeil told of the first Thanksgiving while others told what church, bible, prayer and Christ meant to them.

The group sang "Count Your Blessings" followed by prayers for the missionaries supported by the church.

A love offering was taken.

Used clothing was mended and packed to be sent to the Rev. G. A. Cave of Shenandoah, Va.

Baby booties, bonnets and receiving blankets were completed to be sent to the Rev. and Mrs. Henry Scheltema, missionaries serving in the Amazon jungles of Brazil.

Surplus Sunday School literature was packed for distribution by a center in Howell.

Church covenants were added to the hymnals, and divider curtins for the class rooms were hemmed and hung.

Mrs. Jack Hintz served coffee and donuts. The next meeting will be Dec. 7 at the church.

Each member will bring her favorite Christmas cookie along with the recipe for exchange.

Food Fair Is Planned for Children

BRITTON — The Bethel Baptist Church is participating in a food shower for the Children's Home in St. Louis for Thanksgiving.

Contributions of canned or packaged foods are to be brought to the church Sunday. These will be taken to the Southern Michigan Association meeting in North Adams next Tuesday.

The Rev. Duane McNeil has ——— as his topic Sunday morning, "No Need To Blush."

Sunday School for all ages begins at 10 a.m., followed by the worship service.

Senior young people, young(er) peoples' group and the adult Bible study group will meet at 6:30 p.m.

"One More Night With The Frogs," will be the subject matter for the evening worship service at 7:30 p.m.

Mid-week prayer meeting is held at 7:30 p.m. every Wednesday.

The ladies of the church are saving Betty Crocker stamps for Mrs. George Rendel, missionary to Nigeria. These may be given to Mrs. Jack Hintz or Mrs. Duane McNeil.

GI Returns Home After 13 Months

What a treat, after all the tricky business of being in Vietnam?

Col. George Heeman arrived at Metropolitan Airport Halloween night after 13 months in Dong Ha and AnHoa.

He was greeted by his wife, Sue, and his parents, Mr. and Mrs. George W. Heeman, 735 N. Union St.

While he was on combat duty in the demilitarized zone he received shrapnel wounds and was awarded the purple heart. At An Hoa he worked in office and supply work.

After a month's leave, Col. Heeman will go to Camo Lejeune, N. C. His wife will continue her studies at Eastern Michigan University and practice teaching at Wayne.

Heeman left DaNang Oct. 27, stopped at Okinawa and then flew 11 hours straight to California.

Class Making New Curtains

CLINTON — The Mary-Martha Class of the United Church of Christ will begin work soon to transform 88 yards of material into new curtains for the entire Kirker church school rooms.

It was announced by the project chairman, Mrs. Clyde Greenfield, Jr., at a meeting Monday night.

Mrs. Marilyn Vogel hosted the meeting attended by 13 members, who kept fingers busy during the evening by cutting old Christmas cards into small tags for gifts. The tags will be sold for Christmas, with the proceeds for the choir robe fund.

The date of Sunday, Dec. 3, was chosen for the annual Christmas tea, and a committee was named to make the arrangements.

The group plans to entertain at a pre-Christmas party at the Girls' Training School.

Mrs. John Fox presented the devotions from verses in the Gwen Frostic nature books, and Mrs. Ben Mahrle, II, began the discussion study on the Book of Matthew.

Chocolate-mint pie and coffee were served by Mrs. William Shelley, Mrs. Robert Vogel and the hostess.

The Christmas tea takes the place of the December meeting. The next regular meeting will be Jan. 8.

Mrs. Robert Hart WCTU President

Mrs. Percy Slater will be the leader at the meeting of the WCTU on Friday at 2 p.m. at the home of Mrs. Wilfred Waldron.

New officers of the group are:
President — Mrs. Robert Hart
Secretary — Mrs. Lillian Hoagland
Treasurer — Mrs. Howard Everhart.

Club To Install Officers, Enroll New Members

BRITTON — The Britton-Macon Community 4-H Club will meet Monday at 7:30 p.m. at the Tecumseh Community Center.

Following the business meeting, there will be installation of new officers and enrollment of members.

Refreshments will be served by Mr. and Mrs. Art Eaton and Mr. and Mrs. Ralph Schafer.

Tories Snap String at 36

BRITTON — Hearts were cheered Friday evening in this little village when the Tory football team won a decisive victory over their traditional rivals, the Deerfield Minutemen, by a score of 14-0.

The Tories, patsies in the River Raisin league for the past several years, had apparently decided that their losing streak had gone on long enough. It had reached the dismal total of 35 games.

Or perhaps the Tories were stirred up when upon arriving at school Friday morning, they discovered a big pile of sand in the yard with a wooden cross stuck in it, and "We'll bury the Tories," or words to that effect, printed on the cross.

Or perhaps Friday's student pep rally was more enthusiastic than usual. Or maybe they didn't want to disappoint their coach again.

Whatever it was, the team finally jelled into a real fighting unit, and played an outstanding game both offensively and defensively.

The offense scored early in the game, driving 70 yards on the opening kickoff with Norm Auten carrying the ball for the last 25 yards.

Then Jim Brown topped off the second drive of 60 yards with a 10-yard run. Gordon Henning scored both extra points.

The defensive unit, with the steady and determined play of Bill Tuberville, Doug Steinman and Archie Miller, held Deerfield to three first downs the entire night.

The Tory coach, Paul Palka, had never lost confidence in his players throughout the long season. "I knew they could do it, they just had to believe it," he stated.

"It is really difficult to break either a long winning or losing streak. The momentum of winning carries a team forward to more victories, and the discouragement of losing piles up to an almost insurmountable task. These boys overcame that handicap, and proved to themselves that they can win."

Now that the pressure of that losing streak is off, I feel that Britton will be respectable in the league, and they should never get in such a losing rut again."

Our Readers Write

TO THE EDITOR:

Have you ever been to Mexico? Do you speak Spanish? Do you know the problems to be encountered in taking 72 girls on a four-week trip? Do you have any idea of the cost of a four-week trip to Mexico?

These were a few of the questions raised recently at a Cadette and Senior Girl Scout meeting, which was attended by several parents from Tecumseh.

As a Girl Scout leader and mother of three girls, I feel compelled to write this for the benefit of you other parents who do not have the time or desire to work with young people.

I know sometimes these girls are ridiculed for being in an "out" group, but if each of you could have had the opportunity to see the eagerness and willingness to work as a group, you, too, would wonder about this not being "in".

Seventy-two girls are working together—Negroes, Whites, Mexicans, Protestants, Jews and Catholics — with no thought of race or religion, toward one common goal. For the next two years they will be going from town to town, to earn money for a trip to the International Girl Scout Cabana in Cuernavaca, Mexico.

Think how these girls will grow! To see how people in another country live, to meet other girls their age from all over the world — what an opportunity!

And all they are asking of you is a job! Have you ever tried to keep 72 active girls busy for 6 hours??

We parents haven't, and don't really know how to go about this tremendous task, but with your help — a telephone call to 423-4165 or 423-4026 with your odd jobs; perhaps, we can do our bit to help them earn some of the $400.00 per girl, needed to make this trip possible.

They are so eager, will you please help? Just one phone call will bring them to your home to work this Saturday, November 11, from 10 a.m. to 5 p.m. Thank you.

Sincerely,
Mrs. John Robinson.

TO THE EDITOR:

Everyone in town and the surrounding area should be a little more aware of 4-H and its activities since your excellent promotion of National 4-H Week on Sept. 30-Oct. 7. We heard many favorable comments concerning your newspaper coverage.

We would like to express our gratitude to you for the wonderful assistance. You are to be commended on your fine cooperation.

We hope we can do the same for you sometime.

Thank you again for helping us tell the 4-H story. It was a job well done!

Best wishes.

Respectfully,
Patricia Johnson,
William D. Walter,
Ext. 4-H Youth Agents.

You Told Us

By DOROTHY GRIGG
Herald Women's Editor

Can we wave the flag too much? Read the answer to this question in the editorial by Sidney L. DeLove in next week's Herald and if you agree how about joining others who individually are trying their best to support this great land of ours, in the little ways.

Instead of just standing there when the flag is raised at the next football game and the national anthem is played, how about singing out loud and clear. Maybe you will be the only one in your section but it could catch on. If this country is worth our young men fighting and giving their lives for, surely we can proudly show respect for the symbol of our national unity.

It's an interesting thought, too, that it takes both the black and white keys on the piano to play "The Star Spangled Banner."

Mrs. Wayne Helms and two children, Doug and Lori, came by plane from Little Rock, Ark., to spend the weekend with Mrs. Claude Helms and Mr. and Mrs. Dwight Helms and family.

Mr. and Mrs. Ray Sluyter of St. Louis, Mo., arrived Saturday to spend two weeks with his mother, Mrs. Jessie Sluyter.

Mrs. Gerald H. Bird of Seattle, Wash., and Robert Bell of Montesana, Wash., left Wednesday for their homes after being called her by the death of their mother, Mrs. F. C. Dickinson.

Bonnie Sniffen is a patient at St. Joseph Mercy Hospital, Ann Arbor, for observation.

Mrs. Hobert Drake of Gary, Ind., is a patient at the University of Michigan Medical Center. She is the mother of Mrs. Harvey Carpenter. Mr. Drake has been a guest of the Carpenters since his wife's hospitalization. He returned home Tuesday to cast his ballot in an election. Other guests at Harvey House are Mrs. Drake's two sisters, Mrs. L. Benion and Mrs. V. Towne, of Center Point, Ia., and Mrs. Carpenter's sister, Mrs. C. Hecker, of Brazil, Ind. Mrs. Hecker returned home Tuesday. Mrs. Drake's address at the hospital is 12 East.

[illegible] Cerine Shoemaker of [illegible] Md., returned home Monday after spending a week here with the Rev. and Mrs. Blair Bashore.

Mrs. Leonard Lendon and son left Wednesday to join her husband in Rhode Island.

Monday evening the Rev. and Mrs. Blair Bashore entertained 30 members of the North Rome Baptist Church for traditional rice and curry made by the pastor. Ladies of that church are holding a rummage sale in the Youth House of the First Baptist Church here Friday and Saturday.

Mr. and Mrs. Carl Hale flew to New York Friday and from there took a train through beautifully autumn-touched countryside to spend the weekend with their son, Cadet 2/c Jerry Hale, at the Coast Guard Academy in New London, Conn. Saturday they watched the football game between the Academy and Worcester Technical School. Jerry was among others on the Academy squad to be defeated.

Carl Schomberg of Herrick Park has returned home after a month at St. Joseph's Mercy Hospital, following lung surgery.

Fred Withrow was home from Gulfport, Miss., over the weekend.

Mr. and Mrs. Clarence Beach left Sunday for Bradenton, Fla., where they will spend the winter.

Mr. and Mrs. Stanley Cook entertained at a family dinner recently, honoring the 21st birthday anniversary of James Cook. Others present, besides Mr. and Mrs. James Cook of Spartan Village, were Mr. and Mrs. M. J. Cook of Dundee, Mr. and Mrs. Al Kurtz and two children, Monroe; Curtis Dolan, Toledo; David Grant, Saginaw; and Mrs. Neil Pearson.

Mr. and Mrs. Dow Bilby spent the weekend in Mt. Clemens with the Kenneth Nagorsen family.

Linda Easton spent the weekend here with her parents, Mr. and Mrs. Harold Easton. Linda is a student at Western Michigan University.

Carson Murphy returned home again Saturday from St. Joseph's Hospital, Ann Arbor after undergoing more skin surgery. He will recuperate at home.

Supervisor, Clerk Attend Meeting

CLINTON — Martin Halley, Clinton Township supervisor, and Ben Mahrle, II, township clerk, were at Brighton last week to attend a district legislative session.

Officials were present from Lansing to discuss various new laws pertaining to township affairs, the new plat act, senior citizens' exemptions, new dump regulations, and a host of statutes pertaining to registration and elections.

"The new laws are adding more responsibilities to township and local governments, which are facing problems undreamed of a few years ago,' Mr. Mahrle said.

Hiawatha Poem Is Dramatized by Gypsy Patrol

The Gypsy Patrol dramatized the poem "Hiawatha's Childhood," at a meeting of the Junior Girl Scouts Monday night.

Patrols were selected and named Gypsy, G. S. Wonder People, and Lightning Patrol.

The troop members plan to earn as many badges as possible this year.

SPEAKING AT CHURCH — Rev. Joseph Schultz, Youth for Christ director of Canton, O., will be the speaker for the 10:00 a.m. worship service at Tecumseh Friends Church, Nov. 12. He will also have a portion of the Sunday School as a ventriloquist. Mr. Schultz has been widely used as an evangelist, speaker, vocal musician, magician, and ventriloquist. Pastor Brantingham cordially invites all to attend these services.

Rally Features Joe H. Schultz

Saturday's Teen Life Rally will feature versatile and talented Joe H. Schultz of Canton, O., at Dawson Auditorium, 7:30 p.m.

Teens from many different areas of the county, representing many different churches, will also be participating in the rally in singing, in prayer and in speaking.

Mr. Schultz, 36, Director of Youth for Christ of Canton, fascinates audiences with his vivid variety of presentations through vocal numbers, magic and ventriloquism. Currently as Director of Canton's Interdenomination Youth program he directs monthly rallies, Bible clubs, counsels with delinquents, and operates a home for delinquent boys.

After completing Bible College in 1950, he graduated from McPherson College, McPherson, Kan., with an A. B. Degree in Education and Psychology. Following graduation he served as a pastor and teacher in elementary school.

For three years he was an elementary school principal, having attended graduate school at Wichita University.

In 1955, he became business manager of a manufacturing firm in McPherson, where he served as secretary of the Christian Businessmen's Committee, and state director of Sky Pilots of America, a boys' organization.

In 1957, he became part-time director of McPherson Youth for Christ. In 1958, he resigned his business position to become Director of Youth for Christ on a full-time basis.

Sunday, Mr. Schultz will participate in worship and Sunday School services here at the Tecumseh Friends Church.

Mrs. Walter Wiemer, 7305 Smith Rd., is president of Teen Lenawee Inter - denominational Fellowship Evangelistic Crusade, and Dr. Larry Burch, 610 W. Pottawatamie St., is vice-president.

Jaycees Attend World Congress

Ray Shelton and Dyke Helms, Jaycee Senators, attended the Jaycee International World Congress in Toronto, Can., last week.

Sixty countries outside of the bamboo and iron curtain were represented.

One of the members, Bob Fairbairm, of Christchurch, New Zealand, is in Tecumseh this week to visit the Tecumseh Products Co. He represents other United States firms also in New Zealand.

Mr. and Mrs. David Schoonover attended the Congress Friday and Saturday.

WR Upset, 13-7

Tecumseh bounced Willow Run from the undefeated ranks Friday night, whipping the Flyers in the snow and mud, 13-7.

It was the third straight topnotch performance for the Indians, who have now won two of their last three, and only a 0-0 tie with Blissfield marring the string.

The loss knocked WR out of second place in the state rankings and provided some basis for thought that Tecumseh has a pretty good club — despite a 3-4-1 record.

Before the Indians broke a scoreless deadlock midway through the final quarter, both WR and Tecumseh missed scoring opportunities.

The Indians stopped the Flyers inside their 10 once, and Tecumseh missed a golden opportunity when an offside penalty stopped a drive at WR's six. Tecumseh was fourth down and less than a foot when an Indian sprinted offside.

With less than six minutes to go in the game, Tecumseh scored with Jim Mobley sneaking over from the one. Buddy Work then plunged for the extra point.

It took the Flyers less than a minute to even the count. On the second play after the ensuing kickoff, Dave Hart took a pass in the right flat and the speedy halfback raced untouched for the final 40 yards.

With the clock showing just 3:58 left, Tecumseh started driving with a Mobley to Anderson pass over the middle covering 40 yards to WR's 10.

The Flyers got the ball back on a fumble, then returned the favor with an intercepted pass. Then on a power sweep around left end from the 17, Jim Hunt took a short pitchout from Mobley, literally ran over a WR back at the four, and romped into the end zone.

It mattered little that WR stopped Anderson on the extra point try. The Flyers got the following kickoff, but never threatened as Tecumseh picked off another pass.

Conditions were similar to a fiasco here of about eight years ago when Tecumseh trimmed Adrian, 6-0, in the mud. Weather at game time Friday night was worse.

Wind whipped snow and rain horizontally across the field which was flooded in many areas. WR's red uniforms and Tecumseh's orange and white were practically the same in appearance after a few plays.

Both teams fumbled numerous times when the slimy ball trickled through numbed fingers. Except for the single pass completion to Hart, WR's passing game hurt the Flyers more than it helped.

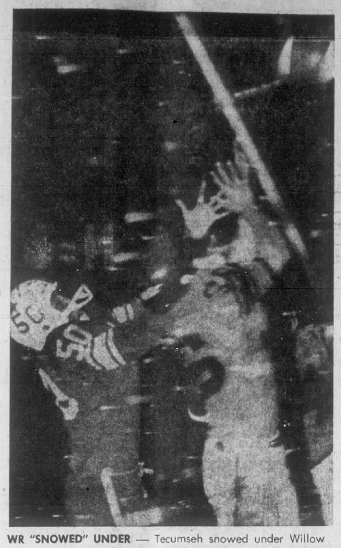
The Flyers tried to pass against the strong wind, and the Indians repeatedly picked them off. WR, noted for its speed, found it nearly impossible to skirt the ends as Tecumseh was geared to stop its wide game.

One partisan WR fan, speaking before the game, said his coach and team feared Tecumseh more than any other opponent on the Flyers' schedule. Their fears were justified.

If Coach Tom Fagan had not been plagued with injuries after the Hillsdale game, Tecumseh would be 7-0 instead of burdened with four losses.

Blissfield won the league crown, but Tecumseh had the best team in the Huron League. The Indians of the past three weeks would have no trouble handling the four teams which beat them. Only possible exception would be Lutheran West, and we'd like to think that the Detroiters' 26-21 win over a weakened Indian eleven would be reversed now.

Willow Run	0 0 0 7— 7
Tecumseh	0 0 0 13—13



WR "SNOWED" UNDER — Tecumseh snowed under Willow Run Friday night — and it was really snowing as this picture shows. WR's speedy Dave Hart (50) has this pass batted away by Tecumseh's Buddy Work.

12 Indians Playing Final Grid Game

Twelve Tecumseh Indians play their final prep game here Friday night against Adrian.

Leading the seniors are tri-captains Doug Schwartz, John Anderson and Buddy Work. Doug Schwartz is Tecumseh's outstanding lineman, playing tackle on offense and linebacker on defense.

Anderson is the team's top runner and scorer, while Work has shined offensively for the past four games.

Quarterback Jim Mobley also will be playing his last game and has yet to pilot the Indians in a defeat this year. Tecumseh lost all four games when Mobley was sidelined with injuries.

Other seniors who are either regulars or first choice subs include Randy Robinson, Chuck Gillies, Dick Hale, Bob Esterline, Joe Conklin, Mike Jackson, Jim Upell and Rick Durkee.

Robinson, who looked sharp offensively last year, has been used mostly on defense this season. Gillies is one of the better linebackers in the Huron League, and Durkee is tecumseh's top pass receiver. He's also safety on defense.

Upell, Hale, Conklin and Jackson are starters and have contributed much to Tecumseh's recent improvement. Esterline has been a second stringer most of the season but has played a lot of ball.

Remember Veterans' Day Saturday and fly your flag — and proudly!

Circle Meets To Pack Cookies for Servicemen

The Martha Circle of the First Baptist Church met Wednesday evening at the home of Mrs. George French to pack cookies for servicemen in Vietnam.

Mrs. Bertram Updike, president of the Woman's Society, will be the hostess Nov. 14 at 9:15 a.m., to a group of ladies interested in starting a Bible study group.

She is inviting not only Baptists but anyone desiring to attend.

Mrs. Updike will also host the Ruth Circle Nov. 21 at 8 p.m.

Former President Is Baptist Speaker for Family Night

Mrs. Theodore Johnson, former state Baptist Women's president, will show pictures and speak at Family Night at the First Baptist Church Monday night.

Mrs. Johnson visited Haiti this summer and will tell of her trip.

A cooperative supper will be served at 6 p.m. with those attending bringing their own table service, milk for their family and salad and dessert, if they have not been otherwise solicited by the committee.

Family night is sponsored by the Women's Society.

Mrs. Hanna Talks to DAR Friday

The Abi Evans Chapter of the DAR will meet at the home of Mrs. Ellsworth Robinson on Stone Highway Friday at 2 p.m. The co-hostess is Mrs. Purnell Osburn.

Mrs. Herbert Munger is the leader for the afternoon, and Mrs. H. H. Hanna will be the speaker, telling of her Protective Service work in Tecumseh.

Due to repair on the road usually used to go to the Robinson residence, it is suggested by the committee that members take this route — east to the edge of Ridgeway, turn left on Ford Rd., go one and one-half miles to Smith Rd., turn left and go about three-quarters of a mile to Mrs. Robinson's.

Frosh Trip South Lyon

Tecumseh freshmen football team picked up its fifth victory of the season by downing an undefeated South Lyon junior varsity team, 19-12, last Wednesday evening.

South Lyon opened the scoring early in the first quarter after recovering a Tecumseh fumble on the Tecumseh 22-yard line.

Tecumseh came right back five minutes later to go ahead, 7-6. Craig Smith carried over from the one on a quarterback sneak. Tony Lisenbee scored the extra point.

The little Indians scored again in the second quarter when Smith hit Lisenbee with a 23-yard touchdown pass. The try for extra point failed, and Tecumseh led at half time 13-6.

After a scoreless third period, the Indians stretched their lead to 19-6 early in the fourth quarter when Smith hit Scott Dalton with a 37-yard scoring pass.

South Lyon closed the gap to 19-12 with a touchdown late in the final stanza.

The little Indians came up with an outstanding defensive effort as they intercepted five South Lyon passes. Lisenbee and Smith picked off two apiece and Greg Burns got the other one.

A stiff defense was led by end Bob Pettit, linebackers Gary Hannibal, Frank Geisenhaver, Mike Sietz and Craig Smith, and halfback Dave Gurtzweiler.

Guard Tom Merx, tackle Ken Humphres, center Alex Gibson and fullback Geisenhaver turned in outstanding blocking jobs.

Anderson Says Police To Use Breathalyzer

Anyone arrested for driving under the influence of alcohol in Clinton Post area of the Michigan State Police has a good chance to find out what a Breathalyzer is all about.

According to Sgt. Carl Anderson, commanding officer of the Clinton Post, Corporals Gibbard, Joachim and Paruch, and Trooper Houghton have all recently completed a one week Breathalyzer training program at Michigan State University's Highway Traffic Safety center.

Each is now fully qualified to administer the breath test to persons arrested for driving under the influence of alcohol.

On November 2, Michigan's new "implied consent" law went into effect. Simply stated, this means that a driver has given his consent to take a chemical test for alcohol if arrested for driving while under the influence of intoxicating liquor.

Refusal to take a chemical test could result in the automatic suspension or revocation of the driver's license.

William E. Barber, course director at the Highway Traffic Safety Center, said that the successful completion of classroom and laboratory course work by the officers, has given the Clinton Post area the capability of effectively enforcing the law against drunk drivers.

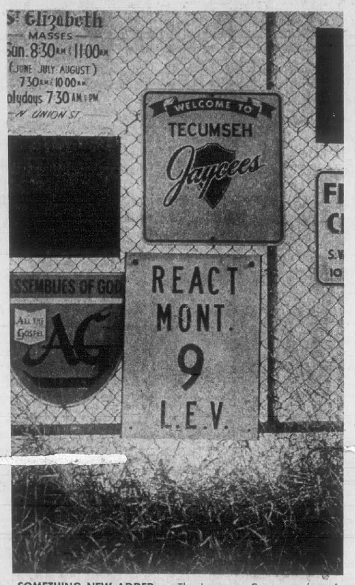
Barber also complimented the State Police for being one of the first to train its officers to take action against the driver, who by his excessive drinking, shows little regard for other drivers and pedestrians.

The three most common chemical tests for alcohol now being given analyze the driver's blood, breath, or urine. However, the new law states that a driver has the option to demand that only a breath test be given. The test findings are admissible as court evidence and could work either for or against the defendant, depending on the test results.

Since it is assumed that a high percentage of drunk driving suspects will demand the breath test, it is essential that Breathalyzer test instruments and qualified police operators be available throughout the state.

To meet this need, the Michigan Law Enforcement Officer's Training Council, the Michigan Department of Health, Department of State Police, and MSU's Highway Traffic Safety Center have teamed together to conduct a mammoth training program in East Lansing.

Early estimates indicate that 175 Breathalyzers, a proven instrument for measuring alcohol content of the blood through analysis of the breath, will be needed, along with 750 trained police operators.



SOMETHING NEW ADDED — The Lenawee County group of the Radio Emergency Associated Citizens Teams have placed their sign at the east and west end of Tecumseh, to let Travelers know they are monitoring channel 9 in the event help is needed.

VFW Ladies Give Flags to Schools

Ladies' Auxiliary to the Veterans of Foreign Wars Hall Slater Post No. 4187 recently presented seven new 50-star flags to the Herrick Park School, and five flags to the orthopedic addition at the High School.

A brief program was given in observance of all patriotic days, especially Veterans Day, Nov. 11.

Attending the presentation with the President of the Ladies' Auxiliary, Mrs. Walter Mueller, were Mrs. Lloyd Stites, Mrs. Norman Sisty, Mrs. Henry Strand, Mrs. Junior Fouts, and Mrs. John Sisson.

The motto of the organization is, "Honor the Dead by Helping the Living".

Teaching our children to honor our flag is just one example of the work that is carried on throughout the land, said Mrs. Mueller.

Combat Engineer Course Completed by Noel W. Kohl

Army Pvt. Noel W. Kohl, 23, whose parents, Mr. and Mrs. Robert J. Holcomb, live on Route 2, Tecumseh, completed advanced training as a combat engineer, Oct. 27, at Ft. Leonard Wood, Mo.

During his eight-weeks of training, he received instruction in combat squad tactics, use of infantry weapons and engineer reconnaissance.

He also was trained in the techniques of road and bridge building, camouflage and demolition.

Pvt. Kohl, whose wife, Kathleen, lives at 209 E. Shawnee, received his B.S. degree in 1967 from Eastern Michigan University, Ypsilanti.

'Hasty Heart' Enjoyable

Funny, enjoyable, touching. These are a few words which depict the Tecumseh Players production of "Hasty Heart."

John Patrick's script, impressively performed, left the audience roiling in the aisle, holding back a tear, and loving these World War II characters.

Convalescing from battle wounds in a jungle hospital, the five male patients are told that a new patient, Lachlen, is dying. And so the shows spins the plot. The story is heart-warming; the dialogue is humorous.

Hats off to Bill Sanford who was excellent in his portrayal of Lachlen, a man standing on his philosophy of man's independence from his fellow man. With professional control and insight he carried the show through to the end. The difficult Scottish brogue was handled with naturalness and consistency.

Lori Egli did an admirable job in handling the role of Margaret, an affectionate nurse who tries to keep order in her mad-house ward. Although she lacked emotional control and motivation at times, she gave a convincing performance.

The five patients, played by Joe Cherry, John Raymond, George Genyo, Larry McClain and Harold Thomas were successful in carrying the funny dialogue and ridiculous antics.

Outstanding was Larry McClain in the role of Tommy, although periodically his character was too forced.

Gail Rothfuss and Relm Burkholder were convincing in their supporting roles as the Colonel and the orderly.

Congratulations to director Craig Collicott for a well-done production. Most of his actors were well disciplined and consistent in their roles. Although the pacing in Act I was loose and lacked continuity, this became less of a problem as the play progressed.

Our compliments to the technical director, Roland Von Kaler, and his crew for an effective set. The bamboo hut interior added greatly to the atmosphere of the show. The new trust stage was ideal, both for the audience and the performers.

When you put five male characters in one room, throw in a stubborn Scot and a pretty nurse, you have a delightful play!

"Hasty Heart" plays Nov. 9th and 11th, and you will enjoy it!

Town Prospered Under Truesdale

By MAXINE CALHOUN

CLINTON — John Truesdale, owner of Clinton Theatre, was village president for the past four years, until he resigned last Wednesday.

JOHN TRUESDALE

He has taken an active part in promoting the community development and participating in the many social functions, pertaining to the duties of his office.

It was during the past four years that the village has been concerned with considerable industrial growth, including the building of the Peerless Gear Division of Tecumseh Products, Budd Company plant, as well as several other plant exoansions.

The village's recent participation in the sale of $9,300,000 municipal revenue bonds for the Budd Company plant was indicative of the increasing necessity of village business, and the responsibilities borne by its public officers.

Although hampered by frequent bouts of illness, Mr. Truesdale continued to serve his community for as long as it was possible for him to do so without regard for his health.

Such devotion to civic duty is rare and commendable.

Board Buys Silverware for Center

CLINTON — Purchase of 100 place settings of silverware was approved by the board of the Smith-Kimball Community Center at a meeting last week.

The silverware may be obtained from the caretakers, Mr. and Mrs. Harry Werth, and must be returned to them. A fine will be levied for the loss of any of the silverware.

The board discussed the need for more folding chairs, large tables and rockers. It is expected that the chairs and tables will be ordered soon.

Anyone who wishes to donate good used rockers, may contact the caretakers or any member of the board.

Funds were provided for the purchase of Christmas lights and decorations for the interior of the center for the holidays.

Golden Age Club Meet During Day

CLINTON — The Golden Age Club voted at a recent meeting to hold the regular Tuesday meetings from 11 a.m. to 4 p.m. throughout the winter months, instead of during the evenings.

Members are to take their own sandwiches and a hot dish will be furnished at each meeting.

The first daytime meeting was held Tuesday.

Community Fund Up to $2,850.02

CLINTON — The Clinton Community Chest Fund has reached a total of $2,850.02, including the Budd Company donation of $783.50, which was received last week.

Several out-of-town employers have not reported as yet.

Goal is $3,000.

Olivers Return To Reside Here

CLINTON — Mr. and Mrs. Duane Oliver, nee Mary Cutler, and daughter, Kahla, eight months old, recently moved from E. Lansing to the Carlton apartments on Macon Rd.

The couple are former Clinton residents. Mr. Oliver is employed in Ann Arbor.

Floyd Tate To Preside for Village

CLINTON — Resignation of John Truesdale as village president, for reasons of recurring ill health, was accepted with sincere regret by the village council at the November meeting last Wednesday night.

The resignation was effective Nov. 1. No action was taken by the board revelant to the vacancy, and Floyd Tate will serve as president pro-tem.

The council appointed Mrs. Idean Rider to serve as acting treasurer for the balance of the term.

Nominations are made in January for the spring election of village officers.

A bid was accepted from Underwood Chevrolet for a 1½-ton pickup truck for rubbish hauling.

OES Installs Two Officers

CLINTON — Two officers who were unable to attend a recent installation service were installed at the regular meeting of the Eastern Star, Golden Rod Chapter, Thursday evening.

Delbert R. Tallman, Jr., was installed as sentinel, and Mrs. Tallman was installed as Ruth, with past matron, Mrs. Delbert Tallman, Sr., as installing officer and Delbert Tallman, Sr., as installing marshal.

Presiding at the meeting were the new officers, Mrs. Homer Larrabee, worthy matron, and Herman Green, worthy patron.

Mrs. Del Manchester, who was named grand committeewoman at the centennial session of the grand chapter, gave a report of that meeting.

Proficiency certificates were presented to Cheryl Stout and Mrs. John Kontos.

A school of instruction will be held at Tecumseh Chapter 51, for officers from Clinton, Saline, Monroe and Tecumseh chapters, on Dec. 1.

Members who wish to make reservations to attend the dinner reception for worthy grand patron, Robert Reighhard, and grand marshal, Mrs. Reighhard, at the Lansing National Guard Armory, Dec. 2, must contact Mrs. Roscoe Parker by Nov. 27.

A fall theme, accented with small pumpkins, was used on the refreshment table. The committee was Mrs. Lillian Burnside and Mrs. Walter Geiger.

Music Man Orchestra is Selected

CLINTON—An innovation for the upcoming musical, "The Music Man," by the Clinton High School Choir, will be a small orchestra under the direction of band director, Richard Perkins.

Busy at work preparing an overture and accompanying parts are Don Osgood, Mike Gunn, Kris Humble, Kim Rhoades, Dave Herndon, Gina Green, Joanne Sharpe, Nancy Bellmore, Fran Dermeyer, Charles Finkbeiner, Jerry Porter, Dave Hawkins, John Steffens, Loren Werth, Bonnie Hoover and Vic Humble.

The production will be presented Nov. 16, 17 and 18, at 8 p.m. in the high school, under the direction of Mrs. Donald Geiger.

Classes Out for Proposed New School

CLINTON — School was dismissed Tuesday afternoon in the Clinton High School, to permit the faculty and staff to consult with the architectural firm of Jahr-Anderson Associates, and Dr. Charles Wells, Wayne County Educational Building Consultant, on possible ways to develop building plans for the secondary school.

Considerable research into the needs for a new high school building is being undertaken by the teachers in the various departments of the secondary school, and the administrators are evaluating the present buildings.

Results of the evaluation will be discussed at a public meeting in the near future.

School personnel are available to speak about the plans for a school building program to any interested community group.

Gail Johnson, Charles Ojeda Speak Vows

CLINTON — Nuptial vows were exchanged by Gail Lucy Johnson and Charles Ojeda in a ceremony at the home of the bride's parents, Mr. and Mrs. Wayne Johnson, Sr., 11615 Tecumseh Rd. Saturday.

The bridegroom's parents are Mr. and Mrs. Jesus Ojeda, of 547 Tabor St.

The ceremony was performed at 7 p.m. by the Bishop Clifford Knudson of Tecumseh, of the Adrian Church of Jesus Christ of Latter Day Saints (Mormon).

Given in marriage by her father, the bride wore a daytime length gown of antique white lace, with three-quarter sleeves and a rounded neckline. A beige velvet Dior bow held her short veil of ivory net. She carried a bouquet of white chrysanthemums and white carnations.

Karen Johnson, of Ann Arbor, was her sister's maid of honor. She wore a blue crepe sheath dress, styled with a bodice of blue net and large bows on each shoulder. Her matching circlet veil was held with a blue velvet bow. She carried a bouquet of yellow carnations and white chrysanthemums.

Angel Ojeda, of Imlay City, was his brother's best man.

A reception for 250 guests was held in the Smith-Kimball Community Center, immediately after the ceremony.

Christine Johnson, sister of the bride, registered the guests. Among them were the bride's grandmothers, Mrs. Eber Johnson of Petersburg, and Mrs. Carl Leece of Hanover.

Assisting at the reception were Debbie Claus, Linda Marsh, Beverly Van Sickle, and Barbara Wells.

The bride is a senior at Clinton High School and attends Lois School of Hair Design.

Mr. Ojeda is a 1966 graduate of Adrian High School and is employed at Vescio's in Adrian.

The couple will reside at 310½ E. Michigan Ave., Clinton.

Club Exchanges Christmas Ideas

CLINTON — Christmas ideas and patterns for gifts were exchanged at a meeting of the Clinton Hobby Club, Wednesday, at the home of Mrs. Dayton Sell.

Mrs. Thomas Pence assisted the hostess with the luncheon.

The group plans to pack cheer boxes at the Dec 6 meeting at the home of Mrs. Clyde W. Greenfield. There will also be a Christmas gift exchange.

Christmas Bazaar

CLINTON — The annual Christmas bazaar of St. John's Episcopal Church Women will be held Saturday from 10 a.m. to 5 p.m.

Co-chairmen for the bazaar are Mrs. Donald Houghton and Mrs. Charles Sturm.

Refreshments will be served during the day, instead of serving a dinner as in the past.

Creative handicraft, which required several months of preparation, will be displayed at a booth arranged by Mrs. Richard Gage and Mrs. Houghton. There will be a variety of Christmas aprons, homemade candles and crepe paper flowers.

Hand-knitted children's hats and gloves will be shown at Mrs. Robert Winder's booth.

Mrs. John Mabry and Mrs. Thomas Carlton will have charge of the display of Christmas ornaments, gift wrappings and decorative boxes.

Mrs. John Harrison has charge of the baked goods display, and will also have home-canned delicacies and candies.

Nan Mabry will keep the fish pond well-stocked with amusing "bait" for the youngsters.

"They'd rather switch to a Gas Incinerator than fight my smoke!"

"I can't believe it — replaced by a young upstart who doesn't even smoke! This incinerator fellow must not have any pride — he even consumes *garbage!* No self-respecting trash burner would attempt that! And who's going to keep the neighbors in their place by blowing smoke and soot in their yard? You'll see . . . replacing me with an automatic Gas Incinerator will make a big difference in their life!"

You, too, can end trash and garbage problems by switching to a new, smokeless, odorless Gas Incinerator
